GLOSSARY

**Chapter 1**  
**OVERVIEW OF THE PROGRAM AND PLAN**

**INTRODUCTION**

The PHA receives its funding for the Housing Choice Voucher (HCV) program from the Department of Housing and Urban Development. The PHA is not a federal department or agency. A public housing agency (PHA) is a governmental or public body, created and authorized by state law to develop and operate housing and housing programs for low-income families. The PHA enters into an Annual Contributions Contract with HUD to administer the program requirements on behalf of HUD. The PHA must ensure compliance with federal laws, regulations and notices and must establish policy and procedures to clarify federal requirements and to ensure consistency in program operation.

This chapter contains information about the PHA and its programs with emphasis on the HCV program. It also contains information about the purpose, intent and use of the plan and guide.

There are three parts to this chapter:

Part I: The Public Housing Agency (PHA). This part includes a description of the PHA, its jurisdiction, its programs, and its mission and intent.

Part II: The HCV Program. This part contains information about the Housing Choice Voucher program operation, roles and responsibilities, and partnerships.

Part III: The HCV Administrative Plan. This part discusses the purpose and organization of the plan and its revision requirements.

**PART I: THE PHA**

**1-I.A. OVERVIEW**

This part explains the origin of the PHA’s creation and authorization, the general structure of the organization, and the relationship between the PHA Board and staff.

## **1-I.B. ORGANIZATION AND STRUCTURE OF THE PHA**

The Section 8 tenant-based Housing Choice Voucher (HCV) assistance program is funded by the federal government and administered by the Mohave County Housing Authority for the jurisdiction of County of Mohave.

The fiscal agent of the PHA is Mohave County through its Board of Supervisors. The officials of a PHA are known as Directors or, collectively, as the Mohave County Housing Authority (MCHA) Board of Directors. Directors are appointed by the Mohave County Board of Supervisors in accordance with state housing law and applicable federal regulation. MCHA approve policies under which the PHA conducts business, ensuring that policies are followed by PHA staff and ensuring that the PHA is successful in its mission. The board is responsible for preserving and expanding the agency's resources and assuring the agency's continued viability.

Formal actions of the PHA are adopted by the Board of Directors and entered into the official records of the PHA.

The principal staff member of the PHA is the executive director (ED). The executive director is directly responsible for carrying out the policies established by the Mohave County Board of Supervisors and The MCHA Directors and is responsible for the operations of the PHA to ensure compliance with federal and state laws and directives for the programs managed. In addition, the executive director's duties include budgeting and financial planning for the agency.

## **1-I.C. PHA MISSION**

The purpose of a mission statement is to communicate the purpose of the agency to people inside and outside of the agency. It provides guiding direction for developing strategy, defining critical success factors, searching out key opportunities, making resource allocation choices, satisfying clients and stakeholders, and making decisions.

### PHA Policy

The mission of Mohave County Housing Authority is to promote adequate and affordable housing, promote economic opportunity and a suitable living environment free from discrimination.

## **1-I.D. THE PHA'S PROGRAMS**

The following programs are included under this administrative plan:

### PHA Policy

The PHA's administrative plan is applicable to the operation of the Housing Choice Voucher program.

## **1-I.E. THE PHA'S COMMITMENT TO ETHICS AND SERVICE**

As a public service agency, the PHA is committed to providing excellent service to HCV program participants – families and owners – in the community. The PHA's standards include:

- Administer applicable federal and state laws and regulations to achieve high ratings in compliance measurement indicators while maintaining efficiency in program operation to ensure fair and consistent treatment of clients served.
- Provide decent, safe, and sanitary housing – in compliance with program housing quality standards – for very low-income families while ensuring that family rents are fair, reasonable, and affordable.
- Encourage self-sufficiency of participant families and assist in the expansion of family opportunities which address educational, socio-economic, recreational and other human services needs.
- Promote fair housing and the opportunity for very low-income families of all ethnic backgrounds to experience freedom of housing choice.

- Promote a housing program which maintains quality service and integrity while providing an incentive to private property owners to rent to very low-income families.
- Promote a market-driven housing program that will help qualified low-income families be successful in obtaining affordable housing and increase the supply of housing choices for such families.
- Create positive public awareness and expand the level of family, owner, and community support in accomplishing the PHA's mission.
- Attain and maintain a high level of standards and professionalism in day-to-day management of all program components.
- Administer an efficient, high-performing agency through continuous improvement of the PHA's support systems and commitment to our employees and their development.

The PHA will make every effort to keep program participants informed of HCV program rules and regulations, and to advise participants of how the program rules affect them.

In addition to the provisions included in 1- I. E., MCHA's Administrative Plan incorporates the following Mohave County Policies and Procedures in relation to a code of conduct and conflict of interest:

- Mohave County Merit Rule 501 Conduct, 501(A) Code of Ethics and (B) Specific Conduct and Responsibilities
- Mohave County Housing Authority's (MCHA)/Mohave County Community Services Department (MCCSD) Conflict of Interest Policy. This policy includes the conflict-of-interest requirements of the HCV program cited in 24 CFR 982.161 and the prohibition of the acceptance of gifts or gratuities. The policy incorporates Mohave County Merit Rules 501(A) Code of Ethics and (B) Specific Conduct and Responsibilities and the Arizona Revised Statutes (A.R.S. § 503-505)
- Mohave County Merit Rule Article 7 Corrective Actions, 701 Discipline and 702 Types of Disciplinary Actions. This policy includes the administration of disciplinary actions for violations of the Merit Rules.

Employees of MCHA are employees of Mohave County are subject to the above County Merit Rules and the Conflict-of-Interest Policy. Violation of the MCHA's/MCCSD Conflict of Interest and or Mohave County Merit rules policies shall result in disciplinary action up to and including termination of employment.

## **PART II: THE HOUSING CHOICE VOUCHER (HCV) PROGRAM**

### **1-II.A. OVERVIEW AND HISTORY OF THE PROGRAM**

The intent of this section is to provide the public and staff with information related to the overall operation of the program. There have been many changes to the program since its inception in 1974 and a brief history of the program will assist the audience in understanding the program.

The United States Housing Act of 1937 (the "Act") is responsible for the birth of federal housing program initiatives. The Act was intended to provide financial assistance to states and cities for public works projects, slum clearance and the development of affordable housing developments for low-income residents.

The Housing and Community Development (HCD) Act of 1974 created a new federally assisted housing program – the Section 8 Existing program (also known as the Section 8 Certificate program). The HCD Act represented a significant shift in federal housing strategy from locally owned public housing to privately owned rental housing.

Under the Certificate program, federal housing assistance payments were made directly to private owners of rental housing, where this housing was made available to lower-income families. Eligible families were able to select housing in the private rental market. Assuming that the housing met certain basic physical standards of quality ("housing quality standards") and was within certain HUD-established rent limitations ("fair market

rents”), the family would be able to receive rental assistance in the housing unit. Family contribution to rent was generally set at 30 percent of the family’s adjusted income, with the remainder of the rent paid by the program.

Another unique feature of the Certificate program was that the rental assistance remained with the eligible family, if the family chose to move to another privately-owned rental unit that met program requirements (in contrast to the public housing program where the rental assistance remains with the unit, should the family decide to move). Consequently, the Certificate program was characterized as tenant-based assistance, rather than unit-based assistance.

The Housing and Community Development (HCD) Act of 1987 authorized a new version of tenant-based assistance – the Section 8 Voucher program. The Voucher program was very similar to the Certificate program in that eligible families were able to select housing in the private rental market and receive assistance in that housing unit.

However, the Voucher program permitted families more options in housing selection. Rental housing still had to meet the basic housing quality standards, but there was no fair market rent limitation on rent. In addition, family contribution to rent was not set at a limit of 30 percent of adjusted income. Consequently, depending on the actual rental cost of the unit selected, a family might pay more or less than 30 percent of their adjusted income for rent.

From 1987 through 1999, public housing agencies managed both the Certificate and Voucher tenant-based assistance programs, with separate rules and requirements for each. From 1994 through 1998, HUD published a series of new rules, known as “conforming” rules, to more closely combine and align the two similar housing programs, to the extent permitted by the law.

In 1998, the Quality Housing and Work Responsibility Act (QHWRA) – also known as the Public Housing Reform Act – was signed into law. QHWRA eliminated all statutory differences between the Certificate and Voucher tenant-based programs and required that the two programs be merged into a single tenant-based assistance program, now known as the Housing Choice Voucher (HCV) program.

The HCV program was modeled closely on the pre-merger Voucher program. However, unlike the pre-merger Voucher program, the HCV program requires an assisted family to pay at least 30 percent of adjusted income for rent.

The transition of assistance from the Certificate and Voucher programs to the new HCV program began in October 1999. By October 2001, all families receiving tenant-based assistance were converted to the HCV program.

## **1-II.B. HCV PROGRAM BASICS**

The purpose of the HCV program is to provide rental assistance to eligible families. The rules and regulations of the HCV program are determined by the U.S. Department of Housing and Urban Development. The PHA is afforded choices in the operation of the program which are included in the PHA’s administrative plan, a document approved by the board of commissioners of the PHA.

The HCV program offers mobility to eligible families because they may search for suitable housing anywhere in the PHA’s jurisdiction and may also be eligible to move under portability to other PHAs’ jurisdictions.

When a family is determined to be eligible for the program and funding is available, the PHA issues the family a housing voucher. When the family finds a suitable housing unit and funding is available, the PHA will enter into a contract with the owner and the family will enter into a lease with the owner. Each party makes their respective payment to the owner so that the owner receives full rent.

Even though the family is determined to be eligible for the program, the owner has the responsibility of approving the family as a suitable renter. The PHA continues to make payments to the owner as long as the family is eligible, and the housing unit continues to qualify under the program.

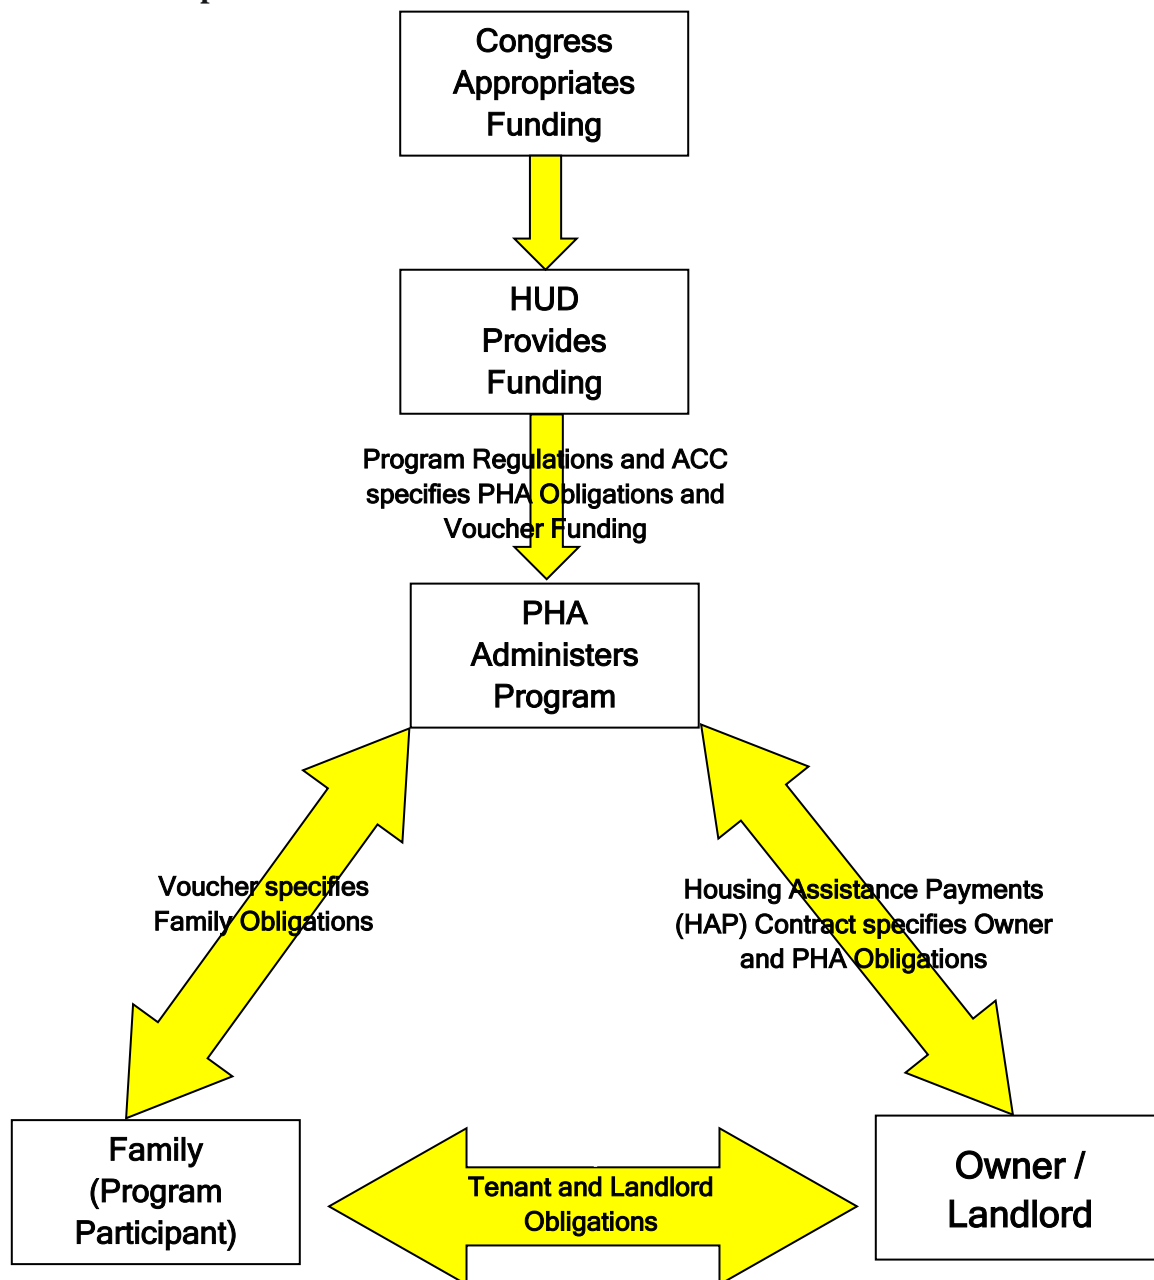

### 1-II.C. THE HCV PARTNERSHIPS

To administer the HCV program, the PHA enters into a contractual relationship with HUD. The PHA also enters into contractual relationships with the assisted family and the owner or landlord of the housing unit.

For the HCV program to work and be successful, all parties involved – HUD, the PHA, the owner, and the family – have important roles to play. The roles and responsibilities of all parties are defined in federal regulations and in legal documents that parties execute to participate in the program.

The chart on the following page illustrates key aspects of these relationships.

#### The HCV Relationships:

## **What does HUD do?**

HUD has the following major responsibilities:

- Develop regulations, requirements, handbooks, notices and other guidance to implement HCV housing program legislation passed by Congress;
- Allocate HCV program funds to PHAs;
- Provide technical assistance to PHAs on interpreting and applying HCV program requirements;
- Monitor PHA compliance with HCV program requirements and PHA performance in program administration.

## **What does the PHA do?**

The PHA administers the HCV program under contract with HUD and has the following major responsibilities:

- Establish local policies;
- Review applications from interested applicant families to determine whether applicants are eligible for the program;
- Maintain waiting list and select families for admission;
- Issue voucher to selected family and, if necessary, assist the family in finding a place to live;
- Conduct outreach to owners, with special attention to owners outside areas of poverty or minority concentration;
- Approve the rental unit (including assuring compliance with housing quality standards and rent reasonableness), the owner, and the tenancy;
- Make housing assistance payments to the owner in a timely manner;
- Ensure that families and their rental units continue to qualify under the program;
- Ensure that owners and families comply with program rules;
- Provide families and owners with prompt, professional service;
- Comply with all fair housing and equal opportunity requirements, HUD regulations and requirements, the Annual Contributions Contract, HUD-approved applications for funding, the PHA's administrative plan, and other applicable federal, state and local laws.

## **What does the Owner do?**

The owner has the following major responsibilities:

- Screen families who apply for tenancy, to determine if they will be good renters.
  - The PHA can provide some information to the owner, but the primary responsibility for tenant screening rests with the owner.
  - The owner should consider family background factors such as rent and bill-paying history, history of caring for property, respecting the rights of others to peaceful enjoyment of the property, compliance with essential conditions of tenancy, whether the family is engaging in drug-related criminal activity or other criminal activity that might threaten others.
- Comply with the terms of the Housing Assistance Payments contract, executed with the PHA;
- Comply with all applicable fair housing laws and discriminate against no one;
- Maintain the housing unit by making necessary repairs in a timely manner;

- Collect rent due from the assisted family and otherwise comply with and enforce provisions of the dwelling lease.

### **What does the Family do?**

The family has the following responsibilities:

- Provide the PHA with complete and accurate information, determined by the PHA to be necessary for administration of the program;
- Make their best and most timely efforts to find a place to live that is suitable for them and that qualifies for the program;
- Attend all appointments scheduled by the PHA;
- Allow the PHA to inspect the unit at reasonable times and after reasonable notice;
- Take responsibility for care of the housing unit, including any violations of housing quality standards caused by the family;
- Comply with the terms of the lease with the owner;
- Comply with the family obligations of the voucher;
- Not commit serious or repeated violations of the lease;
- Not engage in drug-related or violent criminal activity;
- Notify the PHA and the owner before moving or terminating the lease;
- Use the assisted unit only for residence and as the sole residence of the family. Not sublet the unit, assign the lease, or have any interest in the unit;
- Promptly notify the PHA of any changes in family composition;
- Not commit fraud, bribery, or any other corrupt or criminal act in connection with any housing programs.

If all parties fulfill their obligations in a professional and timely manner, the program responsibilities will be fulfilled effectively.

### **1-II.D. APPLICABLE REGULATIONS**

Applicable regulations include:

- 24 CFR Part 5: General Program Requirements
- 24 CFR Part 8: Nondiscrimination
- 24 CFR Part 982: Section 8 Tenant-Based Assistance: Housing Choice Voucher Program

## **PART III: THE HCV ADMINISTRATIVE PLAN**

### **1-III.A. OVERVIEW AND PURPOSE OF THE PLAN**

The administrative plan is required by HUD. The purpose of the administrative plan is to establish policies for carrying out the programs in a manner consistent with HUD requirements and local goals and objectives contained in the PHA's agency plan. This administrative plan is a supporting document to the PHA agency plan and is available for public review as required by CFR 24 Part 903.

This administrative plan is set forth to define the PHA's local policies for operation of the housing programs in the context of federal laws and regulations. All issues related to Section 8 not addressed in this document are governed by such federal regulations, HUD handbooks and guidebooks, notices and other applicable law. The policies in this administrative plan have been designed to ensure compliance with the consolidated ACC and all HUD-approved applications for program funding.

The PHA is responsible for complying with all changes in HUD regulations pertaining to the HCV program. If such changes conflict with this plan, HUD regulations will have precedence.

Administration of the HCV program and the functions and responsibilities of PHA staff shall be in compliance with the PHA's personnel policy and HUD's Section 8 regulations as well as all federal, state and local fair housing laws and regulations.

### **1-III.B. CONTENTS OF THE PLAN [24 CFR 982.54]**

HUD regulations contain a list of what must be included in the administrative plan. The PHA administrative plan must cover PHA policies on these subjects:

- Selection and admission of applicants from the PHA waiting list, including any PHA admission preferences, procedures for removing applicant names from the waiting list, and procedures for closing and reopening the PHA waiting list (Chapter 4).
- Issuing or denying vouchers, including PHA policy governing the voucher term and any extensions or suspensions of the voucher term. 'Suspension' means stopping the clock on the term of a family's voucher after the family submits a request for approval of the tenancy. If the PHA decides to allow extensions or suspensions of the voucher term, the PHA administrative plan must describe how the PHA determines whether to grant extensions or suspensions, and how the PHA determines the length of any extension or suspension (Chapter 5);
- Any special rules for use of available funds when HUD provides funding to the PHA for a special purpose (e.g., desegregation), including funding for specified families or a specified category of families (Chapter 4);
- Occupancy policies, including definition of what group of persons may qualify as a 'family', definition of when a family is considered to be 'continuously assisted'; standards for denying admission or terminating assistance based on criminal activity or alcohol abuse in accordance with 982.553 (Chapters 3 and 12);
- Encouraging participation by owners of suitable units located outside areas of low income or minority concentration (Chapter 13);
- Assisting a family that claims that illegal discrimination has prevented the family from leasing a suitable unit (Chapter 2);
- Providing information about a family to prospective owners (Chapters 3 and 9);
- Disapproval of owners (Chapter 13);
- Subsidy standards (Chapter 5);
- Family absence from the dwelling unit (Chapter 12) ;
- How to determine who remains in the program if a family breaks up (Chapter 3);

- Informal review procedures for applicants (Chapter 16);
- Informal hearing procedures for participants (Chapter 16);
- The process for establishing and revising voucher payment standards (Chapter 16);
- The method of determining that rent to owner is a reasonable rent (initially and during the term of a HAP contract) (Chapter 8);
- Special policies concerning special housing types in the program (e.g., use of shared housing) (Chapter 15);
- Policies concerning payment by a family to the PHA of amounts the family owes the PHA (Chapter 16);
- Interim redeterminations of family income and composition (Chapter 11);
- Restrictions, if any, on the number of moves by a participant family (Chapter 10);
- Approval by the board of commissioners or other authorized officials to charge the administrative fee reserve (Chapter 16);
- Procedural guidelines and performance standards for conducting required housing quality standards inspections (Chapter 8); and
- PHA screening of applicants for family behavior or suitability for tenancy (Chapter 3).

### **Mandatory vs. Discretionary Policy**

HUD makes a distinction between:

- Mandatory policies: those driven by legislation, regulations, current handbooks, notices, and legal opinions, and
- Optional, non-binding guidance, including guidebooks, notices that have expired and recommendations from individual HUD staff.

HUD expects PHAs to develop policies and procedures that are consistent with mandatory policies and to make clear the optional policies the PHA has adopted. The PHA's administrative plan is the foundation of those policies and procedures. HUD's directions require PHAs to make policy choices that provide guidance to staff and consistency to program applicants and participants.

Following HUD guidance, even though it is not mandatory, provides a PHA with a "safe harbor." HUD has already determined that the recommendations and suggestions it makes are consistent with mandatory policies. If a PHA adopts an alternative strategy, it must make its own determination that the alternative approach is consistent with legislation, regulations, and other mandatory requirements. There may be very good reasons for adopting a policy or procedure that is different than HUD's safe harbor, but PHAs should carefully think through those decisions.

### **1-III.C. ORGANIZATION OF THE PLAN**

The Plan is organized to provide information to users in particular areas of operation.

### **1-III.D. UPDATING AND REVISING THE PLAN**

The PHA will revise this administrative plan as needed to comply with changes in HUD regulations. The original plan and any changes must be approved by the board of commissioners of the agency, the pertinent sections included in the Agency Plan, and a copy provided to HUD.

#### MCHA Policy

The PHA will review and update the plan at least once a year, and more often if needed, to reflect changes in regulations, PHA operations, or when needed to ensure staff consistency in operation.

## Chapter 2

### FAIR HOUSING AND EQUAL OPPORTUNITY

#### INTRODUCTION

This chapter explains the laws and HUD regulations requiring PHAs to affirmatively further civil rights and fair housing in all federally assisted housing programs. The letter and spirit of these laws are implemented through consistent policy and processes. The responsibility to further nondiscrimination pertains to all areas of the PHA's housing choice voucher (HCV) operations.

This chapter describes HUD regulations and MCHA policies related to these topics in three parts:

Part I: Nondiscrimination. This part presents the body of laws and regulations governing the responsibilities of the PHA regarding nondiscrimination.

Part II: Policies Related to Persons with Disabilities. This part discusses the rules and policies of the housing choice voucher program related to reasonable accommodation for persons with disabilities. These rules and policies are based on the Fair Housing Act (42.U.S.C.) and Section 504 of the Rehabilitation Act of 1973 and incorporate guidance from the Joint Statement of The Department of Housing and Urban Development and the Department of Justice (DOJ), issued May 17, 2004.

Part III: Prohibition of Discrimination Against Limited English Proficiency Persons. This part details the obligations of the PHA to ensure meaningful access to the HCV program and its activities by persons with limited English proficiency (LEP). This part incorporates the Final Guidance to Federal Financial Assistance Recipients Regarding Title VI Prohibition against National Origin Discrimination Affecting Limited English Proficient Persons published January 22, 2007, in the *Federal Register*.

#### PART I: NONDISCRIMINATION

##### 2-I.A. OVERVIEW

Federal laws require PHAs to treat all applicants and participants equally, providing the same quality of service, regardless of family characteristics and background. Federal law prohibits discrimination in housing on the basis of race, color, religion, sex, national origin, age, familial status, and disability. The PHA will comply fully with all federal, state, and local nondiscrimination laws, and with rules and regulations governing fair housing and equal opportunity in housing and employment, including:

- Title VI of the Civil Rights Act of 1964
- Title VIII of the Civil Rights Act of 1968 (as amended by the Community Development Act of 1974 and the Fair Housing Amendments Act of 1988)
- Executive Order 11063
- Section 504 of the Rehabilitation Act of 1973
- The Age Discrimination Act of 1975
- Title II of the Americans with Disabilities Act (to the extent that it applies, otherwise Section 504 and the Fair Housing Amendments govern)
- Violence Against Women Reauthorization Act of 2005 (VAWA)
- When more than one civil rights law applies to a situation, the laws will be read and applied together.
- Any applicable state laws or local ordinances and any legislation protecting individual rights of tenants, applicants, or staff that may subsequently be enacted

##### MCHA Policy

No state or local nondiscrimination laws or ordinances apply.

## **2-I.B. NONDISCRIMINATION**

Federal regulations prohibit discrimination against certain protected classes. State and local requirements, as well as PHA policies, can prohibit discrimination against additional classes of people.

The PHA shall not discriminate because of race, color, sex, religion, familial status, age, disability or national origin (called “protected classes”)

Familial status includes children under the age of 18 living with parents or legal custodians, pregnant women, and people securing custody of children under the age of 18.

### MCHA Policy

The MCHA will not discriminate on the basis of marital status or sexual orientation.

The MCHA will not use any of these factors to:

- Deny to any family the opportunity to apply for housing, nor deny to any qualified applicant the opportunity to participate in the housing choice voucher program
- Provide housing that is different from that provided to others
- Subject anyone to segregation or disparate treatment
- Restrict anyone's access to any benefit enjoyed by others in connection with the housing program
- Treat a person differently in determining eligibility or other requirements for admission
- Steer an applicant or participant toward or away from a particular area based any of these factors
- Deny anyone access to the same level of services
- Deny anyone the opportunity to participate in a planning or advisory group that is an integral part of the housing program
- Discriminate in the provision of residential real estate transactions
- Discriminate against someone because they are related to or associated with a member of a protected class
- Publish or cause to be published an advertisement or notice indicating the availability of housing that prefers or excludes persons who are members of a protected class.

## **Providing Information to Families and Owners**

The PHA must take steps to ensure that families and owners are fully aware of all applicable civil rights laws. As part of the briefing process, the PHA must provide information to HCV applicant families about civil rights requirements and the opportunity to rent in a broad range of neighborhoods [24 CFR 982.301]. The Housing Assistance Payments (HAP) contract informs owners of the requirement not to discriminate against any person because of race, color, religion, sex, national origin, age, familial status, or disability in connection with the contract.

## **Discrimination Complaints**

If an applicant or participant believes that any family member has been discriminated against by the PHA or an owner, the family should advise the PHA. HUD requires the PHA to make every reasonable attempt to determine whether the applicant's or participant's assertions have merit and take any warranted corrective action. In addition, the PHA is required to provide the applicant or participant with information about how to file a discrimination complaint [24 CFR 982.304].

## MCHA Policy

Applicants or participants who believe that they have been subject to unlawful discrimination may notify the MCHA either orally or in writing.

MCHA will attempt to remedy discrimination complaints made against the PHA.

MCHA will provide a copy of a discrimination complaint form to the complainant and provide them with information on how to complete and submit the form to HUD's Office of Fair Housing and Equal Opportunity (FHEO).

## **PART II: POLICIES RELATED TO PERSONS WITH DISABILITIES**

### **2-II.A. OVERVIEW**

One type of disability discrimination prohibited by the Fair Housing Act is the refusal to make reasonable accommodation in rules, policies, practices, or services when such accommodation may be necessary to afford a person with a disability the equal opportunity to use and enjoy a program or dwelling under the program.

The PHA must ensure that persons with disabilities have full access to the PHA's programs and services. This responsibility begins with the first inquiry of an interested family and continues through every programmatic area of the HCV program.

### **2-II.B. DEFINITION OF REASONABLE ACCOMMODATION**

A person with a disability may require special accommodations in order to have equal access to the HCV program. The types of reasonable accommodations the PHA can provide include changes, exceptions, or adjustments to a rule, policy, practice, or service.

Federal regulations stipulate that requests for accommodations will be considered reasonable if they do not create an "undue financial and administrative burden" for the PHA, or result in a "fundamental alteration" in the nature of the program or service offered. A fundamental alteration is a modification that alters the essential nature of a provider's operations.

#### **Types of Reasonable Accommodations**

When needed, the PHA must modify normal procedures to accommodate the needs of a person with disabilities. Examples include:

- Permitting applications to be completed by mail.
- Conducting home visits.
- Using higher payment standards (either within the acceptable range or with HUD approval of a payment standard outside the PHA range) if the PHA determines this is necessary to enable a person with disabilities to obtain a suitable housing unit.
- Providing time extensions for locating a unit when necessary, because of lack of availability of accessible units or special challenges of the family in seeking a unit.
- Permitting an authorized designee or advocate to participate in the application or certification process and any other meetings with PHA staff.
- Displaying posters and other housing information in locations throughout the PHA's office in such a manner as to be easily readable from a wheelchair.

## **2-II.C. REQUEST FOR AN ACCOMMODATION**

If an applicant or participant indicates that an exception, change, or adjustment to a rule, policy, practice, or service is needed because of a disability, HUD requires that the PHA treat the information as a request for a reasonable accommodation, even if no formal request is made [Joint Statement of the Departments of HUD and Justice: Reasonable Accommodations under the Fair Housing Act].

The family must explain what type of accommodation is needed to provide the person with the disability full access to the PHA's programs and services.

If the need for the accommodation is not readily apparent or known to the PHA, the family must explain the relationship between the requested accommodation and the disability. There must be an identifiable relationship, or nexus, between the requested accommodation and the individual's disability.

### MCHA Policy

The MCHA will encourage the family to make its request in writing using a reasonable accommodation request form. However, the PHA will consider the accommodation any time the family indicates that an accommodation is needed whether or not a formal written request is submitted.

## **2-II.D. VERIFICATION OF DISABILITY**

The regulatory civil rights definition for persons with disabilities is provided in Exhibit 2-1 at the end of this chapter. The definition of a person with a disability for the purpose of obtaining a reasonable accommodation is much broader than the HUD definition of disability which is used for waiting list preferences and income allowances.

Before providing an accommodation, the PHA must determine that the person meets the definition of a person with a disability, and that the accommodation will enhance the family's access to the PHA's programs and services.

If a person's disability is obvious, or otherwise known to the MCHA, and if the need for the requested accommodation is also readily apparent or known, no further verification will be required [Joint Statement of the Departments of HUD and Justice: Reasonable Accommodations under the Fair Housing Act].

If a family indicates that an accommodation is required for a disability that is not obvious or otherwise known to the PHA, the PHA must verify that the person meets the definition of a person with a disability, and that the limitations imposed by the disability require the requested accommodation.

When verifying a disability, the PHA will follow the verification policies provided in Chapter 7. All information related to a person's disability will be treated in accordance with the confidentiality policies provided in Chapter 16. In addition to the general requirements that govern all verification efforts, the following requirements apply when verifying a disability:

- Third-party verification must be obtained from an individual identified by the family who is competent to make the determination. A doctor or other medical professional, a peer support group, a non-medical service agency, or a reliable third party who is in a position to know about the individual's disability may provide verification of a disability [Joint Statement of the Departments of HUD and Justice: Reasonable Accommodations under the Fair Housing Act]
- The PHA must request only information that is necessary to evaluate the disability-related need for the accommodation. The PHA will not inquire about the nature or extent of any disability.
- Medical records will not be accepted or retained in the participant file.

**2-II.E. APPROVAL/DENIAL OF A REQUESTED ACCOMMODATION** [Joint Statement of the Departments of HUD and Justice: Reasonable Accommodations under the Fair Housing Act].

The PHA must approve a request for an accommodation if the following three conditions are met:

- The request was made by or on behalf of a person with a disability.
- There is a disability-related need for the accommodation.
- The requested accommodation is reasonable, meaning it would not impose an undue financial and administrative burden on the PHA, or fundamentally alter the nature of the PHA's HCV operations (including the obligation to comply with HUD requirements and regulations).

Requests for accommodations must be assessed on a case-by-case basis, taking into account factors such as the cost of the requested accommodation, the financial resources of the PHA at the time of the request, the benefits that the accommodation would provide to the family, and the availability of alternative accommodations that would effectively meet the family's disability-related needs.

Before making a determination whether to approve the request, the PHA may enter into discussion and negotiation with the family, request more information from the family, or may require the family to sign a consent form so that the PHA may verify the need for the requested accommodation.

#### MCHA Policy

After a request for an accommodation is presented, the MCHA will respond within 10 business days. MCHA may request additional information.

If MCHA denies a request for an accommodation because it is not reasonable (it would impose an undue financial and administrative burden or fundamentally alter the nature of the PHA's operations), the PHA will discuss with the family whether an alternative accommodation could effectively address the family's disability-related needs without a fundamental alteration to the HCV program and without imposing an undue financial and administrative burden.

If MCHA believes that the family has failed to identify a reasonable alternative accommodation after interactive discussion and negotiation, the PHA will notify the family, in writing, of its determination within 10 business days from the date of the most recent discussion or communication with the family.

### **2-II.F. PROGRAM ACCESSIBILITY FOR PERSONS WITH HEARING OR VISION IMPAIRMENTS**

HUD regulations require the PHA to ensure that persons with disabilities related to hearing and vision have reasonable access to the PHA's programs and services [24 CFR 8.6].

#### MCHA Policy

To meet the needs of persons with hearing impairments, TTD/TTY (text telephone display / teletype) communication will be available.

To meet the needs of persons with vision impairments, large-print and audio versions of key program documents will be made available upon request. When visual aids are used in public meetings or presentations, or in meetings with PHA staff, one-on-one assistance will be provided upon request.

Additional examples of alternative forms of communication are sign language interpretation; having material explained orally by staff; or having a third-party representative (a friend, relative or advocate, named by the applicant) to receive, interpret and explain housing materials and be present at all meetings.

### **2-II.G. PHYSICAL ACCESSIBILITY**

The PHA must comply with a variety of regulations pertaining to physical accessibility, including the following:

- Notice PIH 2006-13
- Section 504 of the Rehabilitation Act of 1973
- The Americans with Disabilities Act of 1990
- The Architectural Barriers Act of 1968
- The Fair Housing Act of 1988

The PHA's policies concerning physical accessibility must be readily available to applicants and participants. They can be found in three key documents:

- This plan describes the key policies that govern the PHA's responsibilities with regard to physical accessibility.
- Notice PIH 2006-13 summarizes information about pertinent laws and implementing regulations related to non-discrimination and accessibility in federally funded housing programs.
- The PHA Plan provides information about self-evaluation, needs assessment, and transition plans.

The design, construction, or alteration of PHA facilities must conform to the Uniform Federal Accessibility Standards (UFAS). Newly constructed facilities must be designed to be readily accessible to and usable by persons with disabilities. Alterations to existing facilities must be accessible to the maximum extent feasible, defined as not imposing an undue financial and administrative burden on the operations of the HCV program.

When issuing a voucher to a family that includes an individual with disabilities, the PHA will include a current list of available accessible units known to the PHA and will assist the family in locating an available accessible unit, if necessary.

In general, owners must permit the family to make reasonable modifications to the unit. However, the owner is not required to pay for the modification and may require that the unit be restored to its original state at the family's expense when the family moves.

## **2-II.H. DENIAL OR TERMINATION OF ASSISTANCE**

A PHA's decision to deny or terminate the assistance of a family that includes a person with disabilities is subject to consideration of reasonable accommodation [24 CFR 982.552 (2)(iv)].

When reviewing reasonable accommodation requests, MHCA must consider whether any mitigating circumstances can be verified to explain and overcome the problem that led to the PHA's decision to deny or terminate assistance. If a reasonable accommodation will allow the family to meet the requirements, the PHA must make the accommodation.

## **PART III: IMPROVING ACCESS TO SERVICES FOR PERSONS WITH LIMITED ENGLISH PROFICIENCY (LEP)**

### **2-III.A. OVERVIEW**

Language for Limited English Proficiency Persons (LEP) can be a barrier to accessing important benefits or services, understanding and exercising important rights, complying with applicable responsibilities, or understanding other information provided by the HCV program. In certain circumstances, failure to ensure that LEP persons can effectively participate in or benefit from federally assisted programs and activities may violate the prohibition under Title VI against discrimination on the basis of national origin. This part incorporates Final Guidance to Federal Assistance Recipients Regarding Title VI Prohibition Against National Origin Discrimination, published January 27, 2007 in the *Federal Register*.

The PHA will take affirmative steps to communicate with people who need services or information in a language other than English. These persons will be referred to as Persons with Limited English Proficiency (LEP).

LEP is defined as persons who do not speak English as their primary language and who have a limited ability to read, write, speak or understand English. For the purposes of this administrative plan, LEP persons are HCV applicants and participants, and parents and family members of applicants and participants.

In order to determine the level of access needed by LEP persons, the PHA will balance the following four factors: (1) the number or proportion of LEP persons eligible to be served or likely to be encountered by the Housing Choice Voucher program; (2) the frequency with which LEP persons come into contact with the

program; (3) the nature and importance of the program, activity, or service provided by the program to people's lives; and (4) the resources available to the PHA and costs. Balancing these four factors will ensure meaningful access by LEP persons to critical services while not imposing undue burdens on the PHA.

### **2-III.B. ORAL INTERPRETATION**

In a hearing, or situations in which health, safety, or access to important benefits and services are at stake, the PHA will generally offer, or ensure that the family is offered through other sources, competent services free of charge to the LEP person.

#### MCHA Policy

The MCHA will analyze the various kinds of contacts it has with the public, to assess language needs and decide what reasonable steps should be taken. "Reasonable steps" may not be reasonable where the costs imposed substantially exceed the benefits.

Where feasible, the MCHA will train and hire bilingual staff to be available to act as interpreters and translators, MCHA will also utilize bi-lingual Mohave County Staff wherever possible. MCHA will utilize telephone translation service when needed. Where feasible and possible, the MCHA will encourage the use of qualified community volunteers or other staff that are bilingual.

Where LEP persons desire, they will be permitted to use, at their own expense, an interpreter of their own choosing, in place of or as a supplement to the free language services offered by the MCHA. The interpreter may be a family member or friend.

### **2-III.C. WRITTEN TRANSLATION**

Translation is the replacement of a written text from one language into an equivalent written text in another language.

#### MCHA Policy

In order to comply with written-translation obligations, the MCHA will take the following steps:

The MCHA will provide written translations of vital documents for each eligible LEP language group that constitutes 5 percent or 1,000 persons, whichever is less, of the population of persons eligible to be served or likely to be affected or encountered. MCHA has identified Spanish as an LEP language group and will provide written translation services for vital documents.

Translation of other documents, if needed, can be provided orally; or If there are fewer than 50 persons in a language group that reaches the 5 percent trigger, the MCHA does not translate vital written materials, but provides written notice in the primary language of the LEP language group of the right to receive competent oral interpretation of those written materials, free of cost.

### **2-III.D. IMPLEMENTATION PLAN**

After completing the four-factor analysis and deciding what language assistance services are appropriate, the MCHA shall determine whether it is necessary to develop a written implementation plan to address the identified needs of the LEP populations it serves.

If the MCHA determines that it is not necessary to develop a written implementation plan, the absence of a written plan does not obviate the underlying obligation to ensure meaningful access by LEP persons to the MCHA's Housing Choice Voucher program and services.

#### MCHA Policy

MCHA has determined that it serves very few LEP persons, less than 5 requests in over 10 years of service and since MCHA is a small housing authority with very limited resources, MCHA will not develop a written LEP plan, but will consider alternative ways to articulate in a reasonable manner a plan for providing meaningful access with its Workforce Development Division and other Mohave

County Departments. MCHA will provide oral and written translation services in Spanish as an identified LEP in Mohave County.

**EXHIBIT 2-1: DEFINITION OF A PERSON WITH A DISABILITY UNDER  
FEDERAL CIVIL RIGHTS LAWS [24 CFR Parts 8.3 and 100.201]**

A person with a disability, as defined under federal civil rights laws, is any person who:

- Has a physical or mental impairment that substantially limits one or more of the major life activities of an individual, or
- Has a record of such impairment, or
- Is regarded as having such impairment

The phrase “physical or mental impairment” includes:

- Any physiological disorder or condition, cosmetic or disfigurement, or anatomical loss affecting one or more of the following body systems: neurological; musculoskeletal; special sense organs; respiratory, including speech organs; cardiovascular; reproductive; digestive; genito-urinary; hemic and lytic; skin; and endocrine; or
- Any mental or psychological disorder, such as mental retardation, organic brain syndrome, emotional or mental illness, and specific learning disabilities. The term “physical or mental impairment” includes, but is not limited to: such diseases and conditions as orthopedic, visual, speech and hearing impairments, cerebral palsy, autism, epilepsy, muscular dystrophy, multiple sclerosis, cancer, heart disease, diabetes, mental retardation, emotional illness, drug addiction and alcoholism.

“Major life activities” includes, but is not limited to, caring for oneself, performing manual tasks, walking, seeing, hearing, breathing, learning, and/or working.

“Has a record of such impairment” means has a history of, or has been misclassified as having, a mental or physical impairment that substantially limits one or more major life activities.

“Is regarded as having an impairment” is defined as having a physical or mental impairment that does not substantially limit one or more major life activities but is treated by a public entity (such as the MCHA) as constituting such a limitation; has none of the impairments defined in this section but is treated by a public entity as having such an impairment; or has a physical or mental impairment that substantially limits one or more major life activities, only as a result of the attitudes of others toward that impairment.

The definition of a person with disabilities does not include:

- Current illegal drug users
- People whose alcohol use interferes with the rights of others
- Persons who objectively pose a direct threat or substantial risk of harm to others that cannot be controlled with a reasonable accommodation under the HCV program

The above definition of disability determines whether an applicant or participant is entitled to any of the protections of federal disability civil rights laws. Thus, a person who does not meet this disability is not entitled to a reasonable accommodation under federal civil rights and fair housing laws and regulations.

The HUD definition of a person with a disability is much narrower than the civil rights definition of disability. The HUD definition of a person with a disability is used for purposes of receiving the disabled family preference, the \$400 elderly/disabled household deduction, the \$480 dependent deduction, the allowance for medical expenses, or the allowance for disability assistance expenses.

The definition of a person with a disability for purposes of granting a reasonable accommodation request is much broader than the HUD definition of disability. Many people will not qualify as a disabled person under the HCV

program, yet an accommodation is needed to provide equal opportunity.

## Chapter 3

### ELIGIBILITY

#### INTRODUCTION

The PHA is responsible for ensuring that every individual and family admitted to the HCV program meets all program eligibility requirements. This includes any individual approved to join the family after the family has been admitted to the program. The family must provide any information needed by the PHA to confirm eligibility and determine the level of the family's assistance.

To be eligible for the HCV program:

- The applicant family must:
  - Qualify as a family as defined by HUD and the PHA.
  - Have income at or below HUD-specified income limits.
  - Qualify on the basis of citizenship or the eligible immigrant status of family members.
  - Provide social security number information for family members as required.
  - Consent to the PHA's collection and use of family information as provided for in PHA-provided consent forms.
- The PHA must determine that the current or past behavior of household members does not include activities that are prohibited by HUD or the PHA.

This chapter contains three parts:

Part I: Definitions of Family and Household Members. This part contains HUD and PHA definitions of family and household members and explains initial and ongoing eligibility issues related to these members.

Part II: Basic Eligibility Criteria. This part discusses income eligibility, and rules regarding citizenship, social security numbers, and family consent.

Part III: Denial of Assistance. This part covers factors related to an applicant's past or current conduct (e.g. criminal activity) that can cause the PHA to deny assistance.

#### **PART I: DEFINITIONS OF FAMILY AND HOUSEHOLD MEMBERS**

##### **3-I.A. OVERVIEW**

Some eligibility criteria and program rules vary depending upon the composition of the family requesting assistance. In addition, some requirements apply to the family as a whole and others apply to individual persons who will live in the assisted unit. This part provides information that is needed to correctly identify family and household members, and to apply HUD's eligibility rules.

##### **3-I.B. FAMILY AND HOUSEHOLD [24 CFR 5.403]**

The terms *family* and *household* have different meanings in the HCV program.

## **Family**

To be eligible for assistance, an applicant must qualify as a family. The PHA has the discretion to determine if any other group of persons qualifies as a family. The term “family” includes, but is not limited to the following, regardless of actual or perceived sexual orientation, gender identity, or marital status:

(1) A single person, who may be:

(i) An elderly person, displaced person, disabled person, near-elderly person or any other single person;

(ii) An otherwise eligible youth who has attained at least 18 years of age and not more than 24 years of age and who has left foster care, or will leave foster care within 90 days, in accordance with a transition plan described in section 475(5)(H) of the Social Security Act (42 U.S.C. 675(5)(H)); and is homeless or is at risk of becoming homeless at age 16 or older; or

(2) A group of persons residing together, and such group includes, but is not limited to:

(i) A family with or without children (a child who is temporarily away from the home because of placement in foster care is considered a member of the family);

(ii) An elderly family;

(iii) A near-elderly family;

(iv) A disabled family;

(v) A displaced family; and

(vi) The remaining member of a tenant family.

### MCHA Policy

A family also includes two or more individuals who are not related by blood, marriage, adoption, or other operation of law but who reside together and certify that each individual’s income and other resources will be available to meet the needs of the family.

Each family must identify the individuals to be included in the family at the time of application and must update this information if the family’s composition changes.

## **Household**

*Household* is a broader term that includes additional people who, with the PHA’s permission, live in an assisted unit, such as live-in aides, foster children, and foster adults.

## **3-I.C. FAMILY BREAK-UP AND REMAINING MEMBER OF TENANT FAMILY**

### **Family Break-up [24 CFR 982.315]**

The PHA has discretion to determine which members of an assisted family continue to receive assistance if the family breaks up. However, if a court determines the disposition of property between members of the assisted family in a divorce or separation decree, the PHA is bound by the court's determination of which family members continue to receive assistance.

### MCHA Policy

When a family on the waiting list breaks up into two otherwise eligible families, only one of the new families may retain the original application date. Other former family members may make a new application with a new application date if the waiting list is open.

If a family breaks up into two otherwise eligible families while receiving assistance, only one of the new families will continue to be assisted.

In the absence of a judicial decision, or an agreement among the original family members, MCHA will determine which family retains their placement on the waiting list, or will continue to receive assistance taking into consideration the following factors: (1) the interest of any minor children, including custody arrangements, (2) the interest of any ill, elderly, or disabled family members, (3) any possible risks to family members as a result of domestic violence or criminal activity, and (4) the recommendations of social service professionals.

### **Remaining Member of a Tenant Family [24 CFR 5.403]**

The HUD definition of family includes the *remaining member of a tenant family*, which is a member of an assisted family who remains in the unit when other members of the family have left the unit. Household members such as live-in aides, foster children, and foster adults do not qualify as remaining members of a family.

If dependents are the only “remaining members of a tenant family” and there is no family member able to assume the responsibilities of the head of household, see Chapter 6, Section 6-I.B, for the policy on “Caretakers for a Child.”

### **3-I.D. HEAD OF HOUSEHOLD [24 CFR 5.504(b)]**

*Head of household* means the adult member of the family who is considered the head for purposes of determining income eligibility and rent. The head of household is responsible for ensuring that the family fulfills all of its responsibilities under the program, alone or in conjunction with a cohead or spouse.

#### MCHA Policy

The family may designate any qualified family member as the head of household.

The head of household must have the legal capacity to enter into a lease under state and local law. A minor who is emancipated under state law may be designated as head of household.

### **3-I.E. SPOUSE, COHEAD, AND OTHER ADULT**

A family may have a spouse or cohead, but not both [HUD-50058 IB, p. 13].

*Spouse* means the marriage partner of the head of household.

#### MCHA Policy

A *marriage partner* includes the partner in a "common law" marriage as defined in state law. The term “spouse” does not apply to friends, roommates, or significant others who are not marriage partners. A minor who is emancipated under state law may be designated as a spouse.

A *cohead* is an individual in the household who is equally responsible with the head of household for ensuring that the family fulfills all of its responsibilities under the program, but who is not a spouse. A family can have only one cohead.

#### MCHA Policy

Minors who are emancipated under state law may be designated as a cohead.

*Other adult* means a family member, other than the head, spouse, or cohead, who is 18 years of age or older. Foster adults and live-in aides are not considered other adults.

### **3-I.F. DEPENDENT [24 CFR 5.603]**

A *dependent* is a family member who is under 18 years of age or a person of any age who is a person with a disability or a full-time student, except that the following persons can never be dependents: the head of household, spouse, cohead, foster children/adults and live-in aides. Identifying each dependent in the family is important because each dependent qualifies the family for a deduction from annual income as described in Chapter 6.

## **Joint Custody of Dependents**

### MCHA Policy

Dependents that are subject to a joint custody arrangement will be considered a member of the family, if they live with the applicant or participant family 50 percent or more of the time.

When more than one applicant or participant family is claiming the same dependents as family members, the family with primary custody at the time of the initial examination or reexamination will be able to claim the dependents. If there is a dispute about which family should claim them, the PHA will make the determination based on available documents such as court orders, or an IRS return showing which family has claimed the child for income tax purposes.

### **3-I.G. FULL-TIME STUDENT [24 CFR 5.603; HCV GB, p. 5-29]**

A *full-time student* (FTS) is a person who is attending school or vocational training on a full-time basis. The time commitment or subject load that is needed to be full-time is defined by the educational institution.

Identifying each FTS is important because: (1) each family member that is an FTS, other than the head, spouse, or cohead, qualifies the family for a dependent deduction, and (2) the income of such an FTS is treated differently from the income of other family members.

### **3-I.H. ELDERLY AND NEAR-ELDERLY PERSONS, AND ELDERLY FAMILY [24 CFR 5.100 and 5.403]**

#### **Elderly Persons**

An *elderly person* is a person who is at least 62 years of age.

#### **Near-Elderly Persons**

A *near-elderly person* is a person who is 50-61 years of age.

#### **Elderly Family**

An *elderly family* is one in which the head, spouse, cohead, or sole member is an elderly person. Identifying elderly families is important because these families qualify for special deductions from income as described in Chapter 6.

### **3-I.I. PERSONS WITH DISABILITIES AND DISABLED FAMILY [24 CFR 5.403]**

#### **Persons with Disabilities**

Under the HCV program, special rules apply to persons with disabilities and to any family whose head, spouse, or cohead is a person with disabilities. The technical definitions of individual with handicaps and persons with disabilities are provided in Exhibit 3-1 at the end of this chapter. These definitions are used for a number of purposes including ensuring that persons with disabilities are not discriminated against based upon disability.

As discussed in Chapter 2, the PHA must make all aspects of the HCV program accessible to persons with disabilities and consider reasonable accommodations requested based upon a person's disability.

#### **Disabled Family**

A *disabled family* is one in which the head, spouse, or cohead is a person with disabilities. Identifying disabled families is important because these families qualify for special deductions from income as described in Chapter 6.

Even though persons with drug or alcohol dependencies are considered persons with disabilities for the purpose of non-discrimination, this does not prevent the PHA from denying assistance for reasons related to alcohol and drug abuse following policies found in Part III of this chapter, or from terminating assistance following the policies in Chapter 12.

### **3-I.J. GUESTS [24 CFR 5.100]**

A *guest* is a person temporarily staying in the unit with the consent of a member of the household who has express or implied authority to so consent.

#### MCHA Policy

A guest can remain in the assisted unit no longer than 30 consecutive days or a total of 90 cumulative calendar days during any 12-month period.

Children who are subject to a joint custody arrangement or for whom a family has visitation privileges, that are not included as a family member because they live outside of the assisted household more than 50 percent of the time, are not subject to the time limitations of guests as described above.

A family may request an exception to this policy for valid reasons (e.g., care of a relative recovering from a medical procedure is expected to last 40 consecutive days). An exception will not be made unless the family can identify and provide documentation of the residence to which the guest will return.

### **3-I.K. FOSTER CHILDREN AND FOSTER ADULTS [24 CFR 5.603]**

*Foster adults* are defined as a member of the household who is 18 years of age or older and meets the definition of foster adult under State law. In general, a foster adult is a person who is 18 years of age or older, is unable to live independently due to a debilitating physical or mental condition and is placed with a family by an authorized placement agency or by judgment, decree, or other order of any court of competent jurisdiction.

*Foster child* is defined as a member of the household who meets the definition of a foster child under State law. In general, a foster child is placed with the family by an authorized placement agency (e.g., public child welfare agency) or by judgment decree, or other order of any court of competent jurisdiction

Foster adults/children are not considered family members and must not be included in calculations of income for eligibility and rent determination purposes; however, foster adults/children are considered household members and must be included when determining unit size or subsidy standards. Foster adults/children do not qualify for a dependent deduction.

#### MCHA Policy

A *foster child* is a child that is in the legal guardianship or custody of a state, county, or private adoption or foster care agency, yet is cared for by foster parents in their own homes, under some kind of short-term or long-term foster care arrangement with the custodial agency.

A foster child or foster adult may be allowed to reside in the unit if their presence would not result in a violation of HQS space standards according to 24 CFR 982.401.

Children that are temporarily absent from the home as a result of placement in foster care are discussed in Section 3-I.L.

### **3-I.L. ABSENT FAMILY MEMBERS**

Individuals may be absent from the family, either temporarily or permanently, for a variety of reasons including educational activities, placement in foster care, employment, illness, incarceration, and court order.

#### **Definitions of Temporarily and Permanently Absent**

#### MCHA Policy

Generally, an individual who is or is expected to be absent from the assisted unit for 180 consecutive days or less is considered temporarily absent and continues to be considered a family member. Generally, an individual who is or is expected to be absent from the assisted unit for more than 180 consecutive days is considered permanently absent and no longer a family member. Exceptions to this general policy are discussed below.

## **Absent Students**

### MCHA Policy

When someone who has been considered a family member attends school away from home, the person will continue to be considered a family member unless information becomes available to the PHA indicating that the student has established a separate household or the family declares that the student has established a separate household.

## **Absences Due to Placement in Foster Care [24 CFR 5.403]**

Children temporarily absent from the home as a result of placement in foster care are considered members of the family.

### MCHA Policy

If a child has been placed in foster care, the MCHA will verify with the appropriate agency whether and when the child is expected to be returned to the home. Unless the agency confirms that the child has been permanently removed from the home, the child will be counted as a family member.

## **Absent Head, Spouse, or Cohead**

### MCHA Policy

An employed head, spouse, or cohead absent from the unit more than 180 consecutive days due to employment will continue to be considered a family member.

## **Family Members Permanently Confined for Medical Reasons [HCV GB, p. 5-22]**

If a family member is confined to a nursing home or hospital on a permanent basis, that person is no longer considered a family member and the income of that person is not counted [HCV GB, p. 5-22].

### MCHA Policy

MCHA will request verification from a responsible medical professional and will use this determination. If the responsible medical professional cannot provide a determination, the person generally will be considered temporarily absent. The family may present evidence that the family member is confined on a permanent basis and request that the person not be considered a family member.

## **Return of Permanently Absent Family Members**

### PHA Policy

The family must request MCHA approval for the return of any adult family members that the MCHA has determined to be permanently absent. The individual is subject to the eligibility and screening requirements discussed elsewhere in this chapter.

## **3-I.M. LIVE-IN AIDE**

*Live-in aide* means a person who resides with one or more elderly persons, or near-elderly persons, or persons with disabilities, and who: (1) is determined to be essential to the care and well-being of the persons, (2) is not obligated for the support of the persons, and (3) would not be living in the unit except to provide the necessary supportive services [24 CFR 5.403].

The PHA must approve a live-in aide if needed as a reasonable accommodation in accordance with 24 CFR 8, to make the program accessible to and usable by the family member with disabilities.

A live-in aide is a member of the household, not the family, and the income of the aide is not considered in income calculations [24 CFR 5.609(b)]. Relatives may be approved as live-in aides if they meet all of the criteria defining a live-in aide. However, a relative who serves as a live-in aide is not considered a family member and would not be considered a remaining member of a tenant family.

## MCHA Policy

A family's request for a live-in aide must be made in writing. Written verification will be required from a reliable, knowledgeable professional, such as a doctor, social worker, or case worker, that the live-in aide is essential for the care and well-being of the elderly, near-elderly, or disabled family member. For continued approval, the family must submit a new, written request-subject to MCHA verification-at each annual reexamination.

In addition, the family and live-in aide will be required to submit a certification stating that the live-in aide is (1) not obligated for the support of the person(s) needing the care, and (2) would not be living in the unit except to provide the necessary supportive services.

The PHA will not approve a particular person as a live-in aide, and may withdraw such approval if [24 CFR 982.316(b)]:

- The person commits fraud, bribery or any other corrupt or criminal act in connection with any federal housing program;
- The person commits drug-related criminal activity or violent criminal activity; or
- The person currently owes rent or other amounts to the PHA or to another PHA in connection with Section 8 or public housing assistance under the 1937 Act.

Within 10 business days of receiving a request for a live-in aide, including all required documentation related to the request, the PHA will notify the family of its decision in writing.

## **PART II: BASIC ELIGIBILITY CRITERIA**

### **3-II.A. INCOME ELIGIBILITY AND TARGETING**

#### **Income Limits**

HUD is required by law to set income limits that determine the eligibility of applicants for HUD's assisted housing programs, including the housing choice voucher program. The income limits are published annually and are based on HUD estimates of median family income in a particular area or county, with adjustments for family size.

#### **Types of Low-Income Families [24 CFR 5.603(b)]**

- *Low-income family.* A family whose annual income does not exceed 80 percent of the median income for the area, adjusted for family size.
- *Very low-income family.* A family whose annual income does not exceed 50 percent of the median income for the area, adjusted for family size.
- *Extremely low-income family.* A family whose annual income does not exceed 30 percent of the median income for the area, adjusted for family size.

HUD may establish income ceilings higher or lower than 30, 50, or 80 percent of the median income for an area if HUD finds that such variations are necessary because of unusually high or low family incomes.

#### **Using Income Limits for Eligibility [24 CFR 982.201]**

Income limits are used for eligibility only at admission. Eligibility is established by comparing a family's annual income with HUD's published income limits. To be income-eligible, a family must be one of the following:

- A *very low-income* family
- A *low-income* family that has been "continuously assisted" under the 1937 Housing Act. A family is considered to be continuously assisted if the family is already receiving assistance under any 1937 Housing Act program at the time the family is admitted to the HCV program [24 CFR 982.4]

## MCHA Policy

MCHA will consider a family to be continuously assisted if the family was leasing a unit under any 1937 Housing Act program at the time they were issued a voucher by the PHA.

- A low-income family that qualifies for voucher assistance as a non-purchasing household living in HOPE 1 (public housing homeownership), HOPE 2 (multifamily housing homeownership) developments, or other HUD-assisted multifamily homeownership programs covered by 24 CFR 248.173
- A low-income or moderate-income family that is displaced as a result of the prepayment of a mortgage or voluntary termination of a mortgage insurance contract on eligible low-income housing as defined in 24 CFR 248.101

HUD permits the PHA to establish additional categories of low-income families that may be determined eligible. The additional categories must be consistent with the PHA plan and the consolidated plans for local governments within the PHA's jurisdiction.

#### MCHA Policy

MCHA has not established any additional categories of eligible low-income families.

#### **Using Income Limits for Targeting [24 CFR 982.201]**

At least 75 percent of the families admitted to the PHA's program during a PHA fiscal year must be extremely low-income families. HUD may approve exceptions to this requirement if the PHA demonstrates that it has made all required efforts, but has been unable to attract an adequate number of qualified extremely low-income families.

Families continuously assisted under the 1937 Housing Act and families living in eligible low-income housing that are displaced as a result of prepayment of a mortgage or voluntary termination of a mortgage insurance contract are not subject to the 75 percent restriction.

#### **3-II.B. CITIZENSHIP OR ELIGIBLE IMMIGRATION STATUS [24 CFR 5, Subpart E]**

Housing assistance is available only to individuals who are U.S. citizens, U.S. nationals (herein referred to as citizens and nationals), or noncitizens that have eligible immigration status. At least one family member must be a citizen, national, or noncitizen with eligible immigration status in order for the family to qualify for any level of assistance.

All applicant families must be notified of the requirement to submit evidence of their citizenship status when they apply. Where feasible, and in accordance with the PHA's Limited English Proficiency Plan, the notice must be in a language that is understood by the individual if the individual is not proficient in English.

#### **Declaration [24 CFR 5.508]**

HUD requires each family member to declare whether the individual is a citizen, a national, or an eligible noncitizen, except those members who elect not to contend that they have eligible immigration status. Those who elect not to contend their status are considered to be ineligible noncitizens. For citizens, nationals and eligible noncitizens the declaration must be signed personally by the head, spouse, cohead, and any other family member 18 or older, and by a parent or guardian for minors. The family must identify in writing any family members who elect not to contend their immigration status (see Ineligible Noncitizens below). No declaration is required for live-in aides, foster children, or foster adults.

#### ***U.S. Citizens and Nationals***

In general, citizens and nationals are required to submit only a signed declaration that claims their status. However, HUD regulations permit the PHA to request additional documentation of their status, such as a birth certificate and or passport.

#### MCHA Policy

Family members who declare citizenship or national status will be required to provide additional documentation of proof of lawful status as required under Arizona Law, HB2008, A.R.S. 1-501 and 1-502. See Section 7-II-G for acceptable forms of documentation.

### ***Eligible Noncitizens***

In addition to providing a signed declaration, those declaring eligible noncitizen status must sign a verification consent form and cooperate with PHA efforts to verify their immigration status as described in Chapter 7. The documentation required for establishing eligible noncitizen status varies depending upon factors such as the date the person entered the U.S., the conditions under which eligible immigration status has been granted, the person's age, and the date on which the family began receiving HUD-funded assistance.

Lawful residents of the Marshall Islands, the Federated States of Micronesia, and Palau, together known as the Freely Associated States, or FAS, are eligible for housing assistance under section 141 of the Compacts of Free Association between the U.S. Government and the Governments of the FAS [Public Law 106-504].

### ***Ineligible Noncitizens***

Those noncitizens who do not wish to contend their immigration status are required to have their names listed on a noncontending family members listing, signed by the head, spouse, or cohead (regardless of citizenship status), indicating their ineligible immigration status. The PHA is not required to verify a family member's ineligible status and is not required to report an individual's unlawful presence in the U.S. to the United States Citizenship and Immigration Services (USCIS).

Providing housing assistance to noncitizen students is prohibited [24 CFR 5.522]. This prohibition extends to the noncitizen spouse of a noncitizen student as well as to minor children who accompany or follow to join the noncitizen student. Such prohibition does not extend to the citizen spouse of a noncitizen student or to the children of the citizen spouse and noncitizen student. Such a family is eligible for prorated assistance as a mixed family.

### **Mixed Families**

A family is eligible for assistance as long as at least one member is a citizen, national, or eligible noncitizen. Families that include eligible and ineligible individuals are considered *mixed families*. Such families will be given notice that their assistance will be prorated, and that they may request a hearing if they contest this determination. See Chapter 6 for a discussion of how rents are prorated, and Chapter 16 for a discussion of informal hearing procedures.

### **Ineligible Families [24 CFR 5.514(d), (e), and (f)]**

A PHA may elect to provide assistance to a family before the verification of the eligibility of the individual or one family member [24 CFR 5.512(b)]. Otherwise, no individual or family may be assisted prior to the affirmative establishment by the PHA that the individual or at least one family member is eligible. Verification of eligibility for this purpose occurs when the individual or family members have submitted documentation to the PHA in accordance with program requirements [24 CFR 5.512(a)].

### **MCHA Policy**

The MCHA will not provide assistance to a family before the verification of family members.

When a MCHA determines that an applicant family does not include any citizens, nationals, or eligible noncitizens, following the verification process, the family will be sent a written notice within 10 business days of the determination.

The notice will explain the reasons for the denial of assistance, that the family may be eligible for proration of assistance, and will advise the family of its right to request an appeal to the United States Citizenship and Immigration Services (USCIS), or to request an informal hearing with the MCHA. The informal hearing with the MCHA may be requested in lieu of the USCIS appeal, or at the conclusion of the USCIS appeal process. The notice must also inform the applicant family that assistance may not be delayed until the conclusion of the USCIS appeal process, but that it may be delayed pending the completion of the informal hearing process.

Informal hearing procedures are contained in Chapter 16.

### **Timeframe for Determination of Citizenship Status [24 CFR 5.508(g)]**

For new occupants joining the assisted family, the PHA must verify status at the first interim or regular reexamination following the person's occupancy, whichever comes first.

If an individual qualifies for a time extension for the submission of required documents, the PHA must grant such an extension for no more than 30 days [24 CFR 5.508(h)].

Each family member is required to submit evidence of eligible status only one time during continuous occupancy.

#### MCHA Policy

The MCHA will verify the status of applicants at the time other eligibility factors are determined.

### **3-II.C. SOCIAL SECURITY NUMBERS [24 CFR 5.216 and 5.218]**

The applicant and all members of the applicant's household must provide documentation of a valid Social Security Number (SSN) or a certification stating that no SSN has been issued. If a household member who is required to execute a certification is less than 18 years old, the certification must be executed by the individual's parent or guardian [24 CFR 5.216(j)]. Assistance cannot be provided to a family until all SSN documentation requirements are met. A detailed discussion of acceptable documentation is provided in Chapter 7.

If a new member is added to the family, the new member's SSN documentation must be submitted at the household's next interim or regular reexamination, whichever comes first. If any member of the household who obtains a previously undisclosed SSN, or has been assigned a new SSN, the documentation must be submitted at the family's next regularly scheduled reexamination.

The PHA must deny assistance to an applicant family if they do not meet the SSN disclosure, documentation and verification, and certification requirements contained in 24 CFR 5.216

### **3-II.D. FAMILY CONSENT TO RELEASE OF INFORMATION [24 CFR 5.230, HCV GB, p. 5-13]**

HUD requires each adult family member, and the head of household, spouse, or cohead, regardless of age, to sign form HUD-9886, Authorization for the Release of Information/Privacy Act Notice, and other consent forms as needed to collect information relevant to the family's eligibility and level of assistance. Chapter 7 provides detailed information concerning the consent forms and verification requirements.

The PHA must deny admission to the program if any member of the applicant family fails to sign and submit the consent forms for obtaining information in accordance with 24 CFR 5, Subparts B and F [24 CFR 982.552(b)(3)].

### **3-II.E. STUDENTS ENROLLED IN INSTITUTIONS OF HIGHER EDUCATION [24 CFR 5.612 and FR Notice 4/10/06]**

Section 327 of Public Law 109-115 and the implementing regulation at 24 CFR 5.612 established new restrictions on the eligibility of certain students (both part- and full-time) who are enrolled in institutions of higher education.

If a student enrolled at an institution of higher education is under the age of 24, is not a veteran, is not married, does not have a dependent child, and is not a person with disabilities receiving HCV assistance as of November 30, 2005, the student's eligibility must be examined along with the income eligibility of the student's parents. In these cases, both the student and the student's parents must be income eligible for the student to receive HCV assistance. If, however, a student in these circumstances is determined independent from his/her parents in accordance with PHA policy, the income of the student's parents will not be considered in determining the student's eligibility.

The new law does not apply to students who reside with parents who are applying to receive HCV assistance. It is limited to students who are seeking assistance on their own, separately from their parents.

## Definitions

In determining whether and how the new eligibility restrictions apply to a student, the PHA will rely on the following definitions [FR 4/10/06, p. 18148].

### ***Dependent Child***

In the context of the student eligibility restrictions, *dependent child* means a dependent child of a student enrolled in an institution of higher education. The dependent child must also meet the definition of *dependent* in 24 CFR 5.603, which states that the dependent must be a member of the assisted family, other than the head of household or spouse, who is under 18 years of age, or is a person with a disability, or is a full-time student. Foster children and foster adults are not considered dependents.

### ***Independent Student***

#### MCHA Policy

The MCHA will consider a student “independent” from his or her parents and the parents’ income will not be considered when determining the student’s eligibility if the following four criteria are all met:

- The individual is of legal contract age under state law.
- The individual has established a household separate from his/her parents for at least one year prior to application for occupancy or the individual meets the U.S. Department of Education’s definition of independent student.
  - To be considered an *independent student* according to the Department of Education, a student must meet one or more of the following criteria:
    - Be at least 24 years old by December 31 of the award year for which aid is sought
    - Be an orphan or a ward of the court through the age of 18
    - Be a veteran of the U.S. Armed Forces
    - Have one or more legal dependents other than a spouse (for example, dependent children or an elderly dependent parent)
    - Be a graduate or professional student
    - Be married
  - The individual was not claimed as a dependent by his/her parents pursuant to IRS regulations, as demonstrated on the parents’ most recent tax forms.
  - The individual provides a certification of the amount of financial assistance that will be provided by his/her parents. This certification must be signed by the individual providing the support and must be submitted even if no assistance is being provided.

The MCHA will verify that a student meets the above criteria in accordance with the policies in Section 7-II.E.

### ***Institution of Higher Education***

The PHA will use the statutory definition under section 102 of the Higher Education Act of 1965 to determine whether a student is attending an *institution of higher education* (see Exhibit 3-2).

### ***Parents***

#### MCHA Policy

For purposes of student eligibility restrictions, the definition of *parents* includes biological or adoptive parents, stepparents (as long as they are currently married to the biological or adoptive parent), and guardians (e.g., grandparents, aunt/uncle, godparents, etc).

### ***Person with Disabilities***

The PHA will use the statutory definition under section 3(b)(3)(E) of the 1937 Act to determine whether a student is a *person with disabilities* (see Exhibit 3-1).

## ***Veteran***

### **MCHA Policy**

A *veteran* is a person who served in the active military, naval, or air service and who was discharged or released from such service under conditions other than dishonorable.

### **Determining Student Eligibility**

If a student is applying for assistance on his/her own, apart from his/her parents, the PHA must determine whether the student is subject to the eligibility restrictions contained in 24 CFR 5.612. If the student is subject to those restrictions, the PHA must ensure that: (1) the student is individually eligible for the program, (2) either the student is independent from his/her parents or the student's parents are income eligible for the program, and (3) the "family" with which the student is applying is collectively eligible for the program.

### **MCHA Policy**

For any student who is subject to the 5.612 restrictions, the MCHA will:

- Follow its usual policies in determining whether the student individually and the student's "family" collectively are eligible for the program
- Determine whether the student is independent from his/her parents in accordance with the definition of *independent student* in this section
- Follow the policies below, if applicable, in determining whether the student's parents are income eligible for the program

If the MCHA determines that the student, the student's parents (if applicable), or the student's "family" is not eligible, the MCHA will send a notice of denial in accordance with the policies in Section 3-III.F, and the applicant family will have the right to request an informal review in accordance with the policies in Section 16-III.B.

### **Determining Parental Income Eligibility**

### **MCHA Policy**

For any student who is subject to the 5.612 restrictions and who does not satisfy the definition of *independent student* in this section, the MCHA will determine the income eligibility of the student's parents as follows:

- If the student's parents are married and living together, the MCHA will obtain a joint income declaration and certification of joint income from the parents.
- If the student's parent is widowed or single, the MCHA will obtain an income declaration and certification of income from that parent.
- If the student's parents are divorced or separated, the MCHA will obtain an income declaration and certification of income from each parent.
- If the student has been living with one of his/her parents and has not had contact with or does not know where to contact his/her other parent, the MCHA will require the student to submit a certification under penalty of perjury describing the circumstances and stating that the student does not receive financial assistance from the other parent. The MCHA will then obtain an income declaration and certification of income from the parent with whom the student has been living or had contact.

In determining the income eligibility of the student's parents, the PHA will use the income limits for the jurisdiction in which the parents live.

## **PART III: DENIAL OF ASSISTANCE**

### **3-III.A. OVERVIEW**

A family that does not meet the eligibility criteria discussed in Parts I and II, must be denied assistance.

In addition, HUD requires or permits the PHA to deny assistance based on certain types of current or past behaviors of family members.

