

Mohave County Right-of-Way Use Permit

A Permit Will Be Granted, Based On The Following Conditions:

1. Mohave County requires a complete set of construction plans and engineering specifications to be submitted with the application for a Right-of-Way Use Permit. A Right-of-Way Use Permit will not be granted until construction plans have been received and reviewed. When additional clarification of the plans and specifications is required by the County, the Permit Holder shall attend a meeting with County to clarify and correct those issues.
2. All service lines that fall within the paved sections of the street shall be Bore Cut as outlined in M.A.G. 608.
3. Any and all damages resulting from the construction of this project, such as gouging of asphalt surface, breaking asphalt edges, cracked concrete, damaged signs, etc., must be restored upon completion of this project.
4. Stop bars, striping, and other traffic control devices, if removed, must be restored to their original condition upon completion of this project.
5. If stop signs are removed, portable stop signs must be provided and maintained until the permanent stop signs are reinstalled.
6. The work area may be videotaped by Mohave County. Upon completion, the post construction conditions shall match the pre-construction conditions, including, but not limited to replacing the Aggregate Base (AB) layer within the shoulder of the roadway up to 8 ft. wide and 4 in thick if such shoulder has been used by the contractor for trenching or storing stockpiled spoil materials.
7. If road closure is necessary, a traffic control plan must be submitted to the Mohave County Engineering Division for approval 5 days before work commences.
8. All pavement cuts shall be saw cuts through the full depth of asphalt or concrete.
9. The Permittee shall be responsible for any survey monuments disturbed by the contractor during the construction of this project. Such monuments must be restored by a land surveyor registered in the State of Arizona.
10. When permission has been granted to open cut, the asphalt street crossings shall be backfilled with compacted native materials and a minimum of 30 in of one-sack, per cubic yard cement ABC slurry mix, Mohave County Standard 200-1, placed directly underneath the asphaltic concrete surface patch.
11. Construction material (excavations, bedding materials, aggregate base, etc.) shall not be stockpiled or placed on the existing asphalt surface.
12. The excavation walls must be properly supported by adequate support systems and protective systems to provide lateral support and adequate protection for workers, existing pavement, structures, and utilities. At locations previously approved by the County, the excavations may be made with temporary slopes. In either case, the site shall be restored to match preconstruction conditions.
13. All trench backfill material shall be placed in 8 in. lifts compacted at, or near optimum moisture content. Backfill compaction shall be verified by a certified testing laboratory, with copies of the compaction tests being sent to the Mohave County Engineering Division as requested by the County. The number and location of the tests for trenches greater than 5 ft. deep shall be addressed at plan review time as discussed in Item #1 above. For trenches 5 ft. or less in depth, testing shall consist of; 1 test- 1 ft. above pipe shading, 1 test- at midpoint of the trench backfill, and 1 test- at final grade of the trench. The minimum percentage of compaction acceptable to Mohave County will be 95% as per ASTM D-698-C whenever the trench is located within the roadway prism. As an alternate, the contractor may elect to backfill with a one-sack concrete slurry as described in Item #10 above.
14. Mohave County requires the Permit Holder to satisfy requirements set forth in:
 - (1) Permit Attachment "A" – Indemnification and General RequirementsAnd as deemed applicable at the County's discretion:
 - (2) Permit Attachment "B" – Insurance Requirements Matrix and/or;
 - (3) Permit Attachment "C" – Environmental Indemnification Clause.
15. **Non-Compliance with any of these conditions will be grounds for termination of this Permit and restoration of the site at permittee's expense.**
16. Notes:
 - ❖ Job site safety is the sole responsibility of the Permit Holder and the Contractor.
 - ❖ The shoulder of the roadway (8 ft. wide along the traveled lane in each direction) is considered to be within the roadway prism.

Indemnification

To the fullest extent permitted by law, Permittee (as "Indemnitor") hereby agrees to immediately defend, indemnify, and hold harmless Mohave County, and its departments, agencies, officers, officials, agents, employees and volunteers (hereinafter referred to as "Indemnitee") from and against any and all claims, actions, liabilities, damages, losses, or expenses (including, but not limited to, court costs, attorneys' fees, and costs of claim processing, investigation and litigation) (hereinafter referred to as "Claims") for bodily injury or personal injury (including death), or loss or damage to tangible or intangible property, caused, or alleged to be caused, in whole or in part, by the negligent or willful acts or omissions of Permittee or any of its owners, officers, directors, agents, employees, contractors or subcontractors. This indemnity includes, but is not limited to, any claim or amount arising out of, or recovered under, the Workers' Compensation Law, or arising out of the failure of such Permittee to conform to any federal, state, or local law, statute, ordinance, rule, regulation, or court decree. It is the specific intention of the parties that the Indemnitee shall, in all instances except for Claims arising solely from the negligent or willful acts or omissions of the Indemnitee, be indemnified by Permittee from and against any and all claims. Permittee will be responsible for primary loss investigation, defense, and judgment costs where this indemnification is applicable. In consideration of the award of this permit, the Permittee agrees to waive all rights of subrogation against Mohave County, its departments, agencies, officers, officials, agents, employees and volunteers for losses caused by or arising from the activities authorized by this Permit.