#### **Forms of Denial [24 CFR 982.552(a)(2); HCV GB, p. 5-35]**

Denial of assistance includes any of the following:

- Not placing the family's name on the waiting list
- Denying or withdrawing a voucher
- Not approving a request for tenancy or refusing to enter into a HAP contract
- Refusing to process a request for or to provide assistance under portability procedures

#### **Prohibited Reasons for Denial of Program Assistance [24 CFR 982.202(b), Pub. L. 109-162]**

HUD rules prohibit denial of program assistance to the program based on any of the following criteria:

- Age, disability, race, color, religion, sex, or national origin. (See Chapter 2 for additional information about fair housing and equal opportunity requirements.)
- Where a family lives prior to admission to the program
- Where the family will live with assistance under the program. Although eligibility is not affected by where the family will live, there may be restrictions on the family's ability to move outside the PHA's jurisdiction (See Chapter 10, Portability.)
- Whether members of the family are unwed parents, recipients of public assistance, or children born out of wedlock
- Whether the family includes children
- Whether a family decides to participate in a family self-sufficiency program
- Whether or not a qualified applicant has been a victim of domestic violence, dating violence, or stalking

### **3-III.B. MANDATORY DENIAL OF ASSISTANCE [24 CFR 982.553(a)]**

HUD requires the PHA to deny assistance in the following cases:

- Any member of the household has been evicted from federally-assisted housing in the last 3 years for drug-related criminal activity. HUD permits, but does not require, the PHA to admit an otherwise-eligible family if the household member has completed a PHA-approved drug rehabilitation program or the circumstances which led to eviction no longer exist (e.g., the person involved in the criminal activity no longer lives in the household).

#### **MCHA Policy**

The MCHA will admit an otherwise-eligible family who was evicted from federally-assisted housing within the past 3 years for drug-related criminal activity, if the MCHA is able to verify that the person who committed the crime, is no longer living in the household.

- The PHA determines that any household member is currently engaged in the use of illegal drugs.

#### **MCHA Policy**

*Currently engaged in* is defined as any use of illegal drugs during the previous six months.

- The PHA has reasonable cause to believe that any household member's current use or pattern of use of illegal drugs, or current abuse or pattern of abuse of alcohol, may threaten the health, safety, or right to peaceful enjoyment of the premises by other residents.

#### MCHA Policy

In determining reasonable cause, the MCHA will consider all credible evidence, including but not limited to, any record of convictions, arrests, or evictions of household members related to the use of illegal drugs or the abuse of alcohol. A conviction will be given more weight than an arrest. The MCHA will also consider evidence from treatment providers or community-based organizations providing services to household members.

- Any household member has ever been convicted of drug-related criminal activity for the production or manufacture of methamphetamine on the premises of federally assisted housing
- Any household member is subject to a lifetime registration requirement under a state sex offender registration program

### **3-III.C. OTHER PERMITTED REASONS FOR DENIAL OF ASSISTANCE**

HUD permits, but does not require, the PHA to deny assistance for the reasons discussed in this section.

#### **Criminal Activity [24 CFR 982.553]**

HUD permits, but does not require, the PHA to deny assistance if the PHA determines that any household member is currently engaged in, or has engaged in during a reasonable time before the family would receive assistance, certain types of criminal activity.

#### MCHA Policy

If any household member is currently engaged in, or has engaged in any of the following criminal activities, within the past five years, the family will be denied assistance.

*Drug-related criminal activity*, defined by HUD as the illegal manufacture, sale, distribution, or use of a drug, or the possession of a drug with intent to manufacture, sell, distribute or use the drug [24 CFR 5.100].

*Violent criminal activity*, defined by HUD as any criminal activity that has as one of its elements the use, attempted use, or threatened use of physical force substantial enough to cause, or be reasonably likely to cause, serious bodily injury or property damage [24 CFR 5.100].

Criminal activity that may threaten the health, safety, or right to peaceful enjoyment of the premises by other residents or persons residing in the immediate vicinity; or

Criminal activity that may threaten the health or safety of property owners and management staff, and persons performing contract administration functions or other responsibilities on behalf of the MCHA (including a MCHA employee or a MCHA contractor, subcontractor, or agent).

*Immediate vicinity* means within a three-block radius of the premises.

Evidence of such criminal activity includes, but is not limited to:

Any conviction for drug-related or violent criminal activity within the past 5 years.

Any arrests for drug-related or violent criminal activity within the past 5 years.

Any record of eviction from public or privately-owned housing as a result of criminal activity within the past 5 years.

A conviction for drug-related or violent criminal activity will be given more weight than an arrest for such activity.

In making its decision to deny assistance, the PHA will consider the factors discussed in Section 3-III.E. Upon consideration of such factors, the PHA may, on a case-by-case basis, decide not to deny assistance.

### **Previous Behavior in Assisted Housing [24 CFR 982.552(c)]**

HUD authorizes the PHA to deny assistance based on the family's previous behavior in assisted housing:

#### PHA Policy

The MCHA **will not** deny assistance to an otherwise eligible family because the family previously failed to meet its obligations under the Family Self-Sufficiency (FSS) program.

The MCHA **will** deny assistance to an applicant family if:

- The family does not provide information that the PHA or HUD determines is necessary in the administration of the program.
- The family does not provide complete and true information to the PHA.
- Any family member has been evicted from federally-assisted housing in the last five years.
- Any PHA has ever terminated assistance under the program for any member of the family.
- Any family member has committed fraud, bribery, or any other corrupt or criminal act in connection with any federal housing program.
- The family owes rent or other amounts to any PHA in connection with the HCV, Certificate, Moderate Rehabilitation or public housing programs, unless the family repays the full amount of the debt prior to being selected from the waiting list.
- If the family has not reimbursed any PHA for amounts the PHA paid to an owner under a HAP contract for rent, damages to the unit, or other amounts owed by the family under the lease, unless the family repays the full amount of the debt prior to being selected from the waiting list.
- The family has breached the terms of a repayment agreement entered into with the any PHA, unless the family repays the full amount of the debt covered in the repayment agreement prior to being selected from the waiting list.
- A family member has engaged in or threatened violent or abusive behavior toward MCHA personnel.
- *Abusive or violent behavior towards PHA personnel* includes verbal as well as physical abuse or violence. Use of racial epithets, or other language, written or oral, that is customarily used to intimidate may be considered abusive or violent behavior.
- *Threatening* refers to oral or written threats or physical gestures that communicate intent to abuse or commit violence.

In making its decision to deny assistance, the MCHA will consider the factors discussed in Section 3-III.E. Upon consideration of such factors, the MCHA may, on a case-by-case basis, decide not to deny assistance.

### **3-III.D. SCREENING**

#### **Screening for Eligibility**

PHAs are authorized to obtain criminal conviction records from law enforcement agencies to screen applicants for admission to the HCV program. This authority assists the PHA in complying with HUD requirements and PHA policies to deny assistance to applicants who are engaging in or have engaged in certain criminal activities. In order to obtain access to the records the PHA must require every applicant family to submit a consent form signed by each adult household member [24 CFR 5.903].

#### MCHA Policy

The MCHA will perform a criminal background check through public records search on every adult household member.

PHAs are required to perform criminal background checks necessary to determine whether any household member is subject to a lifetime registration requirement under a state sex offender program in the state where the housing is located, as well as in any other state where a household member is known to have resided [24 CFR 982.553(a)(2)(i)].

If the PHA proposes to deny assistance based on a criminal record or on lifetime sex offender registration information, the PHA must notify the household of the proposed action and must provide the subject of the record and the applicant a copy of the record and an opportunity to dispute the accuracy and relevance of the information prior to a denial of admission. [24 CFR 5.903(f) and 5.905(d)].

### **Screening for Suitability as a Tenant [24 CFR 982.307]**

The PHA has no liability or responsibility to the owner for the family's behavior or suitability for tenancy. The PHA may opt to conduct additional screening to determine whether an applicant is likely to be a suitable tenant.

#### MCHA Policy

The MCHA will not conduct additional screening to determine an applicant family's suitability for tenancy.

The owner is responsible for screening and selection of the family to occupy the owner's unit. The PHA must inform the owner that screening and selection for tenancy is the responsibility of the owner. An owner may consider a family's history with respect to factors such as: payment of rent and utilities, caring for a unit and premises, respecting the rights of other residents to the peaceful enjoyment of their housing, criminal activity that is a threat to the health, safety or property of others, and compliance with other essential conditions of tenancy.

HUD requires the PHA to provide prospective owners with the family's current and prior address (as shown in PHA records) and the name and address (if known) of the owner at the family's current and prior addresses. HUD permits the PHA to provide owners with additional information, as long as families are notified that the information will be provided, and the same type of information is provided to all owners.

#### MCHA Policy

The MCHA will inform owners of their responsibility to screen prospective tenants, and will provide owners with the required known name and address information, at the time of the initial HQS inspection or before. The MCHA will not provide any additional information to the owner, such as tenancy history, criminal history, etc.

### **3-III.E. CRITERIA FOR DECIDING TO DENY ASSISTANCE**

#### **Evidence [24 CFR 982.553(c)]**

#### MCHA Policy

The MCHA will use the concept of the preponderance of the evidence as the standard for making all admission decisions.

*Preponderance of the evidence* is defined as evidence which is of greater weight or more convincing than the evidence which is offered in opposition to it; that is, evidence which as a whole shows that the fact sought to be proved is more probable than not. Preponderance of the evidence may not be determined by the number of witnesses, but by the greater weight of all evidence.

#### **Consideration of Circumstances [24 CFR 982.552(c)(2)]**

HUD authorizes the PHA to consider all relevant circumstances when deciding whether to deny assistance based on a family's past history except in the situations for which denial of assistance is mandated (see Section 3-III.B).

## MCHA Policy

The MCHA may consider the following factors prior to making its decision: The seriousness of the case, especially with respect to how it would affect other residents

- The effects that denial of assistance may have on other members of the family who were not involved in the action or failure
- The extent of participation or culpability of individual family members, including whether the culpable family member is a minor or a person with disabilities, or (as discussed further in section 3-III.G) a victim of domestic violence, dating violence, or stalking
- The length of time since the violation occurred, the family's recent history and the likelihood of favorable conduct in the future
- In the case of drug or alcohol abuse, whether the culpable household member is participating in or has successfully completed a supervised drug or alcohol rehabilitation program or has otherwise been rehabilitated successfully
- The PHA will require the applicant to submit evidence of the household member's current participation in or successful completion of a supervised drug or alcohol rehabilitation program, or evidence of otherwise having been rehabilitated successfully.

**In the case of criminal conviction for drug or violent criminal activity within 5 years MCHA will consider the following:**

- A. Those applicants or additions to a current participant household who have been convicted for drug related criminal activity or violent criminal activity, must demonstrate 2 year period on probation without violation and 2 years without any criminal activity including arrests; or successful completion of a supervised rehabilitation program and 1 year of probation without any violation or criminal activity, including arrests may be admitted.
- B. An applicant or addition to a current participant household with violent criminal activity, or drug related criminal activity arrest and their court date is pending will be denied. If the charges are dismissed and there is no other applicable criminal activity, they will be considered eligible.

### **Removal of a Family Member's Name from the Application [24 CFR 982.552(c)(2)(ii)]**

HUD permits PHAs to impose as a condition of admission, a requirement that family members who participated in or were culpable for an action or failure to act which results in the denial of assistance, to not reside in the unit.

#### MCHA Policy

As a condition of receiving assistance, a family may agree to remove the culpable family member from the application. In such instances, the head of household must certify that the family member will not be permitted to visit or to stay as a guest in the assisted unit.

After admission to the program, the family must present evidence of the former family member's current address upon MCHA's request.

### **Reasonable Accommodation [24 CFR 982.552(c)(2)(iv)]**

If the family includes a person with disabilities, the PHA's decision concerning denial of admission is subject to consideration of reasonable accommodation in accordance with 24 CFR Part 8.

#### MCHA Policy

If the family indicates that the behavior of a family member with a disability is the reason for the proposed denial of assistance, the MCHA will determine whether the behavior is related to the disability. If so, upon the family's request, the PHA will determine whether alternative measures are appropriate as a reasonable accommodation. The PHA will only consider accommodations that can reasonably be expected to address the behavior that is the basis of the proposed denial of assistance. See Chapter 2 for a discussion of reasonable accommodation.

### **3-III.F. NOTICE OF ELIGIBILITY OR DENIAL**

If the family is eligible for assistance, the PHA will notify the family when it extends the invitation to attend the voucher briefing appointment, as discussed in Chapter 5.

If the PHA determines that a family is not eligible for the program for any reason, the family must be notified promptly. The notice must describe: (1) the reasons for which assistance has been denied, (2) the family's right to an informal review, and (3) the process for obtaining the informal review [24 CFR 982.554 (a)]. See Chapter 16, for informal review policies and procedures.

#### MCHA Policy

The family will be notified of a decision to deny assistance in writing within 10 business days of the determination.

If a PHA uses a criminal record or sex offender registration information obtained under 24 CFR 5, Subpart J, as the basis of a denial, a copy of the record must precede the notice to deny, with an opportunity for the applicant to dispute the accuracy and relevance of the information before the PHA can move to deny the application. In addition, a copy of the record must be provided to the subject of the record [24 CFR 5.903(f) and 5.905(d)]. The PHA must give the family an opportunity to dispute the accuracy and relevance of that record, in the informal review process in accordance with program requirements [24 CFR 982.553(d)].

#### MCHA Policy

If based on a criminal record or sex offender registration information, an applicant family appears to be ineligible the MCHA will notify the family in writing of the proposed denial and provide a copy of the record to the applicant and to the subject of the record. The family will be given 10 calendar days to dispute the accuracy and relevance of the information. If the family does not contact the PHA to dispute the information within that 10-day period, the PHA will proceed with issuing the notice of denial of admission. A family that does not exercise their right to dispute the accuracy of the information prior to issuance of the official denial letter will still be given the opportunity to do so as part of the informal review process.

Notice requirements related to denying assistance to noncitizens are contained in Section 3-II.B.

Notice policies related to denying admission to applicants who may be victims of domestic violence, dating violence, or stalking are contained in Section 3-III.G.

### **3-III.G. PROHIBITION AGAINST DENIAL OF ASSISTANCE TO VICTIMS OF DOMESTIC VIOLENCE, DATING VIOLENCE, SEXUAL ASSAULT OR STALKING [24CFR Part 5, Subpart L]**

The Violence against Women Reauthorization Act of 2013 (VAWA) prohibits denial of admission to an otherwise qualified applicant on the basis that the applicant is or has been a victim of domestic violence, dating violence, sexual assault or stalking, regardless of sex, gender identity or sexual orientation. Specifically, Section 606(4)(A) of VAWA adds the following provision to Section 8 of the U.S. Housing Act of 1937, which lists contract provisions and requirements for the housing choice voucher program:

- That an applicant or participant is or has been a victim of domestic violence, dating violence, sexual assault or stalking is not an appropriate reason for denial of program assistance or for denial of admission, if the applicant otherwise qualifies for assistance or admission.

#### **Definitions**

As used in VAWA:

- *The term affiliated individual* means, with respect to an individual:

- a spouse, parent, brother, sister, or child of that individual, or a person to whom that individual stands in the place of a parent or guardian (for example, the affiliated individual is a person in the care, custody, or control of that individual): or
  - any individual, tenant, or lawful occupant living in the household of that individual.
- The term *bifurcate* means, with respect to a public housing or a Section 8 lease, to divide a lease as a matter of law such that certain tenants or lawful occupants can be evicted or removed while the remaining family members' lease and occupancy rights are allowed to remain intact.
  - The term *dating violence* means violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim; and where the existence of such a relationship shall be determined based on a consideration of the following factors:
    - The length of the relationship
    - The type of relationship
    - The frequency of interaction between the persons involved in the relationship
  - The term *domestic violence* includes felony or misdemeanor crimes of violence committed by a current or former spouse or intimate partner of the victim, by a person with whom the victim shares a child in common, by a person who is cohabitating with or has cohabitated with the victim as a spouse or intimate partner, by a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction receiving grant monies, or by any other person against an adult or youth victim who is protected from that person's acts under the domestic or family violence laws of the jurisdiction.
  - The term *sexual assault* means any nonconsensual sexual act proscribed by Federal, tribal, or State law, including when the victim lacks capacity to consent.
  - The term *spouse or intimate partner* of the victim includes a person who is or has been in a social relationship of a romantic or intimate nature with the victim, as determined by the length of the relations, the type of relationship, and the frequency of interaction between the persons involved in the relationship.
  - The term *stalking* means engaging in a course of conduct directed at a specific person that would cause a reasonable person to:
    - Fear for the person's individual safety or the safety of others; or
    - Suffer substantial emotional distress.

## **Notification**

### MCHA Policy

The MCHA acknowledges that a victim of domestic violence, dating violence, sexual assault or stalking may have an unfavorable history (e.g., a poor credit history, a record of previous damage to an apartment, a prior arrest record) that would warrant denial under the MCHA's policies.

Therefore, if the PHA makes a determination to deny admission to an applicant family, the PHA will include in its notice of denial:

A statement of the protection against denial provided by VAWA

A description of MCHA confidentiality requirements

A request that an applicant wishing to claim this protection submit to the MCHA documentation meeting the specifications below with her or his request for an informal review (see section 16-III.D)

## **Documentation**

### ***Victim Documentation***

#### MCHA Policy

An applicant claiming that the cause of an unfavorable history is that a member of the applicant family is or has been a victim of domestic violence, dating violence, sexual assault or stalking must provide documentation (1) demonstrating the connection between the abuse and the unfavorable history and (2) naming the perpetrator of the abuse on the HUD 5382, but only if the name is safe to provide and is known to the victim. MCHA may request, in writing, that the applicant or tenant submit documentation consisting of the following:

- A document:
  - Signed by an employee, agent, or volunteer of a victim service provider, an attorney, or medical professional or a mental health professional (collectively, “professional”) from whom you sought assistance relating to domestic violence, dating violence, sexual assault or stalking, or the effects of abuse.
  - Signed by the applicant or tenant; and
  - That specifies, under penalty of perjury, that the professional believes in the occurrence of the incident of domestic violence, dating violence, sexual assault, or talking that is the ground for protection and remedies under this subpart, and that the incident meets the applicable definition of domestic violence, dating violence, sexual assault or stalking.
- A statement signed by the victim certifying that the information provided is true and correct and that it describes bona fide incident(s) of actual or threatened domestic violence, dating violence, sexual assault or stalking.
- At the discretion of MCHA, a statement or other evidence provided by the applicant or tenant.
- Documentation must be submitted within 14 business days from the date of the request.

### ***Time Frame for Submitting Documentation***

#### MCHA Policy

The applicant must submit the required documentation with her or his request for an informal review (see section 16-III.D) or must request an extension in writing at that time. If the applicant so requests, the MCHA will grant an extension of 10 calendar days, and will postpone scheduling the applicant’s informal review until after it has received the documentation or the extension period has elapsed. If after reviewing the documentation provided by the applicant the MCHA determines that the family is eligible for assistance, no informal review will be scheduled and the PHA will proceed with admission of the applicant family.

### **PHA Confidentiality Requirements**

All information provided to the PHA regarding domestic violence, dating violence, or stalking, including the fact that an individual is a victim of such violence or stalking, must be retained in confidence and may neither be entered into any shared database nor provided to any related entity, except to the extent that the disclosure (a) is requested or consented to by the individual in writing, (b) is required for use in an eviction proceeding, or (c) is otherwise required by applicable law.

#### MCHA Policy

If disclosure is required for use in an eviction proceeding or is otherwise required by applicable law, the MCHA will inform the victim before disclosure occurs so that safety risks can be identified and addressed.

## **EXHIBIT 3-1: DETAILED DEFINITIONS RELATED TO DISABILITIES**

### **Person with Disabilities [24 CFR 5.403]**

The term *person with disabilities* means a person who has any of the following types of conditions:

- Has a disability, as defined in 42 U.S.C. Section 423(d)(1)(A), which reads:
  - Inability to engage in any substantial gainful activity by reason of any medically determinable physical or mental impairment which can be expected to result in death or which has lasted or can be expected to last for a continuous period of not less than 12 months; *or*
  - In the case of an individual who has attained the age of 55 and is blind (within the meaning of “blindness” as defined in section 416(i)(1) of this title), inability by reason of such blindness to engage in substantial gainful activity, requiring skills or ability comparable to those of any gainful activity in which he has previously engaged with some regularity and over a substantial period of time.
- Has a developmental disability as defined in the Developmental Disabilities Assistance and Bill of Rights Act of 2000 [42 U.S.C.15002(8)], which defines developmental disability in functional terms as follows:

#### **A. In General**

The term “developmental disability” means a severe, chronic disability of an individual that:

- is attributable to a mental or physical impairment or combination of mental and physical impairments;
- is manifested before the individual attains age 22;
- is likely to continue indefinitely;
- results in substantial functional limitations in 3 or more of the following areas of major life activity: (I) Self-care, (II) Receptive and expressive language, (III) Learning, (IV) Mobility, (V) Self-direction, (VI) Capacity for independent living, (VII) Economic self-sufficiency; and

reflects the individual’s need for a combination and sequence of special, interdisciplinary, or generic services, individualized supports, or other forms of assistance that are of lifelong or extended duration and are individually planned and coordinated.

### **Infants and Young Children**

An individual from birth to age 9, inclusive, who has a substantial developmental delay or specific congenital or acquired condition, may be considered to have a developmental disability without meeting 3 or more of the criteria described in clauses (i) through (v) of subparagraph (A) if the individual, without services and supports, has a high probability of meeting those criteria later in life.

- Has a physical, mental, or emotional impairment that is expected to be of long-continued and indefinite duration; substantially impedes his or her ability to live independently, and is of such a nature that the ability to live independently could be improved by more suitable housing conditions.

People with the acquired immunodeficiency syndrome (AIDS) or any conditions arising from the etiologic agent for AIDS are not excluded from this definition.

A person whose disability is based solely on any drug or alcohol dependence does not qualify as a person with disabilities for the purposes of this program.

For purposes of reasonable accommodation and program accessibility for persons with disabilities, the term person with disabilities refers to an individual with handicaps.

### **Individual with Handicaps [24 CFR 8.3]**

*Individual with handicaps* means any person who has a physical or mental impairment that substantially limits one or more major life activities; has a record of such an impairment; or is regarded as having such an impairment. The term does not include any individual who is an alcoholic or drug abuser whose current use of alcohol or drugs prevents the individual from participating in the program or activity in question, or whose participation, by reason

of such current alcohol or drug abuse, would constitute a direct threat to property or the safety of others. As used in this definition, the phrase:

(1) Physical or mental impairment includes:

- (a) Any physiological disorder or condition, cosmetic disfigurement, or anatomical loss affecting one or more of the following body systems: neurological; musculoskeletal; special sense organs; respiratory, including speech organs; cardiovascular; reproductive; digestive; genito-urinary; hemic and lymphatic; skin; and endocrine; or
- (b) Any mental or psychological disorder, such as mental retardation, organic brain syndrome, emotional or mental illness, and specific learning disabilities. The term physical or mental impairment includes, but is not limited to, such diseases and conditions as orthopedic, visual, speech and hearing impairments, cerebral palsy, autism, epilepsy, muscular dystrophy, multiple sclerosis, cancer, heart disease, diabetes, mental retardation, emotional illness, drug addiction and alcoholism.

(2) *Major life activities* means functions such as caring for one's self, performing manual tasks, walking, seeing, hearing, speaking, breathing, learning and working.

(3) Has a record of such an impairment means has a history of, or has been misclassified as having, a mental or physical impairment that substantially limits one or more major life activities.

(4) *Is regarded as having an impairment* means:

- (a) Has a physical or mental impairment that does not substantially limit one or more major life activities but that is treated by a recipient as constituting such a limitation;
- (b) Has a physical or mental impairment that substantially limits one or more major life activities only as a result of the attitudes of others toward such impairment; or
- (c) Has none of the impairments defined in paragraph (1) of this section but is treated by a recipient as having such an impairment.

<b>EXHIBIT 3-2: DEFINITION OF INSTITUTION OF HIGHER EDUCATION</b> <b>[20 U.S.C. 1001 and 1002]</b>
---

**Eligibility of Students for Assisted Housing Under Section 8 of the U.S. Housing Act of 1937; Supplementary Guidance; Notice [Federal Register, April 10, 2006]**

*Institution of Higher Education* shall have the meaning given this term in the Higher Education Act of 1965 in 20 U.S.C. 1001 and 1002.

*Definition of "Institution of Higher Education" From 20 U.S.C. 1001*

(a) Institution of higher education. For purposes of this chapter, other than subchapter IV and part C of subchapter I of chapter 34 of Title 42, the term "institution of higher education" means an educational institution in any State that

- (1) Admits as regular students only persons having a certificate of graduation from a school providing secondary education, or the recognized equivalent of such a certificate;
- (2) Is legally authorized within such State to provide a program of education beyond secondary education;
- (3) Provides an educational program for which the institution awards a bachelor's degree or provides not less than a 2-year program that is acceptable for full credit toward such a degree;
- (4) Is a public or other nonprofit institution; and
- (5) Is accredited by a nationally recognized accrediting agency or association, or if not so accredited, is an institution that has been granted preaccreditation status by such an agency or association that has been

recognized by the Secretary for the granting of preaccreditation status, and the Secretary has determined that there is satisfactory assurance that the institution will meet the accreditation standards of such an agency or association within a reasonable time.

- (b) Additional institutions included. For purposes of this chapter, other than subchapter IV and part C of subchapter I of chapter 34 of Title 42, the term “institution of higher education” also includes—
- (1) Any school that provides not less than a 1-year program of training to prepare students for gainful employment in a recognized occupation and that meets the provision of paragraphs (1), (2), (4), and (5) of subsection (a) of this section; and
  - (2) A public or nonprofit private educational institution in any State that, in lieu of the requirement in subsection (a)(1) of this section, admits as regular students persons who are beyond the age of compulsory school attendance in the State in which the institution is located.
- (c) List of accrediting agencies. For purposes of this section and section 1002 of this title, the Secretary shall publish a list of nationally recognized accrediting agencies or associations that the Secretary determines, pursuant to subpart 2 of part G of subchapter IV of this chapter, to be reliable authority as to the quality of the education or training offered.

*Definition of “Institution of Higher Education” From 20 U.S.C. 1002*

- (a) Definition of institution of higher education for purposes of student assistance programs
- (1) Inclusion of additional institutions. Subject to paragraphs (2) through (4) of this subsection, the term “institution of higher education” for purposes of subchapter IV of this chapter and part C of subchapter I of chapter 34 of title 42 includes, in addition to the institutions covered by the definition in section 1001 of this title—
    - (A) A proprietary institution of higher education (as defined in subsection (b) of this section);
    - (B) A postsecondary vocational institution (as defined in subsection (c) of this section); and
    - (C) Only for the purposes of part B of subchapter IV of this chapter, an institution outside the United States that is comparable to an institution of higher education as defined in section 1001 of this title and that has been approved by the Secretary for the purpose of part B of subchapter IV of this chapter.
  - (2) Institutions outside the United States
    - (A) In general. For the purpose of qualifying as an institution under paragraph (1)(C), the Secretary shall establish criteria by regulation for the approval of institutions outside the United States and for the determination that such institutions are comparable to an institution of higher education as defined in section 1001 of this title (except that a graduate medical school, or a veterinary school, located outside the United States shall not be required to meet the requirements of section 1001 (a)(4) of this title). Such criteria shall include a requirement that a student attending such school outside the United States is ineligible for loans made, insured, or guaranteed under part B of subchapter IV of this chapter unless—
      - (i) In the case of a graduate medical school located outside the United States—
        - (I)(aa) At least 60 percent of those enrolled in, and at least 60 percent of the graduates of, the graduate medical school outside the United States were not persons described in section 1091(a)(5) of this title in the year preceding the year for which a student is seeking a loan under part B of subchapter IV of this chapter; and
        - (bb) At least 60 percent of the individuals who were students or graduates of the graduate medical school outside the United States or Canada (both nationals of the United States and others) taking the examinations administered by the Educational Commission for Foreign Medical

Graduates received a passing score in the year preceding the year for which a student is seeking a loan under part B of subchapter IV of this chapter; or

(II) The institution has a clinical training program that was approved by a State as of January 1, 1992; or

(ii) In the case of a veterinary school located outside the United States that does not meet the requirements of section 1001(a)(4) of this title, the institution's students complete their clinical training at an approved veterinary school located in the United States.

(B) Advisory panel

(i) In general. For the purpose of qualifying as an institution under paragraph (1)(C) of this subsection, the Secretary shall establish an advisory panel of medical experts that shall—

(I) Evaluate the standards of accreditation applied to applicant foreign medical schools; and

(II) Determine the comparability of those standards to standards for accreditation applied to United States medical schools.

(ii) Special rule if the accreditation standards described in clause (i) are determined not to be comparable, the foreign medical school shall be required to meet the requirements of section 1001 of this title.

(C) Failure to release information. The failure of an institution outside the United States to provide, release, or authorize release to the Secretary of such information as may be required by subparagraph (A) shall render such institution ineligible for the purpose of part B of subchapter IV of this chapter.

(D) Special rule. If, pursuant to this paragraph, an institution loses eligibility to participate in the programs under subchapter IV of this chapter and part C of subchapter I of chapter 34 of title 42, then a student enrolled at such institution may, notwithstanding such loss of eligibility, continue to be eligible to receive a loan under part B while attending such institution for the academic year succeeding the academic year in which such loss of eligibility occurred.

(3) Limitations based on course of study or enrollment. An institution shall not be considered to meet the definition of an institution of higher education in paragraph (1) if such institution—

(A) Offers more than 50 percent of such institution's courses by correspondence, unless the institution is an institution that meets the definition in section 2471 (4)(C) of this title;

(B) Enrolls 50 percent or more of the institution's students in correspondence courses, unless the institution is an institution that meets the definition in such section, except that the Secretary, at the request of such institution, may waive the applicability of this subparagraph to such institution for good cause, as determined by the Secretary in the case of an institution of higher education that provides a 2-or 4-year program of instruction (or both) for which the institution awards an associate or baccalaureate degree, respectively;

(C) Has a student enrollment in which more than 25 percent of the students are incarcerated, except that the Secretary may waive the limitation contained in this subparagraph for a nonprofit institution that provides a 2-or 4-year program of instruction (or both) for which the institution awards a bachelor's degree, or an associate's degree or a postsecondary diploma, respectively; or

(D) Has a student enrollment in which more than 50 percent of the students do not have a secondary school diploma or its recognized equivalent, and does not provide a 2-or 4-year program of instruction (or both) for which the institution awards a bachelor's degree or an associate's degree, respectively, except that the Secretary may waive the limitation contained in this subparagraph if a nonprofit institution demonstrates to the satisfaction of the Secretary that the institution exceeds such limitation because the institution serves, through contracts with Federal, State, or local government agencies, significant

numbers of students who do not have a secondary school diploma or its recognized equivalent.

(4) Limitations based on management. An institution shall not be considered to meet the definition of an institution of higher education in paragraph (1) if—

(A) The institution, or an affiliate of the institution that has the power, by contract or ownership interest, to direct or cause the direction of the management or policies of the institution, has filed for bankruptcy, except that this paragraph shall not apply to a nonprofit institution, the primary function of which is to provide health care educational services (or an affiliate of such an institution that has the power, by contract or ownership interest, to direct or cause the direction of the institution's management or policies) that files for bankruptcy under chapter 11 of title 11 between July 1, 1998, and December 1, 1998; or

(B) The institution, the institution's owner, or the institution's chief executive officer has been convicted of, or has pled nolo contendere or guilty to, a crime involving the acquisition, use, or expenditure of funds under subchapter IV of this chapter and part C of subchapter I of chapter 34 of title 42, or has been judicially determined to have committed fraud involving funds under subchapter IV of this chapter and part C of subchapter I of chapter 34 of title 42.

(5) Certification. The Secretary shall certify an institution's qualification as an institution of higher education in accordance with the requirements of subpart 3 of part G of subchapter IV of this chapter.

(6) Loss of eligibility. An institution of higher education shall not be considered to meet the definition of an institution of higher education in paragraph (1) if such institution is removed from eligibility for funds under subchapter IV of this chapter and part C of subchapter I of chapter 34 of title 42 as a result of an action pursuant to part G of subchapter IV of this chapter.

(b) Proprietary institution of higher education

(1) Principal criteria. For the purpose of this section, the term "proprietary institution of higher education" means a school that—

(A) Provides an eligible program of training to prepare students for gainful employment in a recognized occupation;

(B) Meets the requirements of paragraphs (1) and (2) of section 1001 (a) of this title;

(C) Does not meet the requirement of paragraph (4) of section 1001 (a) of this title;

(D) Is accredited by a nationally recognized accrediting agency or association recognized by the Secretary pursuant to part G of subchapter IV of this chapter;

(E) Has been in existence for at least 2 years; and

(F) Has at least 10 percent of the school's revenues from sources that are not derived from funds provided under subchapter IV of this chapter and part C of subchapter I of chapter 34 of title 42, as determined in accordance with regulations prescribed by the Secretary.

(2) Additional institutions. The term "proprietary institution of higher education" also includes a proprietary educational institution in any State that, in lieu of the requirement in paragraph (1) of section 1001 (a) of this title, admits as regular students persons who are beyond the age of compulsory school attendance in the State in which the institution is located.

(c) Postsecondary vocational institution.

(1) Principal criteria. For the purpose of this section, the term "postsecondary vocational institution" means a school that—

(A) Provides an eligible program of training to prepare students for gainful employment in a recognized occupation;

(B) Meets the requirements of paragraphs (1), (2), (4), and (5) of section 1001 (a) of this title; and

(C) Has been in existence for at least 2 years.

(2) Additional institutions. The term “postsecondary vocational institution” also includes an educational institution in any State that, in lieu of the requirement in paragraph (1) of section 1001 (a) of this title, admits as regular students persons who are beyond the age of compulsory school attendance in the State in which the institution is located.

## **Chapter 4**

### **APPLICATIONS, WAITING LIST AND TENANT SELECTION**

#### **INTRODUCTION**

When a family wishes to receive Section 8 HCV assistance, the family must submit an application that provides the PHA with the information needed to determine the family’s eligibility. HUD requires the PHA to place all families that apply for assistance on a waiting list. When HCV assistance becomes available, the PHA must select families from the waiting list in accordance with HUD requirements and PHA policies as stated in the administrative plan and the annual plan.

The PHA is required to adopt a clear approach to accepting applications, placing families on the waiting list, selecting families from the waiting list and must follow this approach consistently. The actual order in which families are selected from the waiting list can be affected if a family has certain characteristics designated by HUD or the PHA to receive preferential treatment. Funding earmarked exclusively for families with particular characteristics may also alter the order in which families are served.

HUD regulations require that all families have an equal opportunity to apply for and receive housing assistance, and that the PHA affirmatively further fair housing goals in the administration of the program [24 CFR 982.53, HCV GB p. 4-1]. Adherence to the selection policies described in this chapter ensures that the PHA will be in compliance with all relevant fair housing requirements, as described in Chapter 2.

This chapter describes HUD and PHA policies for taking applications, managing the waiting list and selecting families for HCV assistance. The policies outlined in this chapter are organized into three sections, as follows:

Part I: The Application Process. This part provides an overview of the application process, and discusses how applicants can obtain and submit applications. It also specifies how the PHA will handle the applications it receives.

Part II: Managing the Waiting List. This part presents the policies that govern how the PHA’s waiting list is structured, when it is opened and closed, and how the public is notified of the opportunity to apply for assistance. It also discusses the process the PHA will use to keep the waiting list current.

Part III: Selection for HCV Assistance. This part describes the policies that guide the PHA in selecting families for HCV assistance as such assistance becomes available. It also specifies how in-person interviews will be used to ensure that the PHA has the information needed to make a final eligibility determination.

#### **PART I: THE APPLICATION PROCESS**

##### **4-I.A. OVERVIEW**

This part describes the policies that guide the PHA’s efforts to distribute and accept applications, and to make preliminary determinations of applicant family eligibility that affect placement of the family on the waiting list. This part also describes the PHA’s obligation to ensure the accessibility of the application process to elderly persons, people with disabilities, and people with limited English proficiency (LEP).

#### **4-I.B. APPLYING FOR ASSISTANCE [HCV GB, pp. 4-11 – 4-16, Notice [PIH 2009-36](#)]**

Any family that wishes to receive HCV assistance must apply for admission to the program. HUD permits the PHA to determine the format and content of HCV applications, as well how such applications will be made available to interested families and how applications will be accepted by the PHA. However, the PHA must include Form HUD-92006, supplement to Application for Federally Assisted Housing, as part of the PHA's application.

##### MCHA Policy

Depending upon the length of time that applicants may need to wait to receive assistance, MCHA may use a one- or two-step application process.

A one-step process will be used when it is expected that a family will be selected from the waiting list within 60 days of the date of application. At application, the family must provide all of the information necessary to establish family eligibility and level of assistance.

A two-step process will be used when it is expected that a family will not be selected from the waiting list for at least 60 days from the date of application. Under the two-step application process, MCHA initially will require families to provide only the information needed to make an initial assessment of the family's eligibility, and to determine the family's placement on the waiting list. The family will be required to provide all of the information necessary to establish family eligibility and level of assistance when the family is selected from the waiting list.

Families may obtain application forms from the MCHA's office during normal business hours. Families may also request – by telephone or by mail – that a form be sent to the family via first class mail as a reasonable accommodation only.

Completed applications must be returned to the MCHA in person during normal business hours. Applications must be complete in order to be accepted by the MCHA for processing. If an application is incomplete, the MCHA will notify the family of the additional information required.

#### **4-I.C. ACCESSIBILITY OF THE APPLICATION PROCESS**

##### **Elderly and Disabled Populations [[24 CFR 8](#) and HCV GB, pp. 4-11 – 4-13]**

The PHA must take a variety of steps to ensure that the application process is accessible to those people who might have difficulty complying with the normal, standard PHA application process. This could include people with disabilities, certain elderly individuals, as well as persons with limited English proficiency (LEP). The PHA must provide reasonable accommodation to the needs of individuals with disabilities. The application-taking facility and the application process must be fully accessible, or the PHA must provide an alternate approach that provides full access to the application process. Chapter 2 provides a full discussion of the PHA's policies related to providing reasonable accommodations for people with disabilities.

##### **Limited English Proficiency**

PHAs are required to take reasonable steps to ensure meaningful access to their programs and activities by persons with limited English proficiency [24 CFR 1]. Chapter 2 provides a full discussion on the PHA's policies related to ensuring access to people with limited English proficiency (LEP).

#### **4-I.D. PLACEMENT ON THE WAITING LIST**

The PHA must review each complete application received and make a preliminary assessment of the family's eligibility. The PHA must accept applications from families for whom the list is open unless there is good cause for not accepting the application (such as denial of assistance) for the grounds stated in the regulations [[24 CFR 982.206\(b\)\(2\)](#)]. Where the family is determined to be ineligible, the PHA must notify the family in writing [[24](#)

[CFR 982.201\(f\)](#)]. Where the family is not determined to be ineligible, the family will be placed on a waiting list of applicants.

No applicant has a right or entitlement to be listed on the waiting list, or to any particular position on the waiting list [[24 CFR 982.202\(c\)](#)].

### **Ineligible for Placement on the Waiting List**

#### MCHA Policy

If MCHA can determine from the information provided that a family is ineligible, the family will not be placed on the waiting list. Where a family is determined to be ineligible, the MCHA will send written notification of the ineligibility determination. The notice will specify the reasons for ineligibility and will inform the family of its right to request an informal review and explain the process for doing so (see Chapter 16).

### **Eligible for Placement on the Waiting List**

#### MCHA Policy

The MCHA will send written notification of the preliminary eligibility determination and the family's relative position on the waiting list.

Placement on the waiting list does not indicate that the family is, in fact, eligible for assistance. A final determination of eligibility will be made when the family is selected from the waiting list.

Applicants will be placed on the waiting list according to any preference(s) for which they qualify, and the date and time their complete application is received by the PHA.

## **PART II: MANAGING THE WAITING LIST**

### **4-II.A. OVERVIEW**

The PHA must have policies regarding various aspects of organizing and managing the waiting list of applicant families. This includes opening the list to new applicants, closing the list to new applicants, notifying the public of waiting list openings and closings, updating waiting list information, purging the list of families that are no longer interested in or eligible for assistance, as well as conducting outreach to ensure a sufficient number of applicants.

In addition, HUD imposes requirements on how a PHA may structure its waiting list and how families must be treated if they apply for assistance from a PHA that administers more than one assisted housing program.

### **4-II.B. ORGANIZATION OF THE WAITING LIST [[24 CFR 982.204](#) and [205](#)]**

The PHA's HCV waiting list must be organized in such a manner to allow the PHA to accurately identify and select families for assistance in the proper order, according to the admissions policies described in this plan.

The waiting list must contain the following information for each applicant listed:

- Applicant name;
- Family unit size;
- Date and time of application;
- Qualification for any local preference;
- Racial or ethnic designation of the head of household.

HUD requires the PHA to maintain a single waiting list for the HCV program unless it serves more than one county or municipality. Such PHAs are permitted, but not required, to maintain a separate waiting list for each county or municipality served.

## MCHA Policy

MCHA will maintain separate waiting lists for cities of Kingman, Lake Havasu City, and Bullhead City and their surrounding areas. Applicants will remain on the waiting list of the city in which they originally applied despite intra-county moves. Applications from outside Mohave County will be placed on the Kingman waiting list as the central office of MCHA is located in Kingman.

HUD directs that a family that applies for assistance from the HCV program must be offered the opportunity to be placed on the waiting list for any public housing, project-based voucher or moderate rehabilitation program the PHA operates if 1) the other programs' waiting lists are open, and 2) the family is qualified for the other programs.

HUD permits, but does not require, that PHAs maintain a single merged waiting list for their public housing, Section 8, and other subsidized housing programs.

A family's decision to apply for, receive, or refuse other housing assistance must not affect the family's placement on the HCV waiting list, or any preferences for which the family may qualify.

## MCHA Policy

MCHA will not merge the HCV waiting list with the waiting list for any other program the MCHA operates.

### **4-II.C. OPENING AND CLOSING THE WAITING LIST [[24 CFR 982.206](#)]**

#### **Closing the Waiting List**

A PHA is permitted to close the waiting list if it has an adequate pool of families to use its available HCV assistance. Alternatively, the PHA may elect to continue to accept applications only from certain categories of families that meet particular preferences or funding criteria.

## MCHA Policy

Based on precedence MCHA receives over 1000 applications within 2 months of opening the waiting list. MCHA will close the waiting list within 1-2 months of opening. The public notice announcing the opening of the waiting list will contain the closing date. Where the MCHA has particular preferences or funding criteria that require a specific category of family, the MCHA may elect to continue to accept applications from these applicants while closing the waiting list to others.

#### **Reopening the Waiting List**

If the waiting list has been closed, it cannot be reopened until the PHA publishes a notice in local newspapers of general circulation, minority media, and other suitable media outlets. The notice must comply with HUD fair housing requirements and must specify who may apply, and where and when applications will be received.

## MCHA Policy

The MCHA will announce the reopening of the waiting list at least 10 business days prior to the date applications will first be accepted. If the list is only being reopened for certain categories of families, this information will be contained in the notice.

The MCHA will give public notice by publishing the relevant information in suitable media outlets including, but not limited to:

**At least one newspaper in the cities of Kingman, Bullhead City and Lake Havasu City.**

### **4-II.D. FAMILY OUTREACH [HCV GB, pp. 4-2 to 4-4]**

The PHA must conduct outreach as necessary to ensure that the PHA has a sufficient number of applicants on the waiting list to use the HCV resources it has been allotted.

Because HUD requires the PHA to serve a specified percentage of extremely low-income families (see Chapter 4, Part III), the PHA may need to conduct special outreach to ensure that an adequate number of such families apply for assistance [HCV GB, p. 4-20 to 4-21].

PHA outreach efforts must comply with fair housing requirements. This includes:

- Analyzing the housing market area and the populations currently being served to identify underserved populations
- Ensuring that outreach efforts are targeted to media outlets that reach eligible populations that are underrepresented in the program
- Avoiding outreach efforts that prefer or exclude people who are members of a protected class

PHA outreach efforts must be designed to inform qualified families about the availability of assistance under the program. These efforts may include, as needed, any of the following activities:

- Submitting press releases to local newspapers, including minority newspapers
- Developing informational materials and flyers to distribute to other agencies
- Providing application forms to other public and private agencies that serve the low-income population
- Developing partnerships with other organizations that serve similar populations, including agencies that provide services for persons with disabilities

#### MCHA Policy

The MCHA will monitor the characteristics of the population being served and the characteristics of the population as a whole in the MCHA's jurisdiction. Targeted outreach efforts will be undertaken if a comparison suggests that certain populations are being underserved.

### **4-II.E. REPORTING CHANGES IN FAMILY CIRCUMSTANCES**

#### MCHA Policy

While the family is on the waiting list, the family must immediately inform the MCHA of changes in contact information, including current residence, mailing address, and phone number. The changes must be submitted in writing.

### **4-II.F. UPDATING THE WAITING LIST [24 CFR 982.204]**

HUD requires the PHA to establish policies to use when removing applicant names from the waiting list.

#### **Purging the Waiting List**

The decision to withdraw an applicant family that includes a person with disabilities from the waiting list is subject to reasonable accommodation. If the applicant did not respond to a PHA request for information or updates because of the family member's disability, the PHA must reinstate the applicant family to their former position on the waiting list [24 CFR 982.204 (c)(2)].

#### MCHA Policy

The waiting list will be updated annually to ensure that all applicants and applicant information is current and timely.

To update the waiting list, the MCHA will send a continued interest letter via first class mail to each family on the waiting list to determine whether the family continues to be interested in, and to qualify for, the program.

- This update request will be sent to the last address that the MCHA has on record for the family.

- The update request will provide a deadline by which the family must respond and will state that failure to respond will result in the applicant's name being removed from the waiting list.

The family's response must be in writing and may be delivered to MCHA in person, by mail, ~~or~~ by fax, or by email. Responses should be postmarked or received by the MCHA not later than 15 business days from the date of the MCHA letter.

If the family fails to respond within 15 business days, the MCHA will make one documented attempt to reach the family using the phone number on file. If the contact attempt is unsuccessful, or there is no response to the contact made within 3 calendar days, the applicant family will be removed from the waiting list without further notice.

If the notice is returned by the post office with no forwarding address, MCHA will make one documented attempt to reach the family using the phone number on file. If the contact attempt is unsuccessful, or there is no response to the contact made within 3 calendar days, the applicant will be removed from the waiting list without further notice.

If the notice is returned by the post office with a forwarding address, the notice will be re-sent to the address indicated. The applicant will have 15 business days to respond from the date the letter was re-sent. This will be done one time. If the letter comes back again with a different address indicated, they will be removed from the waiting list without further notice.

If a family is removed from the waiting list for failure to respond, the Housing & Community Revitalization Manager may reinstate the family if s/he determines the lack of response was due to MCHA error, or due to good cause circumstances beyond the applicant's control.

## **Removal from the Waiting List**

### MCHA Policy

If at any time an applicant family is on the waiting list, the MCHA determines that the family is not eligible for assistance (see Chapter 3), the family will be removed from the waiting list.

If a family is removed from the waiting list because the MCHA has determined the family is not eligible for assistance, a notice will be sent to the family's address of record as well as to any alternate address provided on the initial application. The notice will state the reasons the family was removed from the waiting list and will inform the family how to request an informal review regarding the MCHA's decision (see Chapter 16) [[24 CFR 982.201\(f\)](#)].

## **PART III: SELECTION FOR HCV ASSISTANCE**

### **4-III.A. OVERVIEW**

As vouchers become available, families on the waiting list must be selected for assistance in accordance with the policies described in this part.

The order in which families receive assistance from the waiting list depends on the selection method chosen by the PHA and is impacted in part by any selection preferences that the family qualifies for. The source of HCV funding also may affect the order in which families are selected from the waiting list.

The PHA must maintain a clear record of all information required to verify that the family is selected from the waiting list according to the PHA's selection policies [[24 CFR 982.204\(b\)](#) and [982.207\(e\)](#)].

### **4-III.B. SELECTION AND HCV FUNDING SOURCES**

**Special Admissions** [[24 CFR 982.203](#)]

HUD may award funding for families living in specified types of units (e.g., a family that is displaced by demolition of public housing; a non-purchasing family residing in a HOPE 1 or 2 projects). In these cases, the PHA may admit families that are not on the waiting list, or without considering the family's position on the waiting list. The PHA must maintain records showing that such families were admitted with special program funding.

### **Targeted Funding Assistance [[24 CFR 982.203 \(a\)\(2\)](#)], [PIH 2024-30](#)**

The PHA must use this funding only to assist the families within the specified category identified below. MCHA may admit a family with consideration of the families wait list preference on the Mainstream waitlist regardless of their position on the HCV waitlist in certain circumstances prescribed by HUD. MCHA will maintain records showing the family was admitted with HUD targeted assistance.

Within this category of families, the order in which such families are assisted is determined according to the policies provided in Section 4-III.C.

#### MCHA Policy

The MCHA administers the following types of targeted funding:

- 1. Mainstream Vouchers for the Disabled**
- 2. Mainstream Vouchers for the Non-Elderly Disabled**

- The initial voucher term for the Mainstream program is 120 days plus an automatic 90-day extension. This includes applicants and movers.
- In accordance with [PIH 2024-30](#) Section 6.b, MCHA will, on at least one occasion after voucher issuance, notify the family prior to the initial term expiration to remind them of the term expiration date, the process for requesting an extension, and to inquire if the family is in need of assistance with their housing search.

### **Regular HCV Funding**

Regular HCV funding may be used to assist any eligible family on the waiting list. Families are selected from the waiting list according to the policies provided in Section 4-III.C.

### **4-III.C. SELECTION METHOD**

PHAs must describe the method for selecting applicant families from the waiting list, including the system of admission preferences that the PHA will use [[24 CFR 982.202\(d\)](#)].

#### **Local Preferences [[24 CFR 982.207](#); HCV p. 4-16]**

PHAs are permitted to establish local preferences, and to give priority to serving families that meet those criteria. HUD specifically authorizes and places restrictions on certain types of local preferences. HUD also permits the PHA to establish other local preferences, at its discretion. Any local preferences established must be consistent with the PHA plan and the consolidated plan and must be based on local housing needs and priorities that can be documented by generally accepted data sources.

Preferences establish the order of applicants on the waiting list. An admission preference does not guarantee admission; applicants must meet eligibility selection criteria before being offered a voucher. MCHA Policy

MCHA operates several programs which serve special populations, special needs or which were designed for special purposes. For these populations and programs, preference will be given to applicants that are referred from various community organizations or divisions of local government which are under a Memorandum of Understanding (MOU), Memorandum of Agreement, or a Contract with MCHA in accordance with program regulations.

MCHA will assign points based on the below defined preferences that will determine priority for assistance. The following point structure will be utilized:

- |  |        |
|--|--------|
| 1. Homeless Non-Elderly Disabled   | 40 pts |
| 2. Formerly Homeless Non-Elderly Disabled Currently in Permanent Supportive Housing or Rapid Rehousing Project | 40 pts |
| 3. Elderly or Disabled Families  | 35 pts |
| 4. Working Families or Families in School  | 35 pts |
| 5. Homeless or Victims of Domestic Violence that are working or going to school                                | 35 pts |
| 6. Family not working or going to school   | 30 pts |
| 7. Homeless or Victims of Domestic Violence not working or going to school                                     | 30 pts |
| 8. All families not residing in Mohave County  | 25 pts |

Those families with the highest number of points will be given priority for assistance. The maximum number of points a family can receive is 40.

Given that the families have equal points, the date and time of application will be utilized to determine the sequence of assistance.

#### **Income Targeting Requirement [\[24 CFR 982.201\(b\)\(2\)\]](#)**

HUD requires that extremely low-income (ELI) families make up at least 75% of the families admitted to the HCV program during the PHA's fiscal year. ELI families are those with annual incomes at or below 30% of the area median income or federal poverty level, whichever is higher (Federal Register Notice 79 FR 35940 and PIH 2016-05). To ensure this requirement is met, a PHA may skip non-ELI families on the waiting list in order to select an ELI family.

Low-income families admitted to the program that are "continuously assisted" under the 1937 Housing Act [24 CFR 982.4(b)], as well as low-income or moderate-income families admitted to the program that are displaced as a result of the prepayment of the mortgage or voluntary termination of an insurance contract on eligible low-income housing, are not counted for income targeting purposes [24 CFR 982.201(b)(2)(v)].

#### **MCHA Policy**

MCHA will monitor progress in meeting the ELI requirement throughout the fiscal year. Extremely low-income families will be selected ahead of other eligible families on an as-needed basis to ensure the income targeting requirement is met.

#### **Order of Selection**

The PHA system of preferences may select families either according to the date and time of application, or by a random selection process [24 CFR 982.207(c)]. When selecting families from the waiting list PHAs are required to use targeted funding to assist only those families who meet the specified criteria, and PHAs are not permitted to skip down the waiting list to a family that it can afford to subsidize when there are not sufficient funds to subsidize the family at the top of the waiting list [24 CFR 982.204(d) and (e)].

#### **MCHA Policy**

Families will be selected from the waiting list based on the targeted funding or selection preference(s) for which they qualify, and in accordance with the MCHA's hierarchy of preferences, if applicable. Within each targeted funding or preference category, families will be selected on a first-come, first-served basis

according to the date and time their complete application is received by the MCHA. MCHA will pull applicants from the city-based waiting lists and will rotate filling available vouchers between the city based lists. Documentation will be maintained by the PHA as to whether families on the list qualify for and are interested in targeted funding. If a higher placed family on the waiting list is not qualified or not interested in targeted funding, there will be a notation maintained so that the MCHA does not have to ask higher placed families each time targeted selections are made.

### **Order of Selection**

The PHA system of preferences may select families either according to the date and time of application, or by a random selection process [[24 CFR 982.207\(c\)](#)]. When selecting families from the waiting list PHAs are required to use targeted funding to assist only those families who meet the specified criteria, and PHAs are not permitted to skip down the waiting list to a family that it can afford to subsidize when there are not sufficient funds to subsidize the family at the top of the waiting list [[24 CFR 982.204\(d\) and \(e\)](#)].

#### MCHA Policy

Families will be selected from the waiting list based on the targeted funding or selection preference(s) for which they qualify, and in accordance with the MCHA's hierarchy of preferences, if applicable. Within each targeted funding or preference category, families will be selected on a first-come, first-served basis according to the date and time their complete application is received by the MCHA. MCHA will pull applicants from the city-based waiting lists and will rotate filling available vouchers between the city-based lists. Documentation will be maintained by the PHA as to whether families on the list qualify for and are interested in targeted funding. If a higher placed family on the waiting list is not qualified or not interested in targeted funding, there will be a notation maintained so that the MCHA does not have to ask higher placed families each time targeted selections are made.

### **4-III.D. NOTIFICATION OF SELECTION**

When a family has been selected from the waiting list, the PHA must notify the family.

#### MCHA Policy

The MCHA will notify the family by first class mail when it is selected from the waiting list. The notice will inform the family of the following:

- Date, time, and location of the scheduled application interview, including any procedures for rescheduling the interview
- Who is required to attend the interview
- Documents that must be provided at the interview to document the legal identity of household members, including information about what constitutes acceptable documentation
- Other documents and information that should be brought to the interview

If a notification letter is returned to the MCHA with no forwarding address, the family will be removed from the waiting list. A notice of denial (see Chapter 3) will be sent to the family's address of record, as well as to any known alternate address.

### **4-III.E. THE APPLICATION INTERVIEW**

HUD recommends that the PHA obtain the information and documentation needed to make an eligibility determination through a private interview [HCV GB, pg. 4-16]. Being invited to attend an interview does not constitute admission to the program.

Assistance cannot be provided to the family until all SSN documentation requirements are met. However, if the PHA determines that an applicant family is otherwise eligible to participate in the program, the family may retain its place on the waiting list for a period of time determined by the PHA [Notice PIH 2010-3].

Reasonable accommodation must be made for persons with disabilities who are unable to attend an interview due to their disability.

#### MCHA Policy

- Families selected from the waiting list are required to participate in an eligibility interview.
- The head of household and the spouse/cohead will be strongly encouraged to attend the interview together. However, either the head of household or the spouse/cohead may attend the interview on behalf of the family if there is good cause reason for the other adult to absent. Verification of information pertaining to adult members of the household not present at the interview will not begin until signed release forms are returned to the MCHA.
- The interview will be conducted only if the head of household or spouse/cohead provides appropriate documentation of legal identity. (Chapter 7 provides a discussion of proper documentation of legal identity). If the family representative does not provide the required documentation, the appointment may be rescheduled when the proper documents have been obtained.
- Pending disclosure and documentation of social security numbers, the PHA will allow the family to retain its place on the waiting list for **(30) thirty days**. If not all household members have documented their SSNs at the next time the PHA is issuing vouchers, the PHA will issue a voucher to the next eligible applicant family on the waiting list.
- The family must provide the information necessary to establish the family's eligibility and determine the appropriate level of assistance, as well as completing required forms, providing required signatures, and submitting required documentation. If any materials are missing, the MCHA will provide the family with a written list of items that must be submitted.
- Any required documents or information that the family is unable to provide at the interview must be provided within 10 calendar days of the interview or as directed by the Housing Specialist for a longer term(Chapter 7 provides details about longer submission deadlines for particular items, including documentation of Social Security numbers and eligible noncitizen status). If the family is unable to obtain the information or materials within the required time frame, the family may request an extension. If the required documents and information are not provided within the required time frame (plus any extensions), the family will be sent a notice of denial (See Chapter 3).
- An advocate, interpreter, or other assistant may assist the family with the application and the interview process.
- Interviews will be conducted in English. For limited English proficient (LEP) applicants, the PHA will provide translation services in accordance with Chapter 2, Section 2-III.
- If the family is unable to attend a scheduled interview, the family should contact the PHA in advance of the interview to schedule a new appointment. In all circumstances, if a family does not attend a scheduled interview, the PHA will send another notification letter with a new interview appointment time. Applicants who fail to attend two scheduled interviews without PHA approval will be denied assistance based on the family's failure to supply information needed to determine eligibility. A notice of denial will be issued in accordance with policies contained in Chapter 3.

#### **4-III.F. COMPLETING THE APPLICATION PROCESS**

The PHA must verify all information provided by the family (see Chapter 7). Based on verified information, the PHA must make a final determination of eligibility (see Chapter 3) and must confirm that the family qualified for any special admission, targeted admission, or selection preference that affected the order in which the family was selected from the waiting list.

#### MCHA Policy

If MCHA determines that the family is ineligible, the PHA will send written notification of the ineligibility determination within 10 business days of the determination. The notice will specify the reasons for ineligibility, and will inform the family of its right to request an informal review (Chapter 16).

If a family fails to qualify for any criteria that affected the order in which it was selected from the waiting list (e.g. targeted funding, extremely low-income), the family will be returned to its original position on the waiting list. The PHA will notify the family in writing that it has been returned to the waiting list, and will specify the reasons for it.

If the PHA determines that the family is eligible to receive assistance, the PHA will invite the family to attend a briefing in accordance with the policies in Chapter 5.

## **Chapter 5**

### **BRIEFINGS AND VOUCHER ISSUANCE**

#### **INTRODUCTION**

This chapter explains the briefing and voucher issuance process. When a family is determined to be eligible for the Housing Choice Voucher (HCV) program, the PHA must ensure that the family fully understands the way the program operates and the family's obligations under the program. This is accomplished through both an oral briefing and provision of a briefing packet containing written documentation of information the family needs to know. Once the family is fully informed of the program's requirements, the PHA issues the family a voucher. The voucher includes the unit size the family qualifies for based on the PHA's subsidy standards, as well as the dates of issuance and expiration of the voucher. The voucher is the document that permits the family to begin its search for a unit, and limits the amount of time the family has to successfully locate an acceptable unit.

This chapter describes HUD regulations and PHA policies related to these topics in two parts:

Part I: Briefings and Family Obligations. This part details the program's requirements for briefing families orally, and for providing written materials describing the program and its requirements. It includes a particular focus on the family's obligations under the program.

Part II: Subsidy Standards and Voucher Issuance. This part discusses the PHA's standards for determining how many bedrooms a family of a given composition qualifies for, which in turn affects the amount of subsidy the family can receive. It also discusses the policies that dictate how vouchers are issued, and how long families have to locate a unit.

#### **PART I: BRIEFINGS AND FAMILY OBLIGATIONS**

##### **5-I.A. OVERVIEW**

HUD regulations require the PHA to conduct mandatory briefings for applicant families. The briefing provides a broad description of owner and family responsibilities, explains the PHA's procedures, and includes instructions on how to lease a unit. This part describes how oral briefings will be conducted, specifies what written information will be provided to families, and lists the family's obligations under the program.

##### **5-I.B. BRIEFING [24 CFR 982.301]**

The PHA must give the family an oral briefing and provide the family with a briefing packet containing written information about the program. Families may be briefed individually or in groups. At the briefing, the PHA must ensure effective communication in accordance with Section 504 requirements (Section 504 of the Rehabilitation Act of 1973), and ensure that the briefing site is accessible to individuals with disabilities. For a more thorough discussion of accessibility requirements, refer to Chapter 2.

##### MCHA Policy

Briefings will be conducted in group meetings.

Generally, the head of household is required to attend the briefing. If the head of household is unable to attend, the PHA may approve another adult family member to attend the briefing.

Families that attend group briefings and still need individual assistance will be referred to an appropriate MCHA staff person.

Briefings will be conducted in English. For limited English proficient (LEP) applicants, the MCHA will provide translation services in accordance with Chapter 2, Section 2- III.

## **Notification and Attendance**

### MCHA Policy

Families will be notified of their eligibility for assistance at the time they are invited to attend a briefing. The notice will identify who is required to attend the briefing, as well as the date and time of the scheduled briefing.

If the notice is returned by the post office with no forwarding address, the applicant will be denied and their name will not be placed back on the waiting list. If the notice is returned by the post office with a forwarding address, the notice will be re-sent to the address indicated.

Applicants will be expected to attend the briefing. Applicants may call to reschedule the briefing, however, those who fail to attend a scheduled briefing, without PHA approval, will be removed from the waiting list and denied assistance. (see Chapter 3).

## **Oral Briefing [24 CFR 982.301]**

Each briefing must provide information on the following subjects:

- How the Housing Choice Voucher program works;
- Family and owner responsibilities;
- Where the family can lease a unit, including renting a unit inside or outside the PHA's jurisdiction.
- An explanation of portability; The PHA cannot discourage eligible families from moving under portability.
- An explanation of the advantages of living in areas with low concentration of low income families; and
- For families receiving welfare-to-work vouchers, a description of any local obligations of a welfare-to-work family and an explanation that failure to meet the obligations is grounds for denial of admission or termination of assistance.
- Provision of materials on how to select a unit and any additional information on selecting a unit that HUD that provides.

## **Briefing Packet [24 CFR 982.301]**

Documents and information provided in the briefing packet must include the following:

- The term of the voucher, and the PHA's policies on any extensions or suspensions of the term. If the PHA allows extensions, the packet must explain how the family can request an extension.
- A description of the method used to calculate the housing assistance payment for a family, including how the PHA determines the payment standard for a family, how the PHA determines total tenant payment for a family, and information on the payment standard and utility allowance schedule.
- An explanation of how the PHA determines the maximum allowable rent for an assisted unit.
- Where the family may lease a unit. For a family that qualifies to lease a unit outside the PHA jurisdiction under portability procedures, the information must include an explanation of how portability works.
- The HUD-required tenancy addendum, which must be included in the lease.
- The form the family must use to request approval of tenancy, and a description of the procedure for requesting approval for a tenancy.

- A statement of the PHA policy on providing information about families to prospective owners.
- The PHA subsidy standards including when and how exceptions are made.
- Materials on how to select a unit and any additional information on selecting a unit that HUD that provides.
- The HUD pamphlet on lead-based paint entitled Renovate Right.
- Information on federal, state and local equal opportunity laws and a copy of the housing discrimination complaint form.
- An explanation of the advantages of living in areas with low concentration of low income families;
- A list of landlords or other resources known to the PHA that are willing to lease to assisted families or help families find units, especially outside areas of poverty or minority concentration.
- Notice that if the family includes a person with disabilities, the family may request a list of available accessible units known to the PHA.
- The family obligations under the program, including any obligations of a welfare-to-work family.
- The grounds on which the PHA may terminate assistance for a participant family because of family action or failure to act.
- PHA informal hearing procedures including when the PHA is required to offer a participant family the opportunity for an informal hearing, and how to request the hearing.
- An explanation of portability to include how portability may affect the family's assistance through rescreening, changes in subsidy standards and payment standards and any other elements of the portability process which may affect the family's assistance.
- If the PHA is located in a metropolitan FMR area, the following additional information must be included in the briefing packet in order to receive full points under SEMAP Indicator 7, Expanding Housing Opportunities [24 CFR 985.3(g)].
- Maps showing areas with housing opportunities outside areas of poverty or minority concentration, both within its jurisdiction and its neighboring jurisdiction.
- An explanation of how portability works, including a list of portability contact persons for neighboring PHAs including names, addresses, and telephone numbers.

### **Additional Items to be Included in the Briefing Packet**

In addition to items required by the regulations, PHAs may wish to include supplemental materials to help explain the program to both participants and owners [HCV GB p. 8-7, Notice PIH 2010-191).

#### MCHA Policy

MCHA will provide the following additional materials in the briefing packet:

- List of Landlords that accept Section 8 and list of landlords with handicapped accessible units.
- Information on how to fill out and file a housing discrimination complaint form.
- Area Assistance Programs Listing.
- The publication *Is Fraud Worth It? (HUD-1141-OIG)* that explains the types of actions a family must avoid and the penalties for program abuse.
- Violence Against Women Act (VAWA) Notification
- Fair Housing Brochure-What You Need to Know
- “What You Should Know about EIV,” a guide to the Enterprise Income Verification (EIV) system published by HUD as an attachment to Notice PIH 2010-19.

### **5-I.C. FAMILY OBLIGATIONS**

Obligations of the family are described in the housing choice voucher (HCV) regulations and on the voucher itself. These obligations include responsibilities the family is required to fulfill, as well as prohibited actions. The

PHA must inform families of these obligations during the oral briefing, and the same information must be included in the briefing packet. When the family's unit is approved and the HAP contract is executed, the family must meet those obligations in order to continue participating in the program. Violation of any family obligation may result in termination of assistance, as described in Chapter 12.

### **Time Frames for Reporting Changes Required By Family Obligations**

#### MCHA Policy

Unless otherwise noted below, when family obligations require the family to respond to a request or notify MCHA of a change, notifying the MCHA of the request or change within 10 calendar days is considered prompt notice.

When a family is required to provide notice to the MCHA, the notice must be in writing.

### **Family Obligations [24 CFR 982.551]**

Following is a listing of a participant family's obligations under the HCV program:

- The family must supply any information that the PHA or HUD determines to be necessary, including submission of required evidence of citizenship or eligible immigration status.
- The family must supply any information requested by the PHA or HUD for use in a regularly scheduled reexamination or interim reexamination of family income and composition.
- The family must disclose and verify social security numbers and sign and submit consent forms for obtaining information.
- Any information supplied by the family must be true and complete.
- The family is responsible for any Housing Quality Standards (HQS) breach by the family caused by failure to pay tenant-provided utilities or appliances, or damages to the dwelling unit or premises beyond normal wear and tear caused by any member of the household or guest.

#### MCHA Policy

Damages beyond normal wear and tear will be considered to be damages which could be assessed against the security deposit.

- The family must allow the PHA to inspect the unit at reasonable times and after reasonable notice, as described in Chapter 8 of this plan.
- The family must not commit any serious or repeated violation of the lease.

#### MCHA Policy

MCHA will determine if a family has committed serious or repeated violations of the lease based on available evidence, including but not limited to, a court-ordered eviction, or an owner's notice to evict.

Serious and repeated lease violations will include, but not be limited to, nonpayment of rent, disturbance of neighbors, destruction of property, or living or housekeeping habits that cause damage to the unit or premises and criminal activity. Generally, the criteria to be used is whether the reason for the eviction was through no fault of the tenant or guests.

- The family must notify the PHA and the owner before moving out of the unit or terminating the lease.

#### MCHA Policy

The family must comply with lease requirements regarding written notice to the owner. The family must provide written notice to the MCHA at the same time the owner is notified.

- The family must promptly give the PHA a copy of any owner eviction notice.
- The family must use the assisted unit for residence by the family. The unit must be the family's only residence.

- The composition of the assisted family residing in the unit must be approved by the PHA. The family must promptly notify the PHA in writing of the birth, adoption, or court-awarded custody of a child. The family must request PHA approval to add any other family member as an occupant of the unit.

#### MCHA Policy

The request to add a family member must be submitted in writing and approved prior to the person moving into the unit. MCHA will determine eligibility of the new member in accordance with the policies in Chapters 3 and 11.

- The family must promptly notify the PHA in writing if any family member no longer lives in the unit.
- If the PHA has given approval, a foster child or a live-in aide may reside in the unit. The PHA has the discretion to adopt reasonable policies concerning residency by a foster child or a live-in aide, and to define when PHA consent may be given or denied. For policies related to the request and approval/disapproval of foster children, foster adults, and live-in aides, see Chapter 3 (Sections I.K and I.M), and Chapter 11 (Section II.B).
- The family must not sublease the unit, assign the lease, or transfer the unit.

#### MCHA Policy

Subleasing includes receiving payment to cover rent and utility costs by a person living in the unit who is not listed as a family member.

- The family must supply any information requested by the PHA to verify that the family is living in the unit or information related to family absence from the unit.
- The family must promptly notify the PHA when the family is absent from the unit.

#### MCHA Policy

Notice is required under this provision only when all family members will be absent from the unit for an extended period. An extended period is defined as any period greater than 30 calendar days. Written notice must be provided to MCHA at the start of the extended absence.

- The family must pay utility bills and provide and maintain any appliances that the owner is not required to provide under the lease [Form HUD-52646, Voucher].
- The family must not own or have any interest in the unit, (other than in a cooperative and owners of a manufactured home leasing a manufactured home space or participating in the homeownership option ).
- Family members must not commit fraud, bribery, or any other corrupt or criminal act in connection with the program. (See Chapter 14, Program Integrity for additional information).
- Family members must not engage in drug-related criminal activity or violent criminal activity or other criminal activity that threatens the health, safety or right to peaceful enjoyment of other residents and persons residing in the immediate vicinity of the premises. See Chapter 12 for HUD and PHA policies related to drug-related and violent criminal activity.
- Members of the household must not engage in abuse of alcohol in a way that threatens the health, safety or right to peaceful enjoyment of the other residents and persons residing in the immediate vicinity of the premises. See Chapter 12 for a discussion of HUD and PHA policies related to alcohol abuse.
- An assisted family or member of the family must not receive HCV program assistance while receiving another housing subsidy, for the same unit or a different unit under any other federal, state or local housing assistance program.
- A family must not receive HCV program assistance while residing in a unit owned by a parent, child, grandparent, grandchild, sister or brother of any member of the family, unless the PHA has determined (and has notified the owner and the family of such determination) that approving rental of the unit, notwithstanding such relationship, would provide reasonable accommodation for a family member who is a person with disabilities. [Form HUD-52646, Voucher]

## **PART II: SUBSIDY STANDARDS AND VOUCHER ISSUANCE**

### **5-II.A. OVERVIEW**

The PHA must establish subsidy standards that determine the number of bedrooms needed for families of different sizes and compositions. This part presents the policies that will be used to determine the family unit size (also known as the voucher size) a particular family should receive, and the policies that govern making exceptions to those standards. The PHA also must establish policies related to the issuance of the voucher, to the voucher term, and to any extensions or suspensions of that term.

### **5-II.B. DETERMINING FAMILY UNIT (VOUCHER) SIZE [24 CFR 982.402]**

For each family, the PHA determines the appropriate number of bedrooms under the PHA subsidy standards and enters the family unit size on the voucher that is issued to the family. The family unit size does not dictate the size of unit the family must actually lease, nor does it determine who within a household will share a bedroom/sleeping room.

The following requirements apply when the PHA determines family unit size:

- The subsidy standards must provide for the smallest number of bedrooms needed to house a family without overcrowding.
- The subsidy standards must be consistent with space requirements under the housing quality standards.
- The subsidy standards must be applied consistently for all families of like size and composition.
- A child who is temporarily away from the home because of placement in foster care is considered a member of the family in determining the family unit size.
- A family that consists of a pregnant woman (with no other persons) must be treated as a two-person family.
- Any live-in aide (approved by the PHA to reside in the unit to care for a family member who is disabled or is at least 50 years of age) must be counted in determining the family unit size;
- Unless a live-in-aide resides with a family, the family unit size for any family consisting of a single person must be either a zero- or one-bedroom unit, as determined under the PHA subsidy standards.

#### **MCHA Policy**

For the purpose of determining the appropriate bedroom size at the time of initial or continued occupancy, the following guidelines:

1. The PHA will assign one bedroom to the Head of Household and Spouse or Co-Head and one bedroom for each two persons within the household regardless of gender and age.
2. Live-in aides will be allocated a separate bedroom. If a live-in aide is added to the household, the family is entitled to a one-bedroom increase in voucher size, providing they are living in or transferring to, an appropriately sized unit. A live-in aide's family members may reside in the unit as long as the unit is not overcrowded, but they are not entitled to additional bedrooms.

MCHA will reference the following chart in determining the appropriate voucher size for a family:

<b>Voucher Size</b>	<b>Persons in Household (Minimum – Maximum)</b>
0 Bedroom	1
1 Bedroom	1-2
2 Bedrooms	2-4
3 Bedrooms	3-6
4 Bedrooms	4-8
5 Bedrooms	6-10

Children of the opposite sex over age 12 may not be required to occupy the same bedroom or living/sleeping room.

### **5-II.C. EXCEPTIONS TO SUBSIDY STANDARDS**

In determining family unit size for a particular family, the PHA may grant an exception to its established subsidy standards if the PHA determines that the exception is justified by the age, sex, health, handicap, or relationship of family members or other personal circumstances [24 CFR 982.402(b)(8)]. Reasons may include, but are not limited to:

- A need for an additional bedroom for medical equipment
- A need for a separate bedroom for reasons related to a family member's disability, medical or health condition

For a single person who is not elderly, disabled, or a remaining family member, an exception cannot override the regulatory limit of a zero or one bedroom [24 CFR 982.402(b)(8)].

#### MCHA Policy

MCHA will consider granting an exception for any of the reasons specified in the regulation: the age, sex, health, handicap, or relationship of family members or other personal circumstances.

The family must request any exception to the subsidy standards in writing. The request must explain the need or justification for a larger family unit size, and must include appropriate documentation. Requests based on health-related reasons must be verified by a knowledgeable professional source (e.g., doctor or health professional), unless the disability and the disability-related request for accommodation is readily apparent or otherwise known. The family's continued need for an additional bedroom due to special medical equipment must be re-verified at annual reexamination.

MCHA will notify the family of its determination within 10 business days of receiving the family's request. If a participant family's request is denied, the notice will inform the family of their right to request an informal hearing.

### **5-II.D. VOUCHER ISSUANCE [24 CFR 982.302]**

When a family is selected from the waiting list (or as a special admission as described in Chapter 4), or when a participant family wants to move to another unit, the PHA issues a Housing Choice Voucher, form HUD-52646. This chapter deals only with voucher issuance for applicants. For voucher issuance associated with moves of program participants, please refer to Chapter 10.

The voucher is the family's authorization to search for housing. It specifies the unit size for which the family qualifies, and includes both the date of voucher issuance and date of expiration. It contains a brief description of how the program works and explains the family obligations under the program. The voucher is evidence that the PHA has determined the family to be eligible for the program, and that the PHA expects to have money available to subsidize the family if the family finds an approvable unit. However, the PHA does not have any liability to any party by the issuance of the voucher, and the voucher does not give the family any right to participate in the PHA's housing choice voucher program [Voucher, form HUD-52646]

A voucher can be issued to an applicant family only after the PHA has determined that the family is eligible for the program based on information received within the 60 days prior to issuance [24 CFR 982.201(e)] and after the family has attended an oral briefing [HCV 8-1].

#### MCHA Policy

Vouchers will be issued to eligible applicants immediately following the mandatory briefing.

The PHA should have sufficient funds to house an applicant before issuing a voucher. If funds are insufficient to house the family at the top of the waiting list, the PHA must wait until it has adequate funds before it calls another family from the list [HCV GB p. 8-10].

## MCHA Policy

Prior to issuing any vouchers, MCHA will determine whether it has sufficient funding in accordance with the policies in Part VIII of Chapter 16.

If the PHA determines that there is insufficient funding after a voucher has been issued, the PHA may rescind the voucher and place the affected family back on the waiting list.

## **5-II.E. VOUCHER TERM, EXTENSIONS, AND SUSPENSIONS**

### **Voucher Term [24 CFR 982.303]**

The initial term of a voucher must be at least 60 calendar days. The initial term must be stated on the voucher [24 CFR 982.303(a)].

## MCHA Policy

The initial voucher term will be 60 calendar days.

The family must submit a Request for Tenancy Approval and proposed lease within the 60-day period unless MCHA grants an extension.

### **Extensions of Voucher Term [24 CFR 982.303(b)]**

The PHA has the authority to grant extensions of search time, to specify the length of an extension, and to determine the circumstances under which extensions will be granted. There is no limit on the number of extensions that the PHA can approve. Discretionary policies related to extension and expiration of search time must be described in the PHA's administrative plan [24 CFR 982.54].

PHAs must approve additional search time if needed as a reasonable accommodation to make the program accessible to and usable by a person with disabilities. The extension period must be reasonable for the purpose.

The family must be notified in writing of the PHA's decision to approve or deny an extension. The PHA's decision to deny a request for an extension of the voucher term is not subject to informal review [24 CFR 982.554(c)(4)].

## MCHA Policy

MCHA will approve additional extensions only in the following circumstances:

It is necessary as a reasonable accommodation for a person with disabilities.

It is necessary due to reasons beyond the family's control, as determined by MCHA. Following is a list of extenuating circumstances that the PHA may consider in making its decision. The presence of these circumstances does not guarantee that an extension will be granted:

- Serious illness or death in the family
- Other family emergency
- Obstacles due to employment
- Whether the family has already submitted requests for tenancy approval that were not approved by MCHA
- Whether family size or other special requirements make finding a unit difficult

Any request for an additional extension must include the reason(s) an additional extension is necessary. MCHA may require the family to provide documentation to support the request.

All requests for extensions to the voucher term must be made in writing and submitted to MCHA prior to the expiration date of the voucher (or extended term of the voucher).

MCHA will decide whether to approve or deny an extension request within 10 business days of the date the request is received, and will immediately provide the family notice of its decision.

## Chapter 6

### INCOME AND SUBSIDY DETERMINATIONS

[24 CFR Part 5, Subparts E and F; 24 CFR 982]

#### INTRODUCTION

A family's income determines eligibility for assistance and is also used to calculate the family's payment and the PHA's subsidy. The PHA will use the policies and methods described in this chapter to ensure that only eligible families receive assistance and that no family pays more or less than its obligation under the regulations. This chapter describes HUD regulations and PHA policies related to these topics in three parts as follows:

- **Part I: Annual Income.** HUD regulations specify the sources of income to include and exclude to arrive at a family's annual income. These requirements and PHA policies for calculating annual income are found in Part I.
- **Part II: Adjusted Income.** Once annual income has been established HUD regulations require the PHA to subtract from annual income any of five mandatory deductions for which a family qualifies. These requirements and PHA policies for calculating adjusted income are found in Part II.
- **Part III: Calculating Family Share and PHA Subsidy.** This part describes the statutory formula for calculating total tenant payment (TTP), the use of utility allowances, and the methodology for determining PHA subsidy and required family payment.

#### PART I: ANNUAL INCOME

##### 6-I.A. OVERVIEW

The general regulatory definition of *annual income* shown below is from 24 CFR 5.609.

5.609 Annual income.

(a) Annual income includes, with respect to the family:

- (1) All amounts, not specifically excluded in paragraph [5.609(b)], received from all sources by each member of the family who is 18 years of age or older or is the head of household or spouse of the head of household, plus unearned income by or on behalf of each dependent who is under 18 years of age, and
- (2) When the value of net family assets exceeds \$50,000 (which amount HUD will adjust annually in accordance with the Consumer Price Index for Urban Wage Earners and Clerical Workers) and the actual returns from a given asset cannot be calculated, imputed returns on the asset based on the current passbook savings rate, as determined by HUD.

In addition to this general definition, HUD regulations establish policies for treating specific types of income and assets. The full texts of those portions of the regulations are provided in exhibits at the end of this chapter as follows:

- Annual Income Inclusions (Exhibit 6-1)
- Annual Income Exclusions (Exhibit 6-2)
- Treatment of Family Assets (Exhibit 6-3)
- The Effect of Welfare Benefit Reduction (Exhibit 6-5)

Sections 6-I.B and 6-I.C discuss general requirements and methods for calculating annual income. The rest of this section describes how each source of income is treated for the purposes of determining annual income. HUD regulations present income inclusions and exclusions separately [24 CFR 5.609(b)]. In this plan, however, the discussions of income inclusions and exclusions are integrated by topic (e.g., all policies affecting earned income are discussed together in section 6-I.D). Verification requirements for annual income are discussed in Chapter 7.

## 6-I.B. HOUSEHOLD COMPOSITION AND INCOME

Income received by all family members must be counted unless specifically excluded by the regulations. It is the responsibility of the head of household to report changes in family composition and income. The rules on which sources of income are counted vary somewhat by family member. The chart below summarizes how family composition affects income determinations.

<b>Summary of Income Included and Excluded by Person</b>	
Live-in aides	Income from all sources is excluded [24 CFR 5.609(b)(8)].
Foster child or foster adult	Income from all sources is excluded [24 CFR 5.609(b)(4)].
Head, spouse, or cohead Other adult family members	All sources of income not specifically excluded by the regulations are included.
Children under 18 years of age	Employment income is excluded [24 CFR 5.609(b)(3)]. All other sources of income, except those specifically excluded by the regulations, are included.
Full-time students 18 years of age or older (not head, spouse, or cohead)	Employment income above \$480/year is excluded [24 CFR 5.609(b)(14)]. All other sources of income, except those specifically excluded by the regulations, are included.

### Temporarily Absent Family Members

The income of family members approved to live in the unit will be counted, even if the family member is temporarily absent from the unit [HCV GB, p. 5-18].

#### MCHA Policy

Family members must supply any information or certification requested by the MCHA to verify that the family is living in the unit, or relating to family absence from the unit, including any MCHA requested information or certification on the purposes of family absences. They must cooperate with the MCHA for this purpose. They must promptly notify the MCHA of its absence from the unit.

Family members may be absent from the unit for up to 30 days without authorization from MCHA. The family must request permission for Temporary Absence from MCHA for absences of any member exceeding 30 days. The MCHA will make a determination within 5 business days of the request. An authorized absence may not exceed 180 days.

Authorized absences may include, but are not limited to:

1. Prolonged hospitalization
2. Absences beyond the control of the family (i.e., death in the family, other family member illness)
3. Other absences that are deemed necessary by the Mohave County Housing Authority.

Temporarily absent is defined as away from the unit for less than 30 days, or beyond 30 days, with authorization from MCHA.

With the following exceptions, permanently absent is defined as being away from the unit for more than 30 days without prior authorization from the housing authority.

## ***Absent Students***

### MCHA Policy

MCHA will consider fulltime students who attend school away from the home and live with the family during school recess will be considered temporarily absent from the household.

## ***Absences Due to Placement in Foster Care***

Children temporarily absent from the home as a result of placement in foster care are considered members of the family [24 CFR 5.403].

### MCHA Policy

MCHA will determine from the appropriate agency when the child/children will be returned to the home. If the child is removed from the home permanently, the voucher size will be reduced at the next regular re-examination in accordance with the housing authority's subsidy standards.

## ***Absent Head, Spouse, or Cohead***

### MCHA Policy

An employed head, spouse, or cohead absent from the unit more than 180 consecutive days due to employment will continue to be considered a family member.

## **Family Members Permanently Confined for Medical Reasons**

If a family member is confined to a nursing home or hospital on a permanent basis, that person is no longer considered a family member and the income of that person is not counted [HCV GB, p. 5-22].

### MCHA Policy

MCHA will request verification from a responsible medical professional and will use this determination. If the responsible medical professional cannot provide a determination, the person generally will be considered temporarily absent. The family may present evidence that the family member is confined on a permanent basis and request that the person not be considered a family member.

When an individual who has been counted as a family member is determined permanently absent, the family is eligible for the medical expense deduction only if the remaining head, spouse, or cohead qualifies as an elderly person or a person with disabilities.

## **Joint Custody of Dependents**

### MCHA Policy

Dependents that are subject to a joint custody arrangement will be considered a member of the family, if they live with the applicant or participant family 50 percent or more of the time.

When more than one applicant or participant family is claiming the same dependents as family members, the family with primary custody at the time of the initial examination or reexamination will be able to claim the dependents. If there is a dispute about which family should claim them, the MCHA will make the determination based on available documents such as court orders, or an IRS return showing which family has claimed the child for income tax purposes.

## **Caretakers for a Child**

### MCHA Policy

If neither a parent nor a designated guardian remains in a household receiving HCV assistance, the PHA will take the following actions.

- 1) If a responsible agency has determined that another adult is to be brought into the assisted unit to care for a child for an indefinite period, the designated caretaker will not be considered a family member until a determination of custody or legal guardianship is made.

- 2) If a caretaker has assumed responsibility for a child without the involvement of a responsible agency or formal assignment of custody or legal guardianship, the caretaker will be treated as a visitor for 90 days. After the 90 days has elapsed, the caretaker will be considered a family member unless information is provided that would confirm that the caretaker's role is temporary. In such cases the PHA will extend the caretaker's status as an eligible visitor.
- 3) At any time that custody or guardianship legally has been awarded to a caretaker, the housing choice voucher will be transferred to the caretaker.
- 4) During any period that a caretaker is considered a visitor, the income of the caretaker is not counted in annual income and the caretaker does not qualify the family for any deductions from income.

## **6-I.C. CALCULATING INCOME [24 CFR 5.609(c) and Notice PIH 2023-27]**

### **New Admissions and Interim Reexaminations [24 CFR 5.609(c)(1)]**

When calculating a household's income, including asset income, at the time of admission to the program or during interim reexaminations, the PHA must use anticipated income (current income) (i.e., the family's estimated income for the upcoming 12-month period).

If a family member's wages or benefits are garnished, levied, or withheld to pay restitution, child support, tax debt, student loan debt, or other applicable debts, PHAs must use the gross amount of the income, prior to the reduction, to determine a family's annual income.

#### ***Basis of Annual Income Projection***

The PHA generally will use current circumstances to determine anticipated income for the coming 12-month period. HUD authorizes the PHA to use other than current circumstances to anticipate income when:

- An imminent change in circumstances is expected [HCV GB, p. 5-17]
- It is not feasible to anticipate a level of income over a 12-month period (e.g., seasonal or cyclic income)
- The PHA believes that past income is the best available indicator of expected future income

PHAs are required to use HUD's Enterprise Income Verification (EIV) system in its entirety as a third-party source to verify employment and income information, and to reduce administrative subsidy payment errors in accordance with HUD administrative guidance [24 CFR 5.233(a)(2)].

#### **MCHA Policy**

When EIV is obtained and the family does not dispute the EIV employer data, MCHA will use current tenant-provided documents to project annual income. When the tenant provided documents are pay stubs, the MCHA will make every effort to obtain at least two consecutive paystubs. If hours fluctuate MCHA will make every effort to obtain at least 60 days of consecutive pay stubs.

The MCHA will obtain written and/or oral third-party verification in accordance with the verification requirements and policy in Chapter 7 in the following cases:

- If EIV or other UIV data is not available,
- If the family disputes the accuracy of the EIV employer data, and/or
- If the PHA determines additional information is needed.

In such cases, the MCHA will review and analyze current data to anticipate annual income. In all cases, the family file will be documented with a clear record of the reason for the decision, and a clear audit trail will be left as to how the MCHA annualized projected income.

When the MCHA cannot readily anticipate income based upon current circumstances (e.g., in the case of seasonal employment, unstable working hours, or suspected fraud), the MCHA will review and analyze historical data for patterns of employment, paid benefits, and receipt of other income and use the results of this analysis to establish annual income.

Any time current circumstances are not used to project annual income, a clear rationale for the decision will be documented in the file. In all such cases the family may present information and documentation to MCHA to show why the historic pattern does not represent the family's anticipated income.

### ***Known Changes in Income***

If MCHA verifies an upcoming increase or decrease in income, annual income will be calculated by applying each income amount to the appropriate part of the 12-month period.

**Example:** An employer reports that a full-time employee who has been receiving \$8/hour will begin to receive \$8.25/hour in the eighth week after the effective date of the reexamination. In such a case the PHA would calculate annual income as follows: ( $\$8/\text{hour} \times 40 \text{ hours} \times 7 \text{ weeks}$ ) + ( $\$8.25 \times 40 \text{ hours} \times 45 \text{ weeks}$ ).

MCHA will process the interim based on the polices outlined for conducting Interim reexaminations in Chapter 11 of this Plan.

When tenant-provided documents are used to anticipate annual income, they will be dated within the last 60 days of the reexamination interview date.

EIV quarterly wages will not be used to project annual income at an annual or interim reexamination.

### ***Projecting Income***

In HUD's EIV webcast of January 2008, HUD made clear that PHAs are not to use EIV quarterly wages to project annual income.

### **Annual Reexaminations [24 CFR 5.609(c)(2)]**

During annual reexaminations, the PHA must first determine the family's income for the previous 12-month period and use this amount as the family income for annual reexaminations; however, adjustments to reflect current income must be made. Any change of income since the family's last annual reexamination, including those that did not meet the threshold to process an interim reexamination of family income, must be considered. Income from assets is always anticipated, irrespective of the income examination type.

A change in income, for example, may be a loss of income or the addition of a new source of income. Changing to a different employer in the prior year does not necessarily constitute a change if the income earned from either employer is substantially the same.

If a family member's wages or benefits are garnished, levied, or withheld to pay restitution, child support, tax debt, student loan debt, or other applicable debts, PHAs must use the gross amount of the income, prior to the reduction, to determine a family's annual income.

The PHA will look at the entirety of the family's unearned income and earned income from the prior year, in which earned income may have been one constant job or many different jobs that start and stop. Cost of Living Adjustments (COLA) to Social Security Income and Social Security disability income are always considered changes to income because the COLA is an adjustment that automatically occurs annually by law.

### ***Overview of Calculating Annual Income at Annual Reexamination [Notice PIH 2023-27]***

#### **Step 1:**

Determine the annual income for the previous 12-month period as defined at 24 CFR 5.609(a) and (b). If there have been no changes to income beyond this calculation, then this is the amount that will be used to determine the family's rental assistance. The PHA will review the following information to determine prior-year income:

- The EIV Income Report (must be pulled within 120 days of the effective date of the annual reexamination to be considered current);
- The income reported on the most recent reexamination HUD-50058; and

- What the family certified to on the PHA current annual reexamination paperwork for prior-year income, if available.

### **Step 2:**

Take into consideration any interim reexamination of family income completed since the last annual reexamination.

- If there was an interim reexamination performed within the reexamination cycle and there are no additional changes, the PHA must use the annual income from the interim reexamination to determine the family's rental assistance. The PHA may use the verification obtained from the interim reexamination for this step.
- If the PHA did not perform an interim reexamination or if the family reports that there have been changes since the last reexamination, move to Step 3.

### **Step 3:**

If there were changes in annual income not processed by the PHA since the last reexamination, use current income.

- Family reports their income for the prior year and whether there have been permanent changes.

If there are no reported changes to an income source, the PHA may use documentation of prior-year income to calculate the annual income used for the current annual reexamination HUD-50058. For example, the PHA could use the following documentation and certification from the family:

- EIV + self-certification (wages, Supplemental Security Income (SSI), Social Security, and unemployment)
- Current level 4 documents verifying prior-year income that are dated within the required timeframe (120 days of receipt by the PHA), for example:
  - Year-end statement
  - Pay stub with year-to-date amount
  - Tax forms (Form 1040, W2, 1099, etc.)

If there are reported changes by the family or the PHA notes discrepancies between EIV and what the family reports, follow the verification hierarchy to document and verify income.

### **Applying the Current SSA COLA at Next Annual and Interim Reexamination**

Annually in October, the Social Security Administration (SSA) announces the cost-of-living adjustment (COLA) by which federal SS and SSI benefits are adjusted to reflect the increase, if any, in the cost of living

as measured by the Consumer Price Index for Urban Wage Earners and Clerical Workers prepared by the Bureau of Labor Statistics. The purpose of the COLA is to ensure that the purchasing power of SS and SSI benefits are not eroded by inflation. The federal COLA does not apply to state-paid disability benefits. Additional information regarding the SSA COLA is available online at [www.socialsecurity.gov](http://www.socialsecurity.gov).

Effective the day after SSA has announced the COLA, PHAs are required to factor in the COLA when determining SS and SSI annual income for all annual reexaminations and interim reexaminations of family income that have not yet been completed and will be effective January 1 or later of the upcoming year.

### **De Minimis Errors [24 CFR 5.609(c)(4)]**

PHAs will not be considered out of compliance solely due to de minimis errors in calculating family income.

De minimis errors occur when a PHA's determination of a family's income deviates from the correct income determination by no more than \$30 per month in monthly adjusted income (or \$360 in annual adjusted income). HUD may revise the threshold amount that constitutes a "de minimis error" through rulemaking. PHAs will not be issued a finding by HUD for de minimis errors in income calculation.

As PHAs become aware of the existence of an income calculation error, they are obligated to correct the error(s) retroactive to the effective date of the action the error was made regardless of the dollar amount associated with the error. PHAs must take corrective action to credit or repay a family if the family was overcharged tenant rent, including when PHAs make de minimis errors in the income determination. Families will not be required to repay the PHA in instances where the PHA miscalculated income resulting in a family being undercharged for rent.

## **6-I.D. EARNED INCOME**

### **Types of Earned Income Included in Annual Income**

*Earned income* means income or earnings from wages, tips, salaries, other employee compensation, and net income from self-employment. Earned income does not include any pension or annuity, transfer payments (meaning payments made or income received in which no goods or services are being paid for, such as welfare, social security, and governmental subsidies for certain benefits), or any cash or in-kind benefits. [24 CFR 5.100]

#### ***Wages and Related Compensation***

The full amount, before any payroll deductions, of wages and salaries, overtime pay, commissions, fees, tips and bonuses, and other compensation for personal services is included in annual income.

#### MCHA Policy

For persons who regularly receive bonuses or commissions, the PHA will verify and then average amounts received for the upcoming 12-month period for new admissions or interims; the PHA will verify and then average amounts received for the preceding 12-month period for annual reexaminations. In either case the family may provide, and the PHA will consider, a credible justification for not using this history to anticipate future bonuses or commissions. If a new employee has not yet received any bonuses or commissions, the PHA will count only the amount estimated by the employer. The file will be documented appropriately.

#### ***Some Types of Military Pay***

All regular pay, special pay and allowances of a member of the Armed Forces are counted [24 CFR 5.609(b)(8)] except for the special pay to a family member serving in the Armed Forces who is exposed to hostile fire [24 CFR 5.609(b)(11)].

#### ***Day Labor***

A day laborer is defined as an individual hired and paid one day at a time without an agreement that the individual will be hired or work again in the future. Income earned as a day laborer is not considered nonrecurring income under [24 CFR 5.609(b)(24)] and must be included [24 CFR 5.603(b)].

#### ***Independent Contractor***

In general, an individual is an independent contractor if they have the right to control or direct only the conduct of the work and not what will be done and how it will be done. Income earned by an independent contractor is not considered nonrecurring income and must be included [24 CFR 5.603(b)].

#### MCHA Policy

Third-party delivery and transportation service providers are considered independent contractors unless state law dictates otherwise. In addition, individuals considered "gig workers," such as babysitters,

landscapers, rideshare drivers, and house cleaners, typically fall into the category of independent contractor.

### ***Seasonal Worker***

A seasonal worker is defined as an individual who is hired into a short-term position (6 months or fewer) and the employment begins about the same time each year (such as summer or winter). Typically, the individual is hired to address seasonal demands that arise for the particular employer or industry. Income earned as a seasonal worker is not considered nonrecurring income and must be included [24 CFR 5.603(b)].

### **Types of Earned Income Not Counted in Annual Income**

#### ***Nonrecurring Income* [24 CFR 5.609(b)(24)]**

Nonrecurring income, which is income that will not be repeated in the coming year (i.e., the 12 months following the effective date of the certification) based on information provided by the family. This type of income includes, but is not limited to:

- (i) Payments from the U.S. Census Bureau for employment (relating to decennial census or the American Community Survey) lasting no longer than 180 days and not culminating in permanent employment
- (ii) Direct Federal or State payments intended for economic stimulus or recovery.
- (iii) Amounts directly received by the family as a result of State refundable tax credits or State tax refunds at the time they are received.
- (iv) Amounts directly received by the family as a result of Federal refundable tax credits and Federal tax refunds at the time they are received.
- (v) Gifts for holidays, birthdays, or other significant life events or milestones (e.g., wedding gifts, baby showers, anniversaries).
- (vi) Non-monetary, in-kind donations, such as food, clothing, or toiletries, received from a food bank or similar organization. PHAs are prohibited from assigning monetary value to non-monetary in-kind donations received by the family from a food bank or similar organization.
- (vii) Lump-sum additions to net family assets, including but not limited to lottery or other contest winnings. These amounts may count toward net family assets in accordance with [24 CFR 5.603].

#### ***Children's Earnings***

Employment income earned by children (including foster children) under the age of 18 years is not included in annual income [24 CFR 5.609(b)(3)]. (See Eligibility chapter for a definition of *foster children*.)

#### ***Earned Income of Dependent Full-Time Students***

Earned income of dependent full-time students in excess of the amount of the deduction for a dependent in [24 CFR 5.611] is excluded from annual income. Full-time students must be dependent family members for this exclusion to apply. This exclusion does not apply to the head of household, spouse, or co-head [24 CFR 5.609(b)(14)]. To be considered "full-time," a student must be considered "full-time" by an educational institution with a degree or certificate program [HCV GB, p. 5-29].

#### ***Income Earned on Amounts Placed in a Family Self-Sufficiency (FSS) Account***

Income earned on amounts placed in a family's FSS account is excluded from annual income. [24 CFR 5.609(b)(27)]

#### ***Income of Live-in Aides, Foster Children, and Foster Adults***

Income of a live-in aide, foster child, or foster adult as defined in [24 CFR 5.403 and 5.603] is excluded from annual income. (See Eligibility chapter for a full discussion of live-in aides and foster adult/children.)

### ***Income Earned under Certain Federal Programs***

Income from some federal programs is specifically excluded from consideration as income [24 CFR 5.609(b)(12)], including:

- (i) Amounts received by a person with a disability that are disregarded for a limited time for purposes of Supplemental Security Income eligibility and benefits because they are set aside for use under a Plan to Attain Self-Sufficiency (PASS);
- (ii) Amounts received by a participant in other publicly assisted programs which are specifically for or in reimbursement of out-of-pocket expenses incurred (e.g., special equipment, clothing, transportation, childcare, etc.) and which are made solely to allow participation in a specific program;
- (iii) Amounts received under a resident service stipend not to exceed \$200 per month are not included in annual income. A resident service stipend is a modest amount (~~not to exceed \$200 per individual per month~~) received by a resident for performing a service for the PHA or owner, on a part-time basis, that enhances the quality of life in the development. Such services may include, but are not limited to, fire patrol, hall monitoring, lawn maintenance, resident initiatives coordination, and serving as a member of the PHA's governing board. No resident may receive more than one such stipend during the same period of time.
- (iv) Incremental earnings and benefits resulting to any family member from participation in training programs funded by HUD or in qualifying Federal, State, Tribal, or local employment training programs (including training programs not affiliated with a local government) and training of a family member as resident management staff are excluded from annual income. Amounts excluded by this provision must be received under employment training programs with clearly defined goals and objectives and are excluded only for the period during which the family member participates in the employment training program unless those amounts are excluded under [24 CFR 5.609(b)(9)(i)].

### **MCHA Policy**

MCHA defines *training program* as “a learning process with goals and objectives, generally having a variety of components, and taking place in a series of sessions over a period to time. It is designed to lead to a higher level of proficiency, and it enhances the individual’s ability to obtain employment. It may have performance standards to measure proficiency. Training may include but is not limited to: (1) classroom training in a specific occupational skill, (2) on-the-job training with wages subsidized by the program, or (3) basic education” [expired Notice PIH 98-2, p. 3].

MCHA defines *incremental earnings and benefits* as the difference between: (1) the total amount of welfare assistance and earnings of a family member prior to enrollment in a training program, and (2) the total amount of welfare assistance and earnings of the family member after enrollment in the program [expired Notice PIH 98-2, pp. 3–4].

In calculating the incremental difference, the PHA will use as the pre-enrollment income the total annualized amount of the family member’s welfare assistance and earnings reported on the family’s most recently completed HUD-50058.

End of participation in a training program must be reported in accordance with the PHA's interim reporting requirements.

### **6-I.F. BUSINESS INCOME [24 CFR 5.609(b)(28)]**

Annual income includes “the net income from the operation of a business or profession. Expenditures for business expansion or amortization of capital indebtedness shall not be used as deductions in determining net income. An allowance for depreciation of assets used in a business or profession may be deducted, based on straight line depreciation, as provided in Internal Revenue Service regulations. Any withdrawal of cash or assets from the operation of a business or profession will be included in income, except to the extent the withdrawal is reimbursement of cash or assets invested in the operation by the family” [24 CFR 5.609(b)(28)].

## **Business Expenses**

Net income is “gross income less business expense” [HCV GB, p. 5-19].

### MCHA Policy

To determine business expenses that may be deducted from gross income, the PHA will use current applicable Internal Revenue Service (IRS) rules for determining allowable business expenses [see IRS Publication 535], unless a topic is addressed by HUD regulations or guidance as described below.

## **Business Expansion**

HUD regulations do not permit the PHA to deduct from gross income expenses for business expansion.

### MCHA Policy

*Business expansion* is defined as any capital expenditures made to add new business activities, to expand current facilities, or to operate the business in additional locations. For example, purchase of a street sweeper by a construction business for the purpose of adding street cleaning to the services offered by the business would be considered a business expansion. Similarly, the purchase of a property by a hair care business to open at a second location would be considered a business expansion.

## **Capital Indebtedness**

HUD regulations do not permit the PHA to deduct from gross income the amortization of capital indebtedness.

### MCHA Policy

*Capital indebtedness* is defined as the principal portion of the payment on a capital asset such as land, buildings, and machinery. This means the PHA will allow as a business expense interest, but not principal, paid on capital indebtedness.

## **Negative Business Income**

If the net income from a business is negative, no business income will be included in annual income; a negative amount will not be used to offset other family income.

## **Withdrawal of Cash or Assets from a Business**

HUD regulations require the PHA to include in annual income the withdrawal of cash or assets from the operation of a business or profession unless the withdrawal reimburses a family member for cash or assets invested in the business by the family.

### MCHA Policy

Acceptable investments in a business include cash loans and contributions of assets or equipment. For example, if a member of an assisted family provided an up-front loan of \$2,000 to help a business get started, the PHA will not count as income any withdrawals from the business up to the amount of this loan until the loan has been repaid. Investments do not include the value of labor contributed to the business without compensation.

## **Co-owned Businesses**

### MCHA Policy

If a business is co-owned with someone outside the family, the family must document the share of the business it owns. If the family’s share of the income is lower than its share of ownership, the family must document the reasons for the difference.

## **6-I.G. ASSETS [24 CFR 5.609(b)(3) and 24 CFR 5.603(b)]**

### **Overview**

HUD requires that the PHA include in annual income all actual anticipated income from assets even if the asset is excluded from the net family assets but the income from the asset is not otherwise excluded.

Net family assets are defined as the net cash value of all assets owned by the family, after deducting reasonable costs that would be incurred in disposing of real property, savings, stocks, bonds, and other forms of investment, except those that are excluded.

Exhibit 6-1 provides the regulatory requirements for calculating income from assets [24 CFR 5.609(a)], and Exhibit 6-3 provides the regulatory definition of *net family assets*.

### **Asset Limitation [24 CFR 5.618(a) and Notice PIH 2023-27]**

For the HCV program the PHA must deny admission of an applicant if they are determined to not meet the requirements of the asset limitation. The PHA has discretion with respect to application of the asset limitation at annual and interim reexamination. A family is out of compliance with the asset limitation if they have either of the following:

- The family's net assets (as defined in 24 CFR 5.603) exceed \$100,000, which amount will be adjusted annually by HUD in accordance with the Consumer Price Index for Urban Wage Earners and Clerical Workers; or

#### MCHA Policy

In determining whether the net family assets for a family exceed \$100,000, MCHA may accept a declaration from the family that their net assets do not exceed \$50,000 (as adjusted for inflation), without needing to further verify that declaration.

- The family has present ownership interest in, a legal right to reside in, and the effective legal authority to sell, based on State or local laws of the jurisdiction where the property is located, real property that is suitable for occupancy by the family as a residence, except this real property restriction does not apply to:
  - a. Any property for which the family is receiving assistance under the Homeownership Option in 24 CFR part 982 See 24 CFR 5.618(a)(1)(ii)(A);
  - b. Any property that is jointly owned by a member of the family and at least one non-household member who does not live with the family, if the non-household member resides at the jointly owned property (24 CFR 5.618(a)(1)(ii)(B));
  - c. Any property owned by a family that includes a person who is a victim of domestic violence, dating violence, sexual assault, or stalking (24 CFR 5.618(a)(1)(ii)(C)); or
  - d. Any family that is offering such property for sale (24 CFR 5.618(a)(1)(ii)(D)).

#### MCHA Policy

If the family certifies that they do not have any present ownership interest in real property, MCHA will take the family's self-certification as sufficient verification to determine the family is not out of compliance with the real property restriction. If the family owns real property, MCHA will seek third-party verification of the family's legal right to reside in the property, the effective legal authority to sell the property, and whether the property is suitable for occupancy by the family as a residence, and whether to location of the property constitutes a geographic hardship. If the value of the real property brings the net family assets above \$100,000 (as adjusted for inflation), the family will be out of compliance.

### ***Total Non-Enforcement***

At annual and interim reexamination, the PHA may choose not to enforce the asset limitation.

## MCHA Policy

MCHA will establish a total non-enforcement policy for all families at reexaminations, by which MCHA will not initiate termination proceedings for a family for non-compliance with the asset limitation. MCHA exercises this discretion to allow families who would otherwise fail to comply with the asset limitation to continue renting their units, the families will continue to receive assistance. MCHA will apply the non-enforcement policy the same for all families within the program.

## **General Policies**

### ***Income from Assets***

The PHA generally will use current circumstances to determine both the value of an asset and the anticipated income from the asset. As is true for all sources of income, HUD authorizes the PHA to use other than current circumstances to anticipate income when (1) an imminent change in circumstances is expected (2) it is not feasible to anticipate a level of income over 12 months or (3) the PHA believes that past income is the best indicator of anticipated income. For example, if a family member owns real property that typically receives rental income but the property is currently vacant, the PHA can take into consideration past rental income along with the prospects of obtaining a new tenant.

## MCHA Policy

Anytime current circumstances are not used to determine asset income, a clear rationale for the decision will be documented in the file. In such cases the family may present information and documentation to the PHA to show why the asset income determination does not represent the family's anticipated asset income.

### ***Valuing Assets***

The calculation of asset income sometimes requires the PHA to make a distinction between an asset's market value and its cash value.

- The market value of an asset is its worth (e.g., the amount a buyer would pay for real estate or the balance in an investment account).
- The cash value of an asset is its market value less all reasonable amounts that would be incurred when converting the asset to cash.

## MCHA Policy

Reasonable costs that would be incurred when disposing of an asset include, but are not limited to, penalties for premature withdrawal, broker and legal fees, and settlement costs incurred in real estate transactions [HCV GB, p. 5-28].

### ***Lump-Sum Receipts***

Payments that are received in a single lump sum, such as inheritances, capital gains, lottery winnings, insurance settlements, and proceeds from the sale of property, are generally considered assets, not income. However, such lump-sum receipts are counted as assets only if they are retained by a family in a form recognizable as an asset (e.g., deposited in a savings or checking account) [RHIP FAQs]. (For a discussion of lump-sum payments that represent the delayed start of a periodic payment, most of which are counted as income, see sections 6-I.H and 6-II.)

### ***Actual Income from Assets [24 CFR 5.609(a)(2)]***

Actual income from assets is always included in a family's annual income, regardless of the total value of net family assets or whether the asset itself is included or excluded from net family assets, unless that income is specifically excluded by [24 CFR 5.609(b)].

Income or returns from assets are generally considered to be interest, dividend payments, and other actual income earned on the asset, and not the increase in market value of the asset. The increase in market value is relevant to the cash value of the asset for the purpose of determining total net family assets and imputing income.

It may or may not be necessary for the PHA to use the value of an asset to compute the actual anticipated income from the asset. When the value is required to compute the anticipated income from an asset, the market value of the asset is used. For example, if the asset is a property for which a family receives rental income, the anticipated income is determined by annualizing the actual monthly rental amount received for the property; it is not based on the property's market value. However, if the asset is a savings account, the anticipated income is determined by multiplying the market value of the account by the interest rate on the account.

### ***Imputing Income from Assets [24 CFR 5.609(a)(2)]***

Imputed asset income must be calculated for specific assets when three conditions are met:

- The value of net family assets exceeds \$50,000 (as adjusted for inflation);
- The specific asset is included in net family assets; and
- Actual asset income cannot be calculated for the specific asset.

Imputed asset income is calculated by multiplying the net cash value of the asset, after deducting reasonable costs that would be incurred in disposing of the asset, by the HUD-published passbook rate. If the actual income from assets can be computed for some assets but not all assets, then the PHA must add up the actual income from the assets, where actual income can be calculated, then calculate the imputed income for the assets where actual income could not be calculated. After the PHA has calculated both the actual income and imputed income, the PHA must combine both amounts to account for income on net family assets with a combined value over \$50,000.

When the family's net family assets do not exceed \$50,000 (as adjusted for inflation), imputed asset income is not calculated. Imputed asset income is never calculated on assets that are excluded from net family assets. When actual income for an asset—which can equal \$0—can be calculated, imputed income is not calculated for that asset.

### ***Withdrawal of Cash or Liquidation of Investments***

Any withdrawal of cash or assets from an investment will be included in income except to the extent that the withdrawal reimburses amounts invested by the family. For example, when a family member retires, the amount received by the family from a retirement plan is not counted as income until the family has received payments equal to the amount the family member deposited into the retirement fund.

### ***Asset Owned by Business Entity***

If a business entity (e.g., limited liability company or limited partnership) owns the asset, then the family's asset is their ownership stake in the business, not some portion of the business's assets. If the family holds the assets in their own name (e.g., they own one-third of a restaurant) rather than in the name of a business entity, then the percentage value of the asset owned by the family is what is counted toward net family assets (e.g., one-third of the value of the restaurant.)

### ***Jointly Owned Assets***

For assets jointly owned by the family and one or more individuals outside of the assisted family, the PHA must include the total value of the asset in the calculation of net family assets, unless the asset is otherwise excluded, or unless the assisted family can demonstrate that the asset is inaccessible to them, or that they cannot dispose of any portion of the asset without the consent of another owner who refuses to comply. Any income from a jointly owned asset must be included in annual income, unless the income is specifically excluded, or unless the family demonstrates that they do not have access to the income from that asset or a portion of the income from that asset.

## MCHA Policy

If an asset is owned by more than one person and any family member has unrestricted access to the asset, MCHA will count the full value of the asset. A family member has unrestricted access to an asset when he or she can legally dispose of the asset without the consent of any of the other owners.

If an asset is owned by more than one person, including a family member, but the family member does not have unrestricted access to the asset, the PHA will prorate the asset according to the percentage of ownership. If no percentage is specified or provided for by state or local law, MCHA will prorate the asset evenly among all owners.

If an individual is a beneficiary who is entitled to access the account's funds only upon the death of the account's owner, and may not otherwise withdraw funds, then the account is not an asset to the assisted family, and the family should provide proper documentation demonstrating they are only a beneficiary on the account.

### ***Assets with Negative Equity***

The cash value of real property or other assets with negative equity would be considered \$0 for the purposes of calculating net family assets.

### ***Assets Disposed of for Less than Fair Market Value [24 CFR 5.603(b)]***

HUD regulations require the PHA to count as a current asset any business or family asset that was disposed of for less than fair market value during the two years prior to the effective date of application to the program or reexamination, except as noted below.

### ***Minimum Threshold***

The *HVC Guidebook* permits the PHA to set a threshold below which assets disposed of for less than fair market value will not be counted [HCV GB, p. 5-27].

## MCHA Policy

MCHA will not include the value of assets disposed of for less than fair market value unless the cumulative fair market value of all assets disposed of during the past two years exceeds the gross amount received for the assets by more than \$1,000.

When the two-year period expires, the income assigned to the disposed asset(s) also expires. If the two-year period ends between annual recertifications, the family may request an interim recertification to eliminate consideration of the asset(s).

Assets placed by the family in nonrevocable trusts are considered assets disposed of for less than fair market value except when the assets placed in trust were received through settlements or judgments.

### ***Separation or Divorce***

The regulation also specifies that assets are not considered disposed of for less than fair market value if they are disposed of as part of a separation or divorce settlement and the applicant or tenant receives important consideration not measurable in dollar terms [24 CFR 5.603(b)].

## MCHA Policy

All assets disposed of as part of a separation or divorce settlement will be considered assets for which important consideration not measurable in monetary terms has been received. In order to qualify for this exemption, a family member must be subject to a formal separation or divorce settlement agreement established through arbitration, mediation, or court order.

## ***Foreclosure or Bankruptcy***

Assets are not considered disposed of for less than fair market value when the disposition is the result of a foreclosure or bankruptcy sale [24 CFR 5.603(b)].

## ***Family Declaration***

### MCHA Policy

Families must sign a declaration form at initial certification and each annual recertification identifying all assets that have been disposed of for less than fair market value or declaring that no assets have been disposed of for less than fair market value. MCHA may verify the value of the assets disposed of if other information available to MCHA does not appear to agree with the information reported by the family.

## **Types of Assets**

### ***Checking and Savings Accounts***

For regular checking accounts and savings accounts, *cash value* has the same meaning as *market value*. If a checking account does not bear interest, the anticipated income from the account is zero.

### MCHA Policy

In determining the value of a checking account, MCHA will use the ending balance on the current bank statement.

### ***Investment Accounts Such as Stocks, Bonds, Saving Certificates, and Money Market Funds***

Interest or dividends earned by investment accounts are counted as actual income from assets even when the earnings are reinvested. The cash value of such an asset is determined by deducting from the market value any broker fees, penalties for early withdrawal, or other costs of converting the asset to cash.

### MCHA Policy

In determining the market value of an investment account, MCHA will use the value of the account on the most recent investment report.

How anticipated income from an investment account will be calculated depends on whether the rate of return is known. For assets that are held in an investment account with a known rate of return (e.g., savings certificates), asset income will be calculated based on that known rate (market value multiplied by rate of earnings). When the anticipated rate of return is not known (e.g., stocks), the PHA will calculate asset income based on the earnings for the most recent reporting period.

### ***Federal Tax Refunds or Refundable Tax Credits***

All amounts received by a family in the form of federal tax refunds or refundable tax credits are excluded from a family's net family assets for a period of 12 months after receipt by the family.

At the time of an annual or interim reexamination of income, if the federal tax refund was received during the 12 months preceding the effective date of the reexamination, then the amount of the refund that was received by the family is subtracted from the total value of net family assets. When the subtraction results in a negative number, then the net family assets are considered \$0.

### ***Civil Rights Settlements***

A civil rights settlement, regardless of how the settlement is paid (lump sum or several distributions), is excluded from annual income; however, the amounts would be considered part of net family assets, if held in a savings account, revocable trust, or in some other asset that is not excluded from the definition of family assets.

### ***Equity in Real Property or Other Capital Investments***

Equity (cash value) in a property or other capital asset is the estimated current market value of the asset less the unpaid balance on all loans secured by the asset and reasonable costs (such as broker fees) that would be incurred in selling the asset [HCV GB, p. 5-25].

Equity in real property and other capital investments is considered in the calculation of asset income except for the following types of assets:

- Equity accounts in HUD homeownership programs [24 CFR 5.603(b)]
- The value of a home currently being purchased with assistance under the HCV program Homeownership Option for the first 10 years after the purchase date of the home [24 CFR 5.603(b)]
- Equity in owner-occupied cooperatives and manufactured homes in which the family lives [HCV GB, p. 5-25]
- Equity in real property when a family member's main occupation is real estate [HCV GB, p. 5-25]. This real estate is considered a business asset, and income related to this asset will be calculated as described in section 6-I.F.
- Interests in Indian Trust lands [24 CFR 5.603(b)]
- Real property and capital assets that are part of an active business or farming operation [HCV GB, p. 5-25]

A family may have real property as an asset in two ways: (1) owning the property itself and (2) holding a mortgage or deed of trust on the property. In the case of a property owned by a family member, the anticipated asset income generally will be in the form of rent or other payment for the use of the property. If the property generates no income, actual anticipated income from the asset will be zero.

In the case of a mortgage or deed of trust held by a family member, the outstanding balance (unpaid principal) is the cash value of the asset. The interest portion only of payments made to the family in accordance with the terms of the mortgage or deed of trust is counted as anticipated asset income.

#### **MCHA Policy**

In the case of capital investments owned jointly with others not living in a family's unit, a prorated share of the property's cash value will be counted as an asset unless MCHA determines that the family receives no income from the property and is unable to sell or otherwise convert the asset to cash.

#### ***Trusts [24 CFR 5.603 and 5.609]***

A *trust* is a legal arrangement generally regulated by state law in which one party (the creator or grantor) transfers property to a second party (the trustee) who holds the property for the benefit of one or more third parties (the beneficiaries). Whether the value of a trust counts as a net family asset and whether distributions from the trust count as annual income to the family depends on the following three factors:

- Whether the trust is under the control of the family;
- Whether distributions are made from the trust's principal; and
- The purpose of the distribution, if the distribution is made from income earned on the trust's principal.

#### ***Revocable Trusts***

If any member of a family has the right to withdraw the funds in a trust, the value of the trust is considered an asset [HCV GB, p. 5-25]. Any income earned as a result of investment of trust funds is counted as actual asset income, whether the income is paid to the family or deposited in the trust.

### *Nonrevocable Trusts*

In cases where a trust is not revocable by, or under the control of, any member of a family, the value of the trust fund is excluded from net family assets. However, any income distributed to the family from such a trust is counted as a periodic payment or a lump-sum receipt, as appropriate [24 CFR 5.603(b)]. (Periodic payments are covered in section 6-I.H. Lump-sum receipts are discussed earlier in this section.)

### ***Retirement Accounts***

#### *Company Retirement/Pension Accounts*

The value of any account under a retirement plan recognized by the IRS, including IRAs, employer retirement plans, and retirement plans for self-employed individuals, is not considered in determining net family assets. Any income earned on the funds while stored in such a retirement account is not considered actual income from assets.

After a family member retires or terminates employment, any amount distributed to the family member is counted as a periodic payment or a lump-sum receipt, as appropriate [HCV GB, p. 5-26], except to the extent that it represents funds invested in the account by the family member. (For more on periodic payments, see section 6-I.H.) The balance in the account is counted as an asset only if it remains accessible to the family member.

#### *IRA, Keogh, and Similar Retirement Savings Accounts*

Income received from any account under a retirement plan recognized as such by the Internal Revenue Service, including IRAs, employer retirement plans, and retirement plans for self-employed individuals; except that any distribution of periodic payments from such accounts shall be income at the time they are received by the family. [24 CFR 5.609(b)(26)]

### ***Personal Property***

Personal property held as an investment, such as gems, jewelry, coin collections, antique cars, etc., is considered non-necessary personal property, and is included in net family assets if it has a combined value greater than \$50,000. [24 CFR 5.603]

#### MCHA Policy

In determining the value of personal property held as an investment, MCHA will use the family's estimate of the value. The PHA may obtain an appraisal to confirm the value of the asset if there is reason to believe that the family's estimated value is off by \$50 or more. The family must cooperate with the appraiser but cannot be charged any costs related to the appraisal.

Generally, personal property held as an investment generates no income until it is disposed of. If regular income is generated (e.g., income from renting the personal property), the amount that is expected to be earned in the coming year is counted as actual income from the asset.

Necessary items of personal property are not considered assets [24 CFR 5.603(b)].

#### MCHA Policy

Necessary personal property consists of only those items not held as an investment, and may include clothing, furniture, household furnishings, jewelry, and vehicles, including those specially equipped for persons with disabilities.

### ***Life Insurance***

The cash value of a life insurance policy available to a family member before death, such as a whole life or universal life policy, is included in the calculation of the value of the net family assets [HCV GB 5-25]. The cash value is the surrender value. If such a policy earns dividends or interest that the family could elect to receive, the anticipated amount of dividends or interest is counted as income from the asset whether or not the family actually receives it.

## 6-I.H. PERIODIC PAYMENTS

Periodic payments are forms of income received on a regular basis. HUD regulations specify periodic payments that are and are not included in annual income.

### Periodic Payments Included in Annual Income

- Periodic payments from sources such as social security, unemployment and welfare assistance, annuities, insurance policies, retirement funds, and pensions. However, periodic payments from retirement accounts, annuities, and similar forms of investments are counted only after they exceed the amount contributed by the family.
- Disability or death benefits and lottery receipts paid periodically, rather than in a single lump sum [HCV, p. 5-14].

### Lump-Sum Payments for the Delayed Start of a Periodic Payment

Most lump-sums received as a result of delays in processing periodic payments, such as unemployment or welfare assistance, are counted as income. However, lump-sum receipts for the delayed start of periodic social security or supplemental security income (SSI) payments are not counted as income [CFR 5.609(b)(16)]. Additionally, any deferred disability benefits that are received in a lump-sum or in prospective monthly amounts from the Department of Veterans Affairs are to be excluded from annual income [FR Notice 11/24/08].

### MCHA Policy

When a delayed-start payment is received and reported during the period in which MCHA processing an annual reexamination, MCHA will adjust the family share and MCHA subsidy retroactively for the period the payment was intended to cover. The family may pay in full any amount due or request to enter into a repayment agreement with MCHA.

### Treatment of Overpayment Deductions from Social Security Benefits

The PHA must make a special calculation of annual income when the Social Security Administration (SSA) overpays an individual, resulting in a withholding or deduction from his or her benefit amount until the overpayment is paid in full. The amount and duration of the withholding will vary depending on the amount of the overpayment and the percent of the benefit rate withheld. Regardless of the amount withheld or the length of the withholding period, the PHA must use the reduced benefit amount after deducting only the amount of the overpayment withholding from the gross benefit amount [Notice PIH 2010-3].

### Periodic Payments Excluded from Annual Income

- Payments received for the care of foster children or foster adults (usually persons with disabilities, unrelated to the assisted family, who are unable to live alone) [24 CFR 5.609(b)(4)]. Kinship guardianship assistance payments (Kin-GAP) and other similar guardianship payments are treated the same as foster care payments and are likewise excluded from annual income [Notice PIH 2008-30].

### PHA Policy

MCHA will exclude payments for the care of foster children and foster adults only if the care is provided through an official arrangement with a local welfare agency [HCV GB, p. 5-18].

- Amounts paid by a state agency to a family with a member who has a developmental disability and is living at home to offset the cost of services and equipment needed to keep the developmentally disabled family member at home [24 CFR 5.609(b)(19)].
- Amounts received under the Low-Income Home Energy Assistance Program (42 U.S.C. 1626(c)) [24 CFR 5.609(b)(22)].
- Amounts received under the Child Care and Development Block Grant Act of 1990 (42 U.S.C. 9858q) [24 CFR 5.609(b)(22)].

- Earned Income Tax Credit (EITC) refund payments (26 U.S.C. 32(j)) [24 CFR 5.609(b)(22)]. *Note:* EITC may be paid periodically if the family elects to receive the amount due as part of payroll payments from an employer.
- Lump-sums received as a result of delays in processing Social Security and SSI payments (see section 6-I.J.) [24 CFR 5.609(b)(16)].
- Lump-sums or prospective monthly amounts received as deferred disability benefits from the Department of Veterans Affairs (VA) [FR Notice 11/24/08].

## **6-I.I. PAYMENTS IN LIEU OF EARNINGS**

Payments in lieu of earnings, such as unemployment and disability compensation, worker’s compensation, and severance pay, are counted as income [24 CFR 5.609(a)(1)] if they are received either in the form of periodic payments or in the form of a lump-sum amount or prospective monthly amounts for the delayed start of a periodic payment. If they are received in a one-time lump sum (as a settlement, for instance), they are treated as lump-sum receipts [24 CFR 5.609(b)(5)]. (See also the discussion of periodic payments in section 6-I.H and the discussion of lump-sum receipts in section 6-I.G.)

## **6-I.J. WELFARE ASSISTANCE**

### **Overview**

Welfare assistance is counted in annual income. Welfare assistance includes Temporary Assistance for Needy Families (TANF) and any payments to individuals or families based on need that are made under programs funded separately or jointly by federal, state, or local governments [24 CFR 5.603(b)].

### **Sanctions Resulting in the Reduction of Welfare Benefits [24 CFR 5.615]**

The PHA must make a special calculation of annual income when the welfare agency imposes certain sanctions on certain families. The full text of the regulation at 24 CFR 5.615 is provided as Exhibit 6-5. The requirements are summarized below. This rule applies only if a family was receiving HCV assistance at the time the sanction was imposed.

### ***Covered Families***

The families covered by 24 CFR 5.615 are those “who receive welfare assistance or other public assistance benefits (‘welfare benefits’) from a State or other public agency (‘welfare agency’) under a program for which Federal, State or local law requires that a member of the family must participate in an economic self-sufficiency program as a condition for such assistance” [24 CFR 5.615(b)]

### ***Imputed Income***

When a welfare agency imposes a sanction that reduces a family’s welfare income because the family commits fraud or fails to comply with the agency’s economic self-sufficiency program or work activities requirement, the PHA must include in annual income “imputed” welfare income. The PHA must request that the welfare agency inform the PHA when the benefits of an HCV participant family are reduced. The imputed income is the amount the family would have received if the family had not been sanctioned.

This requirement does not apply to reductions in welfare benefits: (1) at the expiration of the lifetime or other time limit on the payment of welfare benefits, (2) if a family member is unable to find employment even though the family member has complied with the welfare agency economic self-sufficiency or work activities requirements, or (3) because a family member has not complied with other welfare agency requirements [24 CFR 5.615(b)(2)].

## *Offsets*

The amount of the imputed income is offset by the amount of additional income the family begins to receive after the sanction is imposed. When the additional income equals or exceeds the imputed welfare income, the imputed income is reduced to zero [24 CFR 5.615(c)(4)].

## **6-I.K. PERIODIC AND DETERMINABLE ALLOWANCES [24 CFR 5.609(a)(1)]**

Annual income includes periodic and determinable allowances, such as alimony and child support payments, and regular contributions or gifts received from organizations or from persons not residing with an assisted family.

### **Alimony and Child Support**

The PHA must count alimony or child support amounts awarded as part of a divorce or separation agreement.

#### MCHA Policy

MCHA will count court-awarded amounts for alimony and child support unless MCHA verifies that: (1) the payments are not being made, and (2) the family has made reasonable efforts to collect amounts due, including filing with courts or agencies responsible for enforcing payments [HCV GB, pp. 5-23 and 5-47].

Families who do not have court-awarded alimony and child support awards are not required to seek a court award and are not required to take independent legal action to obtain collection.

### **Regular Contributions or Gifts**

The PHA must count as income regular monetary and nonmonetary contributions or gifts from persons not residing with an assisted family [24 CFR 5.609(a)(1)]. Nonrecurring income and gifts are not counted [24 CFR 5.609(b)(24)].

#### MCHA Policy

Examples of regular contributions include: (1) regular payment of a family's bills (e.g., utilities, telephone, rent, credit cards, and car payments), (2) cash or other liquid assets provided to any family member on a regular basis, and (3) "in-kind" contributions such as groceries and clothing provided to a family on a regular basis (nonmonetary, in-kind donations received from a food bank or similar organization are excluded from income.)

Nonmonetary contributions will be valued at the cost of purchasing the items, as determined by MCHA. For contributions that may vary from month to month (e.g., utility payments), MCHA will include an average amount based upon past history.

## **6-I.L. STUDENT FINANCIAL ASSISTANCE [24 CFR 5.609(b)(9)]**

In 2005, Congress passed a law (for section 8 programs only) requiring that certain student financial assistance be included in annual income. Prior to that, the full amount of student financial assistance was excluded. For some students, the full exclusion still applies.

PIH 2016-05 states that the definition of "income" is amended to exclude from calculations of individual income any financial assistance received for mandatory fees and charges (in addition to tuition). Notice PIH 2015-21 provides guidance as to what constitutes such fees.

### **Student Financial Assistance Included in Annual Income [24 CFR 5.609(b)(9) and FR 4/10/06]**

The regulation requiring the inclusion of certain student financial assistance applies only to students who satisfy all of the following conditions:

- They are enrolled in an institution of higher education, as defined under the Higher Education Act (HEA) of 1965.

- They are seeking or receiving Section 8 assistance on their own—that is, apart from their parents—through the HCV program, the project-based certificate program, the project-based voucher program, or the moderate rehabilitation program.
- They are under 24 years of age **OR** they have no dependent children.

For students who satisfy these three conditions, any financial assistance in excess of tuition received: (1) under the 1965 HEA, (2) from a private source, or (3) from an institution of higher education, as defined under the 1965 HEA, must be included in annual income.

To determine annual income in accordance with the above requirements, the PHA will use the definitions of *dependent child*, *institution of higher education*, and *parents* in Section 3-II.E, along with the following definitions [FR 4/10/06, pp. 18148-18150]:

- *Assistance under the Higher Education Act of 1965* includes Pell Grants, Teach Grants, Federal Perkins Loans, Student financial assistance received under the Bureau of Indian Education, Higher Education Tribal Grant, Tribally Controlled Colleges or Universities Grant Program, Employment training program under section 134 of the Workforce Innovation and Opportunity Act (WIOA), Federal Supplement Educational Opportunity Grants, Academic Achievement Incentive Scholarships, State Assistance under the Leveraging Educational Assistance Partnership Program, the Robert G. Byrd Honors Scholarship Program, and Federal Work Study programs.
- *Assistance from private sources* means assistance from nongovernmental sources, including parents, guardians, and other persons not residing with the student in an HCV assisted unit.
- *Tuition* will have the meaning given this term by the institution of higher education in which the student is enrolled.

### **Student Financial Assistance Excluded from Annual Income [24 CFR 5.609(b)(9)]**

Any student financial assistance not subject to inclusion under (Section 210(b) of the Consolidated Appropriations Act, 2023) is fully excluded from annual income under 24 CFR 5.609(b)(9), whether it is paid directly to the student or to the educational institution the student is attending. This includes any financial assistance received by:

- Students residing with parents who are seeking or receiving Section 8 assistance
- Students who are enrolled in an educational institution that does **not** meet the 1965 HEA definition of *institution of higher education*
- Students who are over 23 **AND** have at least one dependent child, as defined in Section 3-II.E
- Students who are receiving financial assistance through a governmental program not authorized under the 1965 HEA.

### **6-I.M. ADDITIONAL EXCLUSIONS FROM ANNUAL INCOME**

Other exclusions contained in 24 CFR 5.609(b) that have not been discussed earlier in this chapter include the following:

- Reimbursement of medical expenses [24 CFR 5.609(b)(6)]
- Amounts received by participants in other publicly assisted programs which are specifically for or in reimbursement of out-of-pocket expenses incurred and which are made solely to allow participation in a specific program [24 CFR 5.609(b)(12)(ii)]
- Amounts received by a person with a disability that are disregarded for a limited time for purposes of Supplemental Security Income eligibility and benefits because they are set aside for use under a Plan to Attain Self-Sufficiency (PASS) [(24 CFR 5.609(b)(12)(i)]

- Reparation payments paid by a foreign government pursuant to claims filed under the laws of that government by persons who were persecuted during the Nazi era [24 CFR 5.609(b)(13)]
- Adoption assistance payments in excess of \$480 per adopted child [24 CFR 5.609(b)(15)]
- Refunds or rebates on property taxes paid on the dwelling unit [24 CFR 5.609(b)(18)]

- Payments received for the care of foster children or foster adults or state or tribal kinship or guardianship care payments [24 CFR 5.609(b)(4)]
- Insurance payments or settlements for personal or property losses including but not limited to payments through health insurance, motor vehicle insurance, and workers' compensation (regardless of the frequency or length of payments). [24 CFR 5.609(b)(5)]

- Payments related to aid and attendance under 38 U.S.C. 1521 to veterans in need of regular aid and attendance. [24 CFR 5.609(b)(17)]

[24 CFR 5.609(b)(20)]
- Payments received by Tribal members as a result of claims relating to the mismanagement of assets held in trust by the United States, to the extent such payments are also excluded from gross income under the Internal Revenue Code or other Federal law. [24 CFR 5.609(b)(21)]
- Replacement housing “gap” payments made in accordance with 49 CFR part 24 that offset increased out of pocket costs of displaced persons that move from one federally subsidized housing unit to another Federally subsidized housing unit. Such replacement housing “gap” payments are not excluded from annual income if the increased cost of rent and utilities is subsequently reduced or eliminated, and the displaced person retains or continues to receive the replacement housing “gap” payments. [24 CFR 5.609(b)(23)]
- Civil rights settlements or judgments, including settlements or judgments for back pay. [24 CFR 5.609(b)(25)]
- Income and distributions from any Coverdell education savings account under section 530 of the Internal Revenue Code of 1986 or any qualified tuition program under section 529 of such Code; and income earned by government contributions to, and distributions from, “baby bond” accounts created, authorized, or funded by Federal, State, or local government. [24 CFR 5.609(b)(10)]
- Amounts specifically excluded by any other federal statute [24 CFR 5.609(b)(22)]. HUD publishes an updated list of these exclusions periodically. It includes:

## **PART II: ADJUSTED INCOME**

### **6-II.A. INTRODUCTION**

HUD regulations require PHAs to deduct from annual income any of five mandatory deductions for which a family qualifies. The resulting amount is the family's adjusted income. Mandatory deductions are found in 24 CFR 5.611.

5.611(a) Mandatory deductions. In determining adjusted income, the responsible entity [PHA] must deduct the following amounts from annual income:

1. \$480 for each dependent, which amount will be adjusted by HUD annually in accordance with the Consumer Price Index for Urban Wage Earners and Clerical Workers, rounded to the next lowest multiple of \$25

2. \$525 for any elderly family or disabled family, which amount will be adjusted by HUD annually in accordance with the Consumer Price Index for Urban Wage Earners and Clerical Workers, rounded to the next lowest multiple of \$25 ;
3. The sum of the following, to the extent the sum exceeds three percent of annual income:
  - (i) Unreimbursed health and medical expenses of any elderly family or disabled family;
  - (ii) Unreimbursed reasonable attendant care and auxiliary apparatus expenses for each member of the family who is a person with disabilities, to the extent necessary to enable any member of the family (including the member who is a person with disabilities) to be employed. This deduction may not exceed the combined earned income received by family members who are 18 years of age or older and who are able to work because of such attendant care or auxiliary apparatus; and
4. Any reasonable childcare expenses necessary to enable a member of the family to be employed or to further his or her education.

This part covers policies related to these mandatory deductions. Verification requirements related to these deductions are found in Chapter 7.

## **Anticipating Expenses**

### MCHA Policy

Generally, the PHA will use current circumstances to anticipate expenses. When possible, for costs that are expected to fluctuate during the year (e.g., childcare during school and non-school periods and cyclical medical expenses), MCHA will estimate costs based on historic data and known future costs.

If a family has an accumulated debt for medical or disability assistance expenses, the MCHA will include as an eligible expense the portion of the debt that the family expects to pay during the period for which the income determination is being made. However, amounts previously deducted will not be allowed even if the amounts were not paid as expected in a preceding period. MCHA may require the family to provide documentation of payments made in the preceding year.

## **6-II.B. DEPENDENT DEDUCTION**

A deduction of \$480 is taken for each dependent, which will be adjusted annually and applies to a family's next annual or interim reexamination after the annual adjustment, whichever is sooner [ 24 CFR 5.611(a)(1)]. *Dependent* is defined as any family member other than the head, spouse, or cohead who is under the age of 18 or who is 18 or older and is a person with disabilities or a full-time student. Foster children, foster adults, and live-in aides are never considered dependents [24 CFR 5.603(b)].

## **6-II.C. ELDERLY OR DISABLED FAMILY DEDUCTION**

A single deduction of \$525 is taken for any elderly or disabled family and applies to a family's next annual or interim reexamination, whichever is sooner, after the date on which the PHA implements the new deduction. The amount of the deduction will be adjusted annually. [24 CFR 5.611(a)(2)]. An *elderly family* is a family whose head, spouse, cohead, or sole member is 62 years of age or older, and a *disabled family* is a family whose head, spouse, cohead, or sole member is a person with disabilities [24 CFR 5.403].

## **6-II.D. HEALTH AND MEDICAL CARE EXPENSES DEDUCTION [24 CFR 5.611(a)(3)(i)]**

Unreimbursed medical expenses may be deducted to the extent that, in combination with any disability assistance expenses, they exceed 10 percent of annual income.

The medical expense deduction is permitted only for families in which the head, spouse, or cohead is at least 62 or is a person with disabilities. If a family is eligible for a medical expense deduction, the medical expenses of all family members are counted [VG, p. 28].

## **Definition of *Health and Medical Care Expenses***

HUD regulations define *health and medical care expenses* at 24 CFR 5.603(b) include costs incurred for the diagnosis, cure, mitigation, treatment, or prevention of disease or payments for treatments affecting any structure or function of the body.

PHAs must review each expense to determine whether it is eligible in accordance with HUD's definition of health and medical care expenses.

Health and medical care expenses may be deducted from annual income only if they are eligible and not otherwise reimbursed and may only be deducted for elderly or disabled families.

## **Families That Qualify for Both Medical and Disability Assistance Expenses**

### MCHA Policy

This policy applies only to families in which the head, spouse, or cohead is 62 or older or is a person with disabilities.

When expenses anticipated by a family could be defined as either medical or disability assistance expenses, MCHA will consider them medical expenses unless it is clear that the expenses are incurred exclusively to enable a person with disabilities to work.

## **6-II.E. DISABILITY ASSISTANCE EXPENSES DEDUCTION [24 CFR 5.603(b) and 24 CFR 5.611(a)(3)(ii)]**

Unreimbursed reasonable expenses for attendant care and auxiliary apparatus for a disabled family member may be deducted if they: (1) are necessary to enable a family member 18 years or older to work, (2) are not paid to a family member or reimbursed by an outside source, (3) in combination with any medical expenses, exceed 10 percent of annual income, and (4) do not exceed the combined earned income received by the family member who is enabled to work.

### **Earned Income Limit on the Disability Assistance Expense Deduction**

A family can qualify for the disability assistance expense deduction only if at least one family member (who may be the person with disabilities) is enabled to work [24 CFR 5.603(b)].

The disability expense deduction is capped by the amount of "earned income received by family members who are 18 years of age or older and who are able to work" because of the expense [24 CFR 5.611(a)(3)(ii)]. The earned income used for this purpose is the amount verified before any income exclusions are applied.

### MCHA Policy

The family must identify the family members enabled to work as a result of the disability assistance expenses. In evaluating the family's request, MCHA will consider factors such as how the work schedule of the relevant family members relates to the hours of care provided, the time required for transportation, the relationship of the family members to the person with disabilities, and any special needs of the person with disabilities that might determine which family members are enabled to work.

MCHA determines that the disability assistance expenses enable more than one family member to work, the expenses will be capped by the sum of the family members' incomes.

### **Eligible Disability Expenses**

Examples of auxiliary apparatus are provided in the *HCV Guidebook* as follows: "Auxiliary apparatus are items such as wheelchairs, ramps, adaptations to vehicles, or special equipment to enable a blind person to read or type, but only if these items are directly related to permitting the disabled person or other family member to work" [HCV GB, p. 5-30].

HUD advises PHAs to further define and describe auxiliary apparatus [VG, p. 30].

### ***Eligible Auxiliary Apparatus***

## MCHA Policy

Expenses incurred for maintaining or repairing an auxiliary apparatus are eligible. In the case of an apparatus that is specially adapted to accommodate a person with disabilities (e.g., a vehicle or computer), the cost to maintain the special adaptations (but not maintenance of the apparatus itself) is an eligible expense. The cost of service animals trained to give assistance to persons with disabilities, including the cost of acquiring the animal, veterinary care, food, grooming, and other continuing costs of care, will be included.

### ***Eligible Attendant Care***

The family determines the type of attendant care that is appropriate for the person with disabilities. Attendant care can be 24-hour care, or care during sporadic periods throughout the day.

## MCHA Policy

Attendant care includes, but is not limited to, reasonable costs for home medical care, nursing services, in-home or center-based care services, interpreters for persons with hearing impairments, and readers for persons with visual disabilities.

Attendant care expenses will be included for the period that the person enabled to work is employed plus reasonable transportation time. The cost of general housekeeping and personal services is not an eligible attendant care expense. However, if the person enabled to work is the person with disabilities, personal services necessary to enable the person with disabilities to work are eligible.

If the care attendant also provides other services to the family, MCHA will prorate the cost and allow only that portion of the expenses attributable to attendant care that enables a family member to work. For example, if the care provider also cares for a child who is not the person with disabilities, the cost of care must be prorated. Unless otherwise specified by the care provider, the calculation will be based upon the number of hours spent in each activity and/or the number of persons under care.

### ***Payments to Family Members***

No disability assistance expenses may be deducted for payments to a member of an assisted family [24 CFR 5.603(b)]. However, expenses paid to a relative who is not a member of the assisted family may be deducted if they are not reimbursed by an outside source.

### **Necessary and Reasonable Expenses**

The family determines the type of care or auxiliary apparatus to be provided and must describe how the expenses enable a family member to work. The family must certify that the disability assistance expenses are necessary and are not paid or reimbursed by any other source.

## MCHA Policy

MCHA determines the reasonableness of the expenses based on typical costs of care or apparatus in the locality. To establish typical costs, MCHA will collect information from organizations that provide services and support to persons with disabilities. A family may present, and MCHA will consider, the family's justification for costs that exceed typical costs in the area.

### **Families That Qualify for Both Medical and Disability Assistance Expenses**

## MCHA Policy

This policy applies only to families in which the head or spouse is 62 or older or is a person with disabilities.

When expenses anticipated by a family could be defined as either medical or disability assistance expenses, MCHA will consider them medical expenses unless it is clear that the expenses are incurred exclusively to enable a person with disabilities to work.

**Hardship Exemptions for Health and Medical Care Expenses and Reasonable Attendant Care and Auxiliary Apparatus Expenses [24 CFR 5.611(c)(1), 5.611(c)(1)(D), 5.611(c)(2) and Notice PIH 2023-27]**

The threshold to deduct health and medical care expenses and reasonable attendant care and auxiliary apparatus expenses has been increased from an excess of 3 to an excess of 10 percent of annual income. Concurrently with this increase, the regulations provide financial hardship exemptions for unreimbursed health and medical care expenses, and for reasonable attendant care and auxiliary apparatus expenses for eligible families. A family will benefit from this hardship exemption only if the family has eligible expenses that can be deducted in excess of 5 percent of annual income. In order to claim **unreimbursed health and medical care expenses**, the family must have a head, co-head, or spouse that is elderly or a person with a disability. In order to claim **unreimbursed reasonable attendant care and auxiliary apparatus expenses**, the family must include a person with a disability, and the expenses must enable any member of the family (including the member who is a person with a disability) to be employed.

To initiate, extend, or conclude a hardship exemption only, the PHA will process and submit a non-interim reexamination transaction. Families may be eligible for relief under one of two categories; phased-in relief or general relief, as defined below.

**Note:** A family receiving phased-in relief may request to receive general hardship relief instead; **once a family chooses to obtain general relief, a family may no longer receive the phased-in relief.**

**Phased-In Relief [Notice PIH 2023-27]**

This section describes the phased-in relief for families affected by the statutory increase in the threshold to receive unreimbursed health and medical care and reasonable attendant care and auxiliary apparatus expense deductions from annual income.

All families who received a deduction for unreimbursed health and medical care and/or reasonable attendant care or auxiliary apparatus expenses based on their most recent income review prior to January 1, 2024, will begin receiving the 24-month phased-in relief at their next annual reexamination or interim reexamination, whichever occurs first after the date on which the PHA implements the phased-in relief. Families who receive phased-in relief will have eligible expenses deducted that exceed 5 percent of annual income for 12 months. Twelve months after the 5 percent phase-in began, families will have eligible expenses deducted that exceed 7.5 percent of annual income for the immediately following 12 months. After the family has completed the 24 months phase-in at the lower thresholds, as described above, the family will remain at the 10 percent threshold, unless the family qualifies for relief under the general hardship relief provision.

When an eligible family’s phased-in relief begins at an interim reexamination, the PHA will need to process another transaction one year later to move the family along to the next phase. The transaction can be either an interim reexamination if triggered, or a non-interim reexamination transaction. The following table demonstrates when the phased-in relief will begin and increase every 12 months during the 24-month phase-in period.

**Phased-In Relief Timing Table**

<b>Phased-in Relief Timing</b>	<b>In Excess Threshold Percentage for Families Receiving the Health and Medical Expenses and Reasonable Attendant Care and Auxiliary Apparatus Expense Deduction as of January 1, 2024</b>	<b>Reexamination Type</b>
First annual reexamination or interim reexamination, whichever occurs first on or after the date which the PHA	5 percent	Annual or Interim Reexamination

implements the phased-in relief		
Twelve months after the 5-percent phase-in began	7.5 percent	Annual Reexamination or Interim Reexamination. If no Interim Reexamination is triggered, then the PHA/MFH Owner processes with a noninterim transaction.
Twelve months after the 7.5-percent phase-in began	10 percent	Annual Reexamination or Interim Reexamination. If no Interim Reexamination is triggered, then the PHA/MFH Owner processes with a noninterim reexamination transaction.

The PHA **must** track the 24-month phase-period for each eligible family, even if a family’s expenses go below the appropriate phase-in percentage, during the first or second 12-month phase-in period. The phase-in must continue for families who move with continued assistance in the HCV program or port to another PHA. The family must receive phased-in relief if they are determined to be eligible as of January 1, 2024.

**General Relief [Notice PIH 2023-27]**

This section describes when a family is eligible for general relief related to the health and medical care expense and reasonable attendant care and auxiliary apparatus expense deduction.