Any insurance, its limits, amount and type required herein to be maintained by the Permittee shall in no way be construed as limiting the scope of this indemnity.

General Requirements

County Property: This right-of-way is for County property and shall not be construed as an authorization for use of adjacent private or public property, grounds or land or any other area where a separate right-of-way, agreement or permit may be required. Applicant shall be responsible for obtaining all necessary rights-of-way, agreements, permits or insurance required by any federal, state, municipal or other governmental or private entity.

Damage to County Property: Applicant will promptly compensate or reimburse County the full amount of any damage to, or loss of use of, County buildings, facilities, grounds, lands, water or property caused by Applicant, its officers, officials, employees, members, guests, invitees, or agents. Compensation or reimbursement to the County shall also include, but not be limited to, restoration, clean-up, abatement, remedial action, legal fees and expenses or fines.

Damage to Applicant Property: The County shall not be responsible for loss of, damage to, or loss of use of, tangible or intangible property of Applicant, its officers, officials, employees, members, guests, invitees or agents.

Loss of Privileges: Loss of privileges authorized by this right-of-way by County revocation, closure, termination, cancellation or suspension is not compensable to the Applicant.

Transfer: This Agreement, its requirements, terms and conditions are not transferable.

Exclusivity: This Agreement is not exclusive unless otherwise stated in the Agreement. The County reserves the right to use or allow others to use any part the County right-of-way, property or land pertaining to this Agreement. The Applicant agrees to allow others of the public free and unrestricted access to, and use of, the County right-of-way, property or land at all times for all lawful purposes.

County Rules and Regulations: Upon issuance, this Agreement authorizes the Applicant's right-of-way subject to the terms and conditions outlined within County rules, regulations, laws, ordinances or the County approved authorization of right-of-way. It is the Applicant's responsibility to be familiar with and to understand all applicable County rules, regulations, laws, or ordinances.

Permit No. _____

Environmental Indemnification Clause

To the fullest extent permitted by law, Permittee (as "Indemnitor") hereby agrees to immediately defend, indemnify, and hold harmless Mohave County, and its departments, agencies, officers, officials, agents, employees and volunteers (hereinafter referred to as "Indemnitee") from and against any and all demands, claims, complaints, losses, damages, actions or causes of action, assessments, liabilities, costs or expenses including, without limitation, interest, penalties and reasonable attorney's fees and reasonable expenses of investigation and remedial work (including, but not limited to, investigations and remediation by engineers, environmental consultants and similar technical personnel) asserted against or imposed upon or incurred by Indemnitee arising in connection with, or resulting directly or indirectly from, any Environmental Law, including, but not limited to, any use, generation, storage, spill, release, discharge or disposal of any Hazardous Substance that is now or comes to be located on, at, about or under the property or because of, or in connection with, the violation of any Environmental Law (hereinafter collectively referred to as "Claims") to the extent that such Claims are caused as a direct or indirect result of any acts or omissions or Fault of Permittee, its officers, officials, agents, employees, contractors, volunteers, tenants, subtenants, invitees or licensees, regardless of whether or not such Claims are caused in part by a party indemnified hereunder. Permittee shall not be obligated to defend Indemnitee against any Claims or indemnify Indemnitee for or hold Indemnitee harmless from any Claims incurred by Indemnitee resulting solely from the negligence or willful misconduct of Indemnitee and not in any way resulting from any act or omission or Fault of Permittee or anyone directly or indirectly employed by Permittee or anyone for whose acts Permittee may be liable. As used in this section: (a) "Hazardous Substances" are those substances defined as toxic or hazardous substances, pollutants, or wastes by Environmental Law and include, but are not limited to, the following substances: gasoline, kerosene, or other petroleum products, toxic pesticides and herbicides, volatile solvents, materials containing asbestos or formaldehyde, and radioactive materials; (b) "Environmental Law" means federal, state or local laws and regulations, including common law, that relate to health, safety or environmental protection; and (c) "Fault" means those nonculpable acts or omissions giving rise to strict liability under any Environmental Law pertaining to Hazardous Substances, as well as culpable conduct (negligence or willful misconduct). The Permittee agrees to waive all rights of subrogation against the County, its departments, agencies, officers, officials, agents, employees and volunteers for losses caused by or arising from the exercise of this permit.