To receive general relief, a family must demonstrate that the family’s unreimbursed health and medical care expenses or unreimbursed reasonable attendant care and auxiliary apparatus expenses increased, or the family’s financial hardship is a result of a change in circumstances that would not otherwise trigger an interim reexamination.

Relief is available regardless of whether the family previously received an unreimbursed health and medical care expense deduction, unreimbursed reasonable attendant care and auxiliary apparatus expense deduction, are currently receiving phased-in hardship relief, or were previously eligible for either this general relief or the phased-in relief.

If the PHA determines that a family is eligible for general relief, the family will receive a deduction for the sum of the eligible expenses that exceed 5 percent of annual income. The family’s hardship relief ends when the circumstances that made the family eligible for the relief are no longer applicable or after 90 days, whichever comes earlier. However, the PHA may, pursuant to their own discretionary policy, extend the relief for one or more additional 90-day periods while the family’s hardship condition continues.

MCHA Policy

The following circumstances will allow a family to qualify for a financial hardship and when deductions may be eligible for 90-day extensions:

- The family is awaiting an eligibility determination for a federal, state, or local assistance program, such as a determination for unemployment compensation or disability benefits;
- The family’s income decreased because of a loss of employment, death of a family member, or due to a natural federal/state declared disaster; or
- Other circumstances as determined by the PHA.

The PHA must not conduct an interim reexamination to add, remove, or to extend a hardship exemption, unless another change experienced by the family triggers an interim reexamination under the applicable regulation or in

accordance with the PHA discretionary policies on conducting interim reexaminations for adjusted income decreases that are less than ten percent. Instead, the PHA will process and submit a non-interim reexamination transaction.

## **6-II.F. CHILD CARE EXPENSE DEDUCTION**

Under 24 CFR 5.611(d), any reasonable child-care expenses necessary to enable a member of the family to be employed or to further their education are deducted from income. Reasonable child-care expenses are defined in 24 CFR 5.603(a) and are expenses for the care of children (including foster children if the unreimbursed child-care expenses are paid from the family's annual income and not from another source, such as a stipend from the child welfare agency), under 13 years of age, when all the following statements are true:

- The care is necessary to enable a family member to be employed or to further his or her education (e.g., work, look for work, or further their education (academic or vocational));
- The expense is not reimbursed by an agency or individual outside the household; and
- The amount deducted must not exceed the amount of employment income that is included in annual income.

### **Clarifying the Meaning of *Child* for This Deduction**

Child care expenses do not include child support payments made to another on behalf of a minor who is not living in an assisted family's household [VG, p. 26]. However, child care expenses for foster children that are living in the assisted family's household, are included when determining the family's child care expenses [HCV GB, p. 5-29].

### **Qualifying for the Deduction**

#### ***Determining Who Is Enabled to Pursue an Eligible Activity***

##### MCHA Policy

The family must identify the family member(s) enabled to pursue an eligible activity. The term *eligible activity* in this section means any of the activities that may make the family eligible for a child care deduction (seeking work, pursuing an education, or being gainfully employed).

In evaluating the family's request, MCHA will consider factors such as how the schedule for the claimed activity relates to the hours of care provided, the time required for transportation, the relationship of the family member(s) to the child, and any special needs of the child that might help determine which family member is enabled to pursue an eligible activity.

#### ***Seeking Work***

##### MCHA Policy

If the child care expense being claimed is to enable a family member to seek employment, the family must provide evidence of the family member's efforts to obtain employment at each reexamination. The deduction may be reduced or denied if the family member's job search efforts are not commensurate with the child care expense being allowed by the MCHA.

#### ***Furthering Education***

##### MCHA Policy

If the child care expense being claimed is to enable a family member to further his or her education, the member must be enrolled in school (academic or vocational) or participating in a formal training program. The family member is not required to be a full-time student, but the time spent in educational activities must be commensurate with the child care claimed.

#### ***Being Gainfully Employed***

## PHA Policy

If the child care expense being claimed is to enable a family member to be gainfully employed, the family must provide evidence of the family member's employment during the time that child care is being provided. Gainful employment is any legal work activity (full- or part-time) for which a family member is compensated.

### **Earned Income Limit on Child Care Expense Deduction**

When a family member looks for work or furthers his or her education, there is no cap on the amount that may be deducted for child care – although the care must still be necessary and reasonable. However, when child care enables a family member to work, the deduction is capped by “the amount of employment income that is included in annual income” [24 CFR 5.603(b)].

The earned income used for this purpose is the amount of earned income verified after any income exclusions are applied.

When the person who is enabled to work is a full-time student whose earned income above \$480 is excluded, child care costs related to enabling a family member to work may not exceed the portion of the person's earned income that actually is included in annual income.

The PHA must not limit the deduction to the least expensive type of child care. If the care allows the family to pursue more than one eligible activity, including work, the cap is calculated in proportion to the amount of time spent working [HCV GB, p. 5-30].

## MCHA Policy

When the child care expense being claimed is to enable a family member to work, only one family member's income will be considered for a given period of time. When more than one family member works during a given period, the PHA generally will limit allowable child care expenses to the earned income of the lowest-paid member. The family may provide information that supports a request to designate another family member as the person enabled to work.

### **Eligible Child Care Expenses**

The type of care to be provided is determined by the assisted family. The PHA may not refuse to give a family the child care expense deduction because there is an adult family member in the household that may be available to provide child care [VG, p. 26].

### ***Allowable Child Care Activities***

#### MCHA Policy

For school-age children, costs attributable to public or private school activities during standard school hours are not considered. Expenses incurred for supervised activities after school or during school holidays (e.g., summer day camp, after-school sports league) are allowable forms of child care.

The costs of general housekeeping and personal services are not eligible. Likewise, child care expenses paid to a family member who lives in the family's unit are not eligible; however, payments for child care to relatives who do not live in the unit are eligible.

If a child care provider also renders other services to a family or child care is used to enable a family member to conduct activities that are not eligible for consideration, the PHA will prorate the costs and allow only that portion of the expenses that is attributable to child care for eligible activities. For example, if the care provider also cares for a child with disabilities who is 13 or older, the cost of care will be prorated. Unless otherwise specified by the child care provider, the calculation will be based upon the number of hours spent in each activity and/or the number of persons under care.

### ***Necessary and Reasonable Costs***

Child care expenses will be considered necessary if: (1) a family adequately explains how the care enables a family member to work, actively seek employment, or further his or her education, and (2) the family certifies, and the child care provider verifies, that the expenses are not paid or reimbursed by any other source.

#### **MCHA Policy**

Child care expenses will be considered for the time required for the eligible activity plus reasonable transportation time. For child care that enables a family member to go to school, the time allowed may include not more than one study hour for each hour spent in class.

To establish the reasonableness of child care costs, MCHA will use the schedule of child care costs from the local welfare agency. Families may present, and MCHA will consider, justification for costs that exceed typical costs in the area.

### **Child Care Expenses Hardship Exemption Policy Requirements [24 CFR 5.611(d) and 5.611(e), Notice PIH 2023-27]**

A family whose eligibility for the child-care expense deduction **is ending** may receive a hardship exemption to continue receiving a child-care expense deduction in certain circumstances when the family no longer has a member that is working, looking for work, or seeking to further their education, and the deduction is necessary because the family is unable to pay their rent.

When a family requests a hardship exemption to continue receiving a child-care expense deduction that is ending, the PHA must recalculate the family's adjusted income and continue the child-care deduction if the family demonstrates to the PHA's satisfaction that the family is unable to pay their rent because of loss of the child-care expense deduction and the child-care expense is still necessary even though the family member is no longer working, looking for work, or furthering their education. The hardship exemption and the resulting alternative adjusted income calculation must remain in place for a period of up to 90 days. The PHA, at their discretion, may extend such hardship exemptions for additional 90-day periods based on family circumstances.

To initiate, extend or conclude a hardship exemption, the PHA will submit a non-interim transaction code on form HUD-50058, unless there is an accompanying event that triggers an interim reexamination.

#### **MCHA Policy**

The following circumstances will allow a family to qualify for the hardship exemption on a childcare expense deduction that is ending and when deductions may be eligible for 90-day extensions:

- The family is unable to pay rent due to experiencing unanticipated expenses that have affected their ability to pay rent and is more than 45 percent of the family's adjusted income.
- The family is awaiting an eligibility determination for a federal, state, or local assistance program, such as a determination for unemployment compensation or disability benefits;
- The family's income decreased due to the death of a family member, or due to a natural federal/state declared disaster

MCHA may extend the hardship relief for additional 90-day periods if the hardship continues to affect the family. MCHA must obtain third-party verification of the family's inability to pay rent prior to the end of the 90-day period.

### ***Family Notification of Hardship Exemption***

The PHA must promptly notify families in writing of the change in the determination of adjusted income and the family's rent resulting from the application of the hardship exemption. The written notice must also inform

the family of the dates that the hardship exemption will begin and expire and the requirement for the family to report to the PHA, within 10 days, if the circumstances that made the family eligible for relief are no longer applicable. The notice must also state that the family's adjusted income and tenant rent will be recalculated upon expiration of the hardship exemption. The PHA must provide families 30 days' notice of any increase in rent.

### ***Family Notification of Hardship Denial***

The PHA must promptly notify families in writing if they are denied either an initial hardship exemption or an additional 90-day extension of the exemption. The notification must specifically state the reason for the denial.

### ***Family Notification of Hardship Exemption Termination***

The PHA must notify the family if the hardship exemption is no longer necessary and will be terminated because the circumstances that made the family eligible for the exemption are no longer applicable. The notice must state the termination date and provide 30 days' notice of rent increase, if applicable.

## **PART III: CALCULATING FAMILY SHARE AND PHA SUBSIDY**

### **6-III.A. OVERVIEW OF RENT AND SUBSIDY CALCULATIONS**

#### **TTP Formula [24 CFR 5.628]**

HUD regulations specify the formula for calculating the total tenant payment (TTP) for an assisted family. TTP is the highest of the following amounts, rounded to the nearest dollar:

- 30 percent of the family's monthly adjusted income (adjusted income is defined in Part II)
- 10 percent of the family's monthly gross income (annual income, as defined in Part I, divided by 12)
- The welfare rent (in as-paid states only)
- A minimum rent between \$0 and \$50 that is established by the PHA

The PHA has authority to suspend and exempt families from minimum rent when a financial hardship exists, as defined in section 6-III.B.

The amount that a family pays for rent and utilities (the family share) will never be less than the family's TTP but may be greater than the TTP depending on the rent charged for the unit the family selects.

#### ***Welfare Rent [24 CFR 5.628]***

##### **MCHA Policy**

Welfare rent does not apply in this locality.

#### ***Minimum Rent [24 CFR 5.630]***

##### **MCHA Policy**

The minimum rent for this locality is \$50.

#### **Family Share [24 CFR 982.305(a)(5)]**

If a family chooses a unit with a gross rent (rent to owner plus an allowance for tenant-paid utilities) that exceeds the PHA's applicable payment standard: (1) the family will pay more than the TTP, and (2) at initial occupancy the PHA may not approve the tenancy if it would require the family share to exceed 40 percent of the family's monthly adjusted income. The income used for this determination must have been verified no earlier than 60 days before the family's voucher was issued. (For a discussion of the application of payment standards, see section 6-III.C.)

## **PHA Subsidy [24 CFR 982.505(b)]**

The PHA will pay a monthly housing assistance payment (HAP) for a family that is equal to the lower of (1) the applicable payment standard for the family minus the family's TTP or (2) the gross rent for the family's unit minus the TTP. (For a discussion of the application of payment standards, see section 6-III.C.)

## **Utility Reimbursement [24 CFR 982.514(b)]**

When the PHA subsidy for a family exceeds the rent to owner, the family is due a utility reimbursement. HUD permits the PHA to pay the reimbursement to the family or directly to the utility provider.

### MCHA Policy

MCHA will make utility reimbursements to the family.

## **6-III.B. FINANCIAL HARDSHIPS AFFECTING MINIMUM RENT [24 CFR 5.630]**

### **Overview**

If the PHA establishes a minimum rent greater than zero, the PHA must grant an exemption from the minimum rent if a family is unable to pay the minimum rent because of financial hardship.

The financial hardship exemption applies only to families required to pay the minimum rent. If a family's TTP is higher than the minimum rent, the family is not eligible for a hardship exemption. If the PHA determines that a hardship exists, the family share is the highest of the remaining components of the family's calculated TTP.

### **HUD-Defined Financial Hardship**

Financial hardship includes the following situations:

1. The family has lost eligibility for or is awaiting an eligibility determination for a federal, state, or local assistance program. This includes a family member who is a noncitizen lawfully admitted for permanent residence under the Immigration and Nationality Act who would be entitled to public benefits but for Title IV of the Personal Responsibility and Work Opportunity Act of 1996.

### MCHA Policy

A hardship will be considered to exist only if the loss of eligibility has an impact on the family's ability to pay the minimum rent.

For a family waiting for a determination of eligibility, the hardship period will end as of the first of the month following: (1) implementation of assistance, if approved, or (2) the decision to deny assistance. A family whose request for assistance is denied may request a hardship exemption based upon one of the other allowable hardship circumstances.

2. The family would be evicted because it is unable to pay the minimum rent.

### MCHA Policy

For a family to qualify under this provision, the cause of the potential eviction must be the family's failure to pay rent to the owner or tenant-paid utilities.

Family income has decreased because of changed family circumstances, including the loss of employment.

3. A death has occurred in the family.

### MCHA Policy

In order to qualify under this provision, a family must describe how the death has created a financial hardship (e.g., because of funeral-related expenses or the loss of the family member's income).

4. The family has experienced other circumstances determined by the PHA.

### MCHA Policy

The PHA has not established any additional hardship criteria.

## **Implementation of Hardship Exemption**

### ***Determination of Hardship***

When a family requests a financial hardship exemption, the PHA must suspend the minimum rent requirement beginning the first of the month following the family's request.

The PHA then determines whether the financial hardship exists and whether the hardship is temporary or long-term.

#### MCHA Policy

The PHA defines temporary hardship as a hardship expected to last 90 days or less. Long-term hardship is defined as a hardship expected to last more than 90 days.

When the minimum rent is suspended, the family share reverts to the highest of the remaining components of the calculated TTP. The example below demonstrates the effect of the minimum rent exemption.

<b>Example: Impact of Minimum Rent Exemption</b>	
Assume the PHA has established a minimum rent of \$35.	
<b>Family Share – No Hardship</b>	<b>Family Share – With Hardship</b>
\$0 30% of monthly adjusted income	\$0 30% of monthly adjusted income
\$15 10% of monthly gross income	\$15 10% of monthly gross income
N/A Welfare rent	N/A Welfare rent
\$35 Minimum rent	\$35 Minimum rent
Minimum rent applies. TTP = \$35	Hardship exemption granted. TTP = \$15

#### MCHA Policy

To qualify for a hardship exemption, a family must submit a request for a hardship exemption in writing. The request must explain the nature of the hardship and how the hardship has affected the family's ability to pay the minimum rent.

The PHA will make the determination of hardship within 30 calendar days.

### ***No Financial Hardship***

If the PHA determines there is no financial hardship, the PHA will reinstate the minimum rent and require the family to repay the amounts suspended.

#### MCHA Policy

MCHA will require the family to repay the suspended amount within 30 calendar days of MCHA's notice that a hardship exemption has not been granted.

### ***Temporary Hardship***

If the PHA determines that a qualifying financial hardship is temporary, the PHA must suspend the minimum rent for the 90-day period beginning the first of the month following the date of the family's request for a hardship exemption.

At the end of the 90-day suspension period, the family must resume payment of the minimum rent and must repay the PHA the amounts suspended. HUD requires the PHA to offer a reasonable repayment agreement, on terms and conditions established by the PHA. The PHA also may determine that circumstances have changed and the hardship is now a long-term hardship.

#### MCHA Policy

The PHA will enter into a repayment agreement in accordance with the procedures found in Chapter 16 of this plan.

#### ***Long-Term Hardship***

If the PHA determines that the financial hardship is long-term, the PHA must exempt the family from the minimum rent requirement for so long as the hardship continues. The exemption will apply from the first of the month following the family's request until the end of the qualifying hardship. When the financial hardship has been determined to be long-term, the family is not required to repay the minimum rent.

#### MCHA Policy

The hardship period ends when any of the following circumstances apply:

1. For hardship conditions based on loss of income, the hardship condition will continue to be recognized until the family receives a minimum income of \$200 per month.
2. For hardship conditions based upon death within the family, the minimum rent exemption will continue to be recognized until the cumulative amount exempted is equal to the expense incurred.

### **6-III.C. APPLYING PAYMENT STANDARDS [24 CFR 982.505]**

#### **Overview**

The PHA's schedule of payment standards is used to calculate housing assistance payments for HCV families. This section covers the application of the PHA's payment standards. The establishment and revision of the PHA's payment standard schedule are covered in Chapter 16.

*Payment standard* is defined as "the maximum monthly assistance payment for a family assisted in the voucher program (before deducting the total tenant payment by the family)" [24 CFR 982.4(b)].

The payment standard for a family is the lower of (1) the payment standard for the family unit size, which is defined as the appropriate number of bedrooms for the family under the PHA's subsidy standards [24 CFR 982.4(b)], or (2) the payment standard for the size of the dwelling unit rented by the family.

If the PHA has established an exception payment standard for a designated part of an FMR area and a family's unit is located in the exception area, the PHA must use the appropriate payment standard for the exception area.

The PHA is required to pay a monthly housing assistance payment (HAP) for a family that is the lower of (1) the payment standard for the family minus the family's TTP or (2) the gross rent for the family's unit minus the TTP.

If during the term of the HAP contract for a family's unit, the owner lowers the rent, the PHA will recalculate the HAP using the lower of the initial payment standard or the gross rent for the unit [HCV GB, p. 7-8].

#### **Changes in Payment Standards**

When the PHA revises its payment standards during the term of the HAP contract for a family's unit, it will apply the new payment standards in accordance with HUD regulations.

#### ***Decreases***

The final rule amends the voucher program regulations at 24 CFR §982.505(c)(3) to reflect the change made by HOTMA, providing PHAs with three options for applying a decrease in the payment standard amount to families under HAP contract on the effective date of the decrease in the payment standard amount.

Specifically, a PHA may adopt one of the policies listed below if there is a decrease to the payment standard schedule during the term of a family's HAP contract:

- (i) *Hold harmless — no reduction in subsidy.* A PHA may continue to use the existing higher payment standard for the family's subsidy calculation for as long as the family continues to receive the voucher assistance in that unit.
- (ii) *Gradual reduction in subsidy.* A PHA may gradually reduce the payment standard amount used to calculate the family's subsidy, phasing in the reduction. The initial reduction in payment standard cannot take place before the effective date of the family's second regular reexamination following the effective date of the decrease in payment standard. Phased-in reductions may proceed annually from the second regular reexamination until the payment standard amount for the family meets the normally applicable payment standard amount on the PHA's voucher payment standard schedule.
- (iii) *No change in policy.* A PHA may continue to use the lower payment standard to calculate the family's HAP beginning at the effective date of the family's second regular reexamination following the effective date of the decrease in the payment standard.

#### MCHA Policy

MCHA will follow the *Hold Harmless – no reduction in subsidy* option.

MCHA will hold a family harmless in cases where the family remains in its unit and is continuously assisted under the HCV program (i.e., there is no break in HCV assistance provided on behalf of the family). Execution of a new HAP contract would not alter the hold harmless policy.

#### ***Increases***

If the payment standard is increased during the term of the HAP contract, the increased payment standard will be used to calculate the monthly housing assistance payment for the family beginning on the effective date of the family's first regular reexamination on or after the effective date of the increase in the payment standard.

Families requiring or requesting interim reexaminations will not have their HAP payments calculated using the higher payment standard until their next annual reexamination [HCV GB, p. 7-8].

#### ***Changes in Family Unit Size***

Irrespective of any increase or decrease in the payment standard, if the family unit size increases or decreases during the HAP contract term, the new family unit size must be used to determine the payment standard for the family beginning at the family's first regular reexamination following the change in family unit size.

#### **Reasonable Accommodation**

If a family requires a higher payment standard as a reasonable accommodation for a family member who is a person with disabilities, the PHA is allowed to establish a higher payment standard for the family within the basic range.

### **6-III.D. APPLYING UTILITY ALLOWANCES [24 CFR 982.517]**

#### **Overview**

A PHA-established utility allowance schedule is used in determining family share and PHA subsidy. The PHA must use the appropriate utility allowance for the size of dwelling unit actually leased by a family rather than the voucher unit size for which the family qualifies using PHA subsidy standards. See Chapter 5 for information on the PHA's subsidy standards.

For policies on establishing and updating utility allowances, see Chapter 16.

## Reasonable Accommodation

HCV program regulations require a PHA to approve a utility allowance amount higher than shown on the PHA's schedule if a higher allowance is needed as a reasonable accommodation for a family member with a disability. For example, if a family member with a disability requires such an accommodation, the PHA will approve an allowance for air-conditioning, even if the PHA has determined that an allowance for air-conditioning generally is not needed.

The family must request the higher allowance and provide the PHA with an explanation of the need for the reasonable accommodation and information about the amount of additional allowance required [HCV GB, p. 18-8].

## Utility Allowance Revisions

At reexamination, the PHA must use the PHA current utility allowance schedule [24 CFR 982.517(d)(2)].

### MCHA Policy

Revised utility allowances will be applied to a family's rent and subsidy calculations at the first annual reexamination that is effective after the allowance is adopted.

## 6-III.E. PRORATED ASSISTANCE FOR MIXED FAMILIES [24 CFR 5.520]

HUD regulations prohibit assistance to ineligible family members. A *mixed family* is one that includes at least one U.S. citizen or eligible immigrant and any number of ineligible family members. The PHA must prorate the assistance provided to a mixed family. The PHA will first determine assistance as if all family members were eligible and then prorate the assistance based upon the percentage of family members that actually are eligible. For example, if the PHA subsidy for a family is calculated at \$500 and two of four family members are ineligible, the PHA subsidy would be reduced to \$250.

## EXHIBIT 6-1: ANNUAL INCOME INCLUSIONS

**24 CFR 5.609.** *Annual income includes, with respect to the family:*

- 1) All amounts, not specifically excluded received from all sources by each member of the family who is 18 years of age or older or is the head of household or spouse of the head of household, plus unearned income by or on behalf of each dependent who is under 18 years of age, and
- 2) When the value of net family assets exceeds \$50,000 (which amount HUD will adjust annually in accordance with the Consumer Price Index for Urban Wage Earners and Clerical Workers) and the actual returns from a given asset cannot be calculated, imputed returns on the asset based on the current passbook savings rate, as determined by HUD.

<b>HHS DEFINITION OF "ASSISTANCE"</b>
---------------------------------------

### **45 CFR: GENERAL TEMPORARY ASSISTANCE FOR NEEDY FAMILIES**

#### **260.31 What does the term "assistance" mean?**

**EXHIBIT 6-2: ANNUAL INCOME EXCLUSIONS 24 CFR 5.609**

*(b) Annual income does not include the following:*

- 1) Any imputed return on an asset when net family assets total \$50,000 or less (which amount HUD will adjust annually in accordance with the Consumer Price Index for Urban Wage Earners and Clerical Workers) and no actual income from the net family assets can be determined.
- 2) The following types of trust distributions:
  - (i) For an irrevocable trust or a revocable trust outside the control of the family or household excluded from the definition of net family assets under § 5.603(b):

- 8) Income of a live-in aide, foster child, or foster adult as defined in §§ 5.403 and 5.603, respectively.
- 9) (i) Any assistance that section 479B of the Higher Education Act of 1965, as amended (20 U.S.C. 1087uu), requires be excluded from a family's income; and
  - (ii) Student financial assistance for tuition, books, and supplies (including supplies and equipment to support students with learning disabilities or other disabilities), room and board, and other fees required and charged to a student by an institution of higher education (as defined under Section 102 of the Higher Education Act of 1965 (20 U.S.C. 1002)) and, for a student who is not the head of household or spouse, the reasonable and actual costs of housing while attending the institution of higher education and not residing in an assisted unit.
    - A. Student financial assistance, for purposes of this paragraph (9)(ii), means a grant or scholarship received from—
      - (1) The Federal government;
      - (2) A State, Tribe, or local government;
      - (3) A private foundation registered as a nonprofit under 26 U.S.C. 501(c)(3);
      - (4) A business entity (such as corporation, general partnership, limited liability company, limited partnership, joint venture, business trust, public benefit corporation, or nonprofit entity); or
      - (5) An institution of higher education.
    - B. Student financial assistance, for purposes of this paragraph (9)(ii), does not include
      - (1) Any assistance that is excluded pursuant to paragraph (b)(9)(i) of this section;
      - (2) Financial support provided to the student in the form of a fee for services performed (*e.g.*, a work study or teaching fellowship that is not excluded pursuant to paragraph (b)(9)(i) of this section);
      - (3) Gifts, including gifts from family or friends; or
      - (4) Any amount of the scholarship or grant that, either by itself or in combination with assistance excluded under this paragraph or paragraph (b)(9)(i), exceeds the actual covered costs of the student. The actual covered costs of the student are the actual costs of tuition, books and supplies (including supplies and equipment to support students with learning disabilities or other disabilities), room and board, or other fees required and charged to a student by the education institution, and, for a student who is not the head of household or spouse, the reasonable and actual costs of housing while attending the institution of higher education and not residing in an assisted unit. This calculation is described further in paragraph (b)(9)(ii)(E) of this section.
    - C. Student financial assistance, for purposes of this paragraph (b)(9)(ii) must be:
      - (1) Expressly for tuition, books, room and board, or other fees required and charged to a student by the education institution;
      - (2) Expressly to assist a student with the costs of higher education; or
      - (3) Expressly to assist a student who is not the head of household or spouse with the reasonable and actual costs of housing while attending the education institution and not residing in an assisted unit.

- D. Student financial assistance, for purposes of this paragraph (b)(9)(ii), may be paid directly to the student or to the educational institution on the student's behalf. Student financial assistance paid to the student must be verified by the responsible entity as student financial assistance consistent with this paragraph (b)(9)(ii).
- E. When the student is also receiving assistance excluded under paragraph (b)(9)(i) of this section, the amount of student financial assistance under this paragraph (b)(9)(ii) is determined as follows:
- (1) If the amount of assistance excluded under paragraph (b)(9)(i) of this section is equal to or exceeds the actual covered costs under paragraph (b)(9)(ii)(B)(4) of this section, none of the assistance described in this paragraph (b)(9)(ii) of this section is considered student financial assistance excluded from income under this paragraph (b)(9)(ii)(E).
  - (2) If the amount of assistance excluded under paragraph (b)(9)(i) of this section is less than the actual covered costs under paragraph (b)(9)(ii)(B)(4) of this section, the amount of assistance described in paragraph (b)(9)(ii) of this section that is considered student financial assistance excluded under this paragraph is the lower of:
    - (i) the total amount of student financial assistance received under this paragraph (b)(9)(ii) of this section, or
    - (ii) the amount by which the actual covered costs under paragraph (b)(9)(ii)(B)(4) of this section exceeds the assistance excluded under paragraph (b)(9)(i) of this section.
- 10) Income and distributions from any Coverdell education savings account under section 530 of the Internal Revenue Code of 1986 or any qualified tuition program under section 529 of such Code; and income earned by government contributions to, and distributions from, "baby bond" accounts created, authorized, or funded by Federal, State, or local government.
- 11) The special pay to a family member serving in the Armed Forces who is exposed to hostile fire.
- 12) (i) Amounts received by a person with a disability that are disregarded for a limited time for purposes of Supplemental Security Income eligibility and benefits because they are set aside for use under a Plan to Attain Self-Sufficiency (PASS);
- (ii) Amounts received by a participant in other publicly assisted programs which are specifically for or in reimbursement of out-of-pocket expenses incurred (*e.g.*, special equipment, clothing, transportation, child care, etc.) and which are made solely to allow participation in a specific program;
- (iii) Amounts received under a resident service stipend not to exceed \$200 per month. A resident service stipend is a modest amount received by a resident for performing a service for the PHA or owner, on a part-time basis, that enhances the quality of life in the development.
- (iv) Incremental earnings and benefits resulting to any family member from participation in training programs funded by HUD or in qualifying Federal, State, Tribal, or local employment training programs (including training programs not affiliated with a local government) and training of a family member as resident management staff. Amounts excluded by this provision must be received under employment training programs with clearly defined goals and objectives and are excluded only for the period during which the family member participates in the employment training program unless those amounts are excluded under paragraph (b)(9)(i) of this section.
- (13) Reparation payments paid by a foreign government pursuant to claims filed under the laws of that government by persons who were persecuted during the Nazi era.
- (14) Earned income of dependent full-time students in excess of the amount of the deduction for a dependent in § 5.611.

Authorized payments may include payments to a member of the assisted family through the State Medicaid agency (including through a managed care entity) or other State or Federal agency for caregiving services the family member provides to enable a family member who has a disability to reside in the family's assisted unit.
- (20) Loan proceeds (the net amount disbursed by a lender to or on behalf of a borrower, under the terms of a loan agreement) received by the family or a third party (*e.g.*, proceeds received by the family from a private loan to enable attendance at an educational institution or to finance the purchase of a car).
- (21) Payments received by Tribal members as a result of claims relating to the mismanagement of assets held in trust by the United States, to the extent such payments are also excluded from gross income under the Internal Revenue Code or other Federal law.
- (22) Amounts that HUD is required by Federal statute to exclude from consideration as income for purposes of determining eligibility or benefits under a category of assistance programs that includes assistance under any program to which the exclusions set forth in paragraph (b) of this section apply. HUD will publish a notice in the Federal Register to identify the benefits that qualify for this exclusion. Updates will be published when necessary.
- (23) Replacement housing “gap” payments made in accordance with 49 CFR part 24 that offset increased out of pocket costs of displaced persons that move from one federally subsidized housing unit to another Federally subsidized housing unit. Such replacement housing “gap” payments are not excluded from annual income if the increased cost of rent and utilities is subsequently reduced or eliminated, and the displaced person retains or continues to receive the replacement housing “gap” payments.
- (24) Nonrecurring income, which is income that will not be repeated in the coming year based on information provided by the family. Income received as an independent contractor, day laborer, or seasonal worker is not excluded from income under this paragraph, even if the source, date, or amount of the income varies. Nonrecurring income includes:
  - (i) Payments from the U.S. Census Bureau for employment (relating to decennial census or the American Community Survey) lasting no longer than 180 days and not culminating in permanent employment.
  - (ii) Direct Federal or State payments intended for economic stimulus or recovery.
  - (iii) Amounts directly received by the family as a result of State refundable tax credits or State tax refunds at the time they are received.
  - (iv) Amounts directly received by the family as a result of Federal refundable tax credits and Federal tax refunds at the time they are received

- (v) Gifts for holidays, birthdays, or other significant life events or milestones (*e.g.*, wedding gifts, baby showers, anniversaries).
  - (vi) Non-monetary, in-kind donations, such as food, clothing, or toiletries, received from a food bank or similar organization.
  - (vii) Lump-sum additions to net family assets, including but not limited to lottery or other contest winnings.
- (25) Civil rights settlements or judgments, including settlements or judgments for back pay.
  - (26) Income received from any account under a retirement plan recognized as such by the Internal Revenue Service, including individual retirement arrangements (IRAs), employer retirement plans, and retirement plans for self-employed individuals; except that any distribution of periodic payments from such accounts shall be income at the time they are received by the family.
  - (27) Income earned on amounts placed in a family's Family Self Sufficiency Account.
  - (28) Gross income a family member receives through self-employment or operation of a business; except that the following shall be considered income to a family member:
    - (i) Net income from the operation of a business or profession. Expenditures for business expansion or amortization of capital indebtedness shall not be used as deductions in determining net income. An allowance for depreciation of assets used in a business or profession may be deducted, based on straight line depreciation, as provided in Internal Revenue Service regulations; and
    - (ii) Any withdrawal of cash or assets from the operation of a business or profession will be included in income, except to the extent the withdrawal is reimbursement of cash or assets invested in the operation by the family.

<b>EXHIBIT 6-3: TREATMENT OF FAMILY ASSETS</b>
--

**24 CFR 5.603(b) Net Family Assets**

- (1) Net cash value of all assets owned by the family, after deducting reasonable costs that would be incurred in disposing of real property, savings, stocks, bonds, and other forms of capital investment.
- (2) In determining net family assets, PHAs or owners, as applicable, must include the value of any business or family assets disposed of by an applicant or tenant for less than fair market value (including a disposition in trust, but not in a foreclosure or bankruptcy sale) during the two years preceding the date of application for the program or reexamination, as applicable, in excess of the consideration received therefor. In the case of a disposition as part of a separation or divorce settlement, the disposition will not be considered to be for less than fair market value if the applicant or tenant receives consideration not measurable in dollar terms. Negative equity in real property or other investments does not prohibit the owner from selling the property or other investments, so negative equity alone would not justify excluding the property or other investments from family assets.
- (3) Excluded from the calculation of net family assets are:
  - (i) The value of necessary items of personal property;
  - (ii) The combined value of all non-necessary items of personal property if the combined total value does not exceed \$50,000 (which amount will be adjusted by HUD in accordance with the Consumer Price Index for Urban Wage Earners and Clerical Workers);
  - (iii) The value of any account under a retirement plan recognized as such by the Internal Revenue Service, including individual retirement arrangements (IRAs), employer retirement plans, and retirement plans for self-employed individuals;
  - (iv) The value of real property that the family does not have the effective legal authority to sell in the jurisdiction in which the property is located;

- (v) Any amounts recovered in any civil action or settlement based on a claim of malpractice, negligence, or other breach of duty owed to a family member arising out of law, that resulted in a family member being a person with a disability;
  - (vi) The value of any Coverdell education savings account under section 530 of the Internal Revenue Code of 1986, the value of any qualified tuition program under section 529 of such Code, the value of any Achieving a Better Life Experience (ABLE) account authorized under Section 529A of such Code, and the value of any "baby bond" account created, authorized, or funded by Federal, State, or local government.
  - (vii) Interests in Indian trust land;
  - (viii) Equity in a manufactured home where the family receives assistance under 24 CFR part 982;
  - (ix) Equity in property under the Homeownership Option for which a family receives assistance under 24 CFR part 982;
  - (x) Family Self-Sufficiency Accounts; and
  - (xi) Federal tax refunds or refundable tax credits for a period of 12 months after receipt by the family.
- (4) In cases where a trust fund has been established and the trust is not revocable by, or under the control of, any member of the family or household, the trust fund is not a family asset and the value of the trust is not included in the calculation of net family assets, so long as the fund continues to be held in a trust that is not revocable by, or under the control of, any member of the family or household.

<b>EXHIBIT 6-5: THE EFFECT OF WELFARE BENEFIT REDUCTION</b>
---

**24 CFR 5.615**

**Public housing program and Section 8 tenant-based assistance program: How welfare benefit reduction affects family income.**

- a. *Applicability.* This section applies to covered families who reside in public housing (part 960 of this title) or receive Section 8 tenant-based assistance (part 982 of this title).
- b. *Definitions.* The following definitions apply for purposes of this section

*Covered families.* Families who receive welfare assistance or other public assistance benefits ("welfare benefits") from a State or other public agency ("welfare agency") under a program for which Federal, State, or local law requires that a member of the family must participate in an economic self-sufficiency program as a condition for such assistance.

*Economic self-sufficiency program.* See definition at Sec. 5.603.

*Imputed welfare income.* The amount of annual income not actually received by a family, as a result of a specified welfare benefit reduction, that is nonetheless included in the family's annual income for purposes of determining rent.

*Specified welfare benefit reduction.*

- (1) A reduction of welfare benefits by the welfare agency, in whole or in part, for a family member, as determined by the welfare agency, because of fraud by a family member in connection with the welfare program; or because of welfare agency sanction against a family member for noncompliance with a welfare agency requirement to participate in an economic self-sufficiency program.
- (2) "Specified welfare benefit reduction" does not include a reduction or termination of welfare benefits by the welfare agency:
  - (i) at expiration of a lifetime or other time limit on the payment of welfare benefits;
  - (ii) because a family member is not able to obtain employment, even though the family member has complied with welfare agency economic self-sufficiency or work activities requirements; or
  - (iii) because a family member has not complied with other welfare agency requirements.

- c. *Imputed welfare income.*

- (1) A family's annual income includes the amount of imputed welfare income (because of a specified welfare benefits reduction, as specified in notice to the PHA by the welfare agency), plus the total amount of other annual income as determined in accordance with Sec. 5.609.
- (2) At the request of the PHA, the welfare agency will inform the PHA in writing of the amount and term of any specified welfare benefit reduction for a family member, and the reason for such reduction, and will also inform the PHA of any subsequent changes in the term or amount of such specified welfare benefit reduction. The PHA will use this information to determine the amount of imputed welfare income for a family.
- (3) A family's annual income includes imputed welfare income in family annual income, as determined at the PHA's interim or regular reexamination of family income and composition, during the term of the welfare benefits reduction (as specified in information provided to the PHA by the welfare agency).
- (4) The amount of the imputed welfare income is offset by the amount of additional income a family receives that commences after the time the sanction was imposed. When such additional income from other sources is at least equal to the imputed
- (5) The PHA may not include imputed welfare income in annual income if the family was not an assisted resident at the time of sanction.

*d. Review of PHA decision.*

- (1) Public housing. If a public housing tenant claims that the PHA has not correctly calculated the amount of imputed welfare income in accordance with HUD requirements, and if the PHA denies the family's request to modify such amount, the PHA shall give the tenant written notice of such denial, with a brief explanation of the basis for the PHA determination of the amount of imputed welfare income. The PHA notice shall also state that if the tenant does not agree with the PHA determination, the tenant may request a grievance hearing in accordance with part 966, subpart B of this title to review the PHA determination. The tenant is not required to pay an escrow deposit pursuant to Sec. 966.55(e) for the portion of tenant rent attributable to the imputed welfare income in order to obtain a grievance hearing on the PHA determination.
- (2) Section 8 participant. A participant in the Section 8 tenant-based assistance program may request an informal hearing, in accordance with Sec. 982.555 of this title, to review the PHA determination of the amount of imputed welfare income that must be included in the family's annual income in accordance with this section. If the family claims that such amount is not correctly calculated in accordance with HUD requirements, and if the PHA denies the family's request to modify such amount, the PHA shall give the family written notice of such denial, with a brief explanation of the basis for the PHA determination of the amount of imputed welfare income. Such notice shall also state that if the family does not agree with the PHA determination, the family may request an informal hearing on the determination under the PHA hearing procedure.

*e. PHA relation with welfare agency.*

- (1) The PHA must ask welfare agencies to inform the PHA of any specified welfare benefits reduction for a family member, the reason for such reduction, the term of any such reduction, and any subsequent welfare agency determination affecting the amount or term of a specified welfare benefits reduction. If the welfare agency determines a specified welfare benefits reduction for a family member, and gives the PHA written notice of such reduction, the family's annual incomes shall include the imputed welfare income because of the specified welfare benefits reduction.
- (2) The PHA is responsible for determining the amount of imputed welfare income that is included in the family's annual income as a result of a specified welfare benefits reduction as determined by the welfare agency, and specified in the notice by the welfare agency to the PHA. However, the PHA is not responsible for determining whether a reduction of welfare benefits by the welfare agency was correctly determined by the welfare agency in accordance with welfare program requirements and procedures, nor for providing the opportunity for review or hearing on such welfare agency determinations.

- (3) Such welfare agency determinations are the responsibility of the welfare agency, and the family may seek appeal of such determinations through the welfare agency's normal due process procedures. The PHA shall be entitled to rely on the welfare agency notice to the PHA of the welfare agency's determination of a specified welfare benefits reduction.

## **Chapter 7**

### **VERIFICATION**

[24 CFR 982.516, 24 CFR 982.551, 24 CFR 5.230, Notice PIH 2010-191]

#### **INTRODUCTION**

The PHA must verify all information that is used to establish the family's eligibility and level of assistance and is required to obtain the family's consent to collect the information. Applicants and program participants must cooperate with the verification process as a condition of receiving assistance. The PHA must not pass on the cost of verification to the family.

The PHA will follow the verification guidance provided by HUD in PIH Notice 2010-19 and any subsequent guidance issued by HUD. This chapter summarizes those requirements and provides supplementary PHA policies.

Part I describes the general verification process. More detailed requirements related to individual factors are provided in subsequent parts including family information (Part II), income and assets (Part III), and mandatory deductions (Part IV).

Verification policies, rules and procedures will be modified as needed to accommodate persons with disabilities. All information obtained through the verification process will be handled in accordance with the records management policies of the PHA.

#### **PART I: GENERAL VERIFICATION REQUIREMENTS**

##### **7-I.A. FAMILY CONSENT TO RELEASE OF INFORMATION [24 CFR 982.516 AND 982.551, 24 CFR 5.230]**

The family must supply any information that the PHA or HUD determines is necessary to the administration of the program and must consent to PHA verification of that information [24 CFR 982.551].

##### **Consent Forms**

It is required that all adult applicants and participants sign form HUD-9886, Authorization for Release of Information. Applicants must sign the consent form at admission, and participants must sign the consent form no later than their next interim or regularly scheduled reexamination. After an applicant or participant has signed and submitted a request form either on or after January 1, 2024, they do not need to sign and submit subsequent consent forms at the next interim or regularly scheduled income examination except under the following circumstances:

- When any person 18 years or older becomes a member of the family (or who subsequently becomes the head of household, co-head or spouse, must sign the consent form);
- When a member of the family turns 18 years of age; and
- As required by HUD or the PHA in administrative instructions

The executed consent forms will remain effective until the family is denied assistance, the assistance is terminated, or if the family provides written notification to the PHA to revoke consent. If a family voluntarily leaves a HUD

program, the family's assistance is considered to be terminated and the signed consent forms will no longer in effect.

The purpose of form HUD-9886 is to facilitate automated data collection and computer matching from specific sources and provides the family's consent only for the specific purposes listed on the form. HUD and the PHA may collect information from State Wage Information Collection Agencies (SWICAs) and current and former employers of adult family members. Only HUD is authorized to collect information directly from the Internal Revenue Service (IRS) and the Social Security Administration (SSA). Adult family members must sign other consent forms as needed to collect information relevant to the family's eligibility and level of assistance.

### **Penalties for Failing to Consent [24 CFR 5.232]**

Revocation of consent or refusal to sign the consent forms prohibits the PHA from requesting and accessing income information and financial records. If any family member who is required to sign a consent form fails to do so, the PHA will deny admission to applicants and terminate assistance of participants. The family may request an informal review (applicants) or informal hearing (participants) in accordance with PHA procedures. The PHA must also notify their local HUD office of a family's revocation of consent.

## **7-I.B. OVERVIEW OF VERIFICATION REQUIREMENTS**

### **HUD's Verification Hierarchy (Notice PIH 2023-27)**

HUD authorizes the PHA to use five methods to verify family information and specifies the circumstances in which each method will be used. In general HUD requires the PHA to use the most reliable form of verification that is available and to document the reasons when the PHA uses a lesser form of verification.

#### MCHA Policy

In order of priority, the forms of verification that the PHA will use are:

- Up-front Income Verification (UIV) using HUD's Enterprise Income Verification (EIV) system
- Up-front Income Verification (UIV) using a non-HUD system
- Written Third-Party Verification (may be provided by applicant or participant)
- Written Third-party Verification Form
- Oral Third-party Verification
- Self-Certification

Each of the verification methods is discussed in subsequent sections below.

### **Requirements for Acceptable Documents**

#### MCHA Policy

Any documents used for verification must be the original (not photocopies) and generally must be dated within 60 days of the date they are provided to MCHA. The documents must not be damaged, altered or in any way illegible. MCHA will take photocopies of the original documents for the file.

MCHA will accept documents dated up to 6 months before the effective date of the family's reexamination if the document represents the most recent scheduled report from a source. For example, if the holder of a pension annuity provides semi-annual reports, MCHA would accept the most recent report.

Print-outs from Web pages are considered original documents.

MCHA staff member who views the original document must make a photocopy for the file.

Any family self-certifications must be made in a format acceptable to MCHA and must be signed in the presence of a MCHA representative or MCHA notary public.

### **File Documentation**

The PHA must document in the file how the figures used in income and rent calculations were determined. All verification attempts, information obtained, and decisions reached during the verification process will

be recorded in the family's file in sufficient detail to demonstrate that the PHA has followed all of the verification policies set forth in this plan. The record should be sufficient to enable a staff member or HUD reviewer to understand the process followed and conclusions reached.

#### MCHA Policy

MCHA will document, in the family file, the following:

- Reported family annual income
- Value of assets
- Expenses related to deductions from annual income
- Other factors influencing the adjusted income or income-based rent determination

When the PHA is unable to obtain 3rd party verification, the PHA will document in the family file the reason that third-party verification was not available. [24 CFR 960.259(c)(1); PIH 2010-19]

### **7-I.C. UP-FRONT INCOME VERIFICATION (UIV)**

Up-front income verification (UIV) refers to the PHA's use of the verification tools available from independent sources maintain computerized information about earnings and benefits. UIV will be used to the extent that these systems are available to the PHA.

There may be legitimate differences between the information provided by the family and UIV-generated information. If the family disputes the accuracy of the UIV data, no adverse action can be taken until the PHA has independently verified the UIV information and the family has been granted an opportunity to contest any adverse findings through the informal review/hearing process of the PHA.

See Chapter 6 for the PHA's policy on the use of UIV/EIV to project annual income.

#### **Use of HUD's Enterprise Income Verification (EIV) System**

HUD's EIV system contains data showing earned income, unemployment benefits, social security and SSI benefits for participant families. HUD requires the PHA to use the EIV system in its entirety. The following policies apply to the use of HUD's EIV system.

The EIV system contains two main components: tenant income data reports and "exceeds threshold" reports.

#### **EIV Income Reports**

The data shown on income reports is updated quarterly. Data may be between 3 and 6 months old at the time reports are generated.

#### MCHA Policy

MCHA will obtain income reports for annual reexaminations on a monthly basis. Reports will be generated as part of the regular reexamination process.

Income reports will be compared to family-provided information as part of the annual reexamination process. Income reports may be used in the calculation of annual income, as described in Chapter 6.I.C. Income reports may also be used to meet the regulatory requirement for third party verification, as described above. Policies for resolving discrepancies between Income reports and family-provided information will be resolved as described in Chapter 6.I.C. and in this chapter.

Income reports will be used in interim reexaminations to identify discrepancies between reported income and income shown in the EIV system and as necessary to verify and calculate earned income, unemployment benefits, Social Security and/or SSI benefits, and to verify that families claiming zero income are not receiving income from any of these sources.

Income reports will be retained in participant files with the applicable annual or interim reexamination documents.

When MCHA determines through income reports and third party verification that a family has concealed or under-reported income, corrective action will be taken pursuant to the policies in Chapter 14, Program Integrity.

### ***EIV Discrepancy Reports***

The EIV discrepancy report is a tool for identifying families who may have concealed or under-reported income. Data in the discrepancy report represents income for past reporting periods and may be between 6 months and 30 months old at the time reports are generated.

Families who have not concealed or under-reported income may appear on the discrepancy report in some circumstances, such as loss of a job or addition of new family members.

Income discrepancies may be identified through use of EIV “Income Discrepancy Report” or by review of the discrepancy tab for the individual family.

#### **MCHA Policy**

The PHA will generate the Income Discrepancy Report at least once every 6 months.

When the PHA determines that a participant appearing on the Income Discrepancy Report has not concealed or under-reported income, the participant’s name will be placed on a list of “false positive” reviews. To avoid multiple reviews in this situation, participants appearing on this list will be eliminated from discrepancy processing until a subsequent interim or annual reexamination has been completed.

The PHA will review the EIV discrepancy tab during processing of annual and interim reexaminations.

When it appears that a family may have concealed or under-reported income, the PHA will request written third-party verification of the income in question.

When the PHA determines through file review and third-party verification that a family has concealed or under-reported income, corrective action will be taken pursuant to the policies in Chapter 14, Program Integrity.

### ***EIV Identity Verification***

The EIV system verifies tenant identities against SSA records. These records are compared to PIC data for a match on Social Security number, name, and date of birth.

PHAs are required to use EIV’s *Identity Verification Report* on a monthly basis to improve the availability of income information in EIV [Notice PIH 2010-3].

When identity verification for a participant fails, a message will be displayed within the EIV system and no income information will be displayed.

#### **MCHA Policy**

MCHA will identify participants whose identity verification has failed by reviewing EIV Identity Verification Report on a monthly basis.

MCHA will attempt to resolve PIC/SSA discrepancies by obtaining appropriate documentation from the participant. When the PHA determines that discrepancies exist due to PHA errors such as spelling errors or incorrect birth dates, the errors will be corrected promptly.

### **Upfront Income Verification Using Non-HUD Systems (Optional)**

In addition to mandatory use of the EIV system, HUD encourages PHAs to utilize other upfront verification sources.

#### **PHA Policy**

The PHA will inform all applicants and participants of its use of the following UIV resources during the admission and reexamination process:

- HUD's EIV system
- Arizona Technical Eligibility System (AZTECS)

#### **7-I.D. THIRD-PARTY WRITTEN AND ORAL VERIFICATION**

HUD's current verification hierarchy defines two types of written third-party verification. The more preferable form, "written third-party verification," consists of an original document generated by a third-party source, which may be received directly from a third-party source or provided to the PHA by the family. If written third-party verification is not available, the PHA must attempt to obtain a "written third-party verification form." This is a standardized form used to collect information from a third party.

##### **Written Third-Party Verification [Notice PIH 2023-27]**

Written third-party verification documents must be original and authentic and may be supplied by the family or received from a third-party source within 120 days of the date received by the PHA.

Examples of acceptable tenant-provided documents include, but are not limited to: pay stubs, payroll summary reports, employer notice or letters of hire and termination, SSA benefit verification letters, bank statements, child support payment stubs, welfare benefit letters and/or printouts, and unemployment monetary benefit notices.

The PHA is required to obtain, at minimum, two current and consecutive pay stubs for determining projected annual income from wages. For new income sources or when two pay stubs are not available, the PHA should determine income based on the information from a traditional written, third-party verification form or the best available information.

The PHA may reject documentation provided by the family if the document is not an original, if the document appears to be forged, or if the document is altered, mutilated, or illegible.

##### MCHA Policy

Third-party documents provided by the family must be dated within 60 days of the MCHA request date.

If MCHA determines that third-party documents provided by the family are not acceptable, the MCHA will explain the reason to the family and request additional documentation.

As verification of earned income, the MCHA will request pay stubs covering the 60-day period prior to the MCHA's request.

##### **Written Third-Party Verification Form**

When upfront verification is not available and the family is unable to provide written third-party documents, the PHA must request a written third-party verification form. HUD's position is that this traditional third-party verification method presents administrative burdens and risks which may be reduced through the use of family-provided third-party documents.

A written third-party verification form is mandatory when there is an unreported source of income or a substantial difference in reported income (\$2400 annually or more) and there is no UIV or tenant-provided documentation to support the income discrepancy.

PHAs may mail, fax, or e-mail third-party written verification form requests to third-party sources.

##### MCHA Policy

The MCHA will send third-party verification forms directly to the third party.

Third-party verification forms will be sent when third-party verification documents are unavailable or are rejected by the MCHA.

### **Oral Third-Party Verification [Notice PIH 2023-27]**

For third-party oral verification, PHAs contact sources, identified by UIV techniques or by the family, by telephone or in person.

Third-party oral verification may be used when requests for written third-party verification forms have not been returned within a reasonable time—e.g., 10 business days.

PHAs should document in the file the date and time of the telephone call or visit, the name of the person contacted, the telephone number, as well as the information confirmed.

#### MCHA Policy

In collecting third-party oral verification, MCHA staff will record in the family's file the name and title of the person contacted, the date and time of the conversation (or attempt), the telephone number used, and the facts provided.

When any source responds verbally to the initial written request for verification the MCHA will accept the verbal response as oral verification but will also request that the source complete and return any verification forms that were provided.

### **When Third-Party Verification is Not Required [Notice PIH 2010-19]**

Third-party verification may not be available in all situations. HUD has acknowledged that it may not be cost-effective or reasonable to obtain third-party verification of income, assets, or expenses when these items would have a minimal impact on the family's total tenant payment.

#### MCHA Policy

If the family cannot provide original documents, the MCHA will pay the service charge required to obtain third-party verification, unless it is not cost effective in which case a self-certification will be acceptable as the only means of verification. The cost of verification will not be passed on to the family.

The cost of postage and envelopes to obtain third-party verification of income, assets, and expenses is not an unreasonable cost [VG, p. 18].

#### ***Primary Documents***

Third-party verification is not required when legal documents are the primary source, such as a birth certificate or other legal documentation of birth.

#### ***Imputed Assets and Expenses***

HUD permits PHA's to accept a self-certification from a family as verification of net family assets that do not exceed \$50,000 [Notice PIH 2023-27] and of assets disposed of for less than fair market value [HCV GB, p. 5-28].

#### MCHA Policy

The PHA will accept a self-certification from a family as verification of assets disposed of for less than fair market value and as verification of net family assets that do not exceed \$50,00.

### **7-I.E. SELF-CERTIFICATION**

Self-certification, or "tenant declaration," is used as a last resort when the PHA is unable to obtain third-party verification.

When the PHA relies on a tenant declaration for verification of income, assets, or expenses, the family's file must be documented to explain why third-party verification was not available.

MCHA Policy

When information cannot be verified by a third party or by review of documents, family members will be required to submit self-certifications attesting to the accuracy of the information they have provided to the MCHA.

The MCHA may require a family to certify that a family member does not receive a particular type of income or benefit.

The self-certification must be made in a format acceptable to the MCHA and must be signed by the family member whose information or status is being verified. All self-certifications must be signed in the presence of a MCHA representative or MCHA notary public.

**PART II: VERIFYING FAMILY INFORMATION**

**7-II.A. VERIFICATION OF LEGAL IDENTITY**

MCHA Policy

The MCHA will require families to furnish verification of legal identity for each household member.

<b>Verification of Legal Identity for Adults</b>	<b>Verification of Legal Identity for Children</b>
Certificate of birth, naturalization papers	Certificate of birth
Church issued baptismal certificate	Adoption papers
Current, valid Arizona driver's license or Department of Motor Vehicles identification card	Custody agreement
U.S. military discharge (DD 214)	Health and Human Services ID
U.S. passport	School records
Employer identification card	

If a document submitted by a family is illegible or otherwise questionable, more than one of these documents may be required.

If none of these documents can be provided and at the MCHA’s discretion, a third party who knows the person may attest to the person’s identity. The certification must be provided in a format acceptable to the MCHA and be signed in the presence of a MCHA representative or MCHA notary public.

Legal identity will be verified on an as needed basis.

**7-II.B. SOCIAL SECURITY NUMBERS [24 CFR 5.216 and PIH 2023-27]**

Every family member must provide documentation of a valid social security number (SSN). The following documents must be used to establish eligibility:

- a. An original SSN card issued by SSA;
- b. An original SSA-issued document, which contains the name and SSN of the individual; or
- c. An original document issued by a federal, state, or local government agency, which contains the name and SSN of the individual

HUD prescribes in accordance with 24 CFR 5.216(g)(1)(iii) *and guidance contained in PIH 2023-27*, that the following evidence of SSN is acceptable for applicants only after the PHA has attempted to first obtain a valid

SSN card issued by the SSA or an original document issued by a federal or state government agency that contains the name of the individual and the SSN of the individual, along with other identifying information of the individual:

1. Self- certification of SSN *and* at least one third-party document, such as a bank statement, utility or cell phone bill, benefit letter, etc., that contains the name of the individual.

If verifying an applicant's SSN using this method, the PHA must document why the other SSN documentation was not available. Applicants cannot be housed prior to verification of SSN.

Social security numbers must be verified only once during continuously assisted occupancy.

Additions to existing households cannot be added until the family provides required documentation.

The social security numbers of household members, such as live-in aids, must be verified for the purpose of conducting criminal background checks.

### **Exceptions**

In accordance with 24 CFR 5.216, applicants and participants (including each member of the household) are required to disclose his/her assigned SSN, with the exception of the following individuals:

- A. Those individuals who do not contend to have eligible immigration status (individuals who may be unlawfully present in the United States). These individuals in most instances would not be eligible for a SSN.
  - A family that consists of a single household member (including a pregnant individual) who does not have eligible immigration status is **not eligible** for housing assistance and cannot be housed.
  - A family that consists of two or more household members **and at least one** household member that has eligible immigration status, is classified as a mixed family, and **is eligible** for prorated assistance in accordance with 24 CFR 5.520. The PHA may **not** deny assistance to mixed families due to nondisclosure of an SSN by an individual who does not contend to have eligible immigration status.
- B. Existing program participants as of January 31, 2010, who have previously disclosed their SSN and HUD has determined the SSN to be valid. PHAs may confirm HUD's validation of the participant's SSN by viewing the household's *Summary Report* or the *Identity Verification Report* in the EIV system.
- C. Existing program participants as of January 31, 2010, who are 62 years of age or older, and had not previously disclosed a valid SSN. This exemption continues even if the individual moves to a new assisted unit.

### **Addition of a New Household Member [24 CFR 5.216(e)(2)(i)-(2)(ii)]:**

When a participant requests to add a new household member, who is at least six years of age or under the age of six and has an assigned SSN, to the family, the participant must disclose the assigned SSN and provide the PHA with the required documentation at the time of such request, or at the time of processing the interim or annual reexamination of family income and/or composition. If the family is unable to provide the required documentation of the SSN, the PHA may not add the new household member until the family provides such documentation.

When a participant requests to add a new household member, who is under the age of six and does not have an assigned SSN, the participant must disclose the assigned SSN and provide the PHA with the documentation referenced in Section 6 of this Notice within 90 calendar days of the child being added to the household.

If the family is unable to disclose and provide evidence of the SSN within 90 calendar days, the PHA is required to grant the family an additional 90-day period to comply with the SSN disclosure and documentation requirement, if the PHA determines the family was unable to comply with the requirements due to circumstances

that could not have reasonably been foreseen and were outside the control of the family. Examples include but are not limited to:

- delayed processing of SSN application by SSA, natural disaster, fire, death in family, etc.
- The child is to be included as part of the assisted household and entitled to all the benefits of being a household member during the allotted time for the family to comply with the SSN disclosure and documentation requirements. The PHA should generate an ALT ID as referenced in Section 9 of this Notice. Upon expiration of the provided time period, if the family has not complied with the SSN disclosure and documentation requirements, the PHA must terminate the family's tenancy or assistance, or both of the entire family.

### **Penalties for Failure to Disclose and/or Provide Documentation of the SSN:**

In accordance with 24 CFR 5.218 *and guidance contained in PIH 2016-05*, the following penalties apply for noncompliance with the

SSN disclosure and documentation requirements:

**A. Applicants.** The PHA must deny the eligibility of an assistance applicant if s/he (including each member of the household required to disclose his/her SSN) does not disclose a SSN and/or provide documentation of such SSN. However, when an applicant family has a household member, who is under the age of six and does not have an assigned SSN or does not have verification documentation of the number, the applicant must disclose the assigned SSN and provide the PHA with the documentation referenced in Section 6 of this Notice within 90 calendar days of becoming a program participant. If the family is unable to disclose and provide evidence of the SSN within 90 calendar days, the PHA is required to grant the family an additional 90-day period to comply with the SSN disclosure and documentation requirement, if the PHA determines the family was unable to comply with the requirements due to circumstances that could not have reasonably been foreseen and were outside the control of the family. Examples include but are not limited to: delayed processing of SSN application by SSA, natural disaster, fire, death in family, etc.

If the family is otherwise eligible to participate in the program, the family may maintain his/her position on the waiting list for a period of time as determined by the PHA. The PHA should prescribe in its policies, the maximum time the family may remain on the waiting list, pending disclosure of requested information.

### MCHA Policy

MCHA will allow an otherwise eligible family to remain on the waiting list and maintain their position for up to 30 days from date of eligibility interview in order provide the required documentation.

**B. Participants.** The PHA must terminate the assistance of Section 8 program participants (the entire household) and terminate the tenancy of Public Housing participants (the entire household) if s/he (including each member of the household required to disclose his/her SSN) does not disclose his/her SSN and provide the required documentation.

However, if the family is otherwise eligible for continued assistance or tenancy in the program, the PHA, at its discretion, may defer the family's termination and provide the family an opportunity to comply with the requirement within a period **not to exceed** 90 calendar days from the date the PHA determined the family noncompliant with the SSN disclosure and documentation requirement, if the PHA determines:

1. The failure to meet the SSN disclosure and documentation requirements was due to circumstances that could not have been foreseen and were outside the control of the family; and
2. There is a reasonable likelihood that the family will be able to disclose the SSN and provide such documentation of the SSN by the deadline.

If the family is unable to comply with the requirements by the specified deadline, the PHA must terminate the tenancy or assistance, or both of the entire family.

### **7-II.C. DOCUMENTATION OF AGE**

A birth certificate or other official record of birth is the preferred form of age verification for all family members. For elderly family members an original document that provides evidence of the receipt of social security retirement benefits is acceptable.

#### MCHA Policy

If an official record of birth or evidence of social security retirement benefits cannot be provided, the MCHA will require the family to submit other documents that support the reported age of the family member (e.g., school records, driver's license if birth year is recorded) and to provide a self-certification.

Age must be verified only once during continuously-assisted occupancy.

### **7-II.D. FAMILY RELATIONSHIPS**

Applicants and program participants are required to identify the relationship of each household member to the head of household. Definitions of the primary household relationships are provided in the Eligibility chapter.

#### MCHA Policy

Family relationships are verified only to the extent necessary to determine a family's eligibility and level of assistance. Certification by the head of household normally is sufficient verification of family relationships.

#### **Marriage**

#### MCHA Policy

Certification by the head of household is normally sufficient verification. If the PHA has reasonable doubts about a marital relationship, the PHA will require the family to document the marriage.

A marriage certificate generally is required to verify that a couple is married.

In the case of a common law marriage, the couple must demonstrate that they hold themselves to be married (e.g., by telling the community they are married, calling each other husband and wife, using the same last name, filing joint income tax returns).

#### **Separation or Divorce**

#### MCHA Policy

Certification by the head of household is normally sufficient verification. If the PHA has reasonable doubts about a separation or divorce, the PHA will require the family to document the divorce, or separation.

A certified copy of a divorce decree, signed by a court officer, is required to document that a couple is divorced.

A copy of a court-ordered maintenance or other court record is required to document a separation.

If no court document is available, documentation from a community-based agency will be accepted.

#### **Absence of Adult Member**

#### MCHA Policy

If an adult member who was formerly a member of the household is reported to be permanently absent, the family must provide evidence to support that the person is no longer a member of the family (e.g., documentation of another address at which the person resides such as a lease or utility bill).

## **Foster Children and Foster Adults**

### MCHA Policy

Third-party verification from the state or local government agency responsible for the placement of the individual with the family is required.

## **7-II.E. VERIFICATION OF STUDENT STATUS**

### **General Requirements**

#### MCHA Policy

The MCHA requires families to provide information about the student status of all students who are 18 years of age or older. This information will be verified only if:

- The family reports full-time student status for an adult other than the head, spouse, or cohead.
- The family reports child care expenses to enable a family member to further his or her education.
- The family includes a student enrolled in an *institution of higher education*.

### **Restrictions on Assistance to Students Enrolled in Institutions of Higher Education**

This section applies only to students who are seeking assistance on their own, separately from their parents. It does not apply to students residing with parents who are seeking or receiving HCV assistance.

#### MCHA Policy

In accordance with the verification hierarchy described in Section 7-1.B, the MCHA will determine whether the student is exempt from the restrictions in 24 CFR 5.612 by verifying any one of the following exemption criteria:

The student is enrolled at an educational institution that does not meet the definition of *institution of higher education* in the Higher Education Act of 1965 (see Section Exhibit 3-2).

- The student is at least 24 years old.
- The student is a veteran, as defined in Section 3-II.E.
- The student is married.
- The student has at least one dependent child, as defined in Section 3-II.E.
- The student is a person with disabilities, as defined in Section 3-II.E, and was receiving assistance prior to November 30, 2005.

If the MCHA cannot verify at least one of these exemption criteria, the MCHA will conclude that the student is subject to the restrictions on assistance at 24 CFR 5.612. In addition to verifying the student's income eligibility, the PHA will then proceed to verify either the student's parents' income eligibility (see Section 7-III.J) or the student's independence from his/her parents (see below).

### ***Independent Student***

#### MCHA Policy

The PHA will verify a student's independence from his/her parents to determine that the student's parents' income is not relevant for determining the student's eligibility by doing all of the following:

- Either reviewing and verifying previous address information to determine whether the student has established a household separate from his/her parents for at least one year or reviewing and verifying documentation relevant to determining whether the student meets the U.S. Department of Education's definition of *independent student* (see Section 3-II.E)
- Reviewing prior year income tax returns to verify whether a parent has claimed the student as a dependent
- Requesting and obtaining written certification directly from the student's parents identifying the amount of support they will be providing to the student, even if the amount of support is \$0.

## **7-II.F. DOCUMENTATION OF DISABILITY**

The PHA must verify the existence of a disability in order to allow certain income disallowances and deductions from income. The PHA is not permitted to inquire about the nature or extent of a person's disability [24 CFR 100.202(c)]. The PHA may not inquire about a person's diagnosis or details of treatment for a disability or medical condition. If the PHA receives a verification document that provides such information, the PHA will not place this information in the tenant file. Under no circumstances will the PHA request a participant's medical record(s). For more information on health care privacy laws, see the Department of Health and Human Services' website at [www.os.dhhs.gov](http://www.os.dhhs.gov).

The above cited regulation does not prohibit the following inquiries, provided these inquiries are made of all applicants, whether or not they are persons with disabilities [VG, p. 24]:

- Inquiry into an applicant's ability to meet the requirements of ownership or tenancy
- Inquiry to determine whether an applicant is qualified for a dwelling available only to persons with disabilities or to persons with a particular type of disability
- Inquiry to determine whether an applicant for a dwelling is qualified for a priority available to persons with disabilities or to persons with a particular type of disability
- Inquiring whether an applicant for a dwelling is a current illegal abuser or addict of a controlled substance.
- Inquiring whether an applicant has been convicted of the illegal manufacture or distribution of a controlled substance.

### **Family Members Receiving SSA Disability Benefits**

Verification of the receipt of disability benefits from the Social Security Administration (SSA) is sufficient verification of disability for the purpose of qualifying for waiting list preferences (if applicable) or certain income disallowances and deductions [VG, p. 23].

#### MCHA Policy

For family members claiming disability who receive disability benefits from the SSA, the PHA will attempt to obtain information about disability benefits through the HUD Enterprise Income Verification (EIV) system. If documentation from HUD's EIV System is not available, the PHA will request a current (dated within the last 60 days) SSA benefit verification letter from each family member claiming disability status. If the family is unable to provide the document(s), the PHA will ask the family to request a benefit verification letter by either calling SSA at 1-800-772-1213, or by requesting it from [www.ssa.gov](http://www.ssa.gov). Once the applicant or participant receives the benefit verification letter they will be required to provide it to the PHA.

### **Family Members Not Receiving SSA Disability Benefits**

Receipt of worker's compensation, or other non-SSA benefits based on the individual's claimed disability are not sufficient verification that the individual meets HUD's definition of disability in 24 CFR 5.603.

#### MCHA Policy

For family members claiming disability who do not receive disability benefits from the SSA, a knowledgeable professional must provide third-party verification that the family member meets the HUD definition of disability. See the Eligibility chapter for the HUD definition of disability. The knowledgeable professional will verify whether the family member does or does not meet the HUD definition. However, MCHA can accept VA documentation of disability benefits as verification of disability in accordance with HUD guidance.

## **7-II.G. CITIZENSHIP OR ELIGIBLE IMMIGRATION STATUS [24 CFR 5.508]**

### **Overview**

Housing assistance is not available to persons who are not citizens, nationals, or eligible immigrants. Prorated assistance is provided for "mixed families" containing both eligible and ineligible persons. A detailed

discussion of eligibility requirements is in the Eligibility chapter. This verifications chapter discusses HUD and PHA verification requirements related to citizenship status.

The family must provide a certification that identifies each family member as a U.S. citizen, a U.S. national, an eligible noncitizen or an ineligible noncitizen and submit the documents discussed below for each family member. Once eligibility to receive assistance has been verified for an individual it need not be collected or verified again during continuously-assisted occupancy. [24 CFR 5.508(g)(5)]

### **U.S. Citizens and Nationals**

HUD requires a declaration for each family member who claims to be a U.S. citizen or national. The declaration must be signed personally by any family member 18 or older and by a guardian for minors.

The PHA may request verification of the declaration by requiring presentation of a birth certificate, United States passport or other appropriate documentation.

#### MCHA Policy

In addition to the HUD required declaration, MCHA will request one of the following additional documents for each family member to verify proof of U.S. citizenship and or proof lawful presence in accordance with Arizona Law, HB 2008, A.R.S. 1-501 and 1-502 Effective November 24, 2009.

1. An Arizona driver license issued after 1996 or an Arizona non-operating identification license.
2. A birth certificate or delayed birth certificate issued in any state, territory or possession of the United States.
3. A United States certificate of birth abroad.
4. A United States passport.
5. A foreign passport with a United States visa.
6. An I-94 form with a photograph.
7. A United States citizenship and immigration services employment authorization document or refugee travel document.
8. A United States certificate of naturalization.
9. A United States certificate of citizenship.
10. A tribal certificate of Indian blood.
11. A tribal or bureau of Indian affairs affidavit of birth.

### **Eligible Immigrants**

#### ***Documents Required***

All family members claiming eligible immigration status must declare their status in the same manner as U.S. citizens and nationals.

The documentation required for eligible noncitizens varies depending upon factors such as the date the person entered the U.S., the conditions under which eligible immigration status has been granted, age, and the date on which the family began receiving HUD-funded assistance. Exhibit 7-2 at the end of this chapter summarizes documents family members must provide.

#### ***PHA Verification*** [HCV GB, pp. 5-3 and 5-7]

- For family members age 62 or older who claim to be eligible immigrants, proof of age is required in the manner described in 7-II.C. of this plan. No further verification of eligible immigration status is required.
- For family members under the age of 62 who claim to be eligible immigrants, the PHA must verify immigration status with the United States Citizenship and Immigration Services (USCIS).
- The PHA will follow all USCIS protocols for verification of eligible immigration status.

### **7-II.H. VERIFICATION OF PREFERENCE STATUS**

The MCHA must verify any preferences claimed by an applicant.

## **PART III: VERIFYING INCOME AND ASSETS**

Chapter 6, Part I of this plan describes in detail the types of income that are included and excluded and how assets and income from assets are handled. Any assets and income reported by the family must be verified. This part provides PHA policies that supplement the general verification procedures specified in Part I of this chapter.

### **7-III.A. EARNED INCOME**

#### **Tips**

##### MCHA Policy

Unless tip income is included in a family member's W-2 by the employer, persons who work in industries where tips are standard will be required to sign a certified estimate of tips received for the prior year and tips anticipated to be received in the coming year.

### **7-III.B. BUSINESS AND SELF EMPLOYMENT INCOME**

##### MCHA Policy

Business owners and self-employed persons will be required to provide:

- An audited financial statement for the previous fiscal year if an audit was conducted. If an audit was not conducted, a statement of income and expenses must be submitted and the business owner or self-employed person must certify to its accuracy.
- All schedules completed for filing federal and local taxes in the preceding year.
- If accelerated depreciation was used on the tax return or financial statement, an accountant's calculation of depreciation expense, computed using straight-line depreciation rules.

The MCHA will provide a format for any person who is unable to provide such a statement to record income and expenses for the coming year. The business owner/self-employed person will be required to submit the information requested and to certify to its accuracy at all future reexaminations.

At any reexamination the MCHA may request documents that support submitted financial statements such as manifests, appointment books, cash books, or bank statements.

If a family member has been self-employed less than three (3) months, the MCHA will accept the family member's certified estimate of income and schedule an interim reexamination in three (3) months. If the family member has been self-employed for three (3) to twelve (12) months the MCHA will require the family to provide documentation of income and expenses for this period and use that information to project income.

### **7-III.C. PERIODIC PAYMENTS AND PAYMENTS IN LIEU OF EARNINGS**

#### **Social Security/SSI Benefits**

##### MCHA Policy

To verify the SS/SSI benefits of applicants, the MCHA will request a current (dated within the last 60 days) SSA benefit verification letter from each family member that receives social security benefits. If the family is unable to provide the document(s), the MCHA will help the applicant request a benefit verification letter from SSA's Web site at [www.socialsecurity.gov](http://www.socialsecurity.gov) or ask the family to request one by calling SSA at

1-800-772-1213. Once the applicant has received the benefit verification letter they will be required to provide it to the MCHA.

To verify the SS/SSI benefits of participants, the MCHA will obtain information about social security/SSI benefits through the HUD EIV System, and confirm with the participant(s) that current listed benefit amount is correct. If the participant disputes the EIV-reported benefit amount, or if benefit information is not available in HUD systems, the MCHA will request a current SSA benefit verification letter from each family member that receives social security benefits. If the family is unable to provide the document(s) the MCHA will help the applicant request a benefit verification letter from SSA's Web site at [www.socialsecurity.gov](http://www.socialsecurity.gov) or ask the family to request one by calling SSA at 1-800-772-1213. Once the participant has received the benefit verification letter they will be required to provide it to the MCHA.

### 7-III.D. ALIMONY OR CHILD SUPPORT

#### MCHA Policy

The way the MCHA will seek verification for alimony and child support differs depending on whether the family declares that it receives regular payments.

A. If the family declares that it *receives regular payments*, verification will be sought in the following order:

- Copy of the receipts and/or payment stubs from the 60 days prior to PHA request.
- Third party verification for from the state or local child support enforcement agency.
- Third-party verification from the person paying the support
- Family's self-certification of amount received and of the likelihood of support payments being received in the future, or that support payments are not being received.

B. If the family declares that it *receives irregular or no payments*, in addition to the verification process listed above, the family must provide evidence that it has taken all reasonable efforts to collect amounts due. This may include:

- A statement from any agency responsible for enforcing payment that shows the family has requested enforcement and is cooperating with all enforcement efforts
- If the family has made independent efforts at collection, a written statement from the attorney or other collection entity that has assisted the family in these efforts

Note: Families are not required to undertake independent enforcement action.

### 7-III.E. ASSETS AND INCOME FROM ASSETS

#### **Assets Disposed of for Less than Fair Market Value**

The family must certify whether any assets have been disposed of for less than fair market value in the preceding two years. The PHA needs to verify only those certifications that warrant documentation [HCV GB, p. 5-28].

#### MCHA Policy

The MCHA will verify the value of assets disposed of only if:

- The MCHA does not already have a reasonable estimation of its value from previously collected information, or
- The amount reported by the family in the certification appears obviously in error.

Example 1: An elderly participant reported a \$10,000 certificate of deposit at the last annual reexamination and the PHA verified this amount. Now the person reports that she has given this \$10,000 to her son. The PHA has a reasonable estimate of the value of the asset; therefore, reverification of the value of the asset is not necessary.

Example 2: A family member has disposed of its 1/4 share of real property located in a desirable area and has valued her share at approximately 5,000. Based upon market conditions, this declaration does not seem realistic. Therefore, the PHA will verify the value of this asset.

### **7-III.F. NET INCOME FROM RENTAL PROPERTY**

#### MCHA Policy

The family must provide:

- A. A current executed lease for the property that shows the rental amount or certification from the current tenant.
- B. A self-certification from the family members engaged in the rental of property providing an estimate of expenses for the coming year and the most recent IRS Form 1040 with Schedule E (Rental Income). If schedule E was not prepared, the PHA will require the family members involved in the rental of property to provide a self-certification of income and expenses for the previous year and may request documentation to support the statement including: tax statements, insurance invoices, bills for reasonable maintenance and utilities, and bank statements or amortization schedules showing monthly interest expense.

### **7-III.G. RETIREMENT ACCOUNTS**

#### MCHA Policy

The PHA will accept written third-party documents supplied by the family as evidence of the status of retirement accounts. The type of original document that will be accepted depends upon the family member's retirement status.

- *Before* retirement, the MCHA will accept an original document from the entity holding the account with a date that shows it is the most recently scheduled statement for the account but in no case earlier than 6 months from the effective date of the examination.
- *Upon* retirement, the MCHA will accept an original document from the entity holding the account that reflects any distributions of the account balance, any lump sums taken and any regular payments.
- *After* retirement, the MCHA will accept an original document from the entity holding the account dated no earlier than 12 months before that reflects any distributions of the account balance, any lump sums taken and any regular payments.

### **7-III.H. INCOME FROM EXCLUDED SOURCES**

A detailed discussion of excluded income is provided in Chapter 6, Part I.

For income sources where the entire amount qualifies to be excluded from the annual income determination in accordance with 24 CFR 5.609(b) and any *Federal Register* notice on mandatory exclusions issued by HUD, the PHA **is not** required to:

- Verify the income using third-party verification;
- Document in the tenant file as to why the third-party verification was not available as required by 24 CFR 960.259(c)(i), 24 CFR 982.516(a)(2); 891.105; or
- Report the income on forms HUD-50058

The PHA may accept an applicant or participant's self-certification as verification of excluded income. The PHA application and reexamination questionnaire documentation may serve as the self-certification of excluded income.

The PHA must obtain verification for income exclusions only if, without verification, the PHA would not be able to determine whether the income is to be excluded, for example, if a family's 16 year old has a job at a fast food restaurant, the PHA will confirm that PHA records verify the child's age but will not require third-party documentation of the amount earned.) An income source that is partially excluded, for example, earnings in excess of \$480 for full-time students 18 years of age or older (24 CFR 5.609(b)(14)), must be third-party verified and reported on form HUD-50058.

### MCHA Policy

The MCHA will reconcile differences in amounts reported by the third party and the family only when the excluded amount is used to calculate the family share. In all other cases, the PHA will report the amount to be excluded as indicated on documents provided by the family.

### **7-III.I. ZERO ANNUAL INCOME STATUS**

#### MCHA Policy

The MCHA will check UIV sources and/or request information from third-party sources to verify that certain forms of income such as unemployment benefits, TANF, SSI, etc., are not being received by families claiming to have zero annual income. MCHA will also have the participant sign a certification of no income.

### **7-III.J. STUDENT FINANCIAL ASSISTANCE**

Any financial assistance, in excess of amounts received for tuition and mandatory fees and charges, that a person attending an institution of higher education receives under the Higher Education Act of 1965, from private sources, or from an institution of higher education must be considered income unless the student is over the age of 23 with dependent children or is residing with parents who are seeking or receiving HCV assistance [24 CFR 5.609(b)(9) and FR 4/10/06].

For students over the age of 23 with dependent children or students residing with parents who are seeking or receiving HCV assistance, the full amount of student financial assistance is excluded from annual income. The full amount of student financial assistance is also excluded for students attending schools that do not qualify as institutions of higher education (as defined in Exhibit 3-2). Excluded amounts are verified only if, without verification, the PHA would not be able to determine whether or to what extent the income is to be excluded (see Section 7-III.H).

#### MCHA Policy

For a student subject to having a portion of his/her student financial assistance included in annual income in accordance with 24 CFR 5.609(b)(9), the MCHA will request written third-party verification of both the source and the amount. Family provided documents from the educational institution attended by the student will be requested as well as documents generated by from any other person or entity providing such assistance, as reported by the student.

In addition, the MCHA will request written verification from the institution of higher education regarding the student's tuition amount.

If the MCHA is unable to obtain third-party written verification of the requested information, the MCHA will pursue other forms of verification following the verification hierarchy in Section 7-I.B.

### **7-III.K. PARENTAL INCOME OF STUDENTS SUBJECT TO ELIGIBILITY RESTRICTIONS**

If a student enrolled at an institution of higher education is under the age of 24, is not a veteran, is not married, does not have a dependent child, and is not a person with disabilities receiving HCV assistance as of November 30, 2005, the income of the student's parents must be considered when determining income eligibility, unless the student is determined independent from his or her parents in accordance with PHA policy [24 CFR 5.612 and FR 4/10/06, p. 18146].

This provision does not apply to students residing with parents who are seeking or receiving HCV assistance. It is limited to students who are seeking or receiving assistance on their own, separately from their parents.

#### MCHA Policy

If the MCHA is required to determine the income eligibility of a student's parents, the MCHA will request an income declaration and certification of income from the appropriate parent(s) (as

determined in Section 3-II.E). The MCHA will send the request directly to the parents, who will be required to certify to their income under penalty of perjury. The parents will be required to submit the information directly to the MCHA. The required information must be submitted (postmarked) within 10 calendar days of the date of the MCHA's request or within any extended timeframe approved by the MCHA.

The MCHA reserves the right to request and review supporting documentation at any time if it questions the declaration or certification. Supporting documentation may include, but is not limited to, Internal Revenue Service (IRS) tax returns, consecutive and original pay stubs, bank statements, pension benefit statements, benefit award letters, and other official and authentic documents from a federal, state, or local agency.

## **PART IV: VERIFYING MANDATORY DEDUCTIONS**

### **7-IV.A. DEPENDENT AND ELDERLY/DISABLED HOUSEHOLD DEDUCTIONS**

The dependent and elderly/disabled family deductions require only that the PHA verify that the family members identified as dependents or elderly/disabled persons meet the statutory definitions. No further verifications are required.

#### **Dependent Deduction**

See Chapter 6 (6-II.B.) for a full discussion of this deduction. The PHA must verify that:

- Any person under the age of 18 for whom the dependent deduction is claimed is not the head, spouse, or cohead of the family and is not a foster child
- Any person age 18 or older for whom the dependent deduction is claimed is not a foster adult or live-in aide, and is a person with a disability or a full time student

#### **Elderly/Disabled Family Deduction**

See Eligibility chapter for a definition of elderly and disabled families and Chapter 6 (6-II.C.) for a discussion of the deduction. The PHA must verify that the head, spouse, or cohead is 62 years of age or older or a person with disabilities.

### **7-IV.B. MEDICAL EXPENSE DEDUCTION**

Policies related to medical expenses are found in 6-II.D. The amount of the deduction will be verified following the standard verification procedures described in Part I.

#### **Amount of Expense**

##### MCHA Policy

Medical expenses will be verified through:

- Written third-party documents provided by the family, such as pharmacy printouts or receipts.
- Written third party verification, if the family is unable to provide acceptable documentation.
- The MCHA will make a best effort to determine what expenses from the past are likely to continue to occur in the future. The MCHA will also accept evidence of monthly payments or total payments that will be due for medical expenses during the upcoming 12 months.
- If third-party or document review is not possible, written family certification as to costs anticipated to be incurred during the upcoming 12 months

In addition, the MCHA must verify that:

- The household is eligible for the deduction.
- The costs to be deducted are qualified medical expenses.
- The expenses are not paid for or reimbursed by any other source.

- Costs incurred in past years are counted only once.

### **Eligible Household**

The medical expense deduction is permitted only for households in which the head, spouse, or cohead is at least 62, or a person with disabilities. The PHA must verify that the family meets the definition of an elderly or disabled family provided in the Eligibility chapter and as described in Chapter 7 (7-IV.A.) of this plan.

### **Qualified Expenses**

To be eligible for the medical expenses deduction, the costs must qualify as medical expenses. See Chapter 6 (6-II.D.) for the PHA's policy on what counts as a medical expense.

### **Unreimbursed Expenses**

To be eligible for the medical expenses deduction, the costs must not be reimbursed by another source.

#### MCHA Policy

The family will be required to certify that the medical expenses are not paid or reimbursed to the family from any source.

### **Expenses Incurred in Past Years**

#### MCHA Policy

When anticipated costs are related to on-going payment of medical bills incurred in past years, the MCHA will verify:

- The anticipated repayment schedule
- The amounts paid in the past, and
- Whether the amounts to be repaid have been deducted from the family's annual income in past years

## **7-IV.C. DISABILITY ASSISTANCE EXPENSES**

Policies related to disability assistance expenses are found in 6-II.E. The amount of the deduction will be verified following the standard verification procedures described in Part I.

### **Amount of Expense**

#### *Attendant Care*

#### MCHA Policy

The MCHA will accept written third-party documents provided by the family.

If family provided documents are not available, the MCHA will provide a third-party verification form directly to the care provider requesting the needed information.

Expenses for attendant care will be verified through:

The MCHA will accept written third-party documents provided by the family.

If family-provided documents are not available, the MCHA will provide a third-party verification form directly to the care provider requesting the needed information.

Expenses for attendant care will be verified through:

- Written third-party documents provided by the family, such as receipts or cancelled checks.
- Third-party verification form signed by the provider, if family-provided documents are not available.
- If third-party verification is not possible, written family certification as to costs anticipated to be incurred for the upcoming 12 months.

## ***Auxiliary Apparatus***

### **MCHA Policy**

Expenses for auxiliary apparatus will be verified through:

- Written third-party documents provided by the family, such as billing statements for purchase of auxiliary apparatus, or other evidence of monthly payments or total payments that will be due for the apparatus during the upcoming 12 months.
- Third-party verification form signed by the provider, if family-provided documents are not available.
- If third-party verification is not possible, written family certification of estimated apparatus costs for the upcoming 12 months

In addition, the MCHA must verify that:

- The family member for whom the expense is incurred is a person with disabilities (as described in 7-II.F above).
- The expense permits a family member, or members, to work (as described in 6-II.E.).
- The expense is not reimbursed from another source (as described in 6-II.E.).

### **Family Member is a Person with Disabilities**

To be eligible for the disability assistance expense deduction, the costs must be incurred for attendant care or auxiliary apparatus expense associated with a person with disabilities. The PHA will verify that the expense is incurred for a person with disabilities (See 7-II.F.).

### **Family Member(s) Permitted to Work**

The MCHA must verify that the expenses claimed actually enable a family member, or members, (including the person with disabilities) to work.

### **MCHA Policy**

The MCHA will request third-party verification from a Rehabilitation Agency or knowledgeable medical professional indicating that the person with disabilities requires attendant care or an auxiliary apparatus to be employed, or that the attendant care or auxiliary apparatus enables another family member, or members, to work (See 6-II.E.). This documentation may be provided by the family.

If third-party and document review verification has been attempted and is either unavailable or proves unsuccessful, the family must certify that the disability assistance expense frees a family member, or members (possibly including the family member receiving the assistance), to work.

### **Unreimbursed Expenses**

To be eligible for the disability expenses deduction, the costs must not be reimbursed by another source.

### **MCHA Policy**

The family will be required to certify that attendant care or auxiliary apparatus expenses are not paid by or reimbursed to the family from any source.

## **7-IV.D. CHILD CARE EXPENSES**

Policies related to child care expenses are found in Chapter 6 (6-II.F). The amount of the deduction will be verified following the standard verification procedures described in Part I of this chapter. In addition, the PHA must verify that:

- The child is eligible for care.
- The costs claimed are not reimbursed.

- The costs enable a family member to pursue an eligible activity.
- The costs are for an allowable type of child care.
- The costs are reasonable.

### **Eligible Child**

To be eligible for the child care deduction, the costs must be incurred for the care of a child under the age of 13. The PHA will verify that the child being cared for (including foster children) is under the age of 13 (See 7-II.C.).

### **Unreimbursed Expense**

To be eligible for the child care deduction, the costs must not be reimbursed by another source.

#### MCHA Policy

The family will be required to certify that the child care expenses are not paid by or reimbursed to the family from any source.

### **Pursuing an Eligible Activity**

The PHA must verify that the family member(s) that the family has identified as being enabled to seek work, pursue education, or be gainfully employed, are actually pursuing those activities.

#### MCHA Policy

##### *Information to be Gathered*

The MCHA will verify information about how the schedule for the claimed activity relates to the hours of care provided, the time required for transportation, the time required for study (for students), the relationship of the family member(s) to the child, and any special needs of the child that might help determine which family member is enabled to pursue an eligible activity.

##### *Seeking Work*

Whenever possible the MCHA will use documentation from a state or local agency that monitors work-related requirements (e.g., welfare or unemployment). In such cases the MCHA will request family-provided verification from the agency of the member's job seeking efforts to date and require the family to submit to the MCHA any reports provided to the other agency.

In the event third-party verification is not available, the MCHA will provide the family with a form on which the family member must record job search efforts. The MCHA will review this information at each subsequent reexamination for which this deduction is claimed.

##### *Furthering Education*

The MCHA will request third-party documentation to verify that the person permitted to further his or her education by the child care is enrolled and provide information about the timing of classes for which the person is registered.

##### *Gainful Employment*

The MCHA will seek third-party verification from the employer of the work schedule of the person who is permitted to work by the childcare

In cases in which two or more family members could be permitted to work, the work schedules for all relevant family members may be verified. The documentation may be provided by the family.

### **Allowable Type of Child Care**

The type of care to be provided is determined by the family, but must fall within certain guidelines, as discussed in Chapter 6.

MCHA Policy

- The MCHA will verify that the type of child care selected by the family is allowable, as described in Chapter 6 (6-II.F).
- The MCHA will verify that the fees paid to the child care provider cover only child care costs (e.g., no housekeeping services or personal services) and are paid only for the care of an eligible child (e.g., prorate costs if some of the care is provided for ineligible family members).
- The MCHA will verify that the child care provider is not an assisted family member. Verification will be made through the head of household’s declaration of family members who are expected to reside in the unit.

**Reasonableness of Expenses**

Only reasonable child care costs can be deducted.

MCHA Policy

The actual costs the family incurs will be compared with the MCHA’s established standards of reasonableness for the type of care in the locality to ensure that the costs are reasonable.

If the family presents a justification for costs that exceed typical costs in the area, the MCHA will request additional documentation, as required, to support a determination that the higher cost is appropriate.

Wages/Salaries	Use of computer matching agreements with a State Wage Information Collection Agency (SWICA) to obtain wage information electronically, by mail or fax or in person.	The PHA mails, faxes, or e-mails a verification form directly to the independent sources to obtain wage information.	In the event the independent source does not respond to the PHA’s written request for information, the PHA may contact the independent source by phone or make an in person visit to obtain the requested information.	When neither form of third party verification can be obtained, the PHA may accept original documents such as consecutive pay stubs (HUD recommends the PHA review at least three months of pay stubs, if employed by the same employer for three months or more), W-2 forms, etc. from the tenant. <b>Note:</b> The PHA must document in the tenant file, the reason third party verification was not available.	The PHA may accept a notarized statement or affidavit from the tenant that declares the family’s total annual income from earnings. <b>Note:</b> The PHA must document in the tenant file, the reason third party verification was not available.
	Agreements with private vendor agencies, such as The Work Number or ChoicePoint to obtain wage and salary information.	The PHA may have the tenant sign a Request for Earnings Statement from the SSA to confirm past earnings. The PHA mails the form to SSA and the statement will be sent to the address the PHA specifies on the form.			
	Use of HUD systems, when available.				
<p><b>Verification of Employment Income:</b> The PHA should always obtain as much information as possible about the employment, such as start date (new employment), termination date (previous employment), pay frequency, pay rate, anticipated pay increases in the next twelve months, year-to-date earnings, bonuses, overtime, company name, address and telephone number, name and position of the person completing the employment verification form.</p> <p><b>Effective Date of Employment:</b> The PHA should always confirm start and termination dates of employment.</p>

The tenant should not hand carry documents to or from the independent source.	The PHA should document in the tenant file, the date and time of the telephone call or in person visit, along with the name and title of the person that verified the current income amount.		The PHA should use this verification method as a last resort, when all other verification methods are not possible or have been unsuccessful. <b>Notarized statement should include a perjury penalty statement.</b>
<b>Note:</b> The PHA must not pass verification costs along to the participant.					
<b>Note:</b> In cases where the PHA cannot reliably project annual income, the PHA may elect to complete regular interim reexaminations (this policy should be apart of the PHA's written policies.)					

**EXHIBIT 7-1: SUMMARY OF DOCUMENTATION REQUIREMENTS  
FOR NONCITIZENS [HCV GB, pp. 5-9 and 5-10]**

- All noncitizens claiming eligible status must sign a declaration of eligible immigrant status on a form acceptable to the PHA.
- Except for persons 62 or older, all noncitizens must sign a verification consent form

## Chapter 8

### HOUSING QUALITY STANDARDS AND RENT REASONABLENESS DETERMINATIONS

[24 CFR 982 Subpart I and 24 CFR 982.507]

#### INTRODUCTION

HUD requires that all units occupied by families receiving Housing Choice Voucher (HCV) assistance meet HUD's National Standards for the Physical Inspection of Real Estate (NSPIRE) and permits the PHA to establish additional requirements. The use of the term "NSPIRE" in this plan refers to the combination of both HUD and PHA-established requirements. NSPIRE inspections are required before the Housing Assistance Payments (HAP) Contract is signed and at least annually during the term of the contract.

HUD also requires PHAs to determine that units rented by families assisted under the HCV program have rents that are reasonable when compared to comparable unassisted units in the market area.

This chapter explains HUD and PHA requirements related to housing quality and rent reasonableness as follows:

Part I. Physical Standards. This part discusses the physical standards required of units occupied by HCV-assisted families and identifies decisions about the acceptability of the unit that may be made by the family based upon the family's preference. It also identifies life-threatening conditions that must be addressed on an expedited basis.

Part II. The Inspection Process. This part describes the types of inspections the PHA will make and the steps that will be taken when units do not meet NSPIRE.

Part III. Rent Reasonableness Determinations. This part discusses the policies the PHA will use to make rent reasonableness determinations.

Special NSPIRE requirements for homeownership, manufactured homes, and other special housing types are discussed in Chapter 15 to the extent that they apply in this jurisdiction.

#### **PART I: PHYSICAL STANDARDS**

##### **8-I.A. GENERAL HUD REQUIREMENTS**

##### **HUD Performance and Acceptability Standards**

HUD's performance and acceptability standards for HCV-assisted housing are provided in 24 CFR 982.401. These standards cover the following areas:

- Sanitary facilities
- Food preparation and refuse disposal
- Space and Security
- Thermal Environment
- Illumination and electricity
- Structure and materials
- Interior Air Quality
- Water Supply
- Lead-based paint
- Access
- Site and neighborhood
- Sanitary condition
- Smoke Detectors

A summary of HUD performance criteria is provided in Attachment 8-1. Additional guidance on these requirements is found in the following HUD resources:

- Housing Choice Voucher Guidebook, Chapter 10.
- HUD Housing Inspection Manual for Section 8 Housing
- HUD Inspection Form, form HUD-52580 (3/01) and Inspection Checklist, form HUD-52580-A (9/00)
- HUD Notice 2003-31, Accessibility Notice: Section 504 of the Rehabilitation Act of 1973; the Americans with Disabilities Act of 1990; the Architectural Barriers Act of 1968 and the Fair Housing Act of 1988.

### **Tenant Preference Items**

HUD requires the PHA to enforce minimum NSPIRE but also requires that certain judgments about acceptability be left to the family. For example, the PHA must ensure that the unit contains the required sanitary facilities, but the family decides whether the cosmetic condition of the facilities is acceptable. Attachment 8-2 summarizes those items that are considered tenant preferences.

### **Modifications to Provide Accessibility**

Under the Fair Housing Act of 1988 an owner must not refuse the request of a family that contains a person with a disability to make necessary and reasonable modifications to the unit. Such modifications are at the family's expense. The owner may require restoration of the unit to its original condition if the modification would interfere with the owner or next occupant's full enjoyment of the premises. The owner may not increase a customarily required security deposit. However, the landlord may negotiate a restoration agreement that requires the family to restore the unit and, if necessary to ensure the likelihood of restoration, may require the tenant to pay a reasonable amount into an interest bearing escrow account over a reasonable period of time. The interest in any such account accrues to the benefit of the tenant. The owner may also require reasonable assurances that the quality of the work will be acceptable and that any required building permits will be obtained.[24 CFR 100.203; Notice 2003-31].

Modifications to units to provide access for a person with a disability must meet all applicable – NSPIRE requirements and conform to the design, construction, or alteration of facilities contained in the UFAS and the ADA Accessibility Guidelines (ADAAG) [28 CFR 35.151(c) and Notice 2003-31] See Chapter 2 of this plan for additional information on reasonable accommodations for persons with disabilities.

#### MCHA Policy

Any owner that intends to negotiate a restoration agreement or require an escrow account must submit the agreement(s) to the MCHA for review.

### **8-I.B. ADDITIONAL LOCAL REQUIREMENTS**

The PHA may impose additional quality standards as long as the additional criteria are not likely to adversely affect the health or safety of participant families or severely restrict housing choice. HUD approval is required if more stringent standards are imposed. HUD approval is not required if the PHA additions are clarifications of HUD's acceptability criteria or performance standards [24 CFR 982.401(a)(4)].

#### **Thermal Environment [HCV GB p.10-7]**

The MCHA must define a “healthy living environment” for the local climate. This may be done by establishing a temperature that the heating system must be capable of maintaining, that is appropriate for the local climate.

#### MCHA Policy

The heating system must be capable of maintaining an interior temperature of 65 degrees Fahrenheit between October 1 and May 1.

## **Clarifications of HUD Requirements**

### MCHA Policy

MCHA will use HUD NSPIRE with no additional clarifications.

### **8-I.C. LIFE THREATENING CONDITIONS [24 CFR 982.404(a)]**

HUD requires the PHA to define life threatening conditions and to notify the owner or the family (whichever is responsible) of the corrections required. The responsible party must correct life threatening conditions within 24 hours of PHA notification.

### MCHA Policy

The following are considered life threatening conditions:

- Any condition that jeopardizes the security of the unit
- Major plumbing leaks or flooding, waterlogged ceiling or floor in imminent danger of falling
- Natural or LPgas or fuel oil leaks
- Any electrical problem or condition that could result in shock or fire
- Absence of a working heating system when outside temperature is below 60 degrees Fahrenheit.
- Utilities not in service, including no running hot water
- Conditions that present the imminent possibility of injury
- Obstacles that prevent safe entrance or exit from the unit
- Absence of a functioning toilet in the unit
- Inoperable smoke detectors

If an owner fails to correct life threatening conditions as required by the MCHA, the housing assistance payment will be abated and the HAP contract will be terminated. See 8-II-G.

If a family fails to correct a family caused life threatening condition as required by the MCHA, the MCHA may terminate the family's assistance. See 8-II.H.

The owner will be required to repair an inoperable smoke detector unless the MCHA determines that the family has intentionally disconnected it (by removing batteries or other means). In this case, the family will be required to repair the smoke detector within 24 hours.

### **8-I.D. OWNER AND FAMILY RESPONSIBILITIES [24 CFR 982.404]**

#### **Family Responsibilities**

The family is responsible for correcting the following NSPIRE deficiencies:

- Tenant-paid utilities not in service
- Failure to provide or maintain family-supplied appliances
- Damage to the unit or premises caused by a household member or guest beyond normal wear and tear. "Normal wear and tear" is defined as items which could not be charged against the tenant's security deposit under state law or court practice.

#### **Owner Responsibilities**

The owner is responsible for all NSPIRE violations not listed as a family responsibility above, even if the violation is caused by the family's living habits (e.g., vermin infestation). However, if the family's actions constitute a serious or repeated lease violation the owner may take legal action to evict the family.

### **8-I.E. SPECIAL REQUIREMENTS FOR CHILDREN WITH ENVIRONMENTAL INTERVENTION BLOOD LEAD LEVEL [24 CFR 35.1225]**

If a PHA is notified by a public health department or other medical health care provider, or verifies information from a source other than a public health department or medical health care provider, that a child of less than 6 years of age, living in an HCV-assisted unit has been identified as having an environmental intervention blood lead level, the PHA must complete a risk assessment of the dwelling unit. The risk assessment must be completed in accordance with program requirements, and the result of the risk assessment must be immediately provided to the owner of the dwelling unit. In cases where the public health department has already completed an evaluation of the unit, this information must be provided to the owner.

Within 30 days after receiving the risk assessment report from the PHA, or the evaluation from the public health department, the owner is required to complete the reduction of identified lead-based paint hazards in accordance with the lead-based paint regulations [24 CFR 35.1325 and 35.1330]. If the owner does not complete the “hazard reduction” as required, the dwelling unit is in violation of NSPIRE and the PHA will take action in accordance with Section 8-II.G.

PHA reporting requirements, and data collection and record keeping responsibilities related to children with an environmental intervention blood lead level are discussed in Chapter 16.

### **8-I.F. VIOLATION OF NSPIRE SPACE STANDARDS [24 CFR 982.403]**

If the PHA determines that a unit does not meet the NSPIRE space standards because of an increase in family size or a change in family composition, the PHA must issue the family a new voucher, and the family and PHA must try to find an acceptable unit as soon as possible. If an acceptable unit is available for rental by the family, the PHA must terminate the HAP contract in accordance with its terms.

## **PART II: THE INSPECTION PROCESS**

### **8-II.A. OVERVIEW [24 CFR 982.405]**

#### **Types of Inspections**

The PHA conducts the following types of inspections as needed. Each type of inspection is discussed in the paragraphs that follow.

- *Initial Inspections.* The PHA conducts initial inspections in response to a request from the family to approve a unit for participation in the HCV program. The unit must pass the - NSPIRE inspection before the effective date of the HAP Contract.
- *Annual Inspections.* HUD requires the PHA to inspect each unit under lease at least annually to confirm that the unit still meets NSPIRE. The inspection may be conducted in conjunction with the family's annual reexamination but also may be conducted separately.

#### **MCHA Policy**

Section 220 of the 2014 Appropriations Act allows PHA's to inspect assisted dwelling units during the term of a HAP contract by inspecting such units not less than biennially instead of annually. MCHA chooses to implement this option of biennial inspections.

- *Special Inspections.* A special inspection may be requested by the owner, the family, or a third party as a result of problems identified with a unit between annual inspections.
- *Quality Control Inspections.* HUD requires that a sample of units be reinspected by a supervisor or other qualified individual to ensure that NSPIRE are being enforced correctly and uniformly by all inspectors.

## **Inspection of PHA-owned Units [24 CFR 982.352(b)]**

The PHA must obtain the services of an independent entity to perform all NSPIRE inspections in cases where an HCV family is receiving assistance in a PHA-owned unit. A PHA-owned unit is defined as a unit that is owned by the PHA that administers the assistance under the consolidated ACC (including a unit owned by an entity substantially controlled by the PHA). The independent agency must communicate the results of each inspection to the family and the PHA. The independent agency must be approved by HUD, and may be the unit of general local government for the PHA jurisdiction (unless the PHA is itself the unit of general local government or an agency of such government).

### **Inspection Costs**

The PHA may not charge the family or owner for unit inspections [24 CFR 982.405(e)]. In the case of inspections of PHA-owned units, the PHA may compensate the independent agency from ongoing administrative fee for inspections performed. The PHA and the independent agency may not charge the family any fee or charge for the inspection [24 CFR.982.352(b)].

### **Notice and Scheduling**

The family must allow the PHA to inspect the unit at reasonable times with reasonable notice [24 CFR 982.551(d)].

#### MCHA Policy

Both the family and the owner will be given reasonable notice of all inspections. Except in the case of a life threatening emergency, reasonable notice is considered to be not less than 48 hours. Inspections may be scheduled between 8:00 a.m. and 7:00 p.m. Generally inspections will be conducted on business days only. In the case of a life-threatening emergency, the PHA will give as much notice as possible, given the nature of the emergency.

### **Owner and Family Inspection Attendance**

HUD permits the PHA to set policy regarding family and owner presence at the time of inspection [HCV GB p. 10-27].

#### MCHA Policy

When a family occupies the unit at the time of inspection an adult family member must be present for the inspection. The presence of the owner or the owner's representative is encouraged but is not required.

At initial inspection of a vacant unit, the MCHA will inspect the unit in the presence of the owner or owner's representative. The presence of a family representative is permitted, but is not required.

## **8-II.B. INITIAL NSPIRE INSPECTION [24 CFR 982.401(a)]**

### **Timing of Initial Inspections**

HUD requires the unit to pass NSPIRE before the effective date of the lease and HAP Contract. HUD requires PHAs with fewer than 1,250 budgeted units to complete the initial inspection, determine whether the unit satisfies NSPIRE, and notify the owner and the family of the determination within 15 days of submission of the Request for Tenancy Approval (RTA). For PHAs with 1,250 or more budgeted units, to the extent practicable such inspection and determination must be completed within 15 days. The 15-day period is suspended for any period during which the unit is not available for inspection [982.305(b)(2)].

#### MCHA Policy

The MCHA will complete the initial inspection, determine whether the unit satisfies - NSPIRE, and notify the owner and the family of the determination within 15 days of submission of the Request for Tenancy Approval (RTA).

## **Inspection Results and Reinspections**

### MCHA Policy

If any NSPIRE violations are identified, the owner will be notified of the deficiencies and be given a time frame to correct them. If requested by the owner, the time frame for correcting the deficiencies may be extended by the MCHA for good cause. If the unit fails - NSPIRE, the owner and the participant will be advised to notify MCHA when the repairs have been properly completed. The MCHA will reinspect the unit as deemed necessary by the owner, the participant or MCHA.

On an initial inspection, the owner will be given up to 30 days to correct the items noted as failed, depending on the extent of the repairs that are required to be made. No unit will be placed in the program until the unit meets the NSPIRE requirements.

Following a failed inspection, the family may submit a new Request for Tenancy Approval for the unit if the family has not found another unit by the time the owner completes all repairs and the family continues to wish to live in the unit.

## **Utilities**

Generally, at initial lease-up the owner is responsible for demonstrating that all utilities are in working order including those utilities that the family will be responsible for paying.

### MCHA Policy

If utility service is not available for testing at the time of the initial inspection, the MCHA will allow the utilities to be placed in service after the unit has met all other NSPIRE requirements. The MCHA will verify that utilities are operational before the HAP contract is executed by the MCHA.

## **Appliances**

### MCHA Policy

If the family is responsible for supplying the stove and/or refrigerator, the MCHA will allow the stove and refrigerator to be placed in the unit after the unit has met all other - NSPIRE requirements. The required appliances must be in place before the HAP contract is executed by the MCHA. The MCHA will execute the HAP contract based upon a certification from the family that the appliances have been installed and are working.

## **8-II.C. ANNUAL NSPIRE INSPECTIONS [24 CFR 982.405(a)]**

### **Scheduling the Inspection**

Each unit under HAP contract must have an annual inspection no more than 12 months after the most recent inspection.

### MCHA Policy

If an adult cannot be present on the scheduled date, the family should request that the MCHA reschedule the inspection. The MCHA and family will agree on a new inspection date that generally should take place within 5 business days of the originally-scheduled date. The MCHA may schedule an inspection more than 5 business days after the original date for good cause.

If the family misses the first scheduled appointment without requesting a new inspection date, the MCHA will automatically schedule a second inspection. If the family misses two scheduled inspections without MCHA approval, the MCHA will consider the family to have violated its obligation to make the unit available for inspection. This may result in termination of the family's assistance in accordance with Chapter 12.

## **8-II.D. SPECIAL INSPECTIONS [HCV GB, p. 10-30]**

The PHA will conduct a special inspection if the owner, family, or another source reports – NSPIRE violations in the unit.

### MCHA Policy

During a special inspection, the MCHA generally will inspect only those deficiencies that were reported. However, the inspector will record any additional NSPIRE deficiencies that are observed and will require the responsible party to make the necessary repairs.

If the annual inspection has been scheduled or is due within 90 days of the date the special inspection is scheduled the MCHA may elect to conduct a full annual inspection.

## **8-II.E. QUALITY CONTROL INSPECTIONS [24 CFR 982.405(b); HCV GB, p. 10-32]**

HUD requires a PHA supervisor or other qualified person to conduct quality control inspections of a sample of units to ensure that each inspector is conducting accurate and complete inspections and that there is consistency in the application of the NSPIRE.

The unit sample must include only units that have been inspected within the preceding 3 months. The selected sample will include (1) each type of inspection (initial, annual, and special), (2) inspections completed by each inspector, and (3) units from a cross-section of neighborhoods.

## **8-II.F. INSPECTION RESULTS AND REINSPECTIONS FOR UNITS UNDER HAP CONTRACT**

### **Notification of Corrective Actions**

The owner and the family will be notified in writing of the results of all inspections. When an inspection identifies NSPIRE failures, the PHA will determine (1) whether or not the failure is a life threatening condition and (2) whether the family or owner is responsible.

### MCHA Policy

When life threatening conditions are identified, the MCHA will immediately notify both parties by telephone, facsimile, or email. The notice will specify who is responsible for correcting the violation. The corrective actions must be taken within 24 hours of the MCHA's notice.

When failures that are not life threatening are identified, the MCHA will send the owner and the family a written notification of the inspection results within 5 business days of the inspection. The written notice will specify who is responsible for correcting the violation, and the time frame within which the failure must be corrected. Generally not more than 30 days will be allowed for the correction.

The notice of inspection results will inform the owner that if life threatening conditions are not corrected within 24 hours, and non-life threatening conditions are not corrected within the specified time frame (or any MCHA-approved extension), the owner's HAP will be abated in accordance with MCHA policy (see 8-II.G.). Likewise, in the case of family caused deficiencies, the notice will inform the family that if corrections are not made within the specified time frame (or any MCHA-approved extension, if applicable) the family's assistance will be terminated in accordance with MCHA policy (see Chapter 12).

### **Extensions**

For conditions that are life-threatening, the PHA cannot grant an extension to the 24 hour corrective action period. For conditions that are not life-threatening, the PHA may grant an exception to the required time frames for correcting the violation, if the PHA determines that an extension is appropriate [24 CFR 982.404].

### MCHA Policy

Extensions will be granted in cases where the MCHA has determined that the owner has made a good faith effort to correct the deficiencies and is unable to for reasons beyond the owner's control. Reasons may include, but are not limited to:

- A repair cannot be completed because required parts or services are not available.
- A repair cannot be completed because of weather conditions.
- A reasonable accommodation is needed because the family includes a person with disabilities.

The length of the extension will be determined on a case by case basis, but will not exceed 60 days, except in the case of delays caused by weather conditions. In the case of weather conditions, extensions may be continued until the weather has improved sufficiently to make repairs possible. The necessary repairs must be made within 15 calendar days, once the weather conditions have subsided.

## **Reinspections**

### MCHA Policy

The MCHA will verify that all repairs have been completed by the end of the corrective period, or any MCHA approved extension. If the deficiencies have not been corrected, the MCHA will send a notice of abatement to the owner, or in the case of family caused violations, a notice of termination to the family, in accordance with MCHA policies.

If deemed that a physical re-inspection of the unit is necessary, the family and owner will be given reasonable notice of the re-inspection appointment. If the MCHA is unable to gain entry to the unit in order to conduct the scheduled re-inspection, the MCHA will consider the family to have violated its obligation to make the unit available for inspection. This may result in termination of the family's assistance in accordance with Chapter 12.

## **8-II.G. ENFORCING OWNER COMPLIANCE**

If the owner fails to maintain the dwelling unit in accordance with NSPIRE, the PHA must take prompt and vigorous action to enforce the owner obligations.

### **HAP Abatement**

If an owner fails to correct NSPIRE deficiencies by the time specified by the PHA, HUD requires the PHA to abate housing assistance payments no later than the first of the month following the specified correction period (including any approved extension) [24 CFR 985.3(f)]. No retroactive payments will be made to the owner for the period of time the rent was abated. Owner rents are not abated as a result of NSPIRE failures that are the family's responsibility.

### MCHA Policy

The MCHA will make all HAP abatements effective the first of the month following the expiration of the MCHA specified correction period (including any extension).

The MCHA will inspect abated units within 5 business days of the owner's notification that the work has been completed. Payment will resume effective on the day the unit passes inspection.

During any abatement period the family continues to be responsible for its share of the rent. The owner must not seek payment from the family for abated amounts and may not use the abatement as cause for eviction.

### **HAP Contract Termination**

The PHA must decide how long any abatement period will continue before the HAP contract will be terminated. The PHA should not terminate the contract until the family finds another unit, provided the family does so in a reasonable time [HCV GB p. 10-29] and must give the owner reasonable notice of the termination. The PHA will issue a voucher to permit the family to move to another unit as described in Chapter 10.

## MCHA Policy

The maximum length of time that a HAP may be abated is 90 days. However, if the owner completes corrections and notifies the MCHA before the termination date of the HAP contract, the MCHA may rescind the termination notice if (1) the family still resides in the unit and wishes to remain in the unit and (2) the unit passes inspection.

Reasonable notice of HAP contract termination by the MCHA is 20 days.

### **8-II.H. ENFORCING FAMILY COMPLIANCE WITH NSPIRE [24 CFR 982.404(b)]**

Families are responsible for correcting any NSPIRE violations listed in paragraph 8.I.D. If the family fails to correct a violation within the period allowed by the PHA (and any extensions), the PHA will terminate the family's assistance, according to the policies described in Chapter 12.

If the owner carries out a repair for which the family is responsible under the lease, the owner may bill the family for the cost of the repair.

## **PART III: RENT REASONABLENESS [24 CFR 982.507]**

### **8-III.A. OVERVIEW**

No HAP contract can be approved until the PHA has determined that the rent for the unit is reasonable. The purpose of the rent reasonableness test is to ensure that a fair rent is paid for each unit rented under the HCV program.

HUD regulations define a reasonable rent as one that does not exceed the rent charged for comparable, unassisted units in the same market area. HUD also requires that owners not charge more for assisted units than for comparable units on the premises. This part explains the method used to determine whether a unit's rent is reasonable.

### **PHA-owned Units [24 CFR 982.352(b)]**

In cases where an HCV family is receiving assistance in a PHA-owned unit, the PHA must obtain the services of an independent entity to determine rent reasonableness in accordance with program requirements, and to assist the family in negotiating the contract rent when the family requests assistance. A PHA-owned unit is defined as a unit that is owned by the PHA that administers the assistance under the consolidated ACC (including a unit owned by an entity substantially controlled by the PHA). The independent agency must communicate the results of the rent reasonableness determination to the family and the PHA. The independent agency must be approved by HUD, and may be the unit of general local government for the PHA jurisdiction (unless the PHA is itself the unit of general local government or an agency of such government).

### **8-III.B. WHEN RENT REASONABLENESS DETERMINATIONS ARE REQUIRED**

#### **Owner-initiated Rent Determinations**

The PHA must make a rent reasonableness determination at initial occupancy and whenever the owner requests a rent adjustment.

The owner and family first negotiate the rent for a unit. The PHA (or independent agency in the case of PHA-owned units) will assist the family with the negotiations upon request. At initial occupancy the PHA must determine whether the proposed rent is reasonable before a HAP Contract is signed. The owner must not change the rent during the initial lease term. Subsequent requests for rent adjustments must be consistent with the lease between the owner and the family. Rent increases will not be approved unless any failed items identified by the most recent NSPIRE inspection have been corrected.

## MCHA Policy

After the initial occupancy period, the owner may request a rent adjustment in accordance with the owner's lease. For rent increase requests after initial lease-up, the MCHA may request owners to provide information about the rents charged for other units on the premises, if the premises include more than 4 units. In evaluating the proposed rents in comparison to other units on the premises the MCHA will consider unit size and length of tenancy in the other units.

The MCHA will determine whether the requested increase is reasonable within 10 business days of receiving the request from the owner.

All rents adjustments will be effective the first of the month following 60 days after the MCHA's receipt of the owner's request or on the date specified by the owner, whichever is later.

## **PHA- and HUD-Initiated Rent Reasonableness Determinations**

HUD requires the PHA to make a determination of rent reasonableness (even if the owner has not requested a change) if there is a ten (10) percent decrease in the Fair Market Rent that goes into effect at least 60 days before the contract anniversary date. HUD also may direct the PHA to make a determination at any other time. The PHA may decide that a new determination of rent reasonableness is needed at any time.

### MCHA Policy

In addition to the instances described above, the MCHA will make a determination of rent reasonableness at any time after the initial occupancy period if: (1) the MCHA determines that the initial rent reasonableness determination was in error or (2) the MCHA determines that the information provided by the owner about the unit or other units on the same premises was incorrect.

## **8-III.C. HOW COMPARABILITY IS ESTABLISHED**

### **Factors to Consider**

HUD requires PHAs to take into consideration the factors listed below when determining rent comparability. The PHA may use these factors to make upward or downward adjustments to the rents of comparison units when the units are not identical to the HCV-assisted unit.

- Location and age
- Unit size including the number of rooms and square footage of rooms
- The type of unit including construction type (e.g., single family, duplex, garden, low-rise, high-rise)
- The quality of the units including the quality of the original construction, maintenance and improvements made.
- Amenities, services, and utilities included in the rent

### **Units that Must Not be Used as Comparables**

Comparable units must represent unrestricted market rents. Therefore, units that receive some form of federal, state, or local assistance that imposes rent restrictions cannot be considered comparable units. These include units assisted by HUD through any of the following programs: Section 8 project-based assistance, Section 236 and Section 221(d)(3) Below Market Interest Rate (BMIR) projects, HOME or Community Development Block Grant (CDBG) program-assisted units in which the rents are subsidized; units subsidized through federal, state, or local tax credits; units subsidized by the Department of Agriculture rural housing programs, and units that are rent-controlled by local ordinance.

### **Rents Charged for Other Units on the Premises**

The Request for Tenancy Approval (HUD-52517) requires owners to provide information, on the form itself, about the rent charged for other unassisted comparable units on the premises if the premises include more than 4 units.

By accepting the PHA payment each month the owner certifies that the rent is not more than the rent charged for comparable unassisted units on the premises. If asked to do so, the owner must give the PHA information regarding rents charged for other units on the premises.

## **8-III.D. PHA RENT REASONABLENESS METHODOLOGY**

### **How Market Data is Collected**

#### MCHA Policy

The MCHA will collect and maintain data on market rents in the MCHA's jurisdiction. Information sources include newspapers, realtors, market surveys, inquiries of owners and other available sources. The data will be maintained by bedroom size and market areas. Market areas may be defined by zip codes, census tract, neighborhood, and identifiable natural or man-made boundaries. The data will be updated on an ongoing basis and rent information that is more than 12 months old will be eliminated from the database.

### **How Rents are Determined**

#### PHA Policy

The rent for a unit proposed for HCV assistance will be compared to the rent charged for comparable units in the same market area. The PHA will develop a range of prices for comparable units by bedroom size within defined market areas. Units proposed for HCV assistance will be compared to the units within this rent range. Because units may be similar, but not exactly like the unit proposed for HCV assistance, the PHA may make adjustments to the range of prices to account for these differences.

The adjustment must reflect the local market. Not all differences in units require adjustments (e.g., the presence or absence of a garbage disposal may not affect the rent in some market areas).

Adjustments may vary by unit type (e.g., a second bathroom may be more valuable in a three-bedroom unit than in a two-bedroom).

The adjustment must reflect the rental value of the difference - not its construction costs (e.g., it might cost \$20,000 to put on a new roof, but the new roof might not make any difference in what a tenant would be willing to pay because rents units are presumed to have functioning roofs).

When a comparable project offers rent concessions (e.g., first month rent-free) the amount will be applied to the tenants security deposit.

The PHA will notify the owner of the rent the PHA can approve based upon its analysis of rents for comparable units. The owner may submit information about other comparable units in the market area. The PHA will confirm the accuracy of the information provided and consider this additional information when making rent determinations. The owner must submit any additional information within 5 business days of the PHA's request for information or the owner's request to submit information.

Note: This document provides an overview of NSPIRE. For more detailed information see the following documents:

- 24 CFR 982.401, NSPIRE
- Housing Choice Voucher Guidebook, Chapter 10.
- HUD Housing Inspection Manual for Section 8 Housing
- HUD Inspection Form, form HUD-52580 (3/01) and Inspection Checklist, form HUD-52580-A (9/00)

## **Sanitary Facilities**

The dwelling unit must include sanitary facilities within the unit. The sanitary facilities must be usable in privacy and must be in proper operating condition and adequate for personal cleanliness and disposal of human waste.

## **Food Preparation and Refuse Disposal**

The dwelling unit must have space and equipment suitable for the family to store, prepare, and serve food in a sanitary manner.

## **Space and Security**

The dwelling unit must provide adequate space and security for the family. This includes having at least one bedroom or living/sleeping room for each two persons.

## **Thermal Environment**

The unit must have a safe system for heating the dwelling unit. Air conditioning is not required but if provided must be in proper operating condition. The dwelling unit must not contain unvented room heaters that burn gas, oil, or kerosene. Portable electric room heaters or kitchen stoves with built-in heating units are not acceptable as a primary source of heat for units located in climatic areas where permanent heat systems are required.

## **Illumination and Electricity**

Each room must have adequate natural or artificial illumination to permit normal indoor activities and to support the health and safety of occupants. The dwelling unit must have sufficient electrical sources so occupants can use essential electrical appliances. Minimum standards are set for different types of rooms. Once the minimum standards are met, the number, type and location of electrical sources are a matter of tenant preference.

## **Structure and Materials**

The dwelling unit must be structurally sound. Handrails are required when four or more steps (risers) are present, and protective railings are required when porches, balconies, and stoops are thirty inches or more off the ground. The elevator servicing the unit must be working [if there is one]. Manufactured homes must have proper tie-down devices capable of surviving wind loads common to the area.

## **Interior Air Quality**

The dwelling unit must be free of air pollutant levels that threaten the occupants' health. There must be adequate air circulation in the dwelling unit. Bathroom areas must have one openable window or other adequate ventilation. Any sleeping room must have at least one window. If a window was designed to be opened, it must be in proper working order.

## **Water Supply**

The dwelling unit must be served by an approved public or private water supply that is sanitary and free from contamination. Plumbing fixtures and pipes must be free of leaks and threats to health and safety.

## **Lead-Based Paint**

Lead-based paint requirements apply to dwelling units built prior to 1978 that are occupied or can be occupied by families with children under six years of age, excluding zero bedroom dwellings.

Owners must:

- Disclose known lead-based paint hazards to prospective tenants before the lease is signed,
- Provide all prospective families with "Protect Your Family from Lead in Your Home",
- Stabilize deteriorated painted surfaces and conduct hazard reduction activities when identified by the PHA
- Notify tenants each time such an activity is performed
- Conduct all work in accordance with HUD safe practices

As part of ongoing maintenance ask each family to report deteriorated paint.

For units occupied by environmental intervention blood lead level (lead poisoned) children under six years of age, a risk assessment must be conducted (paid for by the PHA). If lead hazards are identified during the risk assessment, the owner must complete hazard reduction activities.

See HCV GB p. 10-15 for a detailed description of these requirements. For additional information on lead-based paint requirements see 24 CFR 35, Subparts A, B, M, and R.

### **Access**

Use and maintenance of the unit must be possible without unauthorized use of other private properties. The building must provide an alternate means of exit in case of fire.

### **Site and Neighborhood**

The site and neighborhood must be reasonably free from disturbing noises and reverberations, excessive trash or vermin, or other dangers to the health, safety, and general welfare of the occupants.

### **Sanitary Condition**

The dwelling unit and its equipment must be in sanitary condition and free of vermin and rodent infestation. The unit must have adequate barriers to prevent infestation.

### **Smoke Detectors**

Smoke detectors must be installed in accordance with and meet the requirements of the National Fire Protection Association Standard (NFPA) 74 (or its successor standards). If the dwelling unit is occupied by any person with a hearing impairment, smoke detectors must have an appropriate alarm system as specified in NFPA 74 (or successor standards).

### **Hazards and Health/Safety**

The unit, interior and exterior common areas accessible to the family, the site, and the surrounding neighborhood must be free of hazards to the family's health and safety.

<p style="text-align: center;"><b>EXHIBIT 8-2: SUMMARY OF TENANT PREFERENCE AREAS RELATED TO HOUSING QUALITY</b></p>
--

Note: This document provides an overview of unit and site characteristics and conditions for which the family determines acceptability. For more detailed information see the following documents:

- Housing Choice Voucher Guidebook, Chapter 10.
- HUD Housing Inspection Manual for Section 8 Housing
- HUD Inspection Form, form HUD-52580 (3/01) and Inspection Checklist, form HUD-52580-A (9/00)

Provided the minimum housing quality standards have been met, HUD permits the family to determine whether the unit is acceptable with regard to the following characteristics.

- *Sanitary Facilities.* The family may determine the adequacy of the cosmetic condition and quality of the sanitary facilities, including the size of the lavatory, tub, or shower; the location of the sanitary facilities within the unit; and the adequacy of the water heater.
- *Food Preparation and Refuse Disposal.* The family selects size and type of equipment it finds acceptable. When the family is responsible for supplying cooking appliances, the family may choose to use a microwave oven in place of a conventional oven, stove, or range. When the owner is responsible for providing cooking appliances, the owner may offer a microwave oven in place of an oven, stove, or range only if other subsidized and unsubsidized units on the premises are furnished with microwave ovens only. The adequacy of the amount and type of storage space, the cosmetic conditions of all equipment, and the size and location of the kitchen are all determined by the family

- *Energy conservation items.* The family may determine whether the amount of insulation, presence of absence of storm doors and windows and other energy conservation items are acceptable.
- *Illumination and Electricity.* The family may determine whether the location and the number of outlets and fixtures (over and above those required to meet NSPIRE standards) are acceptable or if the amount of electrical service is adequate for the use of appliances, computers, or stereo equipment.
- *Structure and Materials.* Families may determine whether minor defects, such as lack of paint, or worn flooring or carpeting will affect the livability of the unit.
- *Indoor Air.* Families may determine whether window and door screens, filters, fans, or other devices for proper ventilation are adequate to meet the family's needs. However, if screens are present they must be in good condition.
- *Sanitary Conditions.* The family determines whether the sanitary conditions in the unit, including minor infestations, are acceptable.
- *Neighborhood conditions.* Families may determine whether neighborhood conditions such as the presence of drug activity, commercial enterprises, and convenience to shopping will affect the livability of the unit.

Families have no discretion with respect to lead-based paint standards and smoke detectors.

## Chapter 9

### GENERAL LEASING POLICIES

#### INTRODUCTION

Chapter 9 covers the lease-up process from the family's submission of a Request for Tenancy Approval to execution of the HAP contract.

In order for the PHA to assist a family in a particular dwelling unit, or execute a Housing Assistance Payments (HAP) contract with the owner of a dwelling unit, the PHA must determine that all the following program requirements are met:

- The unit itself must qualify as an eligible unit [24 CFR 982.305(a)]
- The unit must be inspected by the PHA and meet the National Standards for the Physical Inspection of Real Estate (NSPIRE) NSPIRE [24 CFR 982.305(a)]
- The lease offered by the owner must be approvable and must include the required Tenancy Addendum [24 CFR 982.305(a)]
- The rent to be charged by the owner for the unit must be reasonable [24 CFR 982.305(a)]
- The owner must be an eligible owner, approvable by the PHA, with no conflicts of interest [24 CFR 982.306] For families initially leasing a unit only: Where the gross rent of the unit exceeds the applicable payment standard for the family, the share of rent to be paid by the family cannot exceed 40 percent of the family's monthly adjusted income [24 CFR 982.305(a)]

#### 9-I.A. TENANT SCREENING

The PHA has no liability or responsibility to the owner or other persons for the family's behavior or suitability for tenancy [24 CFR 982.307(a)(1)].

The PHA may elect to screen applicants for family behavior or suitability for tenancy. See Chapter 3 for a discussion of the PHA's policies with regard to screening applicant families for program eligibility [24 CFR 982.307(a)(1)].

The owner is responsible for screening and selection of the family to occupy the owner's unit. At or before PHA approval of the tenancy, the PHA must inform the owner that screening and selection for tenancy is the

responsibility of the owner [24 CFR 982.307(a)(2)]. The PHA must also inform the owner or manager or their responsibility to comply with VAWA [24 CFR 5.2007(3)(ii)].

The PHA must provide the owner with the family's current and prior address (as shown in the PHA records); and the name and address (if known to the PHA) of the landlord at the family's current and prior address. [24 CFR 982.307 (b)(1)].

The PHA is permitted, but not required, to offer the owner other information in the PHA's possession about the family's tenancy [24 CFR 982.307(b)(2)].

The PHA's policy on providing information to the owner must be included in the family's briefing packet [24 CFR 982.307(b)(3)].

### MCHA Policy

The MCHA will not screen applicants for family behavior or suitability for tenancy.

The MCHA will not provide additional screening information to the owner.

## **9-I.B. REQUESTING TENANCY APPROVAL [Form HUD-52517]**

After the family is issued a voucher, the family must locate an eligible unit, with an owner or landlord willing to participate in the voucher program. Once a family finds a suitable unit and the owner is willing to lease the unit under the program, the owner and the family must request the PHA to approve the assisted tenancy in the selected unit.

The owner and the family must submit two documents to the PHA:

- Completed Request for Tenancy Approval (RTA) – Form HUD-52517
- Copy of the proposed lease, including the HUD-prescribed Tenancy Addendum – Form HUD-52641-A

The RTA contains important information about the rental unit selected by the family, including the unit address, number of bedrooms, structure type, year constructed, utilities included in the rent, and the requested beginning date of the lease, necessary for the PHA to determine whether to approve the assisted tenancy in this unit.

Owners must certify to the most recent amount of rent charged for the unit and provide an explanation for any difference between the prior rent and the proposed rent.

Owners must certify that they are not the parent, child, grandparent, grandchild, sister or brother of any member of the family, unless the PHA has granted a request for reasonable accommodation for a person with disabilities who is a member of the tenant household.

For units constructed prior to 1978, owners must either 1) certify that the unit, common areas, and exterior have been found to be free of lead-based paint by a certified inspector; or 2) attach a lead-based paint disclosure statement.

Both the RTA and the proposed lease must be submitted no later than the expiration date stated on the voucher. [HCV GB p.8-15].

### MCHA Policy

The RTA must be signed by both the family and the owner.

The owner may submit the RTA on behalf of the family.

Completed RTA (including the proposed dwelling lease) must be submitted as hard copies, in-person, by mail, or by fax.

The family may not submit, and the MCHA will not process, more than one (1) RTA at a time.

When the family submits the RTA the MCHA will review the RTA for completeness.

If the RTA is incomplete (including lack of signature by family, owner, or both), or if the dwelling lease is not submitted with the RTA, the MCHA will notify the family and the owner of the deficiencies.

When the family submits the RTA and proposed lease, the MCHA will also review the terms of the RTA for consistency with the terms of the proposed lease.

If the terms of the RTA are not consistent with the terms of the proposed lease, the MCHA will notify the family and the owner of the discrepancies.

Corrections to the proposed lease will only be accepted as hard copies, in-person, by mail or by fax. The MCHA will not accept corrections by phone.

Because of the time sensitive nature of the tenancy approval process, the MCHA will attempt to communicate with the owner and family by phone, fax, or email. The MCHA will use mail when the parties can't be reached by phone, fax, or email.

### **9-I.C. OWNER PARTICIPATION**

The PHA does not formally approve an owner to participate in the HCV program. However, there are a number of criteria where the PHA may deny approval of an assisted tenancy based on past owner behavior, conflict of interest, or other owner-related issues. No owner has a right to participate in the HCV program [24 CFR 982.306(e)]

See Chapter 13 for a full discussion of owner qualification to participate in the HCV program.

### **9-I.D. ELIGIBLE UNITS**

There are a number of criteria that a dwelling unit must meet in order to be eligible for assistance under the voucher program. Generally, a voucher-holder family may choose any available rental dwelling unit on the market in the PHA's jurisdiction. This includes the dwelling unit they are currently occupying.

#### **Ineligible Units [24 CFR 982.352(a)]**

The PHA may not assist a unit under the voucher program if the unit is a public housing or Indian housing unit; a unit receiving project-based assistance under section 8 of the 1937 Act (42 U.S.C. 1437f); nursing homes, board and care homes, or facilities providing continual psychiatric, medical, or nursing services; college or other school dormitories; units on the grounds of penal, reformatory, medical, mental, and similar public or private institutions; a unit occupied by its owner or by a person with any interest in the unit.

#### **PHA-Owned Units [24 CFR 982.352(b)]**

Otherwise eligible units that are owned or substantially controlled by the PHA issuing the voucher may also be leased in the voucher program. In order for a PHA-owned unit to be leased under the voucher program, the unit must not be ineligible housing and the PHA must inform the family, both orally and in writing, that the family has the right to select any eligible unit available for lease and that the family is free to select a PHA-owned unit without any pressure or steering by the PHA.

#### MCHA Policy

The MCHA does not have any eligible MCHA-owned units available for leasing under the voucher program.

### **Special Housing Types [24 CFR 982 Subpart M]**

HUD regulations permit, but do not generally require, the PHA to permit families to use voucher assistance in a number of special housing types in accordance with the specific requirements applicable to those programs. These special housing types include single room occupancy (SRO) housing, congregate housing, group home, shared housing, manufactured home space (where the family owns the manufactured home and leases only

the space), cooperative housing and homeownership option. See Chapter 15 for specific information and policies on any of these housing types that the PHA has chosen to allow.

The regulations do require the PHA to permit use of any special housing type if needed as a reasonable accommodation so that the program is readily accessible to and usable by persons with disabilities.

### **Duplicative Assistance [24 CFR 982.352(c)]**

A family may not receive the benefit of HCV tenant-based assistance while receiving the benefit of any of the following forms of other housing subsidy, for the same unit or for a different unit:

- Public or Indian housing assistance;
- Other Section 8 assistance (including other tenant-based assistance);
- Assistance under former Section 23 of the United States Housing Act of 1937 (before amendment by the Housing and Community Development Act of 1974);
- Section 101 rent supplements;
- Section 236 rental assistance payments;
- Tenant-based assistance under the HOME Program;
- Rental assistance payments under Section 521 of the Housing Act of 1949 (a program of the Rural Development Administration);
- Any local or State rent subsidy;
- Section 202 supportive housing for the elderly;
- Section 811 supportive housing for persons with disabilities; (11) Section 202 projects for non-elderly persons with disabilities (Section 162 assistance); or
- Any other duplicative federal, State, or local housing subsidy, as determined by HUD. For this purpose, 'housing subsidy' does not include the housing component of a welfare payment, a social security payment received by the family, or a rent reduction because of a tax credit.

### **Housing Quality Standards (NSPIRE) [24 CFR 982.305 and 24 CFR 982.401]**

In order to be eligible, the dwelling unit must be in decent, safe and sanitary condition. This determination is made using HUD's Housing Quality Standards (NSPIRE) and/or equivalent state or local standards approved by HUD. See Chapter 8 for a full discussion of the NSPIRE standards, as well as the process for NSPIRE inspection at initial lease-up.

### **Unit Size**

In order to be eligible, the dwelling unit must be appropriate for the number of persons in the household. A family must be allowed to lease an otherwise acceptable dwelling unit with fewer bedrooms than the number of bedrooms stated on the voucher issued to the family, provided the unit meets the applicable NSPIRE space requirements [24 CFR 982.402(d)]. The family must be allowed to lease an otherwise acceptable dwelling unit with more bedrooms than the number of bedrooms stated on the voucher issued to the family. See Chapter 5 for a full discussion of subsidy standards.

### **Rent Reasonableness [24 CFR 982.305 and 24 CFR 982.507]**

In order to be eligible, the dwelling unit must have a reasonable rent. The rent must be reasonable in relation to comparable unassisted units in the area and must not be in excess of rents charged by the owner for comparable, unassisted units on the premises. See Chapter 8 for a full discussion of rent reasonableness and the rent reasonableness determination process.

### **Rent Burden [24 CFR 982.508]**

Where a family is initially leasing a unit and the gross rent of the unit exceeds the applicable payment standard for the family, the dwelling unit rent must be at a level where the family's share of rent does not exceed 40 percent of the family's monthly adjusted income. See Chapter 6 for a discussion of calculation of gross rent, the use of payment standards, and calculation of family income, family share of rent and HAP.

## **9-I.E. LEASE AND TENANCY ADDENDUM**

The family and the owner must execute and enter into a written dwelling lease for the assisted unit. This written lease is a contract between the tenant family and the owner; the PHA is not a party to this contract.

The tenant must have legal capacity to enter a lease under State and local law. 'Legal capacity' means that the tenant is bound by the terms of the lease and may enforce the terms of the lease against the owner [24 CFR 982.308(a)]

### **Lease Form and Tenancy Addendum [24 CFR 982.308]**

If the owner uses a standard lease form for rental to unassisted tenants in the locality or the premises, the lease must be in such standard form. If the owner does not use a standard lease form for rental to unassisted tenants, the owner may use another form of lease. The HAP contract prescribed by HUD contains the owner's certification that if the owner uses a standard lease form for rental to unassisted tenants, the lease is in such standard form.

All provisions in the HUD-required Tenancy Addendum must also be added word-for-word to the owner's standard lease form, for use with the assisted family. The Tenancy Addendum includes the tenancy requirements for the program and the composition of the household as approved by the PHA. As a part of the lease, the tenant shall have the right to enforce the Tenancy Addendum against the owner and the terms of the Tenancy Addendum shall prevail over any other provisions of the lease.

#### MCHA Policy

The MCHA does not provide a model or standard dwelling lease for owners to use in the HCV program.

### **Lease Information [24 CFR 982.308(d)]**

The assisted dwelling lease must contain all of the required information as listed below:

- The names of the owner and the tenant:
- The unit rented (address, apartment number, and any other information needed to identify the contract unit)
- The term of the lease (initial term and any provisions for renewal)
- The amount of the monthly rent to owner
- A specification of what utilities and appliances are to be supplied by the owner, and what utilities and appliances are to be supplied by the family.

### **Term of Assisted Tenancy**

The initial term of the assisted dwelling lease must be for at least one year [24 CFR 982.309]. The initial lease term is also stated in the HAP contract.

The HUD program regulations permit the PHA to approve a shorter initial lease term if certain conditions are met.

#### MCHA Policy

The MCHA will not approve an initial lease term of less than one (1) year unless required as a reasonable accommodation for person with disabilities.

During the initial term of the lease, the owner may not raise the rent to owner [24 CFR 982.309]

Any provisions for renewal of the dwelling lease will be stated in the dwelling lease [HCV Guidebook, pg. 8-22]. There are no HUD requirements regarding any renewal extension terms, except that they must be in the dwelling lease if they exist.

The PHA may execute the HAP contract even if there is less than one year remaining from the beginning of the initial lease term to the end of the last expiring funding increment under the consolidated ACC. [24 CFR 982.309(b)].

### **Security Deposit [24 CFR 982.313 (a) and (b)]**

The owner may collect a security deposit from the tenant. The PHA may prohibit security deposits in excess of private market practice, or in excess of amounts charged by the owner to unassisted tenants. However, if the PHA chooses to do so, language to this effect must be added to Part A of the HAP contract [Form HUD-52641].

#### MCHA Policy

The MCHA will allow the owner to collect any security deposit amount the owner determines is appropriate. Therefore, no modifications to the HAP contract will be necessary.

#### **Separate Non-Lease Agreements between Owner and Tenant**

Owners may not demand or accept any rent payment from the family in excess of the rent to the owner minus the PHA's housing assistance payments to the owner [24 CFR 982.451(b)(4)].

The owner may not charge the tenant extra amounts for items customarily included in rent in the locality, or provided at no additional cost to unsubsidized tenants in the premises [24 CFR 982.510(c)].

#### MCHA Policy

The MCHA permits owners and families to execute separate, non-lease agreements for services, appliances (other than range and refrigerator) and other items that are not included in the lease.

Any items, appliances, or other services that are customarily provided to unassisted families as part of the dwelling lease with those families, or are permanently installed in the dwelling unit must be included in the dwelling lease for the assisted family. These items, appliances or services cannot be placed under a separate non-lease agreement between the owner and family. Side payments for additional rent, or for items, appliances or services customarily provided to unassisted families as part of the dwelling lease for those families, are prohibited.

Any items, appliances, or other services that are not customarily provided to unassisted families as part of the dwelling lease with those families, are not permanently installed in the dwelling unit and where the family has the sole option of not utilizing the item, appliance or service, may be included in a separate non-lease agreement between the owner and the family.

The family is not liable and cannot be held responsible under the terms of the assisted dwelling lease for any charges pursuant to a separate non-lease agreement between the owner and the family. Non-payment of any charges pursuant to a separate non-lease agreement between the owner and the family cannot be a cause for eviction or termination of tenancy under the terms of the assisted dwelling lease.

Separate non-lease agreements that involve additional items, appliances or other services may be considered amenities offered by the owner and may be taken into consideration when determining the reasonableness of the rent for the property.

#### **PHA Review of Lease**

The PHA will review the dwelling lease for compliance with all applicable requirements.

#### MCHA Policy

If the dwelling lease is incomplete or incorrect, the MCHA will notify the family and the owner of the deficiencies. Missing and corrected lease information will only be accepted as hard copies, in-person, by mail, or by fax. The MCHA will not accept missing and corrected information over the phone

Because the initial leasing process is time-sensitive, the MCHA will attempt to communicate with the owner and family by phone, fax, or email. The MCHA will use mail when the parties can't be reached by phone, fax, or email.

The PHA is permitted, but is not required, to review the lease to determine if the lease complies with State and local law and is permitted to decline to approve the tenancy if the PHA determines that the lease does not comply with State or local law [24 CFR 982.308(c)]

## MCHA Policy

The MCHA will not review the owner's lease for compliance with state/local law.

### **9-I.F. TENANCY APPROVAL [24 CFR 982.305]**

After receiving the family's Request for Tenancy Approval, with proposed dwelling lease, the PHA must promptly notify the family and owner whether the assisted tenancy is approved.

Prior to approving the assisted tenancy and execution of a HAP contract, the PHA must ensure that all required actions and determinations, discussed in Part I of this chapter have been completed.

These actions include ensuring that the unit is eligible; the unit has been inspected by the PHA and meets the Housing Quality Standards (NSPIRE); the lease offered by the owner is approvable and includes the required Tenancy Addendum; the rent to be charged by the owner for the unit must be reasonable; where the family is initially leasing a unit and the gross rent of the unit exceeds the applicable payment standard for the family, the share of rent to be paid by the family does not exceed 40 percent of the family's monthly adjusted income [24 CFR 982.305(a)]; the owner is an eligible owner, not disapproved by the PHA, with no conflicts of interest [24 CFR 982.306]; the family and the owner have executed the lease, including the Tenancy Addendum, and the lead-based paint disclosure information [24 CFR 982.305(b)].

## MCHA Policy

The MCHA will complete its determination within 15 business days of receiving all required information.

If the terms of the RTA/proposed lease are changed for any reason, including but not limited to negotiation with the MCHA, the MCHA will obtain corrected copies of the RTA and proposed lease, signed by the family and the owner.

Corrections to the RTA/proposed lease will only be accepted as hard copies, in-person, by mail, or by fax. The MCHA will not accept corrections over the phone.

If the MCHA determines that the tenancy cannot be approved for any reason, the owner and the family will be notified in writing and given the opportunity to address any reasons for disapproval. The MCHA will instruct the owner and family of the steps that are necessary to approve the tenancy.

Where the tenancy is not approvable because the unit is not approvable, the family must continue to search for eligible housing within the timeframe of the issued voucher.

If the tenancy is not approvable due to rent affordability (including rent burden and rent reasonableness), the MCHA will attempt to negotiate the rent with the owner. If a new, approvable rent is negotiated, the tenancy will be approved. If the owner is not willing to negotiate an approvable rent, the family must continue to search for eligible housing within the timeframe of the issued voucher.

### **9-I.G. HAP CONTRACT EXECUTION [24 CFR 982.305]**

The HAP contract is a written agreement between the PHA and the owner of the dwelling unit occupied by a housing choice voucher assisted family. Under the HAP contract, the PHA agrees to make housing assistance payments to the owner on behalf of a specific family occupying a specific unit and obliges the owner to comply with all program requirements.

The HAP contract format is prescribed by HUD.

If the PHA has given approval for the family of the assisted tenancy, the owner and the PHA execute the HAP contract.

The term of the HAP contract must be the same as the term of the lease [24 CFR 982.451(a)(2)].

The PHA is permitted to execute a HAP contract even if the funding currently available does not extend for the full term of the HAP contract.

The PHA must make a best effort to ensure that the HAP contract is executed before the beginning of the lease term. Regardless, the HAP contract must be executed no later than 60 calendar days from the beginning of the lease term.

The PHA may not pay any housing assistance payment to the owner until the HAP contract has been executed. If the HAP contract is executed during the period of 60 calendar days from the beginning of the lease term, the PHA will pay housing assistance payments after execution of the HAP contract (in accordance with the terms of the HAP contract), to cover the portion of the lease term before execution of the HAP contract (a maximum of 60 days).

Any HAP contract executed after the 60 day period is void, and the PHA may not pay any housing assistance payment to the owner.

#### PHA Policy

The owner and the assisted family will execute the dwelling lease and the owner must provide a copy to the MCHA. The MCHA will ensure that both the owner and the assisted family receive copies of the dwelling lease.

The owner and the MCHA will execute the HAP contract. The MCHA will not execute the HAP contract until the owner has submitted IRS form W-9. The MCHA will ensure that the owner receives a copy of the executed HAP contract.

See Chapter 13 for a discussion of the HAP contract and contract provisions.

#### **9-I.H. CHANGES IN LEASE OR RENT [24 CFR 982.308]**

If the tenant and the owner agree to any changes in the lease, such changes must be in writing, and the owner must immediately give the PHA a copy of such changes. The lease, including any changes, must remain in accordance with the requirements of this chapter.

Generally, PHA approval of tenancy and execution of a new HAP contract are not required for changes in the lease. However, under certain circumstances, voucher assistance in the unit shall not be continued unless the PHA has approved a new tenancy in accordance with program requirements and has executed a new HAP contract with the owner. These circumstances include:

- Changes in lease requirements governing tenant or owner responsibilities for utilities or appliances
- Changes in lease provisions governing the term of the lease
- The family moves to a new unit, even if the unit is in the same building or complex

In these cases, if the HCV assistance is to continue, the family must submit a new dwelling lease containing the altered terms. A Request for Tenancy Approval (RTA) would be submitted with the new lease in the case of a family moving into a new unit. A new tenancy must then be approved in accordance with this chapter.

Where the owner is changing the amount of rent, the owner must notify the PHA of any changes in the amount of the rent to owner at least 60 days before any such changes go into effect [24 CFR 982.308(g)(4)]. The PHA will agree to such an increase only if the amount of the rent to owner is considered reasonable according to the rent reasonableness standards discussed in Chapter 8. If the requested rent is not found to be reasonable, the owner must either reduce the requested rent increase, or give the family notice in accordance with the terms of the lease.

No rent increase is permitted during the initial term of the lease [24 CFR 982.309(a)(3)].

#### MCHA Policy

Where the owner is requesting a rent increase, the MCHA will determine whether the requested increase is reasonable within 10 business days of receiving the request from the owner. The owner will be notified of the determination in writing.

Rent increases will go into effect on the first of the month following the 60-day period after the owner notifies the MCHA of the rent change or on the date specified by the owner, whichever is later.

## Chapter 10

### MOVING WITH CONTINUED ASSISTANCE AND PORTABILITY

#### INTRODUCTION

Freedom of choice is a hallmark of the housing choice voucher (HCV) program. In general, therefore, HUD regulations impose few restrictions on where families may live or move with HCV assistance. This chapter sets forth HUD regulations and PHA policies governing moves within or outside the PHA's jurisdiction in two parts:

Part I: Moving with Continued Assistance. This part covers the general rules that apply to all moves by a family assisted under the PHA's HCV program, whether the family moves to another unit within the PHA's jurisdiction or to a unit outside the PHA's jurisdiction under portability.

Part II: Portability. This part covers the special rules that apply to moves by a family under portability, whether the family moves out of or into the PHA's jurisdiction. This part also covers the special responsibilities that the PHA has under portability regulations and procedures.

#### **PART I: MOVING WITH CONTINUED ASSISTANCE**

##### 10-I.A. ALLOWABLE MOVES

HUD lists five regulatory conditions and the statutory condition under VAWA in which an assisted family is allowed to move to a new unit with continued assistance. Permission to move is subject to the restrictions set forth in section 10-I.B.

- The family has a right to terminate the lease on notice to the owner (for the owner's breach or otherwise) and has given a notice of termination to the owner in accordance with the lease [24 CFR 982.314(b)(3)]. If the family terminates the lease on notice to the owner, the family must give the PHA a copy of the notice at the same time [24 CFR 982.314(d)(1)].
- The Violence Against Women Reauthorization Act of 2013 provides that "a family may receive a voucher from a public housing agency and move to another jurisdiction under the tenant-based assistance program if the family has complied with all other obligations of the Section 8 program and has moved out of the assisted dwelling unit in order to protect the health or safety of an individual who is or has been a victim of domestic violence, dating violence, sexual assault or stalking and who reasonably believed he or she was imminently threatened by harm from further violence if he or she remained in the assisted dwelling unit" [24 CFR 982.353(b)].
- The lease for the family's unit has been terminated by mutual agreement of the owner and the family [24 CFR 982.314(b)(1)(ii)].

##### MCHA Policy

If the family and the owner mutually agree to terminate the lease for the family's unit, the family must give the MCHA a copy of the termination agreement.

The owner has given the family a notice to vacate, has commenced an action to evict the family, or has obtained a court judgment or other process allowing the owner to evict the family [24 CFR 982.314(b)(2)]. The family must give the PHA a copy of any owner eviction notice [24 CFR 982.551(g)].

- The PHA has terminated the assisted lease for the family's unit for the owner's breach [24 CFR 982.314(b)(1)(i)].
- The PHA determines that the family's current unit does not meet the HQS space standards because of an increase in family size or a change in family composition. In such cases, the PHA must issue the family a new voucher, and the family and PHA must try to find an acceptable unit as soon as possible. If an acceptable unit is available for the family, the PHA must terminate the HAP contract for the family's old unit in accordance with the HAP contract terms and must notify both the family and the owner of the termination. The HAP contract terminates at the end of the calendar month that follows the calendar month in which the PHA gives notice to the owner. [24 CFR 982.403(a) and (c)]

## **10-I.B. RESTRICTIONS ON MOVES**

A family's right to move is generally contingent upon the family's compliance with program requirements [24 CFR 982.1(b)(2)]. HUD specifies two conditions under which a PHA may deny a family permission to move and two ways in which a PHA may restrict moves by a family.

### **Denial of Moves**

HUD regulations permit the PHA to deny a family permission to move under the following conditions:

#### ***Insufficient Funding***

The PHA may deny a family permission to move if the PHA does not have sufficient funding for continued assistance [24 CFR 982.314(e)(1)]. However, Notice PIH 2008-43 significantly restricts the ability of PHAs to deny permission to move under portability due to insufficient funding. The requirements found in this notice are mandatory. In addition, the PHA must provide written notification to the local HUD Office within 10 business days of determining it is necessary to deny moves to a higher cost unit based on insufficient funding [24 CFR 982.354(e)(1)].

**For moves outside the PHA's jurisdiction under portability, no policy decisions are required.**

#### MCHA Policy

The MCHA will deny a family permission to move on grounds that the MCHA does not have sufficient funding for continued assistance if (a) the move is initiated by the family, not the owner or the MCHA; (b) the MCHA can demonstrate that the move will, in fact, result in higher subsidy costs; and (c) the MCHA can demonstrate, in accordance with the policies in Part VIII of Chapter 16, that it does not have sufficient funding in its annual budget to accommodate the higher subsidy costs.

#### ***Grounds for Denial or Termination of Assistance***

The PHA has grounds for denying or terminating the family's assistance [24 CFR 982.314(e)(2)]. VAWA allows exceptions to these grounds for denial or termination of assistance for families who are otherwise in compliance with program obligations, but have moved to protect the health or safety of an individual who is or has been a victim of domestic violence, dating violence, sexual assault or stalking and who reasonably believed he or she was imminently threatened by harm from further violence if they remained in the unit [24 CFR 982.353(b)].

#### MCHA Policy

If the MCHA has grounds for denying or terminating a family's assistance, the MCHA will act on those grounds in accordance with the regulations and policies set forth in Chapters 3 and 12. In general, if the family is in the termination process, they will be denied permission to move. Refer to sections 3-III.G and 12-II.E for VAWA provisions that may effect this decision.

#### ***Restrictions on Elective Moves [24 CFR 982.314(c)]***

#### MCHA Policy

The MCHA will deny a family permission to make an elective move during the family's initial lease term. This policy applies to moves within the MCHA's jurisdiction or outside it under portability.

The MCHA will also deny a family permission to make more than one elective move during any 12-month period. This policy applies to all assisted families residing in the MCHA's jurisdiction.

The MCHA will consider exceptions to these policies for the following reasons: to protect the health or safety of a family member (e.g., lead-based paint hazards, domestic violence, witness protection programs), to accommodate a change in family circumstances (e.g., new employment, school attendance in a distant area), or to address an emergency situation over which a family has no control.

In addition, the MCHA will allow exceptions to these policies for purposes of reasonable accommodation of a family member who is a person with disabilities (see Chapter 2).

## **10-I.C. MOVING PROCESS**

### **Notification**

If a family wishes to move to a new unit, the family must notify the PHA and the owner before moving out of the old unit or terminating the lease on notice to the owner [24 CFR 982.314(d)(2)]. If the family wishes to move to a unit outside the PHA's jurisdiction under portability, the notice to the PHA must specify the area where the family wishes to move [24 CFR 982.314(d)(2), Notice PIH 2008-43]. The notices must be in writing [24 CFR 982.5].

### **Approval**

#### MCHA Policy

Upon receipt of a family's notification that it wishes to move, the MCHA will determine whether the move is approvable in accordance with the regulations and policies set forth in sections 10-I.A and 10-I.B. The MCHA will notify the family of its determination within 10 business days following receipt of the family's notification.

### **Reexamination of Family Income and Composition**

#### MCHA Policy

For families approved to move to a new unit within the MCHA's jurisdiction, the MCHA will perform a new annual reexamination in accordance with the policies set forth in Chapter 11 of this plan.

For families moving into or families approved to move out of the MCHA's jurisdiction under portability, the MCHA will follow the policies set forth in Part II of this chapter.

### **Voucher Issuance and Briefing**

#### MCHA Policy

For families approved to move to a new unit within the MCHA's jurisdiction, the MCHA will issue a new voucher within 10 business days of the MCHA's approval to move. No briefing is required for these families. The MCHA will follow the policies set forth in Chapter 5 on voucher term, extension, and expiration. If a family does not locate a new unit within the term of the voucher and any extensions, the family may remain in its current unit with continued voucher assistance if the owner agrees and the MCHA approves. Otherwise, the family will lose its assistance.

For families moving into or families approved to move out of the MCHA's jurisdiction under portability, the MCHA will follow the policies set forth in Part II of this chapter.

### **Housing Assistance Payments [24 CFR 982.311(d)]**

When a family moves out of an assisted unit, the PHA may not make any housing assistance payment to the owner for any month **after** the month the family moves out. The owner may keep the housing assistance payment for the month when the family moves out of the unit.

If a participant family moves from an assisted unit with continued tenant-based assistance, the term of the assisted lease for the new assisted unit may begin during the month the family moves out of the first assisted unit. Overlap of the last housing assistance payment (for the month when the family moves out of the old unit) and the first assistance payment for the new unit, is not considered to constitute a duplicative housing subsidy.

## **PART II: PORTABILITY**

### **10-II.A. OVERVIEW**

Within the limitations of the regulations and this plan, a participant family or an applicant family that has been issued a voucher has the right to use tenant-based voucher assistance to lease a unit anywhere in the United States providing that the unit is located within the jurisdiction of a PHA administering a tenant-based voucher program [24 CFR 982.353(b)]. The process by which a family obtains a voucher from one PHA and uses it to lease a unit in the jurisdiction of another PHA is known as portability. The first PHA is called the **initial PHA**. The second is called the **receiving PHA**.

The receiving PHA has the option of administering the family's voucher for the initial PHA or absorbing the family into its own program. Under the first option, the receiving PHA bills the initial PHA for the family's housing assistance payments and the fees for administering the family's voucher. Under the second option, the receiving PHA pays for the family's assistance out of its own program funds, and the initial PHA has no further relationship with the family.

The same PHA commonly acts as the initial PHA for some families and as the receiving PHA for others. Each role involves different responsibilities. The PHA will follow the rules and policies in section 10-II.B when it is acting as the initial PHA for a family. It will follow the rules and policies in section 10-II.C when it is acting as the receiving PHA for a family.

### **10-II.B. INITIAL PHA ROLE**

#### **Allowable Moves under Portability**

A family may move with voucher assistance only to an area where there is at least one PHA administering a voucher program [24 CFR 982.353(b)]. If there is more than one PHA in the area, the initial PHA may choose the receiving PHA [24 CFR 982.355(b)].

Applicant families that have been issued vouchers as well as participant families may qualify to lease a unit outside the PHA's jurisdiction under portability. The initial PHA, in accordance with HUD regulations and PHA policy, determines whether a family qualifies.

#### **Applicant Families**

Under HUD regulations, most applicant families qualify to lease a unit outside the PHA's jurisdiction under portability. However, HUD gives the PHA discretion to deny a portability move by an applicant family for the same two reasons that it may deny any move by a participant family: insufficient funding and grounds for denial or termination of assistance. The PHA must provide written notification to the local HUD Office within 10 business days of determining it is necessary to deny moves to a higher cost unit based on insufficient funding.

#### **MCHA Policy**

In determining whether or not to deny an applicant family permission to move under portability because the MCHA lacks sufficient funding or has grounds for denying assistance to the family, the initial MCHA will follow the policies established in section 10-I.B of this chapter.

In addition, the PHA may establish a policy denying the right to portability to nonresident applicants during the first 12 months after they are admitted to the program [24 CFR 982.353(c)].

## MCHA Policy

If neither the head of household nor the spouse/cohead of an applicant family had a domicile (legal residence) in the MCHA's jurisdiction at the time the family's application for assistance was submitted, the family must live in the MCHA's jurisdiction with voucher assistance for at least 12 months before requesting portability.

The MCHA will consider exceptions to this policy for purposes of reasonable accommodation (see Chapter 2). However, any exception to this policy is subject to the approval of the receiving MCHA [24 CFR 982.353(c)(3)].

### ***Participant Families***

The initial PHA must not provide portable assistance for a participant if a family has moved out of its assisted unit in violation of the lease [24 CFR 982.353(b)]. VAWA creates an exception to this prohibition for families who are otherwise in compliance with program obligations but have moved to protect the health or safety of an individual who is or has been a victim of domestic violence, dating violence, sexual assault or stalking and who reasonably believed he or she was imminently threatened by harm from further violence if they remained in the unit [24 CFR 982.353(b)].

## MCHA Policy

The MCHA will determine whether a participant family may move out of the MCHA's jurisdiction with continued assistance in accordance with the regulations and policies set forth here and in sections 10-I.A and 10-I.B of this chapter. The MCHA will notify the family of its determination in accordance with the approval policy set forth in section 10-I.C of this chapter.

### **Determining Income Eligibility**

#### ***Applicant Families***

An applicant family may lease a unit in a particular area under portability only if the family is income eligible for admission to the voucher program in that area [24 CFR 982.353(d)(3)]. The family must specify the area to which the family wishes to move [Notice 2008-43].

The initial PHA is responsible for determining whether the family is income eligible in the area to which the family wishes to move [24 CFR 982.355(c)(1)]. If the applicant family is not income eligible in that area, the PHA must inform the family that it may not move there and receive voucher assistance [Notice PIH 2008-43].

#### ***Participant Families***

The income eligibility of a participant family is not redetermined if the family moves to a new jurisdiction under portability [24 CFR 982.353(d)(2), 24 CFR 982.355(c)(1)].

### **Reexamination of Family Income and Composition**

No new reexamination of family income and composition is required for an applicant family.

## MCHA Policy

For a participant family approved to move out of its jurisdiction under portability, the MCHA generally will conduct a reexamination of family income and composition only if the family's annual reexamination must be completed on or before the initial billing deadline specified on form HUD-52665, Family Portability Information.

The MCHA will make any exceptions to this policy necessary to remain in compliance with HUD regulations.

## **Briefing**

The regulations and policies on briefings set forth in Chapter 5 of this plan require the PHA to provide information on portability to all applicant families that qualify to lease a unit outside the PHA's jurisdiction under the portability procedures. Therefore, no special briefing is required for these families.

### MCHA Policy

No formal briefing will be required for a participant family wishing to move outside the MCHA's jurisdiction under portability. However, the MCHA will provide the family with the same oral and written explanation of portability that it provides to applicant families selected for admission to the program (see Chapter 5). The MCHA will provide the name, address, and phone of the contact for the MCHA in the jurisdiction to which they wish to move. The MCHA will advise the family that they will be under the PHA's policies and procedures, including subsidy standards and voucher extension policies.

## **Voucher Issuance and Term**

An applicant family has no right to portability until after the family has been issued a voucher [24 CFR 982.353(b)]. In issuing vouchers to applicant families, the PHA will follow the regulations and procedures set forth in Chapter 5.

### MCHA Policy

For families approved to move under portability, the MCHA will issue a new voucher within 10 business days of the MCHA's written approval to move.

The initial term of the voucher will be 60 days with a 60 day extension at MCHA's discretion.

## **Voucher Extensions and Expiration**

### MCHA Policy

The MCHA will approve extensions to a voucher issued to an applicant or participant family porting out of the MCHA's jurisdiction under the following circumstances: (a) the initial term of the voucher will expire before the portable family will be issued a voucher by the receiving PHA, (b) the family decides to return to the initial PHA's jurisdiction and search for a unit there, or (c) the family decides to search for a unit in a third PHA's jurisdiction. In such cases, the policies on voucher extensions set forth in Chapter 5, section 5-II.E, of this plan will apply, including the requirement that the family apply for an extension in writing prior to the expiration of the initial voucher term.

To receive or continue receiving assistance under the initial PHA's voucher program, a family that moves to another PHA's jurisdiction under portability must be under HAP contract in the receiving PHA's jurisdiction within 60 days following the expiration date of the initial PHA's voucher term (including any extensions). (See below under "Initial Billing Deadline" for one exception to this policy.)

## **Initial Contact with the Receiving PHA**

After approving a family's request to move under portability, the initial PHA must promptly notify the receiving PHA to expect the family [24 CFR 982.355(c)(2)]. This means that the initial PHA must contact the receiving PHA directly on the family's behalf [Notice PIH 2008-43]. The initial PHA must also advise the family how to contact and request assistance from the receiving PHA [24 CFR 982.355(c)(2)]. The initial PHA must contact the receiving PHA prior to approving the family's request to move to determine if the receiving PHA will bill or absorb. The receiving PHA must respond to the initial PHA's request in writing [24 CFR 982.355(c)(5)].

### MCHA Policy

Because the portability process is time-sensitive, the MCHA will notify the receiving PHA by phone, fax, or e-mail to expect the family. The initial PHA will also ask the receiving PHA to provide any information the family may need upon arrival, including the name, fax, email and telephone number of the staff person responsible for business with incoming portable families and procedures related to appointments for

voucher issuance. The MCHA will pass this information along to the family. The MCHA will also ask for the name, address, telephone number, fax and email of the person responsible for processing the billing information.

### **Sending Documentation to the Receiving PHA**

The initial PHA is required to send the receiving PHA the following documents:

- Form HUD-52665, Family Portability Information, with Part I filled out [Notice PIH 2008-43]
- A copy of the family's voucher [Notice PIH 2008-43]
- A copy of the family's most recent form HUD-50058, Family Report, or, if necessary in the case of an applicant family, family and income information in a format similar to that of form HUD-50058 [24 CFR 982.355(c)(4), Notice PIH 2008-43]
- Copies of the income verifications backing up the form HUD-50058 including a copy of the family's current EIV data [24 CFR 982.355(c)(4), Notice PIH 2008-43]

### MCHA Policy

In addition to these documents, the MCHA will provide the following information, if available, to the receiving MCHA:

- Social security numbers (SSNs)
- Documentation of SSNs for all non-exempt family members
- Documentation of legal identity
- Documentation of citizenship or eligible immigration status
- Documentation of participation in the earned income disallowance (EID) benefit
- Documentation of participation in a family self-sufficiency (FSS) program

The PHA will notify the family in writing regarding any information provided to the receiving PHA [HCV GB, p. 13-3].

### **Initial Billing Deadline [Notice PIH 2008-43]**

When the initial PHA sends form HUD-52665 to the receiving PHA, it specifies in Part I the deadline by which it must receive the initial billing notice from the receiving PHA. This deadline is 60 days following the expiration date of the voucher issued to the family by the initial PHA. If the initial PHA does not receive a billing notice by the deadline and does not intend to honor a late billing submission, it must contact the receiving PHA to determine the status of the family. If the receiving PHA reports that the family is not yet under HAP contract, the initial PHA may refuse to accept a late billing submission. If the receiving PHA reports that the family is under HAP contract and the receiving PHA cannot absorb the family, the initial PHA must accept a late billing submission; however, it may report to HUD the receiving PHA's failure to comply with the deadline.

### MCHA Policy

If the MCHA has not received an initial billing notice from the receiving PHA by the deadline specified on form HUD-52665, it will contact the receiving PHA by phone, fax, or e-mail on the next business day. If the MCHA reports that the family is not yet under HAP contract, the MCHA will inform the receiving PHA that it will not honor a late billing submission and will return any subsequent billings that it receives on behalf of the family. The MCHA will send the receiving PHA a written confirmation of its decision by mail.

The MCHA will allow an exception to this policy if the family includes a person with disabilities and the late billing is a result of a reasonable accommodation granted to the family by the receiving PHA.

### **Monthly Billing Payments [24 CFR 982.355(e), Notice PIH 2008-43]**

If the receiving PHA is administering the family's voucher, the initial PHA is responsible for making billing payments in a timely manner. The first billing amount is due within 30 calendar days after the initial PHA receives Part II of form HUD-52665 from the receiving PHA.

Subsequent payments must be **received** by the receiving PHA no later than the fifth business day of each month. The payments must be provided in a form and manner that the receiving PHA is able and willing to accept.

The initial PHA may not terminate or delay making payments under existing portability billing arrangements as a result of overleasing or funding shortfalls. The PHA must manage its tenant-based program in a manner that ensures that it has the financial ability to provide assistance for families that move out of its jurisdiction under portability and are not absorbed by receiving PHAs as well as for families that remain within its jurisdiction.

### **Annual Updates of Form HUD-50058**

If the initial PHA is being billed on behalf of a portable family, it should receive an updated form HUD-50058 each year from the receiving PHA. If the initial PHA fails to receive an updated 50058 by the family's annual reexamination date, the initial PHA should contact the receiving PHA to verify the status of the family.

### **Denial or Termination of Assistance [24 CFR 982.355(c)(9)]**

If the initial PHA has grounds for denying or terminating assistance for a portable family that has not been absorbed by the receiving PHA, the initial PHA may act on those grounds at any time. (For PHA policies on denial and termination, see Chapters 3 and 12, respectively.)

## **10-II.C. RECEIVING PHA ROLE**

If a family has a right to lease a unit in the receiving PHA's jurisdiction under portability, the receiving PHA must provide assistance for the family [24 CFR 982.355(10)].

The receiving PHA's procedures and preferences for selection among eligible applicants do not apply, and the receiving PHA's waiting list is not used [24 CFR 982.355(10)]. However, the family's unit, or voucher, size is determined in accordance with the subsidy standards of the receiving PHA [24 CFR 982.355(7)], and the amount of the family's housing assistance payment is determined in the same manner as for other families in the receiving PHA's voucher program [24 CFR 982.355(e)(2)].

### **Initial Contact with Family**

The initial PHA must contact the receiving PHA prior to approving the family's request to move to determine if the receiving PHA will bill or absorb. The receiving PHA must respond to the initial PHA's request in writing. [24 CFR 982.355(c)(5)] If the receiving PHA notifies the initial PHA that it will absorb the voucher, it cannot reverse its decision at a later date without consent of the initial PHA [24 CFR 982.355(c)(4)]

When a family moves into the PHA's jurisdiction under portability, the family is responsible for promptly contacting the PHA and complying with the PHA's procedures for incoming portable families [24 CFR 982.355(c)(3)].

If the voucher issued to the family by the initial PHA has expired, the receiving PHA does not process the family's paperwork but instead refers the family back to the initial PHA [Notice PIH 2008-43].

If the PHA initially bills the initial PHA for the family's assistance, it may later decide to absorb the family into its own program [Notice PIH 2008-43]. (See later under "Absorbing a Portable Family" for more on this topic.)

#### MCHA Policy

Within 10 business days, from contact by the initial PHA, the MCHA will in writing notify the initial PHA whether it intends to bill on behalf of the portable family or absorb the family into its own program.

### **Briefing**

HUD allows the receiving PHA to require a briefing for an incoming portable family as long as the requirement does not unduly delay the family's search [Notice PIH 2008-43].

#### MCHA Policy

The MCHA will not require the family to attend a briefing. The MCHA will provide the family with a briefing packet (as described in Chapter 5) and, in an individual briefing, will orally inform the family

about the MCHA's payment and subsidy standards, procedures for requesting approval of a unit, the unit inspection process, and the leasing process.

### **Income Eligibility and Reexamination**

HUD allows the receiving PHA to conduct its own income reexamination of a portable family [24 CFR 982.355(c)(4)]. However, the receiving PHA may not delay voucher issuance or unit approval until the reexamination process is complete unless the reexamination is necessary to determine that an applicant family is income eligible for admission to the program in the area where the family wishes to lease a unit [Notice PIH 2008-43, 24 CFR 982.201(b)(4)]. The receiving PHA does not redetermine income eligibility for a portable family that was already receiving assistance in the initial PHA's voucher program [24 CFR 982.355(c)(1)].

#### MCHA Policy

For any family moving into its jurisdiction under portability, the MCHA will conduct a new reexamination of family income and composition. However, the MCHA will not delay issuing the family a voucher for this reason. Nor will the MCHA delay approving a unit for the family until the reexamination process is complete unless the family is an applicant and the MCHA cannot otherwise confirm that the family is income eligible for admission to the program in the area where the unit is located.

In conducting its own reexamination, the MCHA will rely upon any verifications provided by the initial PHA to the extent that they (a) accurately reflect the family's current circumstances and (b) were obtained within the last 120 days. Any new information may be verified by documents provided by the family and adjusted, if necessary, when third party verification is received.

### **Voucher Issuance**

When a family moves into its jurisdiction under portability, the receiving PHA is required to issue the family a voucher. A receiving PHA cannot refuse to assist incoming portable families or direct them to another neighboring PHA for assistance. HUD may determine in certain instances that a PHA is not required to accept incoming portable families, such as a PHA in a declared disaster area. However, the PHA must have approval in writing from HUD before refusing any incoming portable families. [24 CFR 982.355(b)].

### **Timing of Voucher Issuance**

HUD expects the receiving PHA to issue the voucher within two weeks after receiving the family's paperwork from the initial PHA if the information is in order, the family has contacted the receiving PHA, and the family complies with the receiving PHA's procedures [Notice PIH 2008-43].

#### MCHA Policy

When a family ports into its jurisdiction, the MCHA will issue the family a voucher based on the paperwork provided by the initial PHA unless the family's paperwork from the initial PHA is incomplete, the family's voucher from the initial PHA has expired or the family does not comply with the MCHA's procedures. The MCHA will update the family's information when verification has been completed.

### **Voucher Term**

The receiving PHA must issue a voucher to the ported family that does not expire before 30 calendar days from the expiration date of the initial PHA's voucher. The receiving PHA must contact the initial PHA if the family's voucher expires before the family arrives at the receiving PHA, to determine whether the initial PHA will extend the voucher [24 CFR 982.355(c)(13)].

#### MCHA Policy

MCHA will issue a voucher to the ported family that does not expire before 30 calendar days from the expiration date of the initial PHA's voucher. MCHA will contact the initial PHA if the family's voucher expires before the family arrives at the receiving PHA, to determine whether the initial PHA will extend the voucher.

## **Voucher Extensions [24 CFR 982.355(c)(6), Notice 2008-43] [24 CFR 982.355(c)(13)].**

The receiving PHA may provide additional search time to the family beyond the expiration date of the initial PHA's voucher; however, if it does so, it must inform the initial PHA of the extension. It must also bear in mind the billing deadline provided by the initial PHA. Unless willing and able to absorb the family, the receiving PHA should ensure that any voucher expiration date would leave sufficient time to process a request for tenancy approval, execute a HAP contract, and deliver the initial billing to the initial PHA.

### MCHA Policy

The MCHA generally will not extend the term of the voucher that it issues to an incoming portable family unless the MCHA plans to absorb the family into its own program, in which case it will follow the policies on voucher extension set forth in section 5-II.E.

The MCHA will consider an exception to this policy as a reasonable accommodation to a person with disabilities (see Chapter 2).

## **Notifying the Initial PHA**

The receiving PHA must promptly notify the initial PHA if the family has leased an eligible unit under the program or if the family fails to submit a request for tenancy approval for an eligible unit within the term of the receiving PHA's voucher [24 CFR 982.355(c)(8)]. The receiving PHA is required to use Part II of form HUD-52665, Family Portability Information, for this purpose [24 CFR 982.355(e)(5), Notice PIH 2008-43]. (For more on this topic and the deadline for notification, see below under "Administering a Portable Family's Voucher.")

If an incoming portable family ultimately decides not to lease in the jurisdiction of the receiving PHA but instead wishes to return to the initial PHA's jurisdiction or to search in another jurisdiction, the receiving PHA must refer the family back to the initial PHA. In such a case the voucher of record for the family is once again the voucher originally issued by the initial PHA. Any extension of search time provided by the receiving PHA's voucher is only valid for the family's search in the receiving PHA's jurisdiction [Notice PIH 2008-43].

## **Administering a Portable Family's Voucher**

### ***Initial Billing Deadline***

If a portable family's search for a unit is successful and the receiving PHA intends to administer the family's voucher, the receiving PHA must submit its initial billing notice (Part II of form HUD-52665) (a) no later than 10 business days following the date the receiving PHA **executes** a HAP contract on behalf of the family **and** (b) in time that the notice will be **received** no later than 60 days following the expiration date of the family's voucher issued by the initial PHA [Notice PIH 2008-43]. A copy of the family's form HUD-50058, Family Report, completed by the receiving PHA must be attached to the initial billing notice. The receiving PHA may send these documents by mail, fax, or e-mail.

### MCHA Policy

The MCHA will send its initial billing notice by fax or e-mail, if necessary, to meet the billing deadline but will also send the notice by regular mail.

If the receiving PHA fails to send the initial billing within 10 business days following the date the HAP contract is executed, it is required to absorb the family into its own program unless (a) the initial PHA is willing to accept the late submission or (b) HUD requires the initial PHA to honor the late submission (e.g., because the receiving PHA is overleased) [Notice PIH 2008-43].

### ***Ongoing Notification Responsibilities [Notice PIH 2008-43, HUD-52665]***

**Annual Reexamination.** The receiving PHA must send the initial PHA a copy of a portable family's updated form HUD-50058 after each annual reexamination for the duration of time the receiving PHA is billing the initial PHA on behalf of the family, regardless of whether there is a change in the billing amount.

## MCHA Policy

The MCHA will send a copy of the updated HUD-50058 by regular mail at the same time the PHA and owner are notified of the reexamination results.

**Change in Billing Amount.** The receiving PHA is required to notify the initial PHA, using form HUD-52665, of any change in the billing amount for the family as a result of:

- A change in the HAP amount (because of a reexamination, a change in the applicable payment standard, a move to another unit, etc.)
- An abatement or subsequent resumption of the HAP payments
- Termination of the HAP contract
- Payment of a damage/vacancy loss claim for the family
- Termination of the family from the program

The timing of the notice of the change in the billing amount should correspond with the notification to the owner and the family in order to provide the initial PHA with advance notice of the change. Under no circumstances should the notification be later than 10 business days following the effective date of the change in the billing amount. If the receiving PHA fails to send Form HUD-52665 within 10 days of effective date of billing changes, the initial PHA is not responsible for any increase prior to notification.

### ***Late Payments [Notice PIH 2008-43]***

If the initial PHA fails to make a monthly payment for a portable family by the fifth business day of the month, the receiving PHA must promptly notify the initial PHA in writing of the deficiency. The notice must identify the family, the amount of the billing payment, the date the billing payment was due, and the date the billing payment was received (if it arrived late). The receiving PHA must send a copy of the notification to the Office of Public Housing (OPH) in the HUD area office with jurisdiction over the receiving PHA. If the initial PHA fails to correct the problem by the second month following the notification, the receiving PHA may request by memorandum to the director of the OPH with jurisdiction over the receiving PHA that HUD transfer the unit in question. A copy of the initial notification and any subsequent correspondence between the PHAs on the matter must be attached. The receiving PHA must send a copy of the memorandum to the initial PHA. If the OPH decides to grant the transfer, the billing arrangement on behalf of the family ceases with the transfer, but the initial PHA is still responsible for any outstanding payments due to the receiving PHA.

### ***Overpayments [Notice PIH 2008-43]***

In all cases where the receiving PHA has received billing payments for billing arrangements no longer in effect, the receiving PHA is responsible for returning the full amount of the overpayment (including the portion provided for administrative fees) to the initial PHA.

In the event that HUD determines billing payments have continued for at least three months because the receiving PHA failed to notify the initial PHA that the billing arrangement was terminated, the receiving PHA must take the following steps:

- Return the full amount of the overpayment, including the portion provided for administrative fees, to the initial PHA.
- Once full payment has been returned, notify the Office of Public Housing in the HUD area office with jurisdiction over the receiving PHA of the date and the amount of reimbursement to the initial PHA.

At HUD's discretion, the receiving PHA will be subject to the sanctions spelled out in Notice PIH 2008-43.

### ***Denial or Termination of Assistance***

At any time, the receiving PHA may make a determination to deny or terminate assistance to a portable family for family action or inaction [24 CFR 982.355(c)(9), 24 CFR 982.355(c)(10)].

In the case of a termination, the PHA should provide adequate notice of the effective date to the initial PHA to avoid having to return a payment. In no event should the receiving PHA fail to notify the initial PHA later than 10 business days following the effective date of the termination of the billing arrangement [Notice PIH 2008-43].

#### MCHA Policy

If the MCHA elects to deny or terminate assistance for a portable family, MCHA will notify the initial PHA within 10 business days after the informal review or hearing if the denial or termination is upheld. The PHA will base its denial or termination decision on the policies set forth in Chapter 3 or Chapter 12, respectively. The informal review or hearing will be held in accordance with the policies in Chapter 16. The receiving PHA will furnish the initial PHA with a copy of the review or hearing decision.

#### **Absorbing a Portable Family**

The receiving PHA may absorb an incoming portable family into its own program when the PHA executes a HAP contract on behalf of the family or at any time thereafter providing that (a) the PHA has funding available under its annual contributions contract (ACC) and (b) absorbing the family will not result in overleasing [24 CFR 982.355(d)(1), Notice PIH 2008-43]. If the receiving PHA notifies the initial PHA that it will absorb the voucher, it cannot reverse its decision at a later date without consent of the initial PHA [24 CFR 982.355(c)(4)].

If the receiving PHA absorbs a family from the point of admission, the admission will be counted against the income targeting obligation of the receiving PHA [24 CFR 982.201(b)(2)(vii)].

If the receiving PHA absorbs a family after providing assistance for the family under a billing arrangement with the initial PHA, HUD encourages the receiving PHA to provide adequate advance notice to the initial PHA to avoid having to return an overpayment. The receiving PHA must specify the effective date of the absorption of the family [Notice PIH 2008-43].

#### MCHA Policy

If MCHA decides to absorb a portable family upon the execution of a HAP contract on behalf of the family, MCHA will notify the initial PHA by the initial billing deadline specified on form HUD-52665. The effective date of the HAP contract will be the effective date of the absorption.

Following the absorption of an incoming portable family, the family is assisted with funds available under the consolidated ACC for the receiving PHA's voucher program [24 CFR 982.355(d)], and the receiving PHA becomes the initial PHA in any subsequent moves by the family under portability.

## **Chapter 11**

### **REEXAMINATIONS**

#### **INTRODUCTION**

The PHA is required to reexamine each family's income and composition at least annually, and to adjust the family's level of assistance accordingly. Interim reexaminations are also needed in certain situations. This chapter discusses both annual and interim reexaminations, and the recalculation of family share and subsidy that occurs as a result. HUD regulations and PHA policies concerning reexaminations are presented in three parts:

Part I: Annual Reexaminations. This part discusses the process for conducting annual reexaminations.

Part II: Interim Reexaminations. This part details the requirements for families to report changes in family income and composition between annual reexaminations.

Part III: Recalculating Family Share and Subsidy Amount. This part discusses the recalculation of family share and subsidy amounts based on the results of annual and interim reexaminations.

Policies governing reasonable accommodation, family privacy, required family cooperation, and program abuse, as described elsewhere in this plan, apply to both annual and interim reexaminations.

## **PART I: ANNUAL REEXAMINATIONS [24 CFR 982.516]**

### **11-I.A. OVERVIEW**

The PHA must conduct a reexamination of family income and composition at least annually. This includes gathering and verifying current information about family composition, income, and expenses. Based on this updated information, the family's income and rent must be recalculated. This part discusses the schedule for annual reexaminations, the information to be collected and verified, and annual reexamination effective dates.

### **11-I.B. SCHEDULING ANNUAL REEXAMINATIONS**

The PHA must establish a policy to ensure that the annual reexamination for each family is completed *within* a 12-month period and may require reexaminations more frequently [HCV GB p. 12-1].

#### **MCHA Policy**

The MCHA will begin the annual reexamination process 120 days in advance of its scheduled effective date. Generally, the MCHA will schedule annual reexamination effective dates to coincide with the family's anniversary date.

*Anniversary date* is defined as 12 months from the effective date of the family's last annual reexamination or, during a family's first year in the program, from the effective date of the family's initial examination (admission).

If the family moves to a new unit, the MCHA will perform a new annual reexamination.

The MCHA also may schedule an annual reexamination for completion prior to the anniversary date for administrative purposes.

### **Notification of and Participation in the Annual Reexamination Process**

The PHA is required to obtain the information needed to conduct annual reexaminations. How that information will be collected is left to the discretion of the PHA. However, PHAs should give tenants who were not provided the opportunity the option to complete Form HUD-92006 at this time [Notice PIH 2009-36].

#### **MCHA Policy**

Families generally are required to participate in an annual reexamination interview, which must be attended by the head of household, spouse, or cohead. If participation in an in-person interview poses a hardship because of a family member's disability, the family should contact the MCHA to request a reasonable accommodation (see Chapter 2).

Notification of annual reexamination interviews will be sent by first-class mail and will contain the date, time, and location of the interview. In addition, it will inform the family of the information and documentation that must be brought to the interview.

If the family is unable to attend a scheduled interview, the family should contact the MCHA in advance of the interview to schedule a new appointment. If a family does not attend the scheduled interview, the MCHA will send a second notification with a new interview appointment time.

If a family fails to attend two scheduled interviews without MCHA approval, or if the notice is returned by the post office with no forwarding address, a notice of termination (see Chapter 12) will be sent to the family's address of record, and to any alternate address provided in the family's file.

An advocate, interpreter, or other assistant may assist the family in the interview process. The family and the MCHA must execute a certification attesting to the role and assistance of any such third party.

### **11-I.C. CONDUCTING ANNUAL REEXAMINATIONS**

As part of the annual reexamination process, families are required to provide updated information to the PHA regarding the family's income, expenses, and composition [24 CFR 982.551(b)].

## MCHA Policy

Families will be asked to bring all required information (as described in the reexamination notice) to the reexamination appointment. The required information will include a MCHA-designated reexamination form, an Authorization for the Release of Information/Privacy Act Notice, as well as supporting documentation related to the family's income, expenses, and family composition.

Any required documents or information that the family is unable to provide at the time of the interview must be provided within 10 calendar days of the interview. If the family is unable to obtain the information or materials within the required time frame, the family may request an extension.

If the family does not provide the required documents or information within the required time frame (plus any extensions), the family will be sent a notice of termination (See Chapter 12).

The information provided by the family generally must be verified in accordance with the policies in Chapter 7. Unless the family reports a change, or the agency has reason to believe a change has occurred in information previously reported by the family, certain types of information that are verified at admission typically do not need to be re-verified on an annual basis. These include:

- Legal identity
- Age
- Social security numbers
- A person's disability status
- Citizenship or immigration status

If adding a new family member to the unit causes overcrowding according to the Housing Quality Standards (HQS) (see Chapter 8), the PHA must issue the family a new voucher, and the family and PHA must try to find an acceptable unit as soon as possible. If an acceptable unit is available for rental by the family, the PHA must terminate the HAP contract in accordance with its terms [24 CFR 982.403].

### **11-I.D. DETERMINING ONGOING ELIGIBILITY OF CERTAIN STUDENTS [24 CFR 982.552(b)(5)]**

Section 327 of Public Law 109-115 established new restrictions on the ongoing eligibility of certain students (both part- and full-time) who are enrolled in institutions of higher education.

If a student enrolled in an institution of higher education is under the age of 24, is not a veteran, is not married, does not have a dependent child, and is not a person with disabilities receiving HCV assistance as of November 30, 2005, the student's eligibility must be reexamined along with the income eligibility of the student's parents on an annual basis. In these cases, both the student and the student's parents must be income eligible for the student to continue to receive HCV assistance. If, however, a student in these circumstances is determined independent from his or her parents in accordance with PHA policy, the income of the student's parents will not be considered in determining the student's ongoing eligibility.

Students who reside with parents in an HCV assisted unit are not subject to this provision. It is limited to students who are receiving assistance on their own, separately from their parents.

## MCHA Policy

During the annual reexamination process, the MCHA will determine the ongoing eligibility of each student who is subject to the eligibility restrictions in 24 CFR 5.612 by reviewing the student's individual income as well as the income of the student's parents. If the student has been determined "independent" from his/her parents based on the policies in Sections 3-II.E and 7-II.E, the parents' income will not be reviewed.

If the student is no longer income eligible based on his/her own income or the income of his/her parents, the student's assistance will be terminated in accordance with the policies in Section 12-I.D.

If the student continues to be income eligible based on his/her own income and the income of his/her parents (if applicable), the MCHA will process a reexamination in accordance with the policies in this chapter.

### **11-I.E. EFFECTIVE DATES**

The PHA must establish policies concerning the effective date of changes that result from an annual reexamination [24 CFR 982.516].

#### MCHA Policy

In general, an *increase* in the family share of the rent that results from an annual reexamination will take effect on the family's anniversary date, and the family will be notified at least 30 days in advance.

- If less than 30 days remain before the scheduled effective date, the increase will take effect on the first of the month following the end of the 30-day notice period.
- If a family moves to a new unit, the increase will take effect on the effective date of the new lease and HAP contract, and no 30-day notice is required.
- If the MCHA chooses to schedule an annual reexamination for completion prior to the family's anniversary date for administrative purposes, the effective date will be determined by the MCHA, but will always allow for the 30-day notice period.
- If the family causes a delay in processing the annual reexamination, *increases* in the family share of the rent will be applied retroactively, to the scheduled effective date of the annual reexamination. The family will be responsible for any overpaid subsidy and may be offered a repayment agreement in accordance with the policies in Chapter 16.

In general, a *decrease* in the family share of the rent that results from an annual reexamination will take effect on the family's anniversary date.

- If a family moves to a new unit, the decrease will take effect on the effective date of the new lease and HAP contract.
- If the MCHA chooses to schedule an annual reexamination for completion prior to the family's anniversary date for administrative purposes, the effective date will be determined by the MCHA.
- If the family causes a delay in processing the annual reexamination, *decreases* in the family share of the rent will be applied prospectively, from the first day of the month following completion of the reexamination processing.

Delays in reexamination processing are considered to be caused by the family if the family fails to provide information requested by the PHA by the date specified, and this delay prevents the PHA from completing the reexamination as scheduled.

## **PART II: INTERIM REEXAMINATIONS [24 CFR 982.516]**

### **11-II.A. OVERVIEW**

Family circumstances may change throughout the period between annual reexaminations. HUD and PHA policies dictate what kinds of information about changes in family circumstances must be reported, and under what circumstances the PHA must process interim reexaminations to reflect those changes. HUD regulations also permit the PHA to conduct interim reexaminations of income or family composition at any time. When an interim reexamination is conducted, only those factors that have changed are verified and adjusted [HCV GB, p. 12-10].

In addition to specifying what information the family must report, HUD regulations permit the family to request an interim determination if other aspects of the family's income or composition changes. The PHA must complete the interim reexamination within a reasonable time after the family's request, but no longer than 30 days after the PHA becomes aware of changes in income.

This part includes HUD and PHA policies describing what changes families are required to report, what changes families may choose to report, and how the PHA will process both PHA- and family-initiated interim reexaminations.

## **11-II.B. CHANGES IN FAMILY AND HOUSEHOLD COMPOSITION**

The PHA must adopt policies prescribing when and under what conditions the family must report changes in family composition. However, due to family obligations under the program, the PHA has limited discretion in this area.

### MCHA Policy

The MCHA will conduct interim reexaminations to account for any changes in household composition that occur between annual reexaminations.

### **New Family Members Not Requiring Approval**

The addition of a family member as a result of birth, adoption, or court-awarded custody does not require PHA approval. However, the family is required to promptly notify the PHA of the addition [24 CFR 982.551(h)(2)].

### MCHA Policy

The family must inform the MCHA of the birth, adoption or court-awarded custody of a child within 10 calendar days.

### **New Family and Household Members Requiring Approval**

With the exception of children who join the family as a result of birth, adoption, or court-awarded custody, a family must request PHA approval to add a new family member [24 CFR 982.551(h)(2)] or other household member (live-in aide or foster child) [24 CFR 982.551(h)(4)].

When any new family member is added, the PHA must conduct a reexamination to determine any new income or deductions associated with the additional family member, and to make appropriate adjustments in the family share of the rent and the HAP payment [24 CFR 982.516(e)].

If a change in family size causes a violation of Housing Quality Standards (HQS) space standards (see Chapter 8), the PHA must issue the family a new voucher, and the family and PHA must try to find an acceptable unit as soon as possible. If an acceptable unit is available for rental by the family, the PHA must terminate the family's HAP contract in accordance with its terms [24 CFR 982.403].

### MCHA Policy

- Families must request MCHA approval to add a new family member, live-in aide, foster child, or foster adult. This includes any person not on the lease who is expected to stay in the unit for more than 30 consecutive days, or 90 cumulative days, within a twelve month period, and therefore no longer qualifies as a "guest." Requests must be made in writing and approved by the MCHA prior to the individual moving in the unit.
- The MCHA will not approve the addition of a new family or household member unless the individual first meets the MCHA's eligibility criteria (see Chapter 3) and documentation requirements (see Chapter 7 Part II).
- In addition, with the exception of the HUD required additions to the household and spouse or co-head, MCHA will only approve an additional immediate family member who is: a person with disabilities who needs family care, an elderly person over 62 years old who needs family care, or a fulltime student 18 and over but not over 24 years of age.
- The MCHA will not approve the addition of a foster child or foster adult if it will cause a violation of HQS space standards. A family will not receive approval to add a separate family, two or more persons, to the assisted household. If the head of household removes a family member they will not

be allowed back into the assisted household. The only exception would be a reasonable accommodation to an assisted family member who is a person with disabilities.

- If the MCHA determines an individual meets the MCHA's eligibility criteria and documentation requirements, the MCHA will provide written approval to the family. If the approval of a new family member or live-in aide will cause overcrowding according to HQS standards, the approval letter will explain that the family will be issued another voucher and will be required to move.
- If the MCHA determines that an individual does not meet the MCHA's eligibility criteria and documentation requirements as defined in Chapter 3 and 7, or as per above, the MCHA will notify the family in writing of its decision to deny approval of the new family or household member and the reasons for the denial.
- The MCHA will make its determination within 10 calendar days of receiving all information required to verify the individual's eligibility.

### **Departure of a Family or Household Member**

Families must promptly notify the PHA if any family member no longer lives in the unit

[24 CFR 982.551(h)(3)]. Because household members are considered when determining the family unit (voucher) size [24 CFR 982.402], the PHA also needs to know when any live-in aide, foster child, or foster adult ceases to reside in the unit.

#### MCHA Policy

If a household member ceases to reside in the unit, the family must inform the MCHA within 10 calendar days. This requirement also applies to a family member who has been considered temporarily absent at the point that the family concludes the individual is permanently absent.

If a live-in aide, foster child, or foster adult ceases to reside in the unit, the family must inform the MCHA within 10 calendar days.

### **11-II.C. CHANGES AFFECTING INCOME OR EXPENSES**

Interim reexaminations can be scheduled either because the PHA has reason to believe that changes in income or expenses may have occurred, or because the family reports a change. When a family reports a change, the PHA may take different actions depending on whether the family reported the change voluntarily, or because it was required to do so.

#### **Decreases in Adjusted Income [24 CFR 982.516(c)(2) and Notice PIH 2023-27]**

A family may request an interim determination of family income for any change since the last determination. However, the PHA may decline to conduct an interim reexamination of family income if the PHA estimates that the family's adjusted income will decrease by an amount that is less than 10 percent of the family's annual adjusted income.

The PHA must conduct an interim reexamination of family income when the PHA becomes aware that a family's annual adjusted income has changed by an amount that the PHA estimates will result in a decrease of 10 percent or more in annual adjusted income (or a lower amount established by HUD through notice), or a lower threshold established by the PHA.

HUD requires PHAs to apply a 0-percent threshold and to process an interim reexamination when there is a decrease in family size attributed to the death or permanent move-out from the assisted unit of a family member during the period since the family's last reexamination that results in a decrease in adjusted income of any amount. If there is no change/decrease in adjusted income as a result of the decrease in family size, then a non-interim transaction is processed instead of an interim reexamination. This 0-percent threshold for interim reexamination applies only to decreases in family size that result in a decrease in adjusted income. If the net effect of the changes in annual adjusted income due to a decrease in family size results in an increase in annual adjusted income, then

the PHA will process the removal of the household member(s) as a non-interim reexamination transaction without making changes to the family's annual adjusted income.

### **Example II: Interim Reexaminations / Decreases in Annual Adjusted Income**

**Scenario A:** A family with an annual adjusted income of \$9,600 experiences a change in household composition and becomes eligible for two dependent deductions totaling \$960, resulting in a 10-percent decrease in the family's adjusted income. The \$960 decrease in the family's adjusted income would require an interim reexamination because the income decrease meets the 10-percent threshold for an interim reexamination.

**Scenario B:** A family experiences an increase in deductible child-care expenses from \$0 to \$12,000 annually. Before the change, their annual adjusted income was \$40,000. Since the child-care expense deduction results in a greater than 10-percent reduction in annual adjusted income, an interim reexamination is required.

**Scenario C:** A family with an adjusted income of \$9,600 adds a dependent family member with no income. This would result in an adjusted income decrease of \$480 due to the dependent deduction. The decrease does not meet the 10-percent threshold of the family's adjusted income, and because this is a family member joining the assisted unit (as opposed to a decrease a family size). The PHA/MFH Owner is not required to conduct an interim reexamination. However, the PHA/MFH Owner has adopted a policy that has decreased the threshold from a 10-percent change to a 5-percent change, therefore, the decrease would meet the threshold, triggering an interim reexamination.

**Scenario D:** A family member moved out of the assisted unit. The family's adjusted income prior to the change in household composition was \$20,000, but that number decreased to \$18,000 when the family member moved out. Since HUD requires PHAs/MFH Owners to process decreases in adjusted income greater than 0 percent due to decreases in family size, the PHA/MFH Owner must process an interim reexamination.

**Scenario E:** A family member moves into the assisted unit who receives \$20,000 in pension income (which is more than 10% of the household's adjusted income). At the same time, the head of household got a new job that increases the household's income by \$15,000 per year. The PHA/MFH Owner will process the increase in pension income due to the new household member but will not include the head of household increase in earned income until the next annual reexamination.

### **Increases in Adjusted Income [24 CFR 982.516(c)(2) and Notice PIH 2023-27]**

PHAs must conduct an interim reexamination of family income when the PHA becomes aware that the family's adjusted income has changed by an amount that the PHA estimates will result in an increase of 10 percent or more in annual adjusted income or another amount established through a HUD notice, with the following exceptions:

- PHAs may not consider any increases in earned income when estimating or calculating whether the family's adjusted income has increased, unless the family has previously received an interim reduction during the same reexamination cycle; and
- PHAs may choose not to conduct an interim reexamination during the last three months of a certification period if a family reports an increase in income within three months of the next annual reexamination effective date.

PHAs must not process interim reexaminations for income increases that result in less than a 10-percent increase in annual adjusted income. When the family previously received an interim reexamination for a decrease to annual adjusted income during the same annual cycle, a PHA has the discretion to consider or ignore a subsequent increase in earned income for the purposes of conducting an interim reexamination.

If a PHA has a policy of considering increases in earned income after an interim conducted for a decrease in income, and the family's adjusted income has increased by 10 percent or more, the PHA must conduct an interim reexamination in accordance with local policies.

### **Example I2: Interim Reexaminations / Increases in Annual Adjusted Income**

**Scenario A:** The Martinez family's annual reexamination is due on 11/1/2024. The family no longer has child-care expenses for their three children. The family stopped paying for daycare as of 8/31/2024 and reported the change (and certified no other changes to annual household income or expenses) to the PHA/MFH Owner on 9/7/2024, resulting in an estimated 15-percent increase in the family's annual adjusted income. Although 15 percent is well above the 10-percent threshold, the PHA/MFH Owner does not process an interim reexamination, because they have a policy to not process changes reported within three months of the next annual reexamination.

**Scenario B:** The Allen family had an annual adjusted income of \$29,000 as of their last annual reexamination effective 5/1/2024. The family experienced the following changes to income and household composition since 5/1/2024:

- In July, the Allen family's eldest child, Kristina Allen (age 20), starts going to college full-time on a Pell Grant. Kristina is not employed, nor does she receive any other type of student financial assistance. The family now qualifies for a \$480 dependent deduction, because full-time students are considered dependents.
- The family reports Kristina's student status to the PHA/MFH Owner, which noted the change in the family's file. The PHA/MFH Owner is not allowed to perform an interim reexamination, because the dependent deduction represents a 1.7-percent decrease in the family's annual adjusted income, and the PHA/MFH Owner did not establish a threshold lower than 10 percent for interim decreases in income.
- In October, the family added an adult family member, Tom Smith, to the household. The new adult family member receives a pension of \$275 monthly, or \$3,300 annually.

The PHA/MFH Owner determined that the Allen family's new annual adjusted income is \$31,820, accounting for both the addition of Tom's pension income and the deduction of the full-time student dependent allowance for Kristina. The Allen family's annual adjusted income increased a total of \$2,820, or only 9.7 percent. Since this decrease is below the 10-percent threshold, the PHA/MFH Owner will not conduct an interim reexamination. Instead, they will process a non-interim transaction to add Tom to the family without changing the family's annual adjusted income effective 10/1/2024.

**Scenario C:** The Nguyen family's last annual reexamination was 4/1/2024. In June 2024, Patrick Nguyen lost his job, and the family's adjusted income fell from \$25,000 to \$13,000. The PHA/MFH Owner conducted an interim reexamination for the decrease in income. In November 2024, Kelly Nguyen finds a job, and the family's adjusted income rises to \$18,000. The PHA/MFH Owner has a policy of considering increases in earned income when an interim reexamination has been performed for a decrease in income. Since the family's adjusted income has increased by more than 10 percent when including earned income, and the family previously received an interim reduction during the same reexamination cycle, the PHA/MFH Owner will conduct an interim reexamination for the increase.

**Scenario D:** The Mosberg family had an annual adjusted income of \$35,909 based on earned income (and two dependent deductions) as of the last annual reexamination effective 6/1/2024. The family experienced the following changes to income since 6/1/2024:

In August, Libby reported she received a raise at work, increasing her annual earned income by \$2,650. She also recently started receiving monthly child support payments of \$150, or \$1,800 annually. She reported no other changes to the PHA/MFH Owner. While the **combined** increase of earned income (wages) and unearned income (child support) is a 12.3-percent increase in annual adjusted income since the 6/1/2024 annual reexamination, the PHA/MFH Owner must look at the earned and unearned income changes independently to determine if an interim reexamination should be performed. The earned income is about 7 percent of the increase, and the unearned income is approximately 5 percent of the total 12.3-percent increase.

The PHA/MFH Owner documented in the tenant file that the family reported the change, but an interim reexamination was **not** performed, because the 5-percent increase in annual adjusted income based on **earned** income does not meet the 10-percent threshold. Further, the PHA/MFH Owner may not perform an interim reexamination for Libby's 7-percent increase in annual adjusted income based on **earned** income, because an interim reexamination for an income decrease during the reexamination cycle was not completed, **and** it does not meet the 10-percent threshold to perform an interim.

Note:

Even if Libby's **change** in earned income had exceeded 10 percent of her annual income, the PHA/MFH Owner may not perform an interim reexamination, because there was no prior interim reexamination for a decrease in income.

In November, Libby reported that her monthly child support payments increased again, from \$150 to \$325. She certified no other changes to income or deductions. Libby's annual **unearned** income from child support of \$3,900 is now a 10.8-percent increase in annual adjusted income (based on the effective 6/1/2024 annual reexamination), so the PHA/MFH Owner **must** perform an interim reexamination, but only for the **unearned** child support income. The PHA/MFH Owner will continue to disregard the increased **earned** income reported by the family until the Mosberg's next annual reexamination.

### **PHA-Initiated Interim Reexaminations**

PHA-initiated interim reexaminations are those that are scheduled based on circumstances or criteria defined by the PHA. They are not scheduled because of changes reported by the family.

#### MCHA Policy

The MCHA will conduct interim reexaminations in each of the following instances:

If the family has reported zero income, the MCHA will conduct an interim reexamination at the end of 3 months. At that time, if the family continues to report that they have no income, MCHA may grant a permanent rent exemption until the family gains income.

If at the time of the annual reexamination, it is not feasible to anticipate a level of income for the next 12 months (e.g. seasonal or cyclic income), the MCHA will schedule an interim reexamination to coincide with the end of the period for which it is feasible to project income.

If at the time of the annual reexamination, tenant-provided documents were used on a provisional basis due to the lack of third-party verification, and third-party verification becomes available, the MCHA will conduct an interim reexamination.

The MCHA may conduct an interim reexamination at any time in order to correct an error in a previous reexamination, or to investigate a tenant fraud complaint.

### **Family-Initiated Interim Reexaminations**

The PHA must adopt policies prescribing when and under what conditions the family must report changes in family income or expenses [24 CFR 982.516(c)]. In addition, HUD regulations require that the family be permitted to obtain an interim reexamination any time the family has experienced a change in circumstances since the last determination [24 CFR 982.516(c)(1)].

### **Required Reporting**

HUD regulations give the PHA the freedom to determine the circumstances under which families will be required to report changes affecting income.

#### MCHA Policy

During an interim reexamination, only the information affected by the changes being reported will be reviewed and verified.

Families are required to report all changes in income or household composition in writing to the MCHA within 10 days of the change. These changes will trigger an interim reexamination by MCHA as follows:

- A. Any changes in household composition.
- B. If the family has a decrease in income that will result in a decrease of 10-percent or more in annual adjusted income, or if the family has an increase in earned income that results in a 10-percent increase in annual adjusted income. The family has an increase in earned income after an interim conducted for a decrease in income and the family's adjusted income has increased by 10-percent or more.-
- C. Income increases reported by families within the last three months of a family's reexamination period. (Note: Families who delay reporting income increases until the last three months of their certification period may be subject to retroactive rent increases.)

**MCHA will take no action on changes reported that are not required.**

### **Optional Reporting**

The family may request an interim reexamination any time the family has experienced a change in circumstances since the last determination [24 CFR 982.516(c)(1)]. The PHA must process the request if the family reports a change that will result in a reduced family income [HCV GB, p. 12-9].

If a family reports a decrease in income from the loss of welfare benefits due to fraud or non-compliance with a welfare agency requirement to participate in an economic self-sufficiency program, the family's share of the rent will not be reduced [24 CFR 5.615]. For more information regarding the requirement to impute welfare income see Chapter 6.

### **Non-Interim Reexamination Transactions [Notice PIH 2023-27]**

Families may experience changes within the household that do not trigger an interim reexamination under HOTMA but still need to be reported in a non-interim reexamination submission to HUD. In these cases, the PHA will submit a separate, new action code on form HUD-50058. The code will be used for the following transaction types when an interim reexamination is not triggered under the final rule:

- Processing contract rent changes that do not correspond with an interim or annual reexamination (including PBV rent increases);
- Implementing an update to the payment standard that does not correspond with an interim or annual reexamination.

## **11-II.D. PROCESSING THE INTERIM REEXAMINATION**

### **Method of Reporting**

#### MCHA Policy

The family may notify the MCHA of changes in writing within 10 calendar days of their occurrence.

Generally, the family will not be required to attend an interview for an interim reexamination. However, if the MCHA determines that an interview is warranted, the family may be required to attend.

Based on the type of change reported, the MCHA will determine the documentation the family will be required to submit. The family must submit any required information or documents within 10 calendar days of receiving a request from the MCHA. This time frame may be extended for good cause with MCHA approval. The MCHA will accept required documentation by mail, by fax, or in person.

### **Effective Dates [Notice PIH 2023-27]**

The PHA must establish the time frames in which any changes that result from an interim reexamination will take effect [24 CFR 982.516(c)(4)]. The changes may be applied either retroactively or prospectively, depending on whether there is to be an increase or a decrease in the family share of the rent, and whether the family reported any required information within the required time frames [HCV GB, p. 12-10].

### Changes Reported Timely:

If the family has reported a change in family income or composition in a timely manner according to the PHA policies, then the PHA must provide the family with a 30-day advance notice of any rent increases, and such rent increases will be effective the first day of the month beginning after the end of that 30-day period.

If the tenant has complied with the interim reporting requirement and the tenant's rent is anticipated to decrease, rent decreases will be effective on the first day of the month after the date of the actual change leading to the interim reexamination of family income. This means the decrease will be applied retroactively.

### Changes Not Reported Timely:

If the family has failed to report a change in family income or composition in a timely manner according to the PHA policies, the PHA must implement any resulting rent increases retroactively to the first day of the month following the date of the change leading to the interim reexamination of family income.

Any resulting rent decrease must be implemented no later than the first rent period following completion of the reexamination.

### MCHA Policy

If the family share of the rent is to *increase*:

The increase generally will be effective on the first of the month after the change occurs, following reasonable notice of at least 30 days' notice to the family.

If a family fails to report a change within the required time frames, or fails to provide all required information within the required time frames, the increase will be applied retroactively, to the date it would have been effective had the information been provided on a timely basis. The family will be responsible for any overpaid subsidy and may be offered a repayment agreement in accordance with the policies in Chapter 16.

If the family share of the rent is to decrease:

The decrease will be effective on the first day of the month following the month in which the change was reported or occurred.

## **PART III: RECALCULATING FAMILY SHARE AND SUBSIDY AMOUNT**

### **11-III.A. OVERVIEW**

After gathering and verifying required information for an annual or interim reexamination, the PHA must recalculate the family share of the rent and the subsidy amount, and notify the family and owner of the changes [24 CFR 982.516(d)(2), HCV 12-6 and 12-10]. While the basic policies that govern these calculations are provided in Chapter 6, this part lays out policies that affect these calculations during a reexamination.

### **11-III.B. CHANGES IN PAYMENT STANDARDS AND UTILITY ALLOWANCES**

In order to calculate the family share of the rent and HAP amount correctly, changes in payment standards, subsidy standards, or utility allowances may need to be updated and included in the PHA's calculations.

Specific policies governing how subsidy standards, payment standards, and utility allowances are applied are discussed below.

#### **Payment Standards [24 CFR 982.505]**

The family share of the rent and HAP calculations must use the correct payment standard for the family, taking into consideration the family unit size, the size of unit, and the area in which the unit is located [HCV GB, p. 12-5]. See Chapter 6 for information on how to select the appropriate payment standard.

When the PHA changes its payment standards or the family's situation changes, new payment standards are applied at the following times:

- If the PHA's payment standard amount changes during the term of the HAP contract, the date on which the new standard is applied depends on whether the standard has increased or decreased:
  - If the payment standard amount has *increased*, the increased payment standard will be applied at the *first annual* reexamination following the effective date of the increase in the payment standard.
  - If the payment standard amount has *decreased*, the decreased payment standard will be applied at the *second annual* reexamination following the effective date of the decrease in the payment standard.
- If the family moves to a new unit, or a new HAP contract is executed due to changes in the lease (even if the family remains in place) the current payment standard applicable to the family will be used when the new HAP contract is processed.

#### **Subsidy Standards [24 CFR 982.505(c)(4)]**

If there is a change in the family unit size that would apply to a family during the HAP contract term, either due to a change in family composition, or a change in the PHA's subsidy standards (see Chapter 5), the new family unit size must be used to determine the payment standard amount for the family at the family's *first annual* reexamination following the change in family unit size.

#### **Utility Allowances [24 CFR 982.517(d)]**

The family share of the rent and HAP calculations must reflect any changes in the family's utility arrangement with the owner, or in the PHA's utility allowance schedule [HCV GB, p. 12-5]. Chapter 16 discusses how utility allowance schedules are established.

When there are changes in the utility arrangement with the owner, the PHA must use the utility allowances in effect at the time the new lease and HAP contract are executed.

At reexamination, the PHA must use the PHA current utility allowance schedule [24 CFR 982.517(d)(2)].

#### MCHA Policy

Revised utility allowances will be applied to a family's rent and subsidy calculations at the first annual reexamination after the allowance is adopted.

### **11-III.C. NOTIFICATION OF NEW FAMILY SHARE AND HAP AMOUNT**

The PHA must notify the owner and family of any changes in the amount of the HAP payment [HUD-52641, HAP Contract]. The notice must include the following information [HCV GB, p. 12-6]:

- The amount and effective date of the new HAP payment
- The amount and effective date of the new family share of the rent
- The amount and effective date of the new tenant rent to owner

The family must be given an opportunity for an informal hearing regarding the PHA's determination of their annual or adjusted income, and the use of such income to compute the housing assistance payment [24 CFR 982.555(a)(1)(i)] (see Chapter 16).

### **11-III.D. DISCREPANCIES**

During an annual or interim reexamination, the PHA may discover that information previously reported by the family was in error, or that the family intentionally misrepresented information. In addition, the PHA may

discover errors made by the PHA. When errors resulting in the overpayment or underpayment of subsidy are discovered, corrections will be made in accordance with the policies in Chapter 1313-14

## Chapter 12

### TERMINATION OF ASSISTANCE AND TENANCY

HUD regulations specify the reasons for which a PHA can terminate a family's assistance, and the ways in which such terminations must take place. They also dictate the circumstances under which an owner may terminate the tenancy of an assisted family. This chapter presents the policies that govern voluntary and involuntary terminations of assistance, and termination of tenancy by the owner. It is presented in three parts:

Part I: Grounds for Termination of Assistance. This part discusses various reasons that a family's assistance may be terminated, including voluntary termination by the family, termination because the family no longer qualifies to receive subsidy, and termination by the PHA based on the family's behavior.

Part II: Approach to Termination of Assistance. This part describes the policies that govern how an involuntary termination takes place. It specifies the alternatives that the PHA may consider in lieu of termination, the criteria the PHA must use when deciding what action to take, and the steps the PHA must take when terminating a family's assistance.

Part III: Termination of Tenancy by the Owner. This part presents the policies that govern the owner's right to terminate an assisted tenancy.

#### **PART I: GROUNDS FOR TERMINATION OF ASSISTANCE**

##### **12-I.A. OVERVIEW**

HUD requires the PHA to terminate assistance for certain offenses and when the family no longer requires assistance. HUD permits the PHA to terminate assistance for certain other actions family members take or fail to take. In addition, a family may decide to stop receiving HCV assistance at any time by notifying the PHA.

##### **12-I.B. FAMILY NO LONGER REQUIRES ASSISTANCE [24 CFR 982.455]**

As a family's income increases, the amount of PHA subsidy goes down. If the amount of HCV assistance provided by the PHA drops to zero and remains at zero for 180 consecutive calendar days the family's assistance terminates automatically.

###### MCHA Policy

If a participating family receiving zero assistance experiences a change in circumstances that would cause the HAP payment to rise above zero, the family must notify the PHA of the changed circumstances and request an interim reexamination before the expiration of the 180-day period.

##### **12-I.C. FAMILY CHOOSES TO TERMINATE ASSISTANCE**

The family may request that the PHA terminate the family's assistance at any time.

###### MCHA Policy

The request to terminate assistance should be made in writing and signed by the head of household, spouse, or cohead. Before terminating the family's assistance, the PHA will follow the notice requirements in Section 12-II.F.

##### **12-I.D. MANDATORY TERMINATION OF ASSISTANCE**

HUD requires the PHA to terminate assistance in the following circumstances.

**Eviction [24 CFR 982.552(b)(2), Pub.L. 109-162]**

The PHA must terminate assistance whenever a family is evicted from a unit assisted under the HCV program for a serious or repeated violation of the lease. Incidents of actual or threatened violence, dating violence, sexual assault or stalking may not be construed as serious or repeated violations of the lease by the victim or threatened victim of such violence or stalking.

MCHA Policy

A family will be considered *evicted* if the family moves after a legal eviction order has been issued, whether or not physical enforcement of the order was necessary.

If a family moves after the owner has given the family an eviction notice for serious or repeated lease violations but before a legal eviction order has been issued, termination of assistance is not mandatory. However, MCHA will determine whether the family has committed serious or repeated violations of the lease based on available evidence and may terminate assistance or take any of the alternative measures described in Section 12-II.C and other factors as described in Sections 12-II.E. Upon consideration of such alternatives and factors, the PHA may, on a case-by-case basis, choose not to terminate assistance.

Serious and repeated lease violations will include, but not be limited to, nonpayment of rent, disturbance of neighbors, destruction of property, or living or housekeeping habits that cause damage to the unit or premises and criminal activity. Generally, the criteria to be used is whether the reason for the eviction was through no fault of the tenant or guests.

**Failure to Provide Consent [24 CFR 982.552(b)(3)]**

The PHA must terminate assistance if any family member fails to sign and submit any consent form they are required to sign for a reexamination. See Chapter 7 for a complete discussion of consent requirements.

**Failure to Document Citizenship [24 CFR 982.552(b)(4) and [24 CFR 5.514(c)]**

The PHA must terminate assistance if (1) a family fails to submit required documentation within the required timeframe concerning any family member's citizenship or immigration status; (2) a family submits evidence of citizenship and eligible immigration status in a timely manner, but United States Citizenship and Immigration Services (USCIS) primary and secondary verification does not verify eligible immigration status of the family; or (3) a family member, as determined by the PHA, has knowingly permitted another individual who is not eligible for assistance to reside (on a permanent basis) in the unit.

For (3) above, such termination must be for a period of at least 24 months. This does not apply to ineligible noncitizens already in the household where the family's assistance has been prorated. See Chapter 7 for a complete discussion of documentation requirements.

**Failure to Provide Social Security Documentation [24 CFR 5.218(c)]**

The PHA must terminate assistance if a participant family fails to disclose the complete and accurate social security numbers of each household member and the documentation necessary to verify each social security number.

However, if the family is otherwise eligible for continued program assistance, and the PHA determines that the family's failure to meet the SSN disclosure and documentation requirements was due to circumstances that could not have been foreseen and were outside of the family's control, the PHA may defer the family's termination and provide the opportunity to comply with the requirement within a period not to exceed 90 calendar days from the date the PHA determined the family to be noncompliant.

MCHA Policy

The MCHA will defer the family's termination and provide the family with the opportunity to comply with the requirement for a period of 90 calendar days for circumstances beyond the

participant's control such as delayed processing of the SSN application by the SSA, natural disaster, fire, death in the family, or other emergency, if there is a reasonable likelihood that the participant will be able to disclose an SSN by the deadline.

### **Methamphetamine Manufacture or Production [24 CFR 982.553(b)(1)(ii)]**

The PHA must terminate assistance if any household member has ever been convicted of the manufacture or production of methamphetamine on the premises of federally-assisted housing.

### **Failure of Students to Meet Ongoing Eligibility Requirements [24 CFR 982.552(b)(5) and FR 4/10/06]**

If a student enrolled at an institution of higher education is under the age of 24, is not a veteran, is not married, does not have dependent children, is not residing with his/her parents in an HCV assisted household, and is not a person with disabilities receiving HCV assistance as of November 30, 2005, the PHA must terminate the student's assistance if, at the time of reexamination, either the student's income or the income of the student's parents (if applicable) exceeds the applicable income limit.

If a participant household consists of both eligible and ineligible students, the eligible students shall not be terminated, but must be issued a voucher to move with continued assistance in accordance with program regulations and PHA policies, or must be given the opportunity to lease in place if the terminated ineligible student members elect to move out of the assisted unit.

### **Death of the Sole Family Member [24 CFR 982.311(d) and Notice PIH 2010-9]**

The PHA must immediately terminate program assistance for deceased single member households.

## **12-I.E. MANDATORY POLICIES AND OTHER AUTHORIZED TERMINATIONS**

### **Mandatory Policies [24 CFR 982.553(b) and 982.551(l)]**

HUD requires the PHA to establish policies that permit the PHA to terminate assistance if the PHA determines that:

- Any household member is currently engaged in any illegal use of a drug, or has a pattern of illegal drug use that interferes with the health, safety, or right to peaceful enjoyment of the premises by other residents
- Any household member's abuse or pattern of abuse of alcohol may threaten the health, safety, or right to peaceful enjoyment of the premises by other residents
- Any household member has violated the family's obligation not to engage in any drug-related criminal activity
- Any household member has violated the family's obligation not to engage in violent criminal activity

### ***Use of Illegal Drugs and Alcohol Abuse***

#### MCHA Policy

The MCHA will terminate a family's assistance if any household member is currently engaged in any illegal use of a drug, or has a pattern of illegal drug use that interferes with the health, safety, or right to peaceful enjoyment of the premises by other residents.

The MCHA will terminate assistance if any household member's abuse or pattern of abuse of alcohol threatens the health, safety, or right to peaceful enjoyment of the premises by other residents.

*Currently engaged in* is defined as any use of illegal drugs during the previous six months.

The MCHA will consider all credible evidence, including but not limited to, any record of arrests, convictions, or eviction of household members related to the use of illegal drugs or abuse of alcohol.

In making its decision to terminate assistance, the MCHA will consider alternatives as described in Section 12-II.C and other factors described in Sections 12-II.D and 12-II.E.

### ***Drug-Related and Violent Criminal Activity [24 CFR 5.100]***

*Drug* means a controlled substance as defined in section 102 of the Controlled Substances Act (21 U.S.C. 802).

*Drug-related criminal activity* is defined by HUD as the illegal manufacture, sale, distribution, or use of a drug, or the possession of a drug with intent to manufacture, sell, distribute or use the drug.

*Violent criminal activity* means any criminal activity that has as one of its elements the use, attempted use, or threatened use of physical force substantial enough to cause, or be reasonably likely to cause, serious bodily injury or property damage.

#### MCHA Policy

The MCHA will terminate a family's assistance if any household member has violated the family's obligation not to engage in any drug-related or violent criminal activity during participation in the HCV program.

The MCHA will consider all credible evidence, including but not limited to, any record of arrests and/or convictions of household members related to drug-related or violent criminal activity, and any eviction or notice to evict based on drug-related or violent criminal activity.

In making its decision to terminate assistance, the MCHA will consider alternatives as described in Section 12-II.C and other factors described in Sections 12-II.D and 12-II.E.

### **Other Authorized Reasons for Termination of Assistance [24 CFR 982.552(c), Pub.L. 109-162]**

HUD permits the PHA to terminate assistance under a number of other circumstances. It is left to the discretion of the PHA whether such circumstances in general warrant consideration for the termination of assistance. The Violence Against Women Reauthorization Act of ~~2005~~ **2013** explicitly prohibits PHAs from considering incidents or actual threatened domestic violence, dating violence, sexual assault or stalking as reasons for terminating the assistance of a victim of such violence.

#### MCHA Policy

The MCHA will terminate a family's assistance if:

- The family has failed to comply with any family obligations under the program. See Exhibit 12-1 for a listing of family obligations and related MCHA policies.
- Any family member has been evicted from federally-assisted housing in the last five years.
- Any MCHA has ever terminated assistance under the program for any member of the family.
- Any family member has committed fraud, bribery, or any other corrupt or criminal act in connection with any federal housing program.
- The family currently owes rent or other amounts to any MCHA in connection with the HCV, Certificate, Moderate Rehabilitation or public housing programs.
- The family has not reimbursed any MCHA for amounts the MCHA paid to an owner under a HAP contract for rent, damages to the unit, or other amounts owed by the family under the lease.
- The family has breached the terms of a repayment agreement entered into with the MCHA.
- A family member has engaged in or threatened violent or abusive behavior toward MCHA personnel.

*Abusive or violent behavior towards MCHA personnel* includes verbal as well as physical abuse or violence. Use of racial epithets, or other language, written or oral, that is customarily used to intimidate may be considered abusive or violent behavior.

*Threatening* refers to oral or written threats or physical gestures that communicate intent to abuse or commit violence.

In making its decision to terminate assistance, the MCHA will consider alternatives as described in Section 12-II.C and other factors described in Sections 12-II.D and 12-II.E. Upon consideration of such alternatives and factors, the MCHA may, on a case-by-case basis, choose not to terminate assistance.

#### ***Family Absence from the Unit [24 CFR 982.312]***

The family may be absent from the unit for brief periods. The PHA must establish a policy on how long the family may be absent from the assisted unit. However, the family may not be absent from the unit for a period of more than 180 consecutive calendar days for any reason. Absence in this context means that no member of the family is residing in the unit.

##### MCHA Policy

If the family is absent from the unit for more than 180 consecutive calendar days, the family's assistance will be terminated. Notice of termination will be sent in accordance with Section 12-II.E.

#### ***Insufficient Funding [24 CFR 982.454]***

The PHA may terminate HAP contracts if the PHA determines, in accordance with HUD requirements, that funding under the consolidated ACC is insufficient to support continued assistance for families in the program.

##### MCHA Policy

The MCHA will determine whether there is sufficient funding to pay for currently assisted families according to the policies in Part VIII of Chapter 16. If the MCHA determines there is a shortage of funding, prior to terminating any HAP contracts, the MCHA will determine if any other actions can be taken to reduce program costs. If after implementing all reasonable cost cutting measures there is not enough funding available to provide continued assistance for current participants, the MCHA will terminate HAP contracts as a last resort.

Prior to terminating any HAP contracts, the MCHA will inform the local HUD field office. The MCHA will terminate the minimum number needed in order to reduce HAP costs to a level within the MCHA's annual budget authority.

If the MCHA must terminate HAP contracts due to insufficient funding, the MCHA will do so in accordance with the following criteria and instructions:

MCHA will attempt to absorb funding cuts through not filling vouchers as they turnover, however, MCHA has developed the following policy should terminating existing HAP Contracts become necessary. Those families whom MCHA is paying the above the HUD Per Unit Cost (PUC) will be identified. Out of that pool, those families who are not working or going to school and who are not elderly and disabled will be identified in the first tier for cuts. The second tier will be working or school families. The third tier will be elderly and disabled families.

## **PART II: APPROACH TO TERMINATION OF ASSISTANCE**

### **12-II.A. OVERVIEW**

The PHA is required by regulation to terminate a family's assistance if certain program rules are violated. For other types of offenses, the regulations give the PHA the discretion to either terminate the family's assistance or to take another action. This part discusses the various actions the PHA may choose to take when it has discretion, and outlines the criteria the PHA will use to make its decision about whether or not to terminate assistance. It also specifies the requirements for the notice that must be provided before terminating assistance.

### **12-II.B. METHOD OF TERMINATION [24 CFR 982.552(a)(3)]**

The way in which the PHA terminates assistance depends upon individual circumstances. HUD permits the PHA to terminate assistance by:

- Terminating housing assistance payments under a current HAP contract,
- Refusing to approve a request for tenancy or to enter into a new HAP contract, or
- Refusing to process a request for or to provide assistance under portability procedures.

## **12-II.C. ALTERNATIVES TO TERMINATION OF ASSISTANCE**

### **Change in Household Composition**

As a condition of continued assistance, the PHA may require that any household member who participated in or was responsible for an offense no longer resides in the unit [24 CFR 982.552(c)(2)(ii)].

#### MCHA Policy

As a condition of continued assistance, the head of household must certify that the culpable family member has vacated the unit and will not be permitted to visit or to stay as a guest in the assisted unit. The family must present evidence of the former family member's current address upon MCHA's request.

### **Repayment of Family Debts**

#### MCHA Policy

If a family owes amounts to the MCHA, as a condition of continued assistance, the MCHA will require the family to repay the full amount or to enter into a repayment agreement, within 30 days of receiving notice from the PHA of the amount owed. See Chapter 16 for policies on repayment agreements.

## **12-II.D. CRITERIA FOR DECIDING TO TERMINATE ASSISTANCE**

### **Evidence**

For criminal activity, HUD permits the PHA to terminate assistance if a *preponderance of the evidence* indicates that a household member has engaged in the activity, regardless of whether the household member has been arrested or convicted [24 CFR 982.553(c)].

#### MCHA's Crime Free Policy

All federally assisted housing is intended to provide a safe, decent and sanitary place to live, not a place to commit crime, to use or sell drugs or terrorize the neighbors. It is the intention of the Housing Authority to fully implement a policy that is dedicated to help create and maintain a safe and drug-free community and keep our program participants free from threats to their personal and family safety.

In an effort to prevent future drug related and other criminal activity, as well as other patterns of behavior that pose a threat to the health, safety or right to peaceful enjoyment of the premises by other residents, and as required by HUD, the MCHA will screen applicants and terminate the assistance of participants who engage in such activity.

The Housing Authority will deny participation in the program to applicants in accordance with Section 3 and terminate assistance to participants in accordance with Section 12. For further clarification regarding terminations involving substance abuse and criminal activity, MCHA will terminate assistance to participants in cases where there is reasonable cause to believe that the person is :

- 1) Illegally using a controlled substance or if the person abuses alcohol in a way that may interfere with the health, safety, or right to peaceful enjoyment of the premises by other residents;
- 2) Engaging in drug related or violent criminal activity;
- 3) Engaging in other criminal activity or patterns of behavior that pose a threat to the health and safety or right to peaceful enjoyment of the premises by other residents or neighbors.

The existence of the above-referenced behavior by any household member, regardless of the applicant's or participant's knowledge of the behavior shall be grounds for denial or termination of assistance.

## **Required Evidence**

Preponderance of the evidence will be the burden of proof necessary for denials and or termination of assistance.

Preponderance of the evidence is defined as evidence which is of greater weight or more convincing than the evidence which is offered in opposition to it; that is evidence which as a whole shows that the fact sought to be proved is more probable than not. The intent is not to prove criminal liability, but to establish that the act(s) occurred. Preponderance of the evidence may not be determined by the number of witnesses, but by the greater weight of all the evidence.

Credible evidence may be obtained from police and/or court records. Testimony from neighbors, when combined with other factual evidence can be considered credible evidence. Other credible evidence includes documentation of drug raids or arrest warrants.

MCHA will pursue fact-finding efforts as needed to obtain credible evidence.

## **Consideration of Circumstances [24 CFR 982.552(c)(2)(i)]**

The PHA is permitted, but not required, to consider all relevant circumstances when determining whether a family's assistance should be terminated.

### MCHA Policy

The MCHA may consider the following factors when making its decision to terminate assistance:

- The seriousness of the case, especially with respect to how it would affect other residents
- The effects that termination of assistance may have on other members of the family who were not involved in the action or failure
- The extent of participation or culpability of individual family members, including whether the culpable family member is a minor or a person with disabilities or (as discussed further in section 12-II.E) a victim of domestic violence, dating violence, sexual assault or stalking
- The repetitive nature of the violations
- The MCHA may impose, as a condition of continued assistance for other family members, a requirement that family members who participated in or were culpable for the action or the failure will not reside in the assisted unit
- The length of time since the violation occurred, the family's recent history and the likelihood of favorable conduct in the future
- In the case of drug or alcohol abuse, whether the culpable household member is participating in or has successfully completed a supervised drug or alcohol rehabilitation program or has otherwise been rehabilitated successfully
- The MCHA will require the participant to submit evidence of the household member's current participation in or successful completion of a supervised drug or alcohol rehabilitation program, or evidence of otherwise having been rehabilitated successfully.
- In the case of program abuse, the dollar amount of the overpaid assistance and whether or not a false certification was signed by the family.

## **Reasonable Accommodation [24 CFR 982.552(c)(2)(iv)]**

If the family includes a person with disabilities, the PHA's decision to terminate the family's assistance is subject to consideration of reasonable accommodation in accordance with 24 CFR Part 8.

### MCHA Policy

If a family indicates that the behavior of a family member with a disability is the reason for a proposed termination of assistance, the MCHA will determine whether the behavior is related to the disability. If so, upon the family's request, the MCHA will determine whether alternative measures are appropriate as a reasonable accommodation. The MCHA will only consider accommodations that can

reasonably be expected to address the behavior that is the basis of the proposed termination of assistance. See Chapter 2 for a discussion of reasonable accommodation.

## **12-II.E. TERMINATING THE ASSISTANCE OF DOMESTIC VIOLENCE, DATING VIOLENCE, SEXUAL ASSAULT OR STALKING VICTIMS AND PERPETRATORS [24 CFR 5.2005]**

The Violence Against Women Reauthorization Act of 2013 (VAWA) provides that “criminal activity directly relating to domestic violence, dating violence, sexual assault or stalking, engaged in by a member of a tenant’s household or any guest or other person under the tenant’s control shall not be a cause for termination of assistance, tenancy, or occupancy rights if the tenant or an immediate member of the tenant’s family is the victim or threatened victim of that domestic violence, dating violence, sexual assault or stalking.”

VAWA also gives PHAs the authority to “terminate assistance to any individual who is a tenant or lawful occupant and who engages in criminal acts of physical violence against family members or others, without evicting, removing, terminating assistance to, or otherwise penalizing the victim of such violence who is also a tenant or lawful occupant.”

VAWA does not limit the authority of the PHA to terminate the assistance of any participant if the PHA “can demonstrate an actual and imminent threat to other tenants or those employed at or providing service to the property if that tenant is not evicted or terminated from assistance.” However, situations where this might be relevant are extremely rare.

### MCHA Policy

In determining whether a participant who is a victim of domestic violence, dating violence, sexual assault or stalking is an actual and imminent threat to other tenants or those employed at or providing service to a property, the PHA will consider the following, and any other relevant, factors:

- Whether the threat is toward an employee or tenant other than the victim of domestic violence, dating violence, sexual assault or stalking
- Whether the threat is a physical danger beyond a speculative threat
- Whether the threat is likely to happen within a short period of time
- Whether the threat to other tenants or employees can be eliminated in some other way, such as by helping the victim relocate to a confidential location

If the tenant wishes to contest the MCHA’s determination that he or she is an actual and imminent threat to other tenants or employees, the tenant may do so as part of the informal hearing.

## **Victim Documentation**

### MCHA Policy

When a participant family is facing assistance termination because of the actions of a participant, household member, guest, or other person under the participant’s control and a participant or immediate family member of the participant’s family claims that she or he is the victim of such actions and that the actions are related to domestic violence, dating violence, *sexual assault* or stalking, the MCHA will request in writing that the individual submit documentation affirming that claim. The written request will include explicit instructions on where, when, and to whom the documentation must be submitted. It will also state the consequences for failure to submit the documentation by the deadline.

The documentation will consist of a completed and signed form HUD 5382, Certification of Domestic Violence, Dating Violence, Sexual Assault or Stalking. In lieu of the certification form, the MCHA will accept either of the following forms of documentation:

- A police or court record documenting the actual or threatened abuse
- Documentation signed by a person who has assisted the victim in addressing domestic violence, dating violence, sexual assault or stalking, or the effects of such abuse. This person may be an employee, agent, or volunteer of a victim service provider; an attorney; or a medical or other

knowledgeable professional. The person signing the documentation must attest under penalty of perjury to the person's belief that the incidents in question are bona fide incidents of abuse. The victim must also sign the documentation.

The MCHA reserves the right to waive the documentation requirement if it determines that a statement or other corroborating evidence from the individual will suffice.

The individual claiming victim status must submit the requested documentation within 14 business days after receipt of the MCHA's written request or must request an extension within that time frame. The MCHA may, at its discretion, extend the deadline for 10 business days.

If the individual provides the requested documentation within 14 business days, or any MCHA-approved extension, the MCHA will reconsider its termination decision in light of the documentation.

If the individual does not provide the requested documentation within 14 business days, or any MCHA-approved extension, the MCHA will proceed with termination of the family's assistance in accordance with applicable law, program regulations, and the policies in this plan.

### **Terminating the Assistance of a Domestic Violence Perpetrator [24 CFR 5.2005(c)]**

Although VAWA provides assistance termination protection for victims of domestic violence, it does not provide protection for perpetrators. VAWA gives the PHA the explicit authority to "terminate assistance to any individual who is a tenant or lawful occupant and who engages in criminal acts of physical violence against family members or others...without terminating assistance to, or otherwise penalizing the victim of such violence who is also a tenant or lawful occupant." This authority is not dependent on a bifurcated lease or other eviction action by an owner against an individual family member. Further, this authority supersedes any local, state, or other federal law to the contrary. However, if the PHA chooses to exercise this authority, it must follow any procedures prescribed by HUD or by applicable local, state, or federal law regarding termination of assistance [Pub.L. 109-271]. This means that the PHA must follow the same rules when terminating assistance to an individual as it would when terminating the assistance of an entire family [3/16/07 Federal Register notice on the applicability of VAWA to HUD programs].

#### **MCHA Policy**

The MCHA will terminate assistance to a family member if the PHA determines that the family member has committed criminal acts of physical violence against other family members or others. This action will not affect the assistance of the remaining, nonculpable family members.

In making its decision, the MCHA will consider all credible evidence, including, but not limited to, a signed certification (form HUD-50066) or other documentation of abuse submitted to the MCHA by the victim in accordance with this section. The MCHA will also consider the factors in section 12-II.D. Upon such consideration, the MCHA may, on a case-by-case basis, choose not to terminate the assistance of the culpable family member.

If the MCHA does terminate the assistance of the culpable family member, it will do so in accordance with applicable law, HUD regulations, and the policies in this plan.

### **PHA Confidentiality Requirements [24 CFR 5.2007(a)(1)(v)]**

All information provided to the PHA regarding domestic violence, dating violence, sexual assault or stalking, including the fact that an individual is a victim of such violence or stalking, must be retained in confidence and may neither be entered into any shared data base nor provided to any related entity, except to the extent that the disclosure (a) is requested or consented to by the individual in writing, (b) is required for use in an eviction proceeding, or (c) is otherwise required by applicable law.

## MCHA Policy

If disclosure is required for use in an eviction proceeding or is otherwise required by applicable law, the MCHA will inform the victim before disclosure occurs so that safety risks can be identified and addressed.

### **12-II.F. TERMINATION NOTICE [HCV GB, p. 15-7]**

If a family's assistance is to be terminated, whether voluntarily or involuntarily, the PHA must give the family and the owner written notice that specifies:

- The reasons for which assistance has been terminated
- The effective date of the termination
- The family's right to an informal hearing as described in Chapter 16

If a criminal record is the basis of the termination, a copy of the record must accompany the notice. A copy of the criminal record also must be provided to the subject of the record [24 CFR 982.553(d)].

## MCHA Policy

When termination is initiated by the MCHA, the notice to terminate will be sent to the family and the owner at least 20 calendar days prior to the effective date of the termination. However, if a family vacates the unit without informing the MCHA, 30 days' notice will not be given. In these cases, the notice to terminate will be sent at the time the MCHA learns the family has vacated the unit.

When a family requests to be terminated from the program they must do so in writing to the MCHA (see section 12-I.C.). The PHA will then send a confirmation notice to the family and the owner within 10 business days of the family's request, but no later than the termination effective date (as requested by the family).

### **Notice of Termination Based on Citizenship Status [24 CFR 5.514 (c) and (d)]**

The PHA must terminate assistance if (1) a family fails to submit required documentation within the required timeframe concerning any family member's citizenship or eligible immigration status; (2) evidence of citizenship and eligible immigration status is submitted timely, but USCIS primary and secondary verification does not verify eligible immigration status of a family; or (3) the PHA determines that a family member has knowingly permitted another individual who is not eligible for assistance to reside (on a permanent basis) in the unit. For (3) above, such termination must be for a period of at least 24 months.

The notice of termination must advise the family of the reasons their assistance is being terminated, that they may be eligible for proration of assistance, the criteria and procedures for obtaining relief under the provisions for preservation of families, that they have the right to request an appeal to the USCIS of the results of secondary verification of immigration status and to submit additional documentation or a written explanation in support of the appeal, and that they have the right to request an informal hearing with the PHA either upon completion of the USCIS appeal or in lieu of the USCIS appeal. Informal hearing procedures are contained in Chapter 16.

## MCHA Policy

The notice to terminate will be sent to the family and the owner at least 20 calendar days prior to the effective date of the termination.

### **12-II.G. HOW TERMINATION OF ASSISTANCE AFFECTS THE HAP CONTRACT AND LEASE**

When the family's assistance is terminated, the lease and HAP contract terminate automatically [Form HUD-52641].

The owner may offer the family a separate unassisted lease [HCV GB, p. 15-8].

## **PART III: TERMINATION OF TENANCY BY THE OWNER**

### **12-III.A. OVERVIEW**

Termination of an assisted tenancy is a matter between the owner and the family; the PHA is not directly involved. However, the owner is under some constraints when terminating an assisted tenancy, and the reasons for which a tenancy is terminated dictate whether assistance also will be terminated.

### **12-III.B. GROUNDS FOR OWNER TERMINATION OF TENANCY [24 CFR 982.310 and Form HUD-52641-A, Tenancy Addendum, Pub.L. 109-162]**

During the term of the lease, the owner is not permitted to terminate the tenancy except for serious or repeated violations of the lease, certain violations of state or local law, or other good cause.

#### **Serious or Repeated Lease Violations**

The owner is permitted to terminate the family's tenancy for serious or repeated violations of the terms and conditions of the lease, including failure to pay rent or other amounts due under the lease, except when the violations are related to incidents of actual or threatened domestic violence, dating violence, sexual assault or stalking against that participant. This includes failure to pay rent or other amounts due under the lease. However, the PHA's failure to make a HAP payment to the owner is not a violation of the lease between the family and the owner.

#### **Violation of Federal, State, or Local Law**

The owner is permitted to terminate the tenancy if a family member violates federal, state, or local law that imposes obligations in connection with the occupancy or use of the premises.

#### **Criminal Activity or Alcohol Abuse**

The owner may terminate tenancy during the term of the lease if any *covered person*, meaning any member of the household, a guest or another person under the tenant's control commits any of the following types of criminal activity (for applicable definitions see 24 CFR 5.100):

- Any criminal activity that threatens the health or safety of, or the right to peaceful enjoyment of the premises by, other residents (including property management staff residing on the premises);
- Any criminal activity that threatens the health or safety of, or the right to peaceful enjoyment of their residences by, persons residing in the immediate vicinity of the premises;
- Any violent criminal activity on or near the premises; or
- Any drug-related criminal activity on or near the premises.
- The owner may terminate tenancy during the term of the lease if any member of the household is:
- Fleeing to avoid prosecution, custody, or confinement after conviction for a crime or an attempt to commit a crime that is a felony under the laws of the place from which the individual flees, or that, in the case of the State of New Jersey, is a high misdemeanor; or
- Violating a condition of probation or parole imposed under federal or state law.

The owner may terminate tenancy for criminal activity by a household member in accordance with this section if the owner determines that the household member has committed the criminal activity, regardless of whether the household member has been arrested or convicted for such activity.

The owner may terminate tenancy during the term of the lease if any member of the household has engaged in abuse of alcohol that threatens the health, safety, or right to peaceful enjoyment of the premises by other residents.

#### ***Evidence of Criminal Activity***

The owner may terminate tenancy and evict by judicial action a family for criminal activity by a covered person if the owner determines they have engaged in the criminal activity, regardless of arrest or conviction

and without satisfying the standard of proof used for a criminal conviction, except in certain incidents where the criminal activity directly relates to domestic violence, dating violence, sexual assault or stalking and the tenant or an immediate member of the tenant's family is the victim or threatened victim of the domestic violence, dating violence, sexual assault or stalking. (See Section 12-II.E.).

### **Other Good Cause**

During the initial lease term, the owner may not terminate the tenancy for "other good cause" unless the owner is terminating the tenancy because of something the family did or failed to do. During the initial lease term or during any extension term, other good cause includes the disturbance of neighbors, destruction of property, or living or housekeeping habits that cause damage to the unit or premises.

After the initial lease term, "other good cause" for termination of tenancy by the owner includes:

- Failure by the family to accept the offer of a new lease or revision;
- The owner's desire to use the unit for personal or family use, or for a purpose other than as a residential rental unit; or
- A business or economic reason for termination of the tenancy (such as sale of the property, renovation of the unit, or desire to lease the unit at a higher rent).

After the initial lease term, the owner may give the family notice at any time, in accordance with the terms of the lease.

### **12-III.C. EVICTION [24 CFR 982.310(e) and (f) and Form HUD-52641-A, Tenancy Addendum]**

The owner must give the tenant a written notice that specifies the grounds for termination of tenancy during the term of the lease. The tenancy does not terminate before the owner has given this notice, and the notice must be given at or before commencement of the eviction action.

The notice of grounds may be included in, or may be combined with, any owner eviction notice to the tenant.

Owner eviction notice means a notice to vacate, or a complaint or other initial pleading used under state or local law to commence an eviction action. The owner may only evict the tenant from the unit by instituting a court action. The owner must give the PHA a copy of any eviction notice at the same time the owner notifies the family. The family is also required to give the PHA a copy of any eviction notice (see Chapter 5).

#### MCHA Policy

If the eviction action is finalized in court, the owner must provide the MCHA with documentation related to the eviction, including notice of the eviction date, as soon as possible, but no later than 5 business days following the court-ordered eviction.

### **12-III.D. DECIDING WHETHER TO TERMINATE TENANCY [24 CFR 982.310(h), 24 CFR 982.310(h)(4)]**

An owner who has grounds to terminate a tenancy is not required to do so, and may consider all of the circumstances relevant to a particular case before making a decision. These might include:

- The nature of the offending action
- The seriousness of the offending action;
- The effect on the community of the termination, or of the owner's failure to terminate the tenancy;
- The extent of participation by the leaseholder in the offending action;
- The effect of termination of tenancy on household members not involved in the offending activity;
- The demand for assisted housing by families who will adhere to lease responsibilities;
- The extent to which the leaseholder has shown personal responsibility and taken all reasonable steps to prevent or mitigate the offending action;
- The effect of the owner's action on the integrity of the program.

The owner may require a family to exclude a household member in order to continue to reside in the assisted unit, where that household member has participated in or been culpable for action or failure to act that warrants termination.

In determining whether to terminate tenancy for illegal use of drugs or alcohol abuse by a household member who is no longer engaged in such behavior, the owner may consider whether such household member is participating in or has successfully completed a supervised drug or alcohol rehabilitation program, or has otherwise been rehabilitated successfully (42 U.S.C. 13661). For this purpose, the owner may require the tenant to submit evidence of the household member's current participation in, or successful completion of, a supervised drug or alcohol rehabilitation program or evidence of otherwise having been rehabilitated successfully.

The owner's termination of tenancy actions must be consistent with the fair housing and equal opportunity provisions in 24 CFR 5.105.

An owner's decision to terminate tenancy for incidents related to domestic violence, dating violence, sexual assault or stalking is limited by the Violence Against Women Reauthorization Act of 2005 (VAWA). (See Section 12-II.E.)

### **12-III.E. EFFECT OF TENANCY TERMINATION ON THE FAMILY'S ASSISTANCE**

If a termination is not due to a serious or repeated violation of the lease, and if the PHA has no other grounds for termination of assistance, the PHA may issue a new voucher so that the family can move with continued assistance (see Chapter 10).

### **EXHIBIT 12-1: STATEMENT OF FAMILY OBLIGATIONS**

Following is a listing of a participant family's obligations under the HCV program:

- The family must supply any information that the PHA or HUD determines to be necessary, including submission of required evidence of citizenship or eligible immigration status.
- The family must supply any information requested by the PHA or HUD for use in a regularly scheduled reexamination or interim reexamination of family income and composition.
- The family must disclose and verify social security numbers and sign and submit consent forms for obtaining information.
- Any information supplied by the family must be true and complete.
- The family is responsible for any Housing Quality Standards (HQS) breach by the family caused by failure to pay tenant-provided utilities or appliances, or damages to the dwelling unit or premises beyond normal wear and tear caused by any member of the household or guest.

#### MCHA Policy

Damages beyond normal wear and tear will be considered to be damages which could be assessed against the security deposit.

- The family must allow the PHA to inspect the unit at reasonable times and after reasonable notice, as described in Chapter 8 of this plan.
- The family must not commit any serious or repeated violation of the lease.

#### MCHA Policy

The PHA will determine if a family has committed serious or repeated violations of the lease based on available evidence, including but not limited to, a court-ordered eviction, or an owner's notice to evict.

Serious and repeated lease violations will include, but not be limited to, nonpayment of rent, disturbance of neighbors, destruction of property, or living or housekeeping habits that cause damage to the unit or premises and criminal activity. Generally, the criteria to be used is whether the reason for the eviction was through no fault of the tenant or guests.

- The family must notify the PHA and the owner before moving out of the unit or terminating the lease.

#### MCHA Policy

The family must comply with lease requirements regarding written notice to the owner. The family must provide written notice to the MCHA at the same time the owner is notified.

- The family must promptly give the PHA a copy of any owner eviction notice.
- The family must use the assisted unit for residence by the family. The unit must be the family's only residence.

The composition of the assisted family residing in the unit must be approved by the PHA. The family must promptly notify the PHA in writing of the birth, adoption, or court-awarded custody of a child. The family must request PHA approval to add any other family member as an occupant of the unit.

#### MCHA Policy

The request to add a family member must be submitted in writing and approved prior to the person moving into the unit. The PHA will determine eligibility of the new member in accordance with the policies in Chapter 3.

- The family must promptly notify the PHA in writing if any family member no longer lives in the unit.
- If the PHA has given approval, a foster child or a live-in aide may reside in the unit. The PHA has the discretion to adopt reasonable policies concerning residency by a foster child or a live-in aide, and to define when PHA consent may be given or denied. For policies related to the request and approval/disapproval of foster children, foster adults, and live-in aides, see Chapter 3 (Sections I.K and I.M), and Chapter 11 (Section II.B).
- The family must not sublease the unit, assign the lease, or transfer the unit.

#### MCHA Policy

Subleasing includes receiving payment to cover rent and utility costs by a person living in the unit who is not listed as a family member.

- The family must supply any information requested by the PHA to verify that the family is living in the unit or information related to family absence from the unit.
- The family must promptly notify the PHA when the family is absent from the unit.

#### MCHA Policy

Notice is required under this provision only when all family members will be absent from the unit for an extended period. An extended period is defined as any period greater than 30 calendar days. Written notice must be provided to the MCHA at the start of the extended absence.

- The family must pay utility bills and provide and maintain any appliances that the owner is not required to provide under the lease [Form HUD-52646, Voucher].
- The family must not own or have any interest in the unit, (other than in a cooperative and owners of a manufactured home leasing a manufactured home space).
- Family members must not commit fraud, bribery, or any other corrupt or criminal act in connection with the program. (See Chapter 14, Program Integrity for additional information).
- Family members must not engage in drug-related criminal activity or violent criminal activity or other criminal activity that threatens the health, safety or right to peaceful enjoyment of other residents and persons residing in the immediate vicinity of the premises. See Chapter 12 for HUD and PHA policies related to drug-related and violent criminal activity.
- Members of the household must not engage in abuse of alcohol in a way that threatens the health, safety or right to peaceful enjoyment of the other residents and persons residing in the immediate vicinity of the premises. See Chapter 12 for a discussion of HUD and PHA policies related to alcohol abuse.

- An assisted family or member of the family must not receive HCV program assistance while receiving another housing subsidy, for the same unit or a different unit under any other federal, state or local housing assistance program.

A family must not receive HCV program assistance while residing in a unit owned by a parent, child, grandparent, grandchild, sister or brother of any member of the family, unless the PHA has determined (and has notified the owner and the family of such determination) that approving rental of the unit, notwithstanding such relationship, would provide reasonable accommodation for a family member who is a person with disabilities. [Form HUD-52646, Voucher].

## **Chapter 13**

### **OWNERS**

#### **INTRODUCTION**

Owners play a central role in the HCV program by supplying decent, safe, and sanitary housing for participating families.

The term “owner” refers to any person or entity with the legal right to lease or sublease a unit to a participant in the HCV program [24 CFR 982.4(b)]. The term “owner” includes a principal or other interested party [24 CFR 982.453; 24 CFR 982.306(f)], such as a designated agent of the owner.

Owners have numerous responsibilities under the program, including screening and leasing to families, maintaining the dwelling unit, enforcing the lease, and complying with various contractual obligations. However, this chapter is not meant to be an overview of all aspects of owner participation in the HCV program.

The chapter is organized in two parts:

Part I: Owners in the HCV Program. This part discusses the role of an owner in the PHA’s HCV program and highlights key owner rights and responsibilities.

Part II: HAP Contracts. This part explains provisions of the HAP contract and the relationship between the PHA and the owner as expressed in the HAP contract.

For detailed information about HCV program responsibilities and processes, including PHA policies in key areas, owners will need to refer to several other chapters in this plan. Where appropriate, Chapter 13 will reference the other chapters.

#### **PART I. OWNERS IN THE HCV PROGRAM**

##### **13-I.A. OWNER RECRUITMENT AND RETENTION [HCV GB, pp. 2-4 to 2-6]**

###### **Recruitment**

PHAs are responsible for ensuring that very low income families have access to all types and ranges of affordable housing in the PHA’s jurisdiction, particularly housing outside areas of poverty or minority concentration. A critical element in fulfilling this responsibility is for the PHA to ensure that a sufficient number of owners, representing all types and ranges of affordable housing in the PHA’s jurisdiction, are willing to participate in the HCV program.

To accomplish this objective, PHAs must identify and recruit new owners to participate in the program.

## MCHA Policy

The PHA will conduct owner outreach to ensure that owners are familiar with the program and its advantages. The PHA will actively recruit property owners with property located outside areas of poverty and minority concentration. These outreach strategies will include:

- Distributing printed material about the program to property owners and managers
- Contacting property owners and managers by phone or in-person
- Holding owner recruitment/information meetings at least once a year
- Participating in community-based organizations comprised of private property and apartment owners and managers
- Developing working relationships with owners and real estate brokers associations

Outreach strategies will be monitored for effectiveness, and adapted accordingly.

## **Retention**

In addition to recruiting owners to participate in the HCV program, the PHA must also provide the kind of customer service that will encourage participating owners to remain active in the program.

### MCHA Policy

All PHA activities that may affect an owner's ability to lease a unit will be processed as rapidly as possible, in order to minimize vacancy losses for owners.

The PHA will provide owners with a handbook that explains the program, including HUD and PHA policies and procedures, in easy-to-understand language.

The PHA will give special attention to helping new owners succeed through activities such as:

- Providing the owner with a designated PHA contact person.
- Coordinating inspection and leasing activities between the PHA, the owner, and the family.
- Initiating telephone contact with the owner to explain the inspection process, and providing an inspection booklet and other resource materials about HUD housing quality standards.
- Providing other written information about how the program operates, including answers to frequently asked questions.

Additional services may be undertaken on an as-needed basis, and as resources permit.

## **13-I.B. BASIC HCV PROGRAM REQUIREMENTS**

HUD requires the PHA to aid families in their housing search by providing the family with a list of landlords or other parties known to the PHA who may be willing to lease a unit to the family, or to help the family find a unit. Although the PHA cannot maintain a list of owners that are pre-qualified to participate in the program, owners may indicate to the PHA their willingness to lease a unit to an eligible HCV family, or to help the HCV family find a unit [24 CFR 982.301(b)(11)].

### MCHA Policy

Owners that wish to indicate their willingness to lease a unit to an eligible HCV family or to help the HCV family find a unit must notify the PHA. The PHA will maintain a listing of such owners and provide this listing to the HCV family as part of the informational briefing packet.

When a family approaches an owner to apply for tenancy, the owner is responsible for screening the family and deciding whether to lease to the family, just as the owner would with any potential tenant. The PHA has no liability or responsibility to the owner or other persons for the family's behavior or suitability for tenancy. See chapters 3 and 9 for more detail on tenant family screening policies and process.

If the owner is willing, the family and the owner must jointly complete a Request for Tenancy Approval (RTA, Form HUD 52517), which constitutes the family's request for assistance in the specified unit, and which documents the owner's willingness to lease to the family and to follow the program's requirements. When submitted to the PHA, this document is the first step in the process of obtaining approval for the family to receive the financial assistance it will need in order to occupy the unit. Also submitted with the RTA is a copy of the owner's proposed dwelling lease, including the HUD-required Tenancy Addendum (Form HUD-52641-A). See Chapter 9 for more detail on request for tenancy approval policies and process.

HUD regulations stipulate that an assisted tenancy can be approved only under certain conditions.

The owner must be qualified to participate in the program [24 CFR 982.306]. Some owners are precluded from participating in the program, or from renting to a particular family, either because of their past history with this or another federal housing program, or because of certain conflicts of interest. Owner qualifications are discussed later in this chapter.

The selected unit must be of a type that is eligible for the program [24 CFR 982.305(a)]. Certain types of dwelling units cannot be assisted under the HCV program. Other types may be assisted under certain conditions. In addition, the owner must document legal ownership of the specified unit. See chapter 9 for more detail on unit eligibility policies and process.

The selected unit must meet HUD's Housing Quality Standards (HQS) and/or equivalent state or local standards approved by HUD [24 CFR 982.305(a)]. The PHA will inspect the owner's dwelling unit at various stages of HCV program participation, to ensure that the unit continues to meet HQS requirements. See chapter 8 for a discussion of the HQS standards, as well as the process for HQS inspections at initial lease-up and throughout the family's tenancy.

The PHA must determine that the cost of the unit is reasonable [24 CFR 982.305(a)]. The rent must be reasonable in relation to comparable unassisted units in the area and must not be in excess of rents charged by the owner for comparable, unassisted units on the premises. See chapter 8 for a discussion of requirements and policies on rent reasonableness, rent comparability and the rent reasonableness determination process.

At initial lease-up of a unit, the PHA must determine that the share of rent to be paid by the family does not exceed 40 percent of the family's monthly adjusted income [24 CFR 982.305(a)]. See chapter 6 for a discussion of the calculation of family income, family share of rent and HAP.

The dwelling lease must comply with all program requirements [24 CFR 982.308]. Owners are encouraged to use their standard leases when renting to an assisted family. However, the HCV program requires that the Tenancy Addendum, which helps standardize the tenancy requirements for all assisted families, be added word-for-word to that lease. See chapter 9 for a discussion of the dwelling lease and tenancy addendum, including lease terms and provisions.

The PHA and the owner enter into a formal contractual relationship by executing the Housing Assistance Payment (HAP) Contract (Form HUD-52641). The HAP contract format is prescribed by HUD. See chapter 9 for a discussion of the HAP contract execution process. Specific HAP contract provisions and responsibilities are discussed later in this chapter 13.

### **13-I.C. OWNER RESPONSIBILITIES [24 CFR 982.452]**

The basic owner responsibilities in the HCV program are outlined in the regulations as follows:

- Performing all of the owner's obligations under the Housing Assistance Payments (HAP) contract and the lease
- Performing all management and rental functions for the assisted unit, including selecting a voucher-holder to lease the unit, and deciding if the family is suitable for tenancy of the unit
- Maintaining the unit in accordance with the Housing Quality Standards (HQS), including performance of ordinary and extraordinary maintenance
- Complying with equal opportunity requirements

- Preparing and furnishing to the PHA information required under the HAP contract
- Collecting from the family any security deposit, the tenant's contribution to rent (that part of rent to owner not covered by the housing assistance payment from the PHA), and any charges for unit damage by the family.
- Enforcing tenant obligations under the dwelling lease
- Paying for utilities and services (unless paid by the family under the lease)
- Making modifications to a dwelling unit occupied or to be occupied by a disabled person [24 CFR 100.203]
- Comply with the Violence Against Women Reauthorization Act of 2013 (VAWA) when screening and terminating tenants.

### **13-I.D. OWNER QUALIFICATIONS**

The PHA does not formally approve an owner to participate in the HCV program. However, there are a number of criteria where the PHA may deny approval of an assisted tenancy based on past owner behavior, conflict of interest, or other owner-related issues. No owner has a right to participate in the HCV program [24 CFR 982.306(e)].

#### **Owners Barred from Participation [24 CFR 982.306(a) and (b)]**

The PHA must not approve the assisted tenancy if the PHA has been informed that the owner has been debarred, suspended, or subject to a limited denial of participation under 24 CFR part 24. HUD may direct the PHA not to approve a tenancy request if a court or administrative agency has determined that the owner violated the Fair Housing Act or other federal equal opportunity requirements, or if such an action is pending.

#### **Leasing to Relatives [24 CFR 982.306(d), HCV GB p. 11-2]**

The PHA must not approve an RTA if the owner is the parent, child, grandparent, grandchild, sister, or brother of any member of the family. The PHA may make an exception as a reasonable accommodation for a family member with a disability. The owner is required to certify that no such relationship exists. This restriction applies at the time that the family receives assistance under the HCV program for occupancy of a particular unit. Current contracts on behalf of owners and families that are related may continue, but any new leases or contracts for these families may not be approved.

#### **Conflict of Interest [24 CFR 982.161; HCV GB p. 8-19]**

The PHA must not approve a tenancy in which any of the following classes of persons has any interest, direct or indirect, during tenure or for one year thereafter:

- Any present or former member or officer of the PHA (except a participant commissioner)
- Any employee of the PHA, or any contractor, subcontractor or agent of the PHA, who formulates policy or who influences decisions with respect to the programs
- Any public official, member of a governing body, or State or local legislator, who exercises functions or responsibilities with respect to the programs
- Any member of the Congress of the United States. HUD may waive the conflict of interest requirements, except for members of Congress, for good cause. The PHA must submit a waiver request to the appropriate HUD Field Office for determination.
- Any waiver request submitted by the PHA must include [HCV Guidebook pp.11-2 and 11-3]:
- Complete statement of the facts of the case;
- Analysis of the specific conflict of interest provision of the HAP contract and justification as to why the provision should be waived;
- Analysis of and statement of consistency with state and local laws. The local HUD office, the PHA, or both parties may conduct this analysis. Where appropriate, an opinion by the state's attorney general should be obtained;

- Opinion by the local HUD office as to whether there would be an appearance of impropriety if the waiver were granted;
- Statement regarding alternative existing housing available for lease under the HCV program or other assisted housing if the waiver is denied;
- If the case involves a hardship for a particular family, statement of the circumstances and discussion of possible alternatives;
- If the case involves a public official or member of the governing body, explanation of his/her duties under state or local law, including reference to any responsibilities involving the HCV program;
- If the case involves employment of a family member by the PHA or assistance under the HCV program for an eligible PHA employee, explanation of the responsibilities and duties of the position, including any related to the HCV program;
- If the case involves an investment on the part of a member, officer, or employee of the PHA, description of the nature of the investment, including disclosure/divestiture plans.

Where the PHA has requested a conflict of interest waiver, the PHA may not execute the HAP contract until HUD has made a decision on the waiver request.

#### MCHA Policy

In considering whether to request a conflict of interest waiver from HUD, the PHA will consider factors the reasons for waiving the requirement; consistency with state and local laws; the existence of alternative housing available to families; the individual circumstances of a particular family; the specific duties of individuals whose positions present a possible conflict of interest; the nature of any financial investment in the property and plans for disclosure/divestiture; and the possible appearance of impropriety.

#### **Owner Actions That May Result in Disapproval of a Tenancy Request [24 CFR 982.306(c)]**

HUD regulations permit the PHA, at the PHA's discretion, to refuse to approve a request for tenancy if the owner has committed any of a number of different actions.

If the PHA disapproves a request for tenancy because an owner is not qualified, it may not terminate the HAP contract for any assisted families that are already living in the owner's properties unless the owner has violated the HAP contract for those units [HCV GB p. 11-4].

#### MCHA Policy

The PHA will refuse to approve a request for tenancy if the PHA becomes aware that any of the following are true:

- The owner has violated obligations under a HAP contract under Section 8 of the 1937 Act (42 U.S.C. 1437f);
- The owner has committed fraud, bribery or any other corrupt or criminal act in connection with any federal housing program;
- The owner has engaged in any drug-related criminal activity or any violent criminal activity;
- The owner has a history or practice of non-compliance with the HQS for units leased under the tenant-based programs, or with applicable housing standards for units leased with project-based Section 8 assistance or leased under any other federal housing program;
- The owner has a history or practice of failing to terminate tenancy of tenants of units assisted under Section 8 or any other federally assisted housing program for activity engaged in by the tenant, any member of the household, a guest or another person under the control of any member of the household that: (i) Threatens the right to peaceful enjoyment of the premises by other residents; (ii) Threatens the health or safety of other residents, of employees of the PHA, or of owner employees or other persons engaged in management of the housing; (iii) Threatens the health or safety of, or the right to peaceful enjoyment of their residences, by persons residing in the immediate vicinity of the premises; or (iv) Is drug-related criminal activity or violent criminal activity;

- The owner has a history or practice of renting units that fail to meet state or local housing codes; or
- The owner has not paid state or local real estate taxes, fines, or assessment.

In considering whether to disapprove owners for any of the discretionary reasons listed above, the PHA will consider any mitigating factors. Such factors may include, but are not limited to, the seriousness of the violation in relation to program requirements, the impact on the ability of families to lease units under the program, health and safety of participating families, among others. Upon consideration of such circumstances, the PHA may, on a case-by-case basis, choose to approve an owner.

### **Legal Ownership of Unit**

The following represents PHA policy on legal ownership of a dwelling unit to be assisted under the HCV program.

#### MCHA Policy

The PHA will only enter into a contractual relationship with the legal owner of a qualified unit. No tenancy will be approved without acceptable documentation of legal ownership (e.g., deed of trust, proof of taxes for most recent year).

### **13-I.E. NON-DISCRIMINATION [HAP Contract – Form HUD-52641]**

The owner must not discriminate against any person because of race, color, religion, sex, national origin, age, familial status, or disability, in connection with any actions or responsibilities under the HCV program and the HAP contract with the PHA.

The owner must cooperate with the PHA and with HUD in conducting any equal opportunity compliance reviews and complaint investigations in connection with the HCV program and the HAP contract with the PHA.

See Chapter 2 for a more thorough discussion of Fair Housing and Equal Opportunity requirements in the HCV program.

## **PART II. HAP CONTRACTS**

### **13-II.A. OVERVIEW**

The HAP contract represents a written agreement between the PHA and the owner of the dwelling unit occupied by a HCV assisted family. The contract spells out the owner's responsibilities under the program, as well as the PHA's obligations. Under the HAP contract, the PHA agrees to make housing assistance payments to the owner on behalf of a specific family occupying a specific unit.

The HAP contract is used for all HCV program tenancies except for assistance under the Section 8 homeownership program, and assistance to families that own a manufactured home and lease the space. See chapter 15 for a discussion of any special housing types included in the PHA's HCV program.

If the PHA has given approval for the family of the assisted tenancy, the owner and the PHA execute the HAP contract. See chapter 9 for a discussion of the leasing process, including provisions for execution of the HAP contract.

### **13-II.B. HAP CONTRACT CONTENTS**

The HAP contract format is required by HUD, specifically Housing Assistance Payment (HAP) Contract, Form HUD-52641.

The HAP contract contains three parts.

Part A of the contract includes basic **contract information** about the name of the tenant family, address of the contract unit, names of all household members, first and last dates of initial lease term, amount of initial monthly rent to owner, amount of initial housing assistance payment, utilities and appliances to be supplied by owner and tenant, signatures of PHA and owner [HCV Guidebook, pp 11-10 and 11-11].

In general, the HAP contract cannot be modified. However, PHAs do have the discretion to add language to Part A of the HAP contract which prohibits the owner from collecting a security deposit in excess of private market practices or in excess of amounts charged to unassisted tenants. PHA policy on the amount of security deposit an owner may collect is found in chapter 9.

In addition, PHAs have the discretion to add language to Part A of the HAP contract that defines when the housing assistance payment by the PHA is deemed received by the owner (e.g., upon mailing by the PHA or actual receipt by the owner).

#### MCHA Policy

The PHA has not adopted a policy that defines when the housing assistance payment by the PHA is deemed received by the owner. Therefore, no modifications to the HAP contract will be necessary.

Part B is the body of the contract. It describes in detail program requirements affecting the owner and owner roles and responsibilities under the HCV program. Most of the requirements contained in Part B of the HAP contract are outlined elsewhere in this plan. Topics addressed in Part B include:

- Lease of Contract Unit
- Maintenance, Utilities, and Other Services
- Term of HAP Contract
- Provision and Payment of Utilities and Appliances
- Rent to Owner: Reasonable Rent
- PHA Payment to Owner
- Prohibition of Discrimination
- Owner's Breach of HAP Contract
- PHA and HUD Access to Premises and Owner's Records
- Exclusion of Third Party Rights
- Conflict of Interest
- Assignment of the HAP Contract
- Written Notices
- Entire Agreement Interpretation

Part C of the contract includes the Tenancy Addendum (Form HUD-52641-A). The addendum sets forth the tenancy requirements for the program and the composition of the household, as approved by the PHA. The owner must sign the HUD Tenancy Addendum with the prospective tenant, and the tenant has the right to enforce the Tenancy Addendum against the owner. The terms of the Tenancy Addendum prevail over any other provisions of the lease.

### **13-II.C. HAP CONTRACT PAYMENTS**

#### **General**

During the term of the HAP contract, and subject to the provisions of the HAP contract, the PHA must make monthly HAP payments to the owner on behalf of the family, at the beginning of each month. If a lease term begins after the first of the month, the HAP payment for the first month is prorated for a partial month.

The amount of the HAP payment is determined according to the policies described in Chapter 6, and is subject to change during the term of the HAP contract. The PHA must notify the owner and the family in writing of any changes in the HAP payment.

HAP payments can be made only during the lease term, and only while the family is residing in the unit.

The monthly HAP payment by the PHA is credited toward the monthly rent to owner under the family's lease. The total of the rent paid by the tenant, plus the PHA HAP payment, should be equal to the rent specified in the lease (the rent to owner).

The family is not responsible for payment of the HAP payment, and the PHA is not responsible for payment of the family share of rent.

The family's share of the rent cannot be more than the difference between the total rent to the owner and the HAP payment. The owner may not demand or accept any rent payment from the tenant in excess of this maximum [24 CFR 982.451(b)(4)]. The owner may not charge the tenant extra amounts for items customarily included in rent in the locality, or provided at no additional cost to unsubsidized tenants in the premises [24 CFR 982.510(c)]. See chapter 9 for a discussion of separate, non-lease agreements for services, appliances and other items that are not included in the lease.

If the owner receives any excess HAP from the PHA, the excess amount must be returned immediately. If the PHA determines that the owner is not entitled to all or a portion of the HAP, the PHA may deduct the amount of overpayment from any amounts due to the owner, including amounts due under any other Section 8 HCV contract. See Chapter 16 for additional detail on owner reimbursement of HAP overpayments.

### **Owner Certification of Compliance**

Unless the owner complies with all provisions of the HAP contract, the owner is not entitled to receive housing assistance payments under the HAP contract [HAP Contract – Form HUD-52641].

By endorsing the monthly check from the PHA, the owner certifies to compliance with the terms of the HAP contract. This includes certification that the owner is maintaining the unit and premises in accordance with HQS; that the contract unit is leased to the tenant family and, to the best of the owner's knowledge, the family resides in the unit as the family's only residence; the rent to owner does not exceed rents charged by the owner for comparable unassisted units on the premises; and that the owner does not receive (other than rent to owner) any additional payments or other consideration for rent of the contract unit during the HAP term.

### **Late HAP Payments [24 CFR 982.451(a)(5)]**

The PHA is responsible for making HAP payments promptly when due to the owner, in accordance with the terms of the HAP contract. After the first two calendar months of the HAP contract term, the HAP contract provides for penalties if the PHA fails to make the HAP payment on time.

Penalties for late HAP payments can only be imposed if 1) the penalties are in accordance with generally accepted local rental market practices and law governing penalties for late payment by tenants; 2) it is the owner's normal business practice to charge late payment penalties for both assisted and unassisted families; and 3) the owner charges the assisted family for late payment of the family's share of the rent.

The PHA is not required to pay a late payment penalty if HUD determines that the payment is late for reasons beyond the PHA's control. In addition, late payment penalties are not required if the PHA intentionally delays or denies payment as a remedy to an owner breach of the HAP contract [HCV Guidebook p. 11-7].

### **Termination of HAP Payments [24 CFR 982.311(b)]**

The PHA must continue making housing assistance payments to the owner in accordance with the HAP contract as long as the tenant continues to occupy the unit and the HAP contract is not violated.

HAP payments terminate when the HAP contract terminates or when the tenancy is terminated in accordance with the terms of the lease.

If the owner has initiated eviction proceedings against the family and the family continues to reside in the unit, the PHA must continue to make housing assistance payments to the owner until the owner has obtained a court judgment or other process allowing the owner to evict the tenant.

## MCHA Policy

The owner must inform the PHA when the owner has initiated eviction proceedings against the family and the family continues to reside in the unit.

The owner must inform the PHA when the owner has obtained a court judgment or other process allowing the owner to evict the tenant, and provide the PHA with a copy of such judgment or determination.

After the owner has obtained a court judgment or other process allowing the owner to evict the tenant, the PHA will continue to make HAP payments to the owner until the family actually moves from the unit or until the family is physically evicted from the unit, whichever is earlier. The owner must inform the PHA of the date when the family actually moves from the unit or the family is physically evicted from the unit.

### **13-II.D. BREACH OF HAP CONTRACT [24 CFR 982.453]**

Any of the following actions by the owner constitutes a breach of the HAP contract:

- If the owner violates any obligations under the HAP contract including failure to maintain the unit in accordance with NSPIRE
- If the owner has violated any obligation under any other HAP contract under Section 8
- If the owner has committed fraud, bribery or any other corrupt or criminal act in connection with any federal housing program
- For projects with mortgages insured by HUD or loans made by HUD, if the owner has failed to comply with the regulations for the applicable program; or if the owner has committed fraud, bribery or any other corrupt or criminal act in connection with the mortgage or loan
- If the owner has engaged in drug-related criminal activity
- If the owner has committed any violent criminal activity

If the PHA determines that a breach of the HAP contract has occurred, it may exercise any of its rights and remedies under the HAP contract.

The PHA rights and remedies against the owner under the HAP contract include recovery of any HAP overpayment, suspension of housing assistance payments, abatement or reduction of the housing assistance payment, termination of the payment or termination the HAP contract. The PHA may also obtain additional relief by judicial order or action.

The PHA must notify the owner of its determination and provide in writing the reasons for the determination. The notice may require the owner to take corrective action by an established deadline. The PHA must provide the owner with written notice of any reduction in housing assistance payments or the termination of the HAP contract.

## MCHA Policy

Before the PHA invokes a remedy against an owner, the PHA will evaluate all information and documents available to determine if the contract has been breached.

If relevant, the PHA will conduct an audit of the owner's records pertaining to the tenancy or unit.

If it is determined that the owner has breached the contract, the PHA will consider all of the relevant factors including the seriousness of the breach, the effect on the family, the owner's record of compliance and the number and seriousness of any prior HAP contract violations.

### **13-II.E. HAP CONTRACT TERM AND TERMINATIONS**

The term of the HAP contract runs concurrently with the term of the dwelling lease [24 CFR 982.451(a)(2)], beginning on the first day of the initial term of the lease and terminating on the last day of the term of the lease, including any lease term extensions.

The HAP contract and the housing assistance payments made under the HAP contract terminate if [HCV Guidebook pp.11-4 and 11-5, pg. 15-3]:

- The owner or the family terminates the lease;
- The lease expires;
- The PHA terminates the HAP contract;
- The PHA terminates assistance for the family;
- The family moves from the assisted unit. In this situation, the owner is entitled to keep the housing assistance payment for the month when the family moves out of the unit.
- 180 calendar days have elapsed since the PHA made the last housing assistance payment to the owner;
- The family is absent from the unit for longer than the maximum period permitted by the PHA;
- The Annual Contributions Contract (ACC) between the PHA and HUD expires
- The PHA elects to terminate the HAP contract.

### MCHA Policy

The PHA may elect to terminate the HAP contract in each of the following situations:

- Available program funding is not sufficient to support continued assistance for families in the program [24 CFR 982.454];
- The unit does not meet HQS size requirements due to change in family composition [24 CFR 982.403] – see chapter 8;
- The unit does not meet HQS [24 CFR 982.404] – see chapter 8;
- The family breaks up [HUD Form 52641] – see chapter 3;
- The owner breaches the HAP contract [24 CFR 982.453(b)] – see Section 13-II.D.
- If the PHA terminates the HAP contract, the PHA must give the owner and the family written notice. The notice must specify the reasons for the termination and the effective date of the termination. Once a HAP contract is terminated, no further HAP payments may be made under that contract [HCV Guidebook pg.15-4].

### MCHA Policy

The HAP contract can be terminated by MCHA with reasonable notice of at least 20 days or upon breach by the owner as determined by MCHA. All HAP contract terminations must be in writing. The owner is not entitled to any housing assistance payment after this period, and must return to the PHA any housing assistance payment received after this period.

If the family moves from the assisted unit into a new unit, even if the new unit is in the same building or complex as the assisted unit, the HAP contract for the assisted unit terminates. A new HAP contract would be required [HCV GB, p. 11-17].

When the family moves from an assisted unit into a new unit, the term of the HAP contract for the new unit may begin in the same month in which the family moves out of its old unit. This is not considered a duplicative subsidy [HCV GB, p. 8-22].

### **13-II.F. CHANGE IN OWNERSHIP / ASSIGNMENT OF THE HAP CONTRACT [HUD-52641]**

The HAP contract cannot be assigned to a new owner without the prior written consent of the PHA.

An owner under a HAP contract must notify the PHA in writing prior to a change in the legal ownership of the unit. The owner must supply all information as requested by the PHA.

Prior to approval of assignment to a new owner, the new owner must agree to be bound by and comply with the HAP contract. The agreement between the new owner and the former owner must be in writing and in a form that the PHA finds acceptable. The new owner must provide the PHA with a copy of the executed agreement.

## MCHA Policy

Assignment of the HAP contract will be approved only if the new owner is qualified to become an owner under the HCV program according to the policies in Section 13-I.D. of this chapter.

The PHA must receive a signed, written request from the existing owner stating the name and address of the new HAP payee and the effective date of the assignment in order to change the HAP payee under an outstanding HAP contract.

Within 10 business days of receiving the owner's request, the PHA will inform the current owner in writing whether the assignment may take place.

The new owner must provide a written certification to the PHA that includes:

- A copy of the escrow statement or other document showing the transfer of title and recorded deed;
- A copy of the owner's IRS Form W-9, Request for Taxpayer Identification Number and Certification, or the social security number of the new owner;
- The effective date of the HAP contract assignment;
- A written agreement to comply with the terms of the HAP contract; and
- Confirmation that the new owner is not a prohibited relative.

If the new owner does not agree to an assignment of the HAP contract, or fails to provide the necessary documents, the PHA will terminate the HAP contract with the old owner. If the new owner wants to offer the family a new lease, and the family elects to stay with continued assistance, the PHA will process the leasing in accordance with the policies in chapter 9.

## **Chapter 14**

### **PROGRAM INTEGRITY**

#### **INTRODUCTION**

The PHA is committed to ensuring that subsidy funds made available to the PHA are spent in accordance with HUD requirements.

This chapter covers HUD and PHA policies designed to prevent, detect, investigate and resolve instances of program abuse or fraud. It also describes the actions that will be taken in the case of unintentional errors and omissions.

Part I: Preventing, Detecting, and Investigating Errors and Program Abuse. This part presents PHA policies related to preventing, detecting, and investigating errors and program abuse.

Part II: Corrective Measures and Penalties. This part describes the corrective measures the PHA must and may take when errors or program abuses are found.

#### **PART I: PREVENTING, DETECTING, AND INVESTIGATING ERRORS AND PROGRAM ABUSE**

##### **14-I.A. PREVENTING ERRORS AND PROGRAM ABUSE**

HUD created the Enterprise Income Verification (EIV) system to provide PHAs with a powerful tool for preventing errors and program abuse. PHAs are required to use the EIV system in its entirety in accordance with HUD administrative guidance [24 CFR 5.233]. PHAs are further required to:

- Provide applicants and participants with form HUD-52675, "Debts Owed to PHAs and Terminations"
- Require all adult members of an applicant or participant family to acknowledge receipt of form HUD-52675 by signing a copy of the form for retention in the family file

## MCHA Policy

The MCHA anticipates that the vast majority of families, owners, and MCHA employees intend to and will comply with program requirements and make reasonable efforts to avoid errors.

To ensure that the MCHA's HCV program is administered effectively and according to the highest ethical and legal standards, the MCHA will employ a variety of techniques to ensure that both errors and intentional program abuse are rare.

- The MCHA will discuss program compliance and integrity issues during the voucher briefing sessions described in Chapter 5.
- The MCHA will provide each applicant and participant with the publication "Is Fraud Worth It" (*HUD-1141-OIG*) that explains the types of actions a family must avoid and the penalties for program abuse.
- The PHA will provide each applicant and participant with a copy of "What You Should Know about EIV," a guide to the Enterprise Income Verification (EIV) system published by HUD as an attachment to Notice PIH 2010-19. In addition, the PHA will require the head of each household to acknowledge receipt of the guide by signing a copy for retention in the family file
- The MCHA will place a warning statement about the penalties for fraud (as described in the False Statement Act, 18 U.S.C. 1001 and 1010) on key MCHA forms and form letters that request information from a family or owner.
- MCHA staff will be required to review and explain the contents of all HUD- and MCHA-required forms prior to requesting family member signatures.
- The MCHA may require first-time owners (or their agents) to participate in a briefing session on HAP contract requirements.
- The MCHA will provide each MCHA employee with the necessary training on program rules and the organization's standards of conduct and ethics.

For purposes of this chapter the term *error* refers to an unintentional error or omission. *Program abuse or fraud* refers to a single act or pattern of actions that constitute a false statement, omission, or concealment of a substantial fact, made with the intent to deceive or mislead.

### **14-I.B. DETECTING ERRORS AND PROGRAM ABUSE**

In addition to taking steps to prevent errors and program abuse, the PHA will use a variety of activities to detect errors and program abuse.

#### **Quality Control and Analysis of Data**

Under the Section 8 Management Assessment Program (SEMAP), HUD requires the PHA to review a random sample of tenant records annually to determine if the records conform to program requirements and to conduct quality control inspections of a sample of units to ensure NSPIRE compliance [24 CFR, Part 985]. (See Chapter 16 for additional information about SEMAP requirements).

## MCHA Policy

In addition to the SEMAP quality control requirements, the MCHA will employ a variety of methods to detect errors and program abuse.

- The MCHA routinely will use available sources of up-front income verification including HUD's EIV system, to compare with family-provided information.
- At each annual reexamination, current information provided by the family will be compared to information provided at the last annual reexamination to identify inconsistencies and incomplete information.
- The MCHA will compare family-reported income and expenditures to detect possible unreported income.

## **Independent Audits and HUD Monitoring**

OMB Circular A-133 requires all PHAs that expend \$500,000 or more in federal awards annually to have an independent audit (IPA). In addition, HUD conducts periodic on-site and automated monitoring of PHA activities and notifies the PHA of errors and potential cases of program abuse.

### MCHA Policy

The MCHA will use the results reported in any IPA or HUD monitoring reports to identify potential program abuses as well as to assess the effectiveness of the MCHA's error detection and abuse prevention efforts.

## **Individual Reporting of Possible Errors and Program Abuse**

### MCHA Policy

The PHA will encourage staff, program participants, and the public to report possible program abuse.

## **14-I.C. INVESTIGATING ERRORS AND PROGRAM ABUSE**

### **When the PHA Will Investigate**

#### MCHA Policy

The MCHA will review all referrals, specific allegations, complaints, and tips from any source including other agencies, companies, and individuals, to determine if they warrant investigation. In order for the MCHA to investigate, the allegation must contain at least one independently-verifiable item of information, such as the name of an employer or the name of an unauthorized household member.

The MCHA will investigate inconsistent information related to the family that is identified through file reviews and the verification process.

### **Consent to Release of Information [24 CFR 982.516]**

The PHA may investigate possible instances of error or abuse using all available PHA and public records. If necessary, the PHA will require HCV families to give consent to the release of additional information.

### **Analysis and Findings**

#### MCHA Policy

The MCHA will base its evaluation on a preponderance of the evidence collected during its investigation.

*Preponderance of the evidence* is defined as evidence which is of greater weight or more convincing than the evidence which is offered in opposition to it; that is, evidence that as a whole shows that the fact sought to be proved is more probable than not. Preponderance of evidence may not be determined by the number of witnesses, but by the greater weight of all evidence

For each investigation the MCHA will determine (1) whether an error or program abuse has occurred, (2) whether any amount of money is owed the MCHA, and (3) what corrective measures or penalties will be assessed.

### **Consideration of Remedies**

All errors and instances of program abuse must be corrected prospectively. Whether the PHA will enforce other corrective actions and penalties depends upon the nature of the error or program abuse.

#### MCHA Policy

In the case of family-caused errors or program abuse, the MCHA will take into consideration (1) the seriousness of the offense and the extent of participation or culpability of individual family members, (2) any special circumstances surrounding the case, (3) any mitigating circumstances related to the disability

of a family member, (4) the effects of a particular remedy on family members who were not involved in the offense.

In the case of owner-caused errors or program abuse, the MCHA will take into consideration (1) the seriousness of the offense, (2) the length of time since the violation has occurred, and (3) the effects of a particular remedy on family members who were not involved in the offense.

## **Notice and Appeals**

### MCHA Policy

The MCHA will inform the relevant party during a meeting and in writing of its findings and remedies within 10 business days of the conclusion of the investigation. The notice will include (1) a description of the error or program abuse, (2) the basis on which the MCHA determined the error or program abuses, (3) the remedies to be employed, and (4) the family's right to appeal the results through the informal review or hearing process, if applicable (see Chapter 16).

## **PART II: CORRECTIVE MEASURES AND PENALTIES**

### **14-II.A. SUBSIDY UNDER- OR OVERPAYMENTS**

A subsidy under- or overpayment includes (1) an incorrect housing assistance payment to the owner, (2) an incorrect family share established for the family, and (3) an incorrect utility reimbursement to a family.

#### **Corrections**

Whether the incorrect subsidy determination is an overpayment or underpayment of subsidy, the PHA must promptly correct the HAP, family share, and any utility reimbursement prospectively.

#### MCHA Policy

Increases in the family share will be implemented only after the family has received reasonable notice of 20 days.

Any decreases in family share will become effective the first of the month following the discovery of the error.

#### **Reimbursement**

Whether the family or owner is required to reimburse the PHA or the PHA is required to make retroactive subsidy payments to the owner or family depends upon which party is responsible for the incorrect subsidy payment and whether the action taken was an error or program abuse. Policies regarding reimbursement are discussed in the three sections that follow.

### **14-II.B. FAMILY-CAUSED ERRORS AND PROGRAM ABUSE**

Family obligations and general administrative requirements for participating in the program are discussed throughout this plan. This section deals specifically with errors and program abuse by family members.

An incorrect subsidy determination caused by a family generally would be the result of incorrect reporting of family composition, income, assets, or expenses, but also would include instances in which the family knowingly allows the PHA to use incorrect information provided by a third party.

#### **Family Reimbursement to PHA [HCV GB pp. 22-12 to 22-13]**

#### MCHA Policy

In the case of family-caused errors or program abuse, the family will be required to repay any excess subsidy received. The MCHA may, but is not required to, offer the family a repayment agreement in

accordance with Chapter 16. If the family fails to repay the excess subsidy, the MCHA will terminate the family's assistance in accordance with the policies in Chapter 12.

### **PHA Reimbursement to Family [HCV GB p. 22-12]**

#### MCHA Policy

The MCHA will not reimburse the family for any underpayment of assistance when the underpayment clearly is caused by the family.

### **Prohibited Actions**

An applicant or participant in the HCV program must not knowingly:

- Make a false statement to the PHA [Title 18 U.S.C. Section 1001].
- Commit fraud, bribery, or any other corrupt or criminal act in connection with any federal housing program [24 CFR 982.552(c)(iv)].

#### MCHA Policy

Any of the following will be considered evidence of family program abuse:

- Payment to the owner in excess of amounts authorized by the MCHA for rent, security deposit, and additional services
- Offering bribes or illegal gratuities to the MCHA Board of Commissioners, employees, contractors, or other MCHA representatives
- Offering payments or other incentives to the owner or a third party as an inducement for the third party to make false or misleading statements to the MCHA on the family's behalf
- Use of a false name or the use of falsified, forged, or altered documents
- Intentional misreporting of family information or circumstances (e.g. income, family composition)
- Omitted facts that were obviously known by a family member (e.g., not reporting employment income)
- Admission of program abuse by an adult family member

The MCHA may determine other actions to be program abuse based upon a preponderance of the evidence, as defined earlier in this chapter.

### **Penalties for Program Abuse**

In the case of program abuse caused by a family the PHA may, at its discretion, impose any of the following remedies.

- The PHA may require the family to repay excess subsidy amounts paid by the PHA, as described earlier in this section.
- The PHA may require, as a condition of receiving or continuing assistance, that a culpable family member not reside in the unit. See policies in Chapter 3 (for applicants) and Chapter 12 (for participants).
- The PHA may deny or terminate the family's assistance following the policies set forth in Chapter 3 and Chapter 12 respectively.
- The PHA may refer the family for state or federal criminal prosecution as described in section 14-II.E.

### **14-II.C. OWNER-CAUSED ERROR OR PROGRAM ABUSE**

Owner requirements that are part of the regular process of offering, leasing, and maintaining a unit (e.g., NSPIRE compliance, fair housing) are addressed in the appropriate chapters of this plan. This section focuses on errors and program abuse by owners.

An incorrect subsidy determination caused by an owner generally would be the result of an incorrect owner statement about the characteristics of the assisted unit (e.g., the number of bedrooms, which utilities are paid by

the family). It also includes accepting duplicate housing assistance payments for the same unit in the same month, or after a family no longer resides in the unit.

### **Owner Reimbursement to the PHA**

In all cases of overpayment of subsidy caused by the owner, the owner must repay to the PHA any excess subsidy received. The PHA may recover overpaid amounts by withholding housing assistance payments due for subsequent months, or if the debt is large, the PHA may allow the owner to pay in installments over a period of time [HCV GB p. 22-13].

#### MCHA Policy

In cases where the owner has received excess subsidy, the MCHA will require the owner to repay the amount owed in accordance with the policies in Section 16-IV.B.

### **Prohibited Owner Actions**

An owner participating in the HCV program must not:

- Make any false statement to the PHA [Title 18 U.S.C. Section 1001].
- Commit fraud, bribery, or any other corrupt or criminal act in connection with any federal housing program [24 CFR 982.453(a)(3)] including:

#### MCHA Policy

Any of the following will be considered evidence of owner program abuse:

- Charging the family rent above or below the amount specified by the MCHA
- Charging a security deposit other than that specified in the family's lease
- Charging the family for services that are provided to unassisted tenants at no extra charge
- Knowingly accepting housing assistance payments for any month(s) after the family has vacated the unit
- Knowingly accepting incorrect or excess housing assistance payments
- Offering bribes or illegal gratuities to the MCHA Board of Directors, employees, contractors, or other MCHA representatives
- Offering payments or other incentives to an HCV family as an inducement for the family to make false or misleading statements to the MCHA
- Residing in the unit with an assisted family

### **Remedies and Penalties**

When the PHA determines that the owner has committed program abuse, the PHA may take any of the following actions:

- Require the owner to repay excess housing assistance payments, as discussed earlier in this section and in accordance with the policies in Chapter 16.
- Terminate the HAP contract (See Chapter 13).
- Bar the owner from future participation in any PHA programs.
- Refer the case to state or federal officials for criminal prosecution as described in section 14-II.E.

### **14-II.D. PHA-CAUSED ERRORS OR PROGRAM ABUSE**

The responsibilities and expectations of PHA staff with respect to normal program administration are discussed throughout this plan. This section specifically addresses actions of a PHA staff member that are considered errors or program abuse related to the HCV program. Additional standards of conduct may be provided in the PHA personnel policy.

PHA-caused incorrect subsidy determinations include (1) failing to correctly apply HCV rules regarding family composition, income, assets, and expenses, (2) assigning the incorrect voucher size to a family, and (3) errors in calculation.

### **Repayment to the PHA**

Neither a family nor an owner is required to repay an overpayment of subsidy if the error or program abuse is caused by PHA staff [HCV GB. 22-12].

### **PHA Reimbursement to Family or Owner**

The PHA must reimburse a family for any underpayment of subsidy, regardless of whether the underpayment was the result of staff-caused error or staff or owner program abuse. Funds for this reimbursement must come from the PHA's administrative fee reserves [HCV GB p. 22-12].

### **Prohibited Activities**

#### MCHA Policy

Any of the following will be considered evidence of program abuse by MCHA staff:

- Failing to comply with any HCV program requirements for personal gain
- Failing to comply with any HCV program requirements as a result of a conflict of interest relationship with any applicant, participant, or owner
- Seeking or accepting anything of material value from applicants, participating families, vendors, owners, contractors, or other persons who provide services or materials to the MCHA
- Disclosing confidential or proprietary information to outside parties
- Gaining profit as a result of insider knowledge of MCHA activities, policies, or practices
- Misappropriating or deliberately misusing HCV funds
- Destroying, concealing, removing, or inappropriately using any records related to the HCV program
- Committing any other corrupt or criminal act in connection with any federal housing program

### **14-II.E. CRIMINAL PROSECUTION**

#### MCHA Policy

When the MCHA determines that program abuse by an owner, family, or MCHA staff member has occurred and the amount of overpaid subsidy meets or exceeds the threshold for prosecution under local or state law, the MCHA will refer the matter to the appropriate entity for prosecution. When the amount of overpaid assistance meets or exceeds the federal threshold, the case will also be referred to the HUD Office of Inspector General (OIG).

Other criminal violations related to the HCV program will be referred to the appropriate local, state, or federal entity.

### **14-II.F. FRAUD AND PROGRAM ABUSE RECOVERIES**

The PHA may retain a portion of program fraud losses that the PHA recovers from a family or owner through litigation, court order, or a repayment agreement [24 CFR 982.163].

The PHA must be the principal party initiating or sustaining the action to recover amounts due from tenants that are due as a result of fraud and abuse. 24 CFR 792.202 permits the PHA to retain the greater of:

- 50 percent of the amount it actually collects from a judgment, litigation (including settlement of a lawsuit) or an administrative repayment agreement, or
- Reasonable and necessary costs that the PHA incurs related to the collection including costs of investigation, legal fees, and agency collection fees.

The family must be afforded the opportunity for an informal hearing in accordance with requirements in 24 CFR 982.555.

If HUD incurs costs on behalf of the PHA related to the collection, these costs must be deducted from the amount retained by the PHA.

## **Chapter 15**

### **SPECIAL HOUSING TYPES**

[24 CFR 982 Subpart M]

#### **INTRODUCTION**

The PHA may permit a family to use any of the special housing types discussed in this chapter. However, the PHA is not required to permit families receiving assistance in its jurisdiction to use these housing types, except that PHAs must permit use of any special housing type if needed as a reasonable accommodation for a person with a disability. The PHA also may limit the number of families who receive HCV assistance in these housing types and cannot require families to use a particular housing type. No special funding is provided for special housing types.

#### MCHA Policy

Families will not be permitted to use any special housing types, unless use is needed as a reasonable accommodation so that the program is readily accessible to a person with disabilities.

Special housing types include single room occupancy (SRO), congregate housing, group homes, shared housing, cooperative housing, manufactured homes where the family owns the home and leases the space, and homeownership [24 CFR 982.601].

This chapter consists of the following seven parts. Each part contains a description of the housing type and any special requirements associated with it. Except as modified by this chapter, the general requirements of the HCV program apply to special housing types.

Part I: Single Room Occupancy

Part II: Congregate Housing

Part III: Group Homes

Part IV: Shared Housing

Part V: Cooperative Housing

Part VI: Manufactured Homes (including manufactured home space rental)

Part VII: Homeownership

### **PART I: SINGLE ROOM OCCUPANCY**

[24 CFR 982.602 through 982.605]

#### **15-I.A. OVERVIEW**

A single room occupancy (SRO) unit provides living and sleeping space for the exclusive use of the occupant but requires the occupant to share sanitary and/or food preparation facilities with others. More than one person may not occupy an SRO unit. HCV regulations do not limit the number of units in an SRO facility, but the size of a facility may be limited by local ordinances.

When providing HCV assistance in an SRO unit, a separate lease and HAP contract are executed for each assisted person, and the standard form of the HAP contract is used.

### **15-I.B. PAYMENT STANDARD, UTILITY ALLOWANCE, AND HAP CALCULATION**

The payment standard for SRO housing is 75 percent of the 0-bedroom payment standard amount on the PHA's payment standard schedule.

The utility allowance for an assisted person residing in SRO housing is 75 percent of the zero bedroom utility allowance.

The HAP for an assisted occupant in an SRO facility is the lower of the SRO payment standard amount minus the TTP or the gross rent for the unit minus the TTP.

### **15-I.C. NATIONAL STANDARDS FOR THE PHYSICAL INSPECTION OF REAL ESTATE (NSPIRE)**

NSPIRE requirements described in Chapter 8 apply to SRO housing except as modified below.

- *Access:* Access doors to the SRO unit must have working locks for privacy. The occupant must be able to access the unit without going through any other unit. Each unit must have immediate access to two or more approved means of exit from the building, appropriately marked and leading to safe and open space at ground level. The SRO unit must also have any other means of exit required by State or local law.
- *Fire Safety:* All SRO facilities must have a sprinkler system that protects major spaces. "Major spaces" are defined as hallways, common areas, and any other areas specified in local fire, building, or safety codes. SROs must also have hard-wired smoke detectors, and any other fire and safety equipment required by state or local law.

Sanitary facilities and space and security standards must meet local code requirements for SRO housing. In the absence of local code standards, the requirements discussed below apply [24 CFR 982.605].

- *Sanitary Facilities:* At least one flush toilet that can be used in privacy, a lavatory basin, and a bathtub or shower in proper operating condition must be provided for each six persons (or fewer) residing in the SRO facility. If the SRO units are leased only to men, flush urinals may be substituted for up to one half of the required number of toilets. Sanitary facilities must be reasonably accessible from a common hall or passageway and may not be located more than one floor above or below the SRO unit. They may not be located below grade unless the SRO units are located on that level.
- *Space and Security:* An SRO unit must contain at least 110 square feet of floor space, and at least four-square feet of closet space with an unobstructed height of at least five feet, for use by the occupant. If the closet space is less than four square feet, the habitable floor space in the SRO unit must be increased by the amount of the deficiency. Exterior doors and windows accessible from outside the SRO unit must be lockable.

Because no children live in SRO housing, the National Standards for the Physical Inspection of Real Estate applicable to lead-based paint do not apply.

## **PART II: CONGREGATE HOUSING**

[24 CFR 982.606 through 982.609]

### **15-II.A. OVERVIEW**

Congregate housing is intended for use by elderly persons or persons with disabilities. A congregate housing facility contains a shared central kitchen and dining area and a private living area for the individual household that includes at least a living room, bedroom and bathroom. Food service for residents must be provided.

If approved by the PHA, a family member or live-in aide may reside with the elderly person or person with disabilities. The PHA must approve a live-in aide if needed as a reasonable accommodation so that the program is readily accessible to and usable by persons with disabilities.

When providing HCV assistance in congregate housing, a separate lease and HAP contract are executed for each assisted family, and the standard form of the HAP contract is used.

### **15-II.B. PAYMENT STANDARD, UTILITY ALLOWANCE, AND HAP CALCULATION**

The payment standard for an individual unit in a congregate housing facility is based on the number of rooms in the private living area. If there is only one room in the unit (not including the bathroom or the kitchen, if a kitchen is provided), the PHA must use the payment standard for a 0-bedroom unit. If the unit has two or more rooms (other than the bathroom and the kitchen), the PHA must use the 1-bedroom payment standard.

The HAP for an assisted occupant in a congregate housing facility is the lower of the applicable payment standard minus the TTP or the gross rent for the unit minus the TTP.

The gross rent for the unit for the purpose of calculating HCV assistance is the shelter portion (including utilities) of the resident's monthly housing expense only. The residents' costs for food service should not be included in the rent for a congregate housing unit.

### **15-II.C. NATIONAL STANDARDS FOR THE PHYSICAL INSPECTION OF REAL ESTATE**

NSPIRE requirements as described in Chapter 8 apply to congregate housing except for the requirements stated below.

Congregate housing must have (1) a refrigerator of appropriate size in the private living area of each resident; (2) a central kitchen and dining facilities located within the premises and accessible to the residents, and (3) food service for the residents, that is not provided by the residents themselves.

The National Standards for the Physical Inspection of Real Estate applicable to lead-based paint do not apply.

## **PART III: GROUP HOME**

[24 CFR 982.610 through 982.614 and HCV GB p. 7-4]

### **15-III.A. OVERVIEW**

A group home is a state-licensed facility intended for occupancy by elderly persons and/or persons with disabilities. Except for live-in aides, all persons living in a group home, whether assisted or not, must be elderly persons or persons with disabilities. Persons living in a group home must not require continuous medical or nursing care.

A group home consists of bedrooms for residents, which can be shared by no more than two people, and a living room, kitchen, dining area, bathroom, and other appropriate social, recreational, or community space that may be shared with other residents.

No more than 12 persons may reside in a group home including assisted and unassisted residents and any live-in aides.

If approved by the PHA, a live-in aide may live in the group home with a person with disabilities. The PHA must approve a live-in aide if needed as a reasonable accommodation so that the program is readily accessible to and usable by persons with disabilities.

When providing HCV assistance in a group home, a separate lease and HAP contract is executed for each assisted family, and the standard form of the HAP contract is used.

### **15-III.B. PAYMENT STANDARD, UTILITY ALLOWANCE, AND HAP CALCULATION**

Unless there is a live-in aide, the family unit size for an assisted occupant of a group home must be 0- or 1-bedroom, depending on the PHA's subsidy standard. If there is a live-in aide, the aide must be counted in determining the household's unit size.

The payment standard used to calculate the HAP is the lower of the payment standard for the family unit size or the prorata share of the payment standard for the group home size. The prorata share is calculated by dividing the number of persons in the assisted household by the number of persons (assisted and unassisted) living in the group home.

The HAP for an assisted occupant in a group home is the lower of the payment standard minus the TTP or the gross rent minus the TTP.

The utility allowance for an assisted occupant in a group home is the prorata share of the utility allowance for the group home.

The rents paid for participants residing in group homes are subject to generally applicable standards for rent reasonableness. The rent for an assisted person must not exceed the prorata portion of the reasonable rent for the group home. In determining reasonable rent, the PHA should consider whether sanitary facilities and facilities for food preparation and service are common facilities or private facilities.

### **15-III.C. NATIONAL STANDARDS FOR THE PHYSICAL INSPECTION OF REAL ESTATE**

NSPIRE requirements described in Chapter 8 apply to group homes except for the requirements stated below.

- *Sanitary Facilities:* A group home must have at least one bathroom in the facility, with a flush toilet that can be used in privacy, a fixed basin with hot and cold running water, and a shower or bathtub with hot and cold running water. A group home may contain private or common bathrooms. However, no more than four residents can be required to share a bathroom.
- *Food Preparation and Service:* Group home units must contain a kitchen and dining area with adequate space to store, prepare, and serve food. The facilities for food preparation and service may be private or may be shared by the residents. The kitchen must contain a range, an oven, a refrigerator, and a sink with hot and cold running water. The sink must drain into an approvable public or private disposal system.
- *Space and Security:* Group homes must contain at least one bedroom of appropriate size for every two people, and a living room, kitchen, dining area, bathroom, and other appropriate social, recreational, or community space that may be shared with other residents.
- *Structure and Material:* To avoid any threat to the health and safety of the residents, group homes must be structurally sound. Elevators must be in good condition. Group homes must be accessible to and usable by residents with disabilities.
- *Site and Neighborhood:* Group homes must be located in a residential setting. The site and neighborhood should be reasonably free from hazards to the health, safety, and general welfare of the residents, and should not be subject to serious adverse conditions, such as:
  - Dangerous walks or steps
  - Instability
  - Flooding, poor drainage
  - Septic tank back-ups
  - Sewage hazards
  - Mud slides
  - Abnormal air pollution
  - Smoke or dust

- Excessive noise
- Vibrations or vehicular traffic
- Excessive accumulations of trash
- Vermin or rodent infestation, and
- Fire hazards.

The National Standards for the Physical Inspection of Real Estate applicable to lead-based paint do not apply.

## **PART IV: SHARED HOUSING**

[24 CFR 982.615 through 982.618]

### **15-IV.A. OVERVIEW**

Shared housing is a single housing unit occupied by an assisted family and another resident or residents. The shared unit consists of both common space for use by the occupants of the unit and separate private space for each assisted family.

An assisted family may share a unit with other persons assisted under the HCV program or with other unassisted persons. The owner of a shared housing unit may reside in the unit, but housing assistance may not be paid on behalf of the owner. The resident owner may not be related by blood or marriage to the assisted family.

If approved by the PHA, a live-in aide may reside with the family to care for a person with disabilities. The PHA must approve a live-in aide if needed as a reasonable accommodation so that the program is readily accessible to and usable by persons with disabilities.

When providing HCV assistance in shared housing, a separate lease and HAP contract are executed for each assisted family, and the standard form of the HAP contract is used.

### **15-IV.B. PAYMENT STANDARD, UTILITY ALLOWANCE AND HAP CALCULATION**

The payment standard for a family in shared housing is the lower of the payment standard for the family unit size or the prorata share of the payment standard for the shared housing unit size.

The prorata share is calculated by dividing the number of bedrooms available for occupancy by the assisted family in the private space by the total number of bedrooms in the unit.

The HAP for a family in shared housing is the lower of the payment standard minus the TTP or the gross rent minus the TTP. The utility allowance for an assisted family living in shared housing is the prorata share of the utility allowance for the shared housing unit.

The rents paid for families living in shared housing are subject to generally applicable standards for rent reasonableness. The rent paid to the owner for the assisted family must not exceed the pro-rata portion of the reasonable rent for the shared unit. In determining reasonable rent, the PHA should consider whether sanitary and food preparation areas are private or shared.

### **15-IV.C. NATIONAL STANDARDS FOR THE PHYSICAL INSPECTION OF REAL ESTATE**

The PHA may not give approval to reside in shared housing unless the entire unit, including the portion of the unit available for use by the assisted family under its lease, meets the National Standards for the Physical Inspection of Real Estate.

NSPIRE requirements described in Chapter 8 apply to shared housing except for the requirements stated below.

- *Facilities Available for the Family:* Facilities available to the assisted family, whether shared or private, must include a living room, a bathroom, and food preparation and refuse disposal facilities.

- *Space and Security*: The entire unit must provide adequate space and security for all assisted and unassisted residents. The private space for each assisted family must contain at least one bedroom for each two persons in the family. The number of bedrooms in the private space of an assisted family must not be less than the family unit size. A 0-bedroom or 1-bedroom unit may not be used for shared housing.

## **PART V: COOPERATIVE HOUSING**

[24 CFR 982.619]

### **15-V.A. OVERVIEW**

This part applies to rental assistance for a cooperative member residing in cooperative housing. It does not apply to assistance for a cooperative member who has purchased membership under the HCV homeownership option, or to rental assistance for a family that leases a cooperative housing unit from a cooperative member.

A cooperative is a form of ownership (nonprofit corporation or association) in which the residents purchase memberships in the ownership entity. Rather than being charged “rent” a cooperative member is charged a “carrying charge.”

When providing HCV assistance in cooperative housing, the standard form of the HAP contract is used.

### **15-V.B. PAYMENT STANDARD, UTILITY ALLOWANCE AND HAP CALCULATION**

The payment standard and utility allowance are determined according to regular HCV program requirements.

The HAP for a cooperative housing unit is the lower of the payment standard minus the TTP or the monthly carrying charge for the unit, plus any utility allowance, minus the TTP. The monthly carrying charge includes the member’s share of the cooperative debt service, operating expenses, and necessary payments to cooperative reserve funds. The carrying charge does not include down payments or other payments to purchase the cooperative unit or to amortize a loan made to the family for this purpose.

### **15-V.C. NATIONAL STANDARDS FOR THE PHYSICAL INSPECTION OF REAL ESTATE**

All standard NSPIRE requirements apply to cooperative housing units. There are no additional NSPIRE requirements.

## **PART VI: MANUFACTURED HOMES**

[24 CFR 982.620 through 982.624]

### **15-VI.A. OVERVIEW**

A manufactured home is a manufactured structure, transportable in one or more parts, that is built on a permanent chassis, and designed for use as a principal place of residence. HCV-assisted families may occupy manufactured homes in two different ways.

(1) A family can choose to rent a manufactured home already installed on a space and the PHA must permit it. In this instance program rules are the same as when a family rents any other residential housing, except that there are special NSPIRE requirements as provided in 15-VI.D below.

(2) HUD also permits an otherwise eligible family that owns a manufactured home to rent a space for the manufactured home and receive HCV assistance with the rent for the space. PHAs may, but are not required to, provide assistance for such families.

## **15-VI.B. SPECIAL POLICIES FOR MANUFACTURED HOME OWNERS WHO LEASE A SPACE**

### **Family Income**

In determining the annual income of families leasing manufactured home spaces, the value of the family's equity in the manufactured home in which the family resides is not counted as a family asset.

### **Lease and HAP Contract**

There is a separate Tenancy Addendum (Form 52642-a) and separate HAP Contract (Form 52642) for this special housing type.

## **15-VI.C. PAYMENT STANDARD, UTILITY ALLOWANCE AND HAP CALCULATION**

### **Payment Standards**

The FMR for a manufactured home space is generally 40 percent of the published FMR for a 2-bedroom unit or, where approved by HUD, the 40th percentile of the rental distribution of manufactured home spaces for the FMR area. The PHA may establish a payment standard for manufactured home spaces that is between 90-110 percent of the FMR for manufactured home spaces.

### **Utility Allowance**

The PHA must establish utility allowances for manufactured home space rental. For the first 12 months of the initial lease term only, the allowance must include an amount for a utility hook-up charge if the family actually incurred a hook-up charge because of a move. This allowance will not be given to a family that leases in place. Utility allowances for manufactured home space must not include the costs of digging a well or installing a septic system.

### **Space Rent**

The space rent is the sum of the rent to the owner for the manufactured home space, any charges for maintenance and management provided by the owner, and the utility allowance for tenant-paid utilities.

### **Housing Assistance Payment**

The HAP for a manufactured home space under the housing choice voucher program is the lower of the payment standard minus the TTP or the (gross) manufactured home space rent minus the TTP.

### **Rent Reasonableness**

Initially, and annually thereafter the PHA must determine that the rent for the manufactured home space is reasonable based on rents for comparable manufactured home spaces. The PHA must consider the location and size of the space, and any services and maintenance to be provided by the owner. By accepting the monthly HAP check, the owner certifies that the rent does not exceed rents charged by the owner for comparable unassisted spaces in the manufactured home park or elsewhere.

## **15-VI.D. NATIONAL STANDARDS FOR THE PHYSICAL INSPECTION OF REAL ESTATE**

Under either type of occupancy described in 15-VI.A above, the manufactured home must meet all NSPIRE performance requirements and acceptability criteria discussed in Chapter 8 of this plan. In addition, the following requirement applies:

### ***Manufactured Home Tie-Down***

A manufactured home must be placed on the site in a stable manner, and must be free from hazards such as sliding or wind damage. The home must be securely anchored by a tie-down device that distributes and transfers the loads imposed by the unit to appropriate ground anchors to resist overturning and sliding.

## **PART VII: HOMEOWNERSHIP**

[24 CFR 982.625 through 982.643]

### **15-VII.A. OVERVIEW [24 CFR 982.625]**

The homeownership option is used to assist a family residing in a home purchased and owned by one or more members of the family. A family assisted under this option may be newly admitted or an existing participant in the HCV program. The PHA must have the capacity to operate a successful HCV homeownership program as defined by the regulations.

There are two forms of homeownership assistance a PHA may offer under this option: monthly homeownership assistance payments, or a single down payment assistance grant. PHAs may choose to offer either or both forms of homeownership assistance, or choose not to offer either. If a PHA offers both forms of assistance, a family must choose which form of assistance to receive.

The PHA must offer either form of homeownership assistance if needed as a reasonable accommodation so that the program is readily accessible to and usable by persons with disabilities. It is the sole responsibility of the PHA to determine whether it is reasonable to implement a homeownership program as a reasonable accommodation. The PHA must determine what is reasonable based on the specific circumstances and individual needs of the person with a disability. The PHA may determine that it is not reasonable to offer homeownership assistance as a reasonable accommodation in cases where the PHA has otherwise opted not to implement a homeownership program.

The PHA must approve a live-in aide if needed as a reasonable accommodation so that the program is readily accessible to and usable by persons with disabilities.

### **15-VII.B. FAMILY ELIGIBILITY [24 CFR 982.627]**

The family must meet all of the requirements listed below before the commencement of homeownership assistance. The PHA may also establish additional initial requirements as long as they are described in the PHA administrative plan.

- The family must have been admitted to the Housing Choice Voucher program.
- The family must qualify as a first-time homeowner, or may be a cooperative member.
- The family must meet the Federal minimum income requirement. The family must have a gross annual income equal to the Federal minimum wage multiplied by 2000, based on the income of adult family members who will own the home. The PHA may establish a higher income standard for families. However, a family that meets the federal minimum income requirement (but not the PHA's requirement) will be considered to meet the minimum income requirement if it can demonstrate that it has been pre-qualified or pre-approved for financing that is sufficient to purchase an eligible unit.
- MCHA will require At the time the family begins receiving Homeownership assistance, the head of household, spouse, and/or other adult household members who will own the home, must have a gross annual income at least 30% of median income for family size (at or above the "extremely low" income level.)
- For disabled families, the minimum income requirement is equal to the current SSI monthly payment for an individual living alone, multiplied by 12.
- For elderly or disabled families, welfare assistance payments for adult family members who will own the home will be included in determining whether the family meets the minimum income requirement. It will not be included for other families.
- The family must satisfy the employment requirements by demonstrating that one or more adult members of the family who will own the home at commencement of homeownership assistance is currently employed on a full-time basis (the term 'full-time employment' means not less than an average of 30 hours per week); and has been continuously so employed during the year before commencement of

homeownership assistance for the family. MCHA considers continuously employed as not having a break in employment that exceeds 2 months without good cause.

- The employment requirement does not apply to elderly and disabled families. In addition, if a family, other than an elderly or disabled family includes a person with disabilities, the PHA must grant an exemption from the employment requirement if the PHA determines that it is needed as a reasonable accommodation.
- The family has not defaulted on a mortgage securing debt to purchase a home under the homeownership option
- Except for cooperative members who have acquired cooperative membership shares prior to commencement of homeownership assistance, no family member has a present ownership interest in a residence at the commencement of homeownership assistance for the purchase of any home.
- Except for cooperative members who have acquired cooperative membership shares prior to the commencement of homeownership assistance, the family has entered a contract of sale in accordance with 24 CFR 982.631(c).
- MCHA will require that all families participate in MCHA's Family Self-Sufficiency (FSS) Program prior to issuance of the Homeownership Voucher.
- MCHA will require that applicants for and new participants in the Section 8 Housing Choice Voucher program shall be ineligible for participation in the Section 8 Homeownership Program until completion of an initial Section 8 lease term of one year in Mohave County and the participant's first annual recertification in the Section 8 Housing Choice Voucher program.
- MCHA will require that participants in the Section 8 Housing Choice Voucher program shall be ineligible for the Homeownership program in the event any debt or portion of debt remains owed to MCHA or any other Housing Agency.
- MCHA will require a minimum homeowner requirement a minimum homeowner down payment requirement of at least 3 percent of the purchase price, and require that at least one percent of the purchase price come from the family's personal resources. If financing for the home purchase is state- or federally-insured, or in compliance with secondary mortgage market underwriting practices, or in compliance with generally accepted private sector underwriting standards, the down payment requirement may be adjusted or waived.
- MCHA will require that the family has not committed any serious or repeated violations of a PHA-assisted lease within the past year.
- MCHA will require that the family complete the initial Section 8 lease term of one year in Mohave County.

#### **15-VII.C. SELECTION OF FAMILIES [24 CFR 982.626]**

Unless otherwise provided (under the homeownership option), the PHA may limit homeownership assistance to families or purposes defined by the PHA, and may prescribe additional requirements for commencement of homeownership assistance for a family. Any such limits or additional requirements must be described in the PHA administrative plan.

If the PHA limits the number of families that may participate in the homeownership option, the PHA must establish a system by which to select families to participate.

#### **MCHA Policy**

The PHA will administer up to 5 new homeownership units per year. The PHA may exceed the number of units planned per year if it is necessary as a reasonable accommodation for a person with a disability. If this occurs, the PHA may reduce the number of homeownership units offered in subsequent years.

## **15-VII.D. ELIGIBLE UNITS [24 CFR 982.628]**

In order for a unit to be eligible, the PHA must determine that the unit satisfies all of the following requirements:

- The unit must meet HUD’s “eligible housing” requirements. The unit may not be any of the following:
  - A public housing or Indian housing unit;
  - A unit receiving Section 8 project-based assistance;
  - A nursing home, board and care home, or facility providing continual psychiatric, medical or nursing services;
  - A college or other school dormitory;
  - On the grounds of penal, reformatory, medical, mental, or similar public or private institutions.
- The unit must be under construction or already exist at the time the family enters into the contract of sale.
- The unit must be a one-unit property or a single dwelling unit in a cooperative or condominium.
- The unit must have been inspected by the PHA and by an independent inspector designated by the family.
- The unit must meet National Standards for the Physical Inspection of Real Estate (see Chapter 8).
- For a unit where the family will not own fee title to the real property (such as a manufactured home), the home must have a permanent foundation and the family must have the right to occupy the site for at least 40 years.
- For PHA-owned units all of the following conditions must be satisfied:
  - The PHA informs the family, both orally and in writing, that the family has the right to purchase any eligible unit and a PHA-owned unit is freely selected by the family without PHA pressure or steering;
  - The unit is not ineligible housing;
  - The PHA obtains the services of an independent agency to inspect the unit for compliance with NSPIRE, review the independent inspection report, review the contract of sale, determine the reasonableness of the sales price and any PHA provided financing. All of these actions must be completed in accordance with program requirements.

The PHA must not approve the unit if the PHA has been informed that the seller is debarred, suspended, or subject to a limited denial of participation.

## **15-VII.E. ADDITIONAL PHA REQUIREMENTS FOR SEARCH AND PURCHASE [24 CFR 982.629]**

It is the family’s responsibility to find a home that meets the criteria for voucher homeownership assistance. The PHA may establish the maximum time that will be allowed for a family to locate and purchase a home, and may require the family to report on their progress in finding and purchasing a home. If the family is unable to purchase a home within the maximum time established by the PHA, the PHA may issue the family a voucher to lease a unit or place the family’s name on the waiting list for a voucher.

### MCHA Policy

#### 1. Locating A Home

Upon issuance of the Homeownership Voucher, a family shall have one hundred eighty (180) days to locate a home to purchase. A home shall be considered located if the family submits a proposed sales agreement with the requisite components to MCHA. For good cause, MCHA may extend a Section 8 family’s time to locate the home for additional thirty (30) day increments. During a Section 8 participant’s search for a home to purchase, their Section 8 rental assistance shall continue pursuant to the Administrative Plan. If a Section 8 participant family is unable to locate a home within the time approved by MCHA, their Section 8 rental assistance through the Section 8 Housing Choice Voucher program shall continue. Participant must regularly provide evidence of active search during the 180-day search period; MCHA reserves the right to withdraw the Homeownership voucher if participant does not pursue a sales agreement

## 2. Purchasing a Home

Once a home is located and a sales agreement approved by MCHA is signed by the family, the family shall have up to three (3) months, or such other time as is approved by MCHA's Housing Manager to purchase the home not to exceed 180 total days.

## 3. Failure to Complete Purchase

If a Section 8 participant is unable to purchase the home within the maximum time permitted by MCHA, MCHA shall continue the family's participation in the Section 8 Housing Choice Voucher program and the FSS component. The family may not re-apply for the Section 8 Homeownership Program until they have completed an additional year of participation in the Section 8 Housing Choice Voucher program following the expiration of their search period.

## 4. Reporting Progress

The family will be required to report their progress on locating and purchasing a home to the PHA every 30 days or as directed by the FSS/Homeownership Coordinator.

### **15-VII.F. HOMEOWNERSHIP COUNSELING [24 CFR 982.630]**

Before commencement of homeownership assistance for a family, the family must attend and satisfactorily complete the pre-assistance homeownership and housing counseling program required by the PHA. HUD suggests the following topics for the PHA-required pre-assistance counseling:

- Home maintenance (including care of the grounds);
- Budgeting and money management;
- Credit counseling;
- How to negotiate the purchase price of a home;
- How to obtain homeownership financing and loan pre-approvals, including a description of types of financing that may be available, and the pros and cons of different types of financing;
- How to find a home, including information about homeownership opportunities, schools, and transportation in the PHA jurisdiction;
- Advantages of purchasing a home in an area that does not have a high concentration of low-income families and how to locate homes in such areas;
- Information on fair housing, including fair housing lending and local fair housing enforcement agencies; and
- Information about the Real Estate Settlement Procedures Act (12 U.S.C. 2601 et seq.) (RESPA), state and Federal truth-in-lending laws, and how to identify and avoid loans with oppressive terms and conditions.

The PHA may adapt the subjects covered in pre-assistance counseling (as listed) to local circumstances and the needs of individual families.

The PHA may also offer additional counseling after commencement of homeownership assistance (ongoing counseling). If the PHA offers a program of ongoing counseling for participants in the homeownership option, the PHA shall have discretion to determine whether the family is required to participate in the ongoing counseling.

If the PHA does not use a HUD-approved housing counseling agency to provide the counseling, the PHA should ensure that its counseling program is consistent with the counseling provided under HUD's Housing Counseling program.

#### MCHA Policy

A family's participation in the Homeownership Program is contingent on the family attending and successfully completing a HUD Certified Homeownership counseling program other MCHA approved Homeownership counseling prior to commencement of Homeownership assistance. The

Homeownership counseling program will include home maintenance; budgeting and money management; credit counseling; negotiating purchase price; securing mortgage financing; finding a home; the advantages of purchasing and locating homes in areas that do not have a high concentration of low-income families, information on Fair Housing, Real Estate Settlement Procedures Act, truth-in-lending, and how to identify and avoid predatory lending practices.

MCHA may require any or all participating family members to attend additional housing counseling classes or other financial management classes as a condition of continued assistance.

## **15-VII.G. HOME INSPECTIONS, CONTRACT OF SALE, AND PHA DISAPPROVAL OF SELLER [24 CFR 982.631]**

### **Home Inspections**

The PHA may not commence monthly homeownership assistance payments or provide down payment assistance grants for a family until the PHA has inspected the unit and has determined that the unit passes NSPIRE.

An independent professional inspector selected by and paid for by the family must also inspect the unit. The independent inspection must cover major building systems and components, including foundation and structure, housing interior and exterior, and the roofing, plumbing, electrical, and heating systems. The independent inspector must be qualified to report on property conditions, including major building systems and components.

The PHA may not require the family to use an independent inspector selected by the PHA. The independent inspector may not be a PHA employee or contractor, or other person under control of the PHA. However, the PHA may establish standards for qualification of inspectors selected by families under the homeownership option.

The PHA may disapprove a unit for assistance based on information in the independent inspector's report, even if the unit was found to comply with NSPIRE.

MCHA will not be conducting annual NSPIRE Inspections for homeownership participants.

### **Contract of Sale**

Before commencement of monthly homeownership assistance payments or receipt of a down payment assistance grant, a member or members of the family must enter into a contract of sale with the seller of the unit to be acquired by the family. The family must give the PHA a copy of the contract of sale. The contract of sale must:

- Specify the price and other terms of sale by the seller to the purchaser;
- Provide that the purchaser will arrange for a pre-purchase inspection of the dwelling unit by an independent inspector selected by the purchaser;
- Provide that the purchaser is not obligated to purchase the unit unless the inspection is satisfactory to the purchaser;
- Provide that the purchaser is not obligated to pay for any necessary repairs; and
- Contain a certification from the seller that the seller has not been debarred, suspended, or subject to a limited denial of participation under CFR part 24.

### **Disapproval of a Seller**

In its administrative discretion, the PHA may deny approval of a seller for the same reasons a PHA may disapprove an owner under the regular HCV program [see 24 CFR 982.306(c)].

## **15-VII.H. FINANCING [24 CFR 982.632]**

The PHA may establish requirements for financing purchase of a home under the homeownership option. This may include requirements concerning qualification of lenders, terms of financing, restrictions concerning debt secured by the home, lender qualifications, loan terms, and affordability of the debt. The PHA must establish policies describing these requirements in the administrative plan.

A PHA may not require that families acquire financing from one or more specified lenders, thereby restricting the family's ability to secure favorable financing terms.

#### **15-VII.I. CONTINUED ASSISTANCE REQUIREMENTS; FAMILY OBLIGATIONS [24 CFR 982.633]**

Homeownership assistance may only be paid while the family is residing in the home. If the family moves out of the home, the PHA may not continue homeownership assistance after the month when the family moves out. The family or lender is not required to refund to the PHA the homeownership assistance for the month when the family moves out.

Before commencement of homeownership assistance, the family must execute a statement in which the family agrees to comply with all family obligations under the homeownership option.

The family must comply with the following obligations:

- The family must comply with the terms of the mortgage securing debt incurred to purchase the home, or any refinancing of such debt.
- The family may not convey or transfer ownership of the home, except for purposes of financing, refinancing, or pending settlement of the estate of a deceased family member. Use and occupancy of the home are subject to 24 CFR 982.551 (h) and (i).
- The family must supply information to the PHA or HUD as specified in 24 CFR 982.551(b). The family must further supply any information required by the PHA or HUD concerning mortgage financing or refinancing, sale or transfer of any interest in the home, or homeownership expenses.
- The family must notify the PHA before moving out of the home.
- The family must notify the PHA if the family defaults on the mortgage used to purchase the home.
- No family member may have any ownership interest in any other residential property.
- The family must comply with the obligations of a participant family described in 24 CFR 982.551, except for the following provisions which do not apply to assistance under the homeownership option: 24 CFR 982.551(c), (d), (e), (f), (g) and (j).
- The family may add or subtract members of the household, however, the unit size of the voucher will not be increased or decreased. Any additional family member's income will be counted toward household income. Additional family members must meet MCHA's policies regarding eligibility for admission as described in Chapter 3- Eligibility.

#### **15-VII.J. MAXIMUM TERM OF HOMEOWNER ASSISTANCE [24 CFR 982.634]**

Except in the case of a family that qualifies as an elderly or disabled family, other family members (described below) shall not receive homeownership assistance for more than:

- Fifteen years, if the initial mortgage incurred to finance purchase of the home has a term of 20 years or longer; or
- Ten years, in all other cases.

The maximum term described above applies to any member of the family who:

- Has an ownership interest in the unit during the time that homeownership payments are made; or
- Is the spouse of any member of the household who has an ownership interest in the unit during the time homeownership payments are made.

In the case of an elderly family, the exception only applies if the family qualifies as an elderly family at the start of homeownership assistance. In the case of a disabled family, the exception applies if at any time during receipt of homeownership assistance the family qualifies as a disabled family.

If, during the course of homeownership assistance, the family ceases to qualify as a disabled or elderly family, the maximum term becomes applicable from the date homeownership assistance commenced. However, such a family must be provided at least 6 months of homeownership assistance after the maximum term becomes applicable (provided the family is otherwise eligible to receive homeownership assistance).

If the family has received such assistance for different homes, or from different PHAs, the total of such assistance terms is subject to the maximum term described in this part.

#### **15-VII.K. HOMEOWNERSHIP ASSISTANCE PAYMENTS AND HOMEOWNERSHIP EXPENSES**

[24 CFR 982.635]

The monthly homeownership assistance payment is the lower of: the voucher payment standard minus the total tenant payment, or the monthly homeownership expenses minus the total tenant payment.

In determining the amount of the homeownership assistance payment, the PHA will use the same payment standard schedule, payment standard amounts, and subsidy standards as those described in elsewhere in this plan for the Housing Choice Voucher program.

The PHA may pay the homeownership assistance payments directly to the family, or at the PHA's discretion, to a lender on behalf of the family. If the assistance payment exceeds the amount due to the lender, the PHA must pay the excess directly to the family.

Homeownership assistance for a family terminates automatically 180 calendar days after the last homeownership assistance payment on behalf of the family. However, a PHA may grant relief from this requirement in those cases where automatic termination would result in extreme hardship for the family.

The PHA must adopt policies for determining the amount of homeownership expenses to be allowed by the PHA in accordance with HUD requirements.

Homeownership expenses (not including cooperatives) only include amounts allowed by the PHA to cover:

- Principal and interest on initial mortgage debt, any refinancing of such debt, and any mortgage insurance premium incurred to finance purchase of the home;
- Real estate taxes and public assessments on the home;
- Home insurance;
- The PHA allowance for maintenance expenses;
- The PHA allowance for costs of major repairs and replacements;
- The PHA utility allowance for the home;
- Principal and interest on mortgage debt incurred to finance costs for major repairs, replacements or improvements for the home. If a member of the family is a person with disabilities, such debt may include debt incurred by the family to finance costs needed to make the home accessible for such person, if the PHA determines that allowance of such costs as homeownership expenses is needed as a reasonable accommodation so that the homeownership option is readily accessible to and usable by such person;
- Land lease payments where a family does not own fee title to the real property on which the home is located; [see 24 CFR 982.628(b)].
- For a condominium unit, condominium operating charges or maintenance fees assessed by the condominium homeowner association.

#### MCHA Policy

MCHA will allow 1% of the selling price for maintenance expenses and major repairs up to a maximum of \$600 per year.

Homeownership expenses for a cooperative member may only include amounts allowed by the PHA to cover:

- The cooperative charge under the cooperative occupancy agreement including payment for real estate taxes and public assessments on the home;
- Principal and interest on initial debt incurred to finance purchase of cooperative membership shares and any refinancing of such debt;

- Home insurance;
- The PHA allowance for maintenance expenses;
- The PHA allowance for costs of major repairs and replacements;
- The PHA utility allowance for the home; and
- Principal and interest on debt incurred to finance major repairs, replacements or improvements for the home. If a member of the family is a person with disabilities, such debt may include debt incurred by the family to finance costs needed to make the home accessible for such person, if the PHA determines that allowance of such costs as homeownership expenses is needed as a reasonable accommodation so that the homeownership option is readily accessible to and usable by such person.
- Cooperative operating charges or maintenance fees assessed by the cooperative homeowner association.

#### **15-VII.L. PORTABILITY** [24 CFR 982.636, 982.637, 982.353(b) and (c), 982.552, 982.553]

Subject to the restrictions on portability included in HUD regulations and PHA policies, a family may exercise portability if the receiving PHA is administering a voucher homeownership program and accepting new homeownership families. The receiving PHA may absorb the family into its voucher program, or bill the initial PHA.

The family must attend the briefing and counseling sessions required by the receiving PHA. The receiving PHA will determine whether the financing for, and the physical condition of the unit, are acceptable. The receiving PHA must promptly notify the initial PHA if the family has purchased an eligible unit under the program, or if the family is unable to purchase a home within the maximum time established by the PHA.

#### **15-VII.M. MOVING WITH CONTINUED ASSISTANCE** [24 CFR 982.637]

A family receiving homeownership assistance may move with continued tenant-based assistance. The family may move with voucher rental assistance or with voucher homeownership assistance. Continued tenant-based assistance for a new unit cannot begin so long as any family member holds title to the prior home.

The PHA may deny permission to move to a new unit with continued voucher assistance as follows:

- Lack of funding to provide continued assistance.
- At any time, the PHA may deny permission to move with continued rental or homeownership assistance in accordance with 24 CFR 982.638, regarding denial or termination of assistance.
- In accordance with the PHA's policy regarding number of moves within a 12-month period.

The PHA must deny the family permission to move to a new unit with continued voucher rental assistance if:

- The family defaulted on an FHA-insured mortgage; and
- The family fails to demonstrate that the family has conveyed, or will convey, title to the home, as required by HUD, to HUD or HUD's designee; and the family has moved, or will move, from the home within the period established or approved by HUD.

#### MCHA Policy

For families participating in the homeownership option, requests to move will be approved and/or denied in accordance with PHA policies in Chapter 10.

#### **15-VII.N. DENIAL OR TERMINATION OF ASSISTANCE** [24 CFR 982.638]

At any time, the PHA may deny or terminate homeownership assistance in accordance with HCV program requirements in 24 CFR 982.552 (Grounds for denial or termination of assistance) or 24 CFR 982.553 (Crime by family members).

The PHA may also deny or terminate assistance for violation of participant obligations described in 24 CFR Parts 982.551 or 982.633 and in accordance with its own policy.

The PHA must terminate voucher homeownership assistance for any member of family receiving homeownership assistance that is dispossessed from the home pursuant to a judgment or order of foreclosure on any mortgage (whether FHA insured or non-FHA) securing debt incurred to purchase the home, or any refinancing of such debt.

### MCHA Policy

The PHA will terminate a family's homeownership assistance if the family violates any of the homeowner obligations listed in Section 1, as well as for any of the reasons listed in Section 2 of form HUD-52649, Statement of Homeowner Obligations Housing Choice Homeownership Voucher Program.

In making its decision to terminate homeownership assistance, the PHA will consider alternatives as described in Section 12-II.C and other factors described in Section 12-II.D. Upon consideration of such alternatives and factors, the PHA may, on a case-by-case basis, choose not to terminate assistance.

Termination notices will be sent in accordance with the requirements and policies set forth in Section 12-II.F.

## **Chapter 16**

### **PROGRAM ADMINISTRATION**

#### **INTRODUCTION**

This chapter discusses administrative policies and practices that are relevant to the activities covered in this plan. The policies are discussed in seven parts as described below:

Part I: Administrative Fee Reserve. This part describes the PHA's policies with regard to oversight of expenditures from its administrative fee reserve.

Part II: Setting Program Standards and Schedules. This part describes what payment standards are, and how they are updated, as well as how utility allowances are established and revised.

Part III: Informal Reviews and Hearings. This part outlines the requirements and procedures for informal reviews and hearings, and for informal hearings regarding citizenship status.

Part IV: Owner or Family Debts to the PHA. This part describes policies for recovery of monies that the PHA has overpaid on behalf of families, or to owners, and describes the circumstances under which the PHA will offer repayment agreements to owners and families. Also discussed are the consequences for failure to make payments in accordance with a repayment agreement.

Part V: Section 8 Management Assessment Program (SEMAP). This part describes what the SEMAP scores represent, how they are established, and how those scores affect a PHA.

Part VI: Record-Keeping. All aspects of the program involve certain types of record-keeping. This part outlines the privacy rights of applicants and participants and record retention policies the PHA will follow.

Part VII: Reporting and Record Keeping for Children with Environmental Intervention Blood Lead Level. This part describes the PHA's responsibilities for reporting, data collection, and record keeping relative to children with environmental intervention blood lead levels that are less than six years of age and are receiving HCV assistance.

Part VIII: Determination of Insufficient Funding. This part describes the PHA's policies for determining if there is sufficient funding to issue vouchers, to approve moves to higher cost units or areas, and to continue assistance for all participant families.

## **PART I: ADMINISTRATIVE FEE RESERVE [24 CFR 982.155]**

The PHA must maintain an administrative fee reserve for the program to pay program administrative expenses in excess of administrative fees paid by HUD for a PHA fiscal year. If funds in the administrative fee reserve are not needed to cover PHA administrative expenses, the PHA may use these funds for other housing purposes permitted by Federal, State and local law.

If the PHA has not adequately administered any Section 8 program, HUD may prohibit use of funds in the administrative fee reserve, and may direct the PHA to use funds in the reserve to improve administration of the program or to reimburse ineligible expenses. HUD also may prohibit use of the funds for certain purposes.

HUD requires the PHA Board of Commissioners or other authorized officials to establish the maximum amount that may be charged against the administrative fee reserve without specific approval.

### **MCHA Policy**

Expenditures from the administrative fee reserve will be made in accordance with all applicable Federal requirements. Expenditures will not exceed \$35,000 per occurrence without the prior approval of the Mohave County Board of Supervisors. MCHA must also be in compliance with Mohave County Procurement Code.

## **PART II: SETTING PROGRAM STANDARDS AND SCHEDULES**

### **16-II.A. OVERVIEW**

Although many of the program's requirements are established centrally by HUD, the HCV program's regulations recognize that some flexibility is required to allow the PHA to adapt the program to local conditions. This part discusses how the PHA establishes and updates certain schedules and standards that are used to administer the program locally. Details about how these schedules are applied to individual families are provided in other chapters. The schedules and standards discussed here include:

- *Payment Standards*, which dictate the maximum subsidy a family can receive (application of the payment standards is discussed in Chapter 6); and
- *Utility Allowances*, which specify how a family's payment should be adjusted to account for tenant-paid utilities (application of utility allowances is discussed in Chapter 6).

### **MCHA Policy**

- Copies of the payment standard and utility allowance schedules are available for review in the MCHA's offices during normal business hours.
- Families, owners, and members of the public may view the utility allowances submit written comments on the schedules discussed in this part, at any time, for consideration during the next revision cycle.
- The MCHA will maintain documentation to support its annual review of payment standards and utility allowance schedules. This documentation will be retained for at least 3 years.

### **16-II.B. PAYMENT STANDARDS [24 CFR 982.503; HCV GB, Chapter 7]**

The payment standard sets the maximum subsidy payment a family can receive from the PHA each month [24 CFR 982.505(a)]. Payment standards are based on fair market rents (FMRs) published annually by HUD. FMRs are set at a percentile within the rent distribution of standard quality rental housing units in each FMR area. For most jurisdictions FMRs are set at the 40th percentile of rents in the market area.

The PHA must establish a payment standard schedule that establishes payment standard amounts for each FMR area within the PHA's jurisdiction, and for each unit size within each of the FMR areas. For each unit size, the PHA may establish a single payment standard amount for the whole FMR area, or may set different payment standards for different parts of the FMR area. Unless HUD grants an exception, the PHA is required to establish a payment standard within a "basic range" established by HUD – between 90 and 110 percent of the published FMR for each unit size.

## **Updating Payment Standards**

When HUD updates its FMRs, the PHA must update its payment standards if the standards are no longer within the basic range [24 CFR 982.503(b)]. HUD may require the PHA to make further adjustments if it determines that rent burdens for assisted families in the PHA's jurisdiction are unacceptably high [24 CFR 982.503(g)].

### MCHA Policy

The MCHA will review the appropriateness of the payment standards on an annual basis when the new FMR is published. In addition to ensuring the payment standards are always within the "basic range" the MCHA will consider the following factors when determining whether an adjustment should be made to the payment standard schedule:

**Funding Availability:** The MCHA will review the budget to determine the impact projected subsidy adjustments will have on funding available for the program and the number of families served. The MCHA will compare the number of families who could be served under revised payment standard amounts with the number assisted under current payment standard amounts.

**Rent Burden of Participating Families:** Rent burden will be determined by identifying the percentage of families, for each unit size, that are paying more than 30 percent of their monthly adjusted income as the family share. When 40 percent or more of families, for any given unit size, are paying more than 30 percent of adjusted monthly income as the family share, the MCHA will consider increasing the payment standard. In evaluating rent burdens, the MCHA will not include families renting a larger unit than their family unit size.

**Quality of Units Selected:** The MCHA will review the quality of units selected by participant families when making the determination of the percent of income families are paying for housing, to ensure that payment standard increases are only made when needed to reach the mid-range of the market.

**Changes in Rent to Owner:** The MCHA may review a sample of the units to determine how often owners are increasing or decreasing rents and the average percent of increases/decreases by bedroom size.

**Unit Availability:** The MCHA will review the availability of units for each unit size, particularly in areas with low concentrations of poor and minority families.

**Lease-up Time and Success Rate:** The MCHA will consider the percentage of families that are unable to locate suitable housing before the voucher expires and whether families are leaving the jurisdiction to find affordable housing.

Changes to payment standard amounts will be effective on December 1<sup>st</sup> of every year unless, based on the proposed FMRs, it appears that one or more of the MCHA's current payment standard amounts will be outside the basic range when the final FMRs are published. In that case, the MCHA's payment standards will be effective October 1<sup>st</sup> instead of December 1<sup>st</sup>.

If the MCHA has already processed reexaminations that will be effective on or after October 1<sup>st</sup>, and the effective date of the payment standards is October 1<sup>st</sup>, the MCHA will make retroactive adjustments to any such reexaminations if the new payment standard amount is higher than the one used by the MCHA at the time the reexamination was originally processed.

### **Exception Payment Standards [982.503(c)]**

The PHA must request HUD approval to establish payment standards that are higher than the basic range. At HUD's sole discretion, HUD may approve a payment standard amount that is higher than the basic range for a designated part of the FMR area. HUD may approve an exception payment standard amount (in accordance with program requirements) for all units, or for all units of a given size, leased by program families in the exception area. Any PHA with jurisdiction in the exception area may use the HUD-approved exception payment standard amount. The total population of all HUD-approved exception areas in an FMR area may not include more than 50 percent of the population of the FMR area.

### **Unit-by-Unit Exceptions [24 CFR 982.503(c)(2)(ii)]**

Unit-by-unit exceptions to the PHA's payment standards generally are not permitted. However, an exception may be made as a reasonable accommodation for a family that includes a person with disabilities. (See Chapter 2 for a discussion of reasonable accommodations.) This type of exception does not affect the PHA's payment standard schedule.

When needed as a reasonable accommodation, the PHA may make an exception to the payment standard without HUD approval if the exception amount does not exceed 110 percent of the applicable FMR for the unit size [HCV GB 7-9]. The PHA may request HUD approval for an exception to the payment standard for a particular family if the required amount falls between 110 and 120 percent of the FMR.

### MCHA Policy

A family that requires a reasonable accommodation may request a higher payment standard at the time the Request for Tenancy Approval (RFTA) is submitted. The family must document the need for the exception. In order to approve an exception, or request an exception from HUD, the PHA must determine that:

- There is a shortage of affordable units that would be appropriate for the family;
- The family's TTP would otherwise exceed 40 percent of adjusted monthly income; and
- The rent for the unit is reasonable.

### **"Success Rate" Payment Standard Amounts [24 CFR 982.503(e)]**

If a substantial percentage of families have difficulty finding a suitable unit, the PHA may request a "success rate payment standard" that applies to the entire jurisdiction. If approved by HUD, a success rate payment standard allows the PHA to set its payment standards at 90-110 percent of a higher FMR (the 50<sup>th</sup>, rather than the 40<sup>th</sup> percentile FMR). To support the request, the PHA must demonstrate that during the most recent 6-month period for which information is available:

- Fewer than 75 percent of families who were issued vouchers became participants;
- The PHA had established payment standards for all unit sizes, and for the entire jurisdiction, at 110 percent of the published FMR; and
- The PHA had a policy of allowing voucher holders who made sustained efforts to locate units at least 90 days to search for a unit.

Although HUD approves the success rate payment standard for all unit sizes in the FMR area, the PHA may choose to adjust the payment standard for only some unit sizes in all, or a designated part, of the PHA's jurisdiction within the FMR area.

### **Decreases in the Payment Standard Below the Basic Range [24 CFR 982.503(d)]**

The PHA must request HUD approval to establish a payment standard amount that is lower than the basic range. At HUD's sole discretion, HUD may approve establishment of a payment standard lower than the basic range. HUD will not approve a lower payment standard if the family share for more than 40 percent of program participants exceeds 30 percent of adjusted monthly income.

### **16-II.C. UTILITY ALLOWANCES [24 CFR 982.517]**

A PHA-established utility allowance schedule is used in determining family share and PHA subsidy. The PHA must maintain a utility allowance schedule for (1) all tenant-paid utilities, (2) the cost of tenant-supplied refrigerators and ranges, and (3) other tenant-paid housing services such as trash collection.

The utility allowance schedule must be determined based on the typical cost of utilities and services paid by energy-conservative households that occupy housing of similar size and type in the same locality. In developing the schedule, the PHA must use normal patterns of consumption for the community as a whole, and current utility rates.

The utility allowance must include the utilities and services that are necessary in the locality to provide housing that complies with housing quality standards. Costs for telephone, cable/satellite television, and internet services are not included in the utility allowance schedule.

In the utility allowance schedule, the PHA must classify utilities and other housing services according to the following general categories: space heating; air conditioning; cooking; water heating; water; sewer; trash collection; other electric; cost of tenant-supplied refrigerator; cost of tenant-supplied range; and other specified housing services. The cost of each utility and housing service must be stated separately by unit size and type. Chapter 18 of the *HCV Guidebook* provides detailed guidance to the PHA about establishing utility allowance schedules.

### **Air Conditioning**

An allowance for air-conditioning must be provided when the majority of housing units in the market have central air-conditioning or are wired for tenant-installed air conditioners.

#### MCHA Policy

The MCHA has included an allowance for air-conditioning in its schedule. Central air-conditioning or a portable air conditioner must be present in a unit before the MCHA will apply this allowance to a family's rent and subsidy calculations.

### **Reasonable Accommodation**

HCV program regulations require a PHA to approve a utility allowance amount higher than shown on the PHA's schedule if a higher allowance is needed as a reasonable accommodation for a family member with a disability. For example, if a family member with a disability requires such an accommodation, the PHA will approve an allowance for air-conditioning, even if the PHA has determined that an allowance for air-conditioning generally is not needed (See Chapter 2 for policies regarding the request and approval of reasonable accommodations).

## Utility Allowance Revisions

The PHA must review its schedule of utility allowances each year and must revise the schedule if there has been a change of 10 percent or more in any utility rate since the last time the allowance for that utility was revised.

The PHA must maintain information supporting its annual review of utility allowance and any revisions made in its utility allowance schedule.

## **PART III: INFORMAL REVIEWS AND HEARINGS**

### **16-III.A. OVERVIEW**

When the PHA makes a decision that has a negative impact on a family, the family is often entitled to appeal the decision. For applicants, the appeal takes the form of an informal review; for participants, or for applicants denied admission because of citizenship issues, the appeal takes the form of an informal hearing.

PHAs are required to include in their administrative plans, informal review procedures for applicants, and informal hearing procedures for participants [24 CFR 982.54(d)(12) and (13)].

### **16-III.B. INFORMAL REVIEWS**

Informal reviews are provided for program applicants. An applicant is someone who has applied for admission to the program, but is not yet a participant in the program. Informal reviews are intended to provide a “minimum hearing requirement” [24 CFR 982.554], and need not be as elaborate as the informal hearing requirements. (Federal Register Volume 60, No. 127, p 36490). **Decisions Subject to Informal Review**

The PHA must give an applicant the opportunity for an informal review of a decision denying assistance [24 CFR 982.554(a)]. Denial of assistance may include any or all of the following [24 CFR 982.552(a)(2)]:

- Denying listing on the PHA waiting list
- Denying or withdrawing a voucher
- Refusing to enter into a HAP contract or approve a lease
- Refusing to process or provide assistance under portability procedures
- Denial of assistance based on an unfavorable history that may be the result of domestic violence, dating violence, sexual assault or stalking. (See Section 3-III.G.)

Informal reviews are *not* required for the following reasons [24 CFR 982.554(c)]:

- Discretionary administrative determinations by the PHA
- General policy issues or class grievances
- A determination of the family unit size under the PHA subsidy standards
- A PHA determination not to grant approval of the tenancy
- A PHA determination that the unit is not in compliance with the NSPIRE
- A PHA determination that the unit is not in accordance with the NSPIRE due to family size or composition

#### **MCHA Policy**

The MCHA will only offer an informal review to applicants for whom assistance is being denied. Denial of assistance includes: denying listing on the MCHA waiting list; denying or withdrawing a voucher; refusing to enter into a HAP contract or approve a lease; refusing to process or provide assistance under portability procedures.

## **Notice to the Applicant [24 CFR 982.554(a)]**

The PHA must give an applicant prompt notice of a decision denying assistance. The notice must contain a brief statement of the reasons for the PHA decision and must also state that the applicant may request an informal review of the decision. The notice must describe how to obtain the informal review.

## **Scheduling an Informal Review**

### MCHA Policy

A request for an informal review must be made in writing and delivered to the MCHA either in person or by first class mail, by the close of the business day, no later than 10 calendar days from the date of the PHA's denial of assistance.

Except as provided in Section 3-III.G, the PHA must schedule and send written notice of the informal review within 15 business days of the family's request.

## **Informal Review Procedures [24 CFR 982.554(b)]**

### MCHA Policy

The informal review will be conducted by the MCHA Director or the Rental Assistance Program Supervisor or other person as identified by the MCHA Director. The hearing officer cannot be the person that made or approved the decision under review, or a subordinate of this person.

The applicant must be provided an opportunity to present written or oral objections to the decision of the MCHA.

The person conducting the review will make a recommendation to the MCHA, but the MCHA is responsible for making the final decision as to whether assistance should be granted or denied.

## **Informal Review Decision [24 CFR 982.554(b)]**

The PHA must notify the applicant of the PHA's final decision, including a brief statement of the reasons for the final decision.

### MCHA Policy

In rendering a decision, the MCHA will evaluate the following matters:

- Whether or not the grounds for denial were stated factually in the Notice.
- The validity of grounds for denial of assistance. If the grounds for denial are not specified in the regulations, then the decision to deny assistance will be overturned.
- The validity of the evidence. The MCHA will evaluate whether the facts presented prove the grounds for denial of assistance. If the facts prove that there are grounds for denial, and the denial is required by HUD, the MCHA will uphold the decision to deny assistance.
- If the facts prove the grounds for denial, and the denial is discretionary, the MCHA will consider the recommendation of the person conducting the informal review in making the final decision whether to deny assistance.

The MCHA will notify the applicant of the final decision, including a statement explaining the reason(s) for the decision. The notice will be mailed within 10 business days of the informal review, to the applicant and his or her representative, if any, along with proof of mailing.

If the decision to deny is overturned as a result of the informal review, processing for admission will resume.

If the family fails to appear for their informal review, the denial of admission will stand and the family will be so notified.

### **16-III.C. INFORMAL HEARINGS FOR PARTICIPANTS [24 CFR 982.555, Pub. L. 109-162]**

PHAs must offer an informal hearing for certain PHA determinations relating to the individual circumstances of a participant family. A participant is defined as a family that has been admitted to the PHA's HCV program and is currently assisted in the program. The purpose of the informal hearing is to consider whether the PHA's decisions related to the family's circumstances are in accordance with the law, HUD regulations and PHA policies.

The PHA is not permitted to terminate a family's assistance until the time allowed for the family to request an informal hearing has elapsed, and any requested hearing has been completed. Termination of assistance for a participant may include any or all of the following:

- Refusing to enter into a HAP contract or approve a lease
- Terminating housing assistance payments under an outstanding HAP contract
- Refusing to process or provide assistance under portability procedures

#### **Decisions Subject to Informal Hearing**

Circumstances for which the PHA must give a participant family an opportunity for an informal hearing are as follows:

- A determination of the family's annual or adjusted income, and the use of such income to compute the housing assistance payment
- A determination of the appropriate utility allowance (if any) for tenant-paid utilities from the PHA utility allowance schedule
- A determination of the family unit size under the PHA's subsidy standards
- A determination that a certificate program family is residing in a unit with a larger number of bedrooms than appropriate for the family unit size under the PHA's subsidy standards, or the PHA determination to deny the family's request for exception from the standards
- A determination to terminate assistance for a participant family because of the family's actions or failure to act
- A determination to terminate assistance because the participant has been absent from the assisted unit for longer than the maximum period permitted under PHA policy and HUD rules
- A determination to terminate a family's Family Self Sufficiency contract, withhold supportive services, or propose forfeiture of the family's escrow account [24 CFR 984.303(i)]
- A determination to deny admission based on an unfavorable history that may be the result of domestic violence, dating violence, sexual assault or stalking.

### **16-III.C. INFORMAL HEARINGS FOR PARTICIPANTS [24 CFR 982.555, Pub. L. 109-162]**

PHAs must offer an informal hearing for certain PHA determinations relating to the individual circumstances of a participant family. A participant is defined as a family that has been admitted to the PHA's HCV program and is currently assisted in the program. The purpose of the informal hearing is to consider whether the PHA's decisions related to the family's circumstances are in accordance with the law, HUD regulations and PHA policies.

The PHA is not permitted to terminate a family's assistance until the time allowed for the family to request an informal hearing has elapsed, and any requested hearing has been completed. Termination of assistance for a participant may include any or all of the following:

- Refusing to enter into a HAP contract or approve a lease
- Terminating housing assistance payments under an outstanding HAP contract
- Refusing to process or provide assistance under portability procedures

### **Decisions Subject to Informal Hearing**

Circumstances for which the PHA must give a participant family an opportunity for an informal hearing are as follows:

- A determination of the family's annual or adjusted income, and the use of such income to compute the housing assistance payment
- A determination of the appropriate utility allowance (if any) for tenant-paid utilities from the PHA utility allowance schedule
- A determination of the family unit size under the PHA's subsidy standards
- A determination that a certificate program family is residing in a unit with a larger number of bedrooms than appropriate for the family unit size under the PHA's subsidy standards, or the PHA determination to deny the family's request for exception from the standards
- A determination to terminate assistance for a participant family because of the family's actions or failure to act
- A determination to terminate assistance because the participant has been absent from the assisted unit for longer than the maximum period permitted under PHA policy and HUD rules
- A determination to terminate a family's Family Self Sufficiency contract, withhold supportive services, or propose forfeiture of the family's escrow account [24 CFR 984.303(i)]
- A determination to deny admission based on an unfavorable history that may be the result of domestic violence, dating violence, sexual assault or stalking.

Circumstances for which an informal hearing is not required are as follows:

- Discretionary administrative determinations by the PHA
- General policy issues or class grievances
- Establishment of the PHA schedule of utility allowances for families in the program
- A PHA determination not to approve an extension or suspension of a voucher term
- A PHA determination not to approve a unit or tenancy
- A PHA determination that a unit selected by the applicant is not in compliance with the NSPIRE
- A PHA determination that the unit is not in accordance with NSPIRE because of family size
- A determination by the PHA to exercise or not to exercise any right or remedy against an owner under a HAP contract

### **MCHA Policy**

The MCHA will only offer participants the opportunity for an informal hearing when required to by the regulations.

## **Informal Hearing Procedures**

### ***Notice to the Family* [24 CFR 982.555(c)]**

When the PHA makes a decision that is subject to informal hearing procedures, the PHA must inform the family of its right to an informal hearing at the same time that it informs the family of the decision.

For decisions related to the family's annual or adjusted income, the determination of the appropriate utility allowance, and the determination of the family unit size, the PHA must notify the family that they may ask for an explanation of the basis of the determination, and that if they do not agree with the decision, they may request an informal hearing on the decision.

For decisions related to the termination of the family's assistance, or the denial of a family's request for an exception to the PHA's subsidy standards, the notice must contain a brief statement of the reasons for the decision, a statement that if the family does not agree with the decision, the family may request an informal hearing on the decision, and a statement of the deadline for the family to request an informal hearing.

### **MCHA Policy**

In cases where the MCHA makes a decision for which an informal hearing must be offered, the notice to the family will include all of the following:

- The proposed action or decision of the MCHA.
- A brief statement of the reasons for the decision including the regulatory reference.
- The date the proposed action will take place.
- A statement of the family's right to an explanation of the basis for the MCHA's decision.
- A statement that if the family does not agree with the decision the family may request an informal hearing of the decision.
- A deadline for the family to request the informal hearing
- To whom the hearing request should be addressed.

### ***Scheduling an Informal Hearing* [24 CFR 982.555(d)]**

When an informal hearing is required, the PHA must proceed with the hearing in a reasonably expeditious manner upon the request of the family.

### **MCHA Policy**

A request for an informal hearing must be made in writing and delivered to the MCHA either in person or by first class mail, by the close of the business day, no later than 10 calendar days from the date of the MCHA's decision or notice to terminate assistance.

The MCHA must schedule and send written notice of the informal hearing to the family within 15 business days of the family's request.

The family may request to reschedule a hearing for good cause, or if it is needed as a reasonable accommodation for a person with disabilities. Good cause is defined as an unavoidable conflict which seriously affects the health, safety or welfare of the family. Requests to reschedule a hearing must be made orally or in writing prior to the hearing date. At its discretion, the MCHA may request documentation of the "good cause" prior to rescheduling the hearing.

If the family does not appear at the scheduled time and was unable to reschedule the hearing in advance due to the nature of the conflict, the family must contact the MCHA within 24 hours of the scheduled hearing date, excluding weekends and holidays.

The MCHA will reschedule the hearing only if the family can show good cause for the failure to appear, or if it is needed as a reasonable accommodation for a person with disabilities.

### **Pre-Hearing Right to Discovery [24 CFR 982.555(e)]**

Participants and the PHA are permitted pre-hearing discovery rights. The family must be given the opportunity to examine before the hearing any PHA documents that are directly relevant to the hearing. The family must be allowed to copy any such documents at their own expense. If the PHA does not make the document available for examination on request of the family, the PHA may not rely on the document at the hearing.

The PHA hearing procedures may provide that the PHA must be given the opportunity to examine at the PHA offices before the hearing, any family documents that are directly relevant to the hearing. The PHA must be allowed to copy any such document at the PHA's expense. If the family does not make the document available for examination on request of the PHA, the family may not rely on the document at the hearing.

For the purpose of informal hearings, *documents* include records and regulations.

#### MCHA Policy

The family will be allowed to copy any documents related to the hearing. The family must request discovery of MCHA documents no later than 12:00 p.m. on the business day prior to the scheduled hearing date

The MCHA must be given an opportunity to examine at the MCHA offices before the hearing any family documents that are directly relevant to the hearing. Whenever a participant requests an informal hearing, the MCHA will automatically mail a letter to the participant requesting a copy of all documents that the participant intends to present or utilize at the hearing. The participant must make the documents available no later than 12:00 pm on the business day prior to the scheduled hearing date.

### **Participant's Right to Bring Counsel [24 CFR 982.555(e)(3)]**

At its own expense, the family may be represented by a lawyer or other representative at the informal hearing.

### ***Informal Hearing Officer* [24 CFR 982.555(e)(4)]**

Informal hearings will be conducted by a person or persons approved by the PHA, other than the person who made or approved the decision or a subordinate of the person who made or approved the decision.

#### MCHA Policy

The PHA has designated the following to serve as hearing officers:

The informal hearing will be conducted by the MCHA Director or the Rental Assistance Program Supervisor or other person as identified by the MCHA Director.

### ***Attendance at the Informal Hearing***

#### MCHA Policy

Hearings may be attended by a hearing officer and the following applicable persons:

- A MCHA representative(s) and any witnesses for the PHA
- The participant and any witnesses for the participant
- The participant's counsel or other representative
- Any other person approved by the MCHA as a reasonable accommodation for a person with a disability

## ***Conduct at Hearings***

The person who conducts the hearing may regulate the conduct of the hearing in accordance with the PHA's hearing procedures [24 CFR 982.555(4)(ii)].

### MCHA Policy

The hearing officer is responsible to manage the order of business and to ensure that hearings are conducted in a professional and businesslike manner. Attendees are expected to comply with all hearing procedures established by the hearing officer and guidelines for conduct. Any person demonstrating disruptive, abusive or otherwise inappropriate behavior will be excused from the hearing at the discretion of the hearing officer.

## ***Evidence [24 CFR 982.555(e)(5)]***

The PHA and the family must be given the opportunity to present evidence and question any witnesses. In general, all evidence is admissible at an informal hearing. Evidence may be considered without regard to admissibility under the rules of evidence applicable to judicial proceedings.

### MCHA Policy

Any evidence to be considered by the hearing officer must be presented at the time of the hearing. There are four categories of evidence.

- **Oral evidence:** the testimony of witnesses
- **Documentary evidence:** a writing which is relevant to the case, for example, a letter written to the PHA. Writings include all forms of recorded communication or representation, including letters, words, pictures, sounds, videotapes or symbols or combinations thereof.
- **Demonstrative evidence:** Evidence created specifically for the hearing and presented as an illustrative aid to assist the hearing officer, such as a model, a chart or other diagram.
- **Real evidence:** A tangible item relating directly to the case.

*Hearsay Evidence* is evidence of a statement that was made other than by a witness while testifying at the hearing and that is offered to prove the truth of the matter. Even though evidence, including hearsay, is generally admissible, hearsay evidence alone cannot be used as the sole basis for the hearing officer's decision.

If either the PHA or the family fail to comply with the discovery requirements described above, the hearing officer will refuse to admit such evidence.

Other than the failure of a party to comply with discovery, the hearing officer has the authority to overrule any objections to evidence.

## ***Hearing Officer's Decision [24 CFR 982.555(e)(6)]***

The person who conducts the hearing must issue a written decision, stating briefly the reasons for the decision. Factual determinations relating to the individual circumstances of the family must be based on a preponderance of evidence presented at the hearing. A copy of the hearing must be furnished promptly to the family.

### MCHA Policy

In rendering a decision, the hearing officer will consider the following matters:

- **MCHA Notice to the Family:** The hearing officer will determine if the reasons for the MCHA's decision are factually stated in the Notice.

- **Discovery:** The hearing officer will determine if the MCHA and the family were given the opportunity to examine any relevant documents in accordance with MCHA policy.
- **MCHA Evidence to Support the MCHA Decision:** The evidence consists of the facts presented. Evidence is not conclusion and it is not argument. The hearing officer will evaluate the facts to determine if they support the MCHA's conclusion.
- **Validity of Grounds for Termination of Assistance (when applicable):** The hearing officer will determine if the termination of assistance is for one of the grounds specified in the HUD regulations and MCHA policies. If the grounds for termination are not specified in the regulations or in compliance with MCHA policies, then the decision of the MCHA will be overturned.

The hearing officer will issue a written decision to the family and the MCHA no later than 10 business days after the hearing.

### ***Procedures for Rehearing or Further Hearing***

#### MCHA Policy

The hearing officer may ask the family for additional information and/or might adjourn the hearing in order to reconvene at a later date, before reaching a decision. If the family misses an appointment or deadline ordered by the hearing officer, the action of the PHA will take effect and another hearing will not be granted.

A rehearing or a further hearing may be requested for the purpose of rectifying any obvious mistake of law made during the hearing or any obvious injustice not known at the time of the hearing.

It shall be within the sole discretion of the PHA to grant or deny the request for further hearing or rehearing. A further hearing may be limited to written submissions by the parties, in the manner specified by the hearing officer.

### ***PHA Notice of Final Decision [24 CFR 982.555(f)]***

The PHA is not bound by the decision of the hearing officer for matters in which the PHA is not required to provide an opportunity for a hearing, decisions that exceed the authority of the hearing officer, decisions that conflict with or contradict HUD regulations, requirements, or are otherwise contrary to Federal, State or local laws.

If the PHA determines it is not bound by the hearing officer's decision in accordance with HUD regulations, the PHA must promptly notify the family of the determination and the reason for the determination.

#### MCHA Policy

The MCHA will mail a "Notice of Final Decision" including the hearing officer's determination, to the participant and their representative if requested. This Notice will be sent by first-class mail, postage pre-paid with an affidavit of mailing enclosed. The participant will be mailed the original "Notice of Final Decision" and a copy of the proof of mailing. A copy of the "Notice of Final Decision" along with the original proof mailing will be maintained in the MCHA's file.

### **16-III.D. HEARING AND APPEAL PROVISIONS FOR NON-CITIZENS [24 CFR 5.514]**

Denial or termination of assistance based on immigration status is subject to special hearing and notice rules. Applicants who are denied assistance due to immigration status are entitled to an informal hearing, not an informal review.

Assistance to a family may not be delayed, denied, or terminated on the basis of immigration status at any time prior to a decision under the United States Citizenship and Immigration Services (USCIS) appeal process. Assistance to a family may not be terminated or denied while the PHA hearing is pending, but assistance to an applicant may be delayed pending the completion of the informal hearing.

A decision against a family member, issued in accordance with the USCIS appeal process or the PHA informal hearing process, does not preclude the family from exercising the right, that may otherwise be available, to seek redress directly through judicial procedures.

#### **Notice of Denial or Termination of Assistance [24 CFR 5.514(d)]**

As discussed in Chapters 3 and 11, the notice of denial or termination of assistance for noncitizens must advise the family:

- That financial assistance will be denied or terminated, and provide a brief explanation of the reasons for the proposed denial or termination of assistance.
- The family may be eligible for proration of assistance.
- In the case of a participant, the criteria and procedures for obtaining relief under the provisions for preservation of families [24 CFR 5.514 and 5.518].
- That the family has a right to request an appeal to the USCIS of the results of secondary verification of immigration status and to submit additional documentation or explanation in support of the appeal.
- That the family has a right to request an informal hearing with the PHA either upon completion of the USCIS appeal or in lieu of the USCIS appeal.
- For applicants, assistance may not be delayed until the conclusion of the USCIS appeal process, but assistance may be delayed during the period of the informal hearing process.

#### **USCIS Appeal Process [24 CFR 5.514(e)]**

When the PHA receives notification that the USCIS secondary verification failed to confirm eligible immigration status, the PHA must notify the family of the results of the USCIS verification. The family will have 30 days from the date of the notification to request an appeal of the USCIS results. The request for appeal must be made by the family in writing directly to the USCIS. The family must provide the PHA with a copy of the written request for appeal and the proof of mailing.

##### MCHA Policy

- The MCHA will notify the family in writing of the results of the USCIS secondary verification within 10 business days of receiving the results.
- The family must provide the MCHA with a copy of the written request for appeal and proof of mailing within 10 business days of sending the request to the USCIS.

The family must forward to the designated USCIS office any additional documentation or written explanation in support of the appeal. This material must include a copy of the USCIS document verification request (used to process the secondary request) or such other form specified by the USCIS, and a letter indicating that the family is requesting an appeal of the USCIS immigration status verification results.

The USCIS will notify the family, with a copy to the PHA, of its decision. When the USCIS notifies the PHA of the decision, the PHA must notify the family of its right to request an informal hearing.

##### MCHA Policy

The MCHA will send written notice to the family of its right to request an informal hearing within 10 calendar days of receiving notice of the USCIS decision regarding the family's immigration status.

## **Informal Hearing Procedures for Applicants [24 CFR 5.514(f)]**

After notification of the USCIS decision on appeal, or in lieu of an appeal to the USCIS, the family may request that the PHA provide a hearing. The request for a hearing must be made either within 30 days of receipt of the PHA notice of denial, or within 30 days of receipt of the USCIS appeal decision.

The informal hearing procedures for applicant families are described below.

### ***Informal Hearing Officer***

The PHA must provide an informal hearing before an impartial individual, other than a person who made or approved the decision under review, and other than a person who is a subordinate of the person who made or approved the decision. See Section 16-III.C.

### ***Evidence***

The family must be provided the opportunity to examine and copy at the family's expense, at a reasonable time in advance of the hearing, any documents in the possession of the PHA pertaining to the family's eligibility status, or in the possession of the USCIS (as permitted by USCIS requirements), including any records and regulations that may be relevant to the hearing.

#### MCHA Policy

The family will be allowed to copy any documents related to the hearing. The family must request discovery of MCHA documents no later than 12:00 p.m. on the business day prior to the hearing.

The family must be provided the opportunity to present evidence and arguments in support of eligible status. Evidence may be considered without regard to admissibility under the rules of evidence applicable to judicial proceedings.

The family must also be provided the opportunity to refute evidence relied upon by the PHA, and to confront and cross-examine all witnesses on whose testimony or information the PHA relies.

### ***Representation and Interpretive Services***

The family is entitled to be represented by an attorney or other designee, at the family's expense, and to have such person make statements on the family's behalf.

The family is entitled to arrange for an interpreter to attend the hearing, at the expense of the family, or the PHA, as may be agreed upon by the two parties.

### ***Recording of the Hearing***

The family is entitled to have the hearing recorded by audiotape. The PHA may, but is not required to provide a transcript of the hearing.

#### MCHA Policy

The MCHA will not provide a transcript of an audio taped hearing.

### ***Hearing Decision***

The PHA must provide the family with a written final decision, based solely on the facts presented at the hearing, within 10 business days of the date of the informal hearing. The decision must state the basis for the decision.

## **Informal Hearing Procedures for Residents [24 CFR 5.514(f)]**

After notification of the USCIS decision on appeal, or in lieu of an appeal to the USCIS, the family may request that the PHA provide a hearing. The request for a hearing must be made either within 30 days of receipt of the PHA notice of termination, or within 30 days of receipt of the USCIS appeal decision.

For the informal hearing procedures that apply to participant families whose assistance is being terminated based on immigration status, see Section 16-III.C.

## **Retention of Documents [24 CFR 5.514(h)]**

The PHA must retain for a minimum of 5 years the following documents that may have been submitted to the PHA by the family, or provided to the PHA as part of the USCIS appeal or the PHA informal hearing process:

- The application for assistance
- The form completed by the family for income reexamination
- Photocopies of any original documents, including original USCIS documents
- The signed verification consent form
- The USCIS verification results
- The request for a USCIS appeal
- The final USCIS determination
- The request for an informal hearing
- The final informal hearing decision

## **PART IV: OWNER OR FAMILY DEBTS TO THE PHA**

### **16-IV.A. OVERVIEW**

PHAs are required to include in the administrative plan, policies concerning repayment by a family of amounts owed to the PHA [24 CFR 982.54]. This part describes the PHA's policies for recovery of monies owed to the PHA by families, or to owners.

#### **MCHA Policy**

When an action or inaction of an owner or participant results in the overpayment of housing assistance, the MCHA holds the owner or participant liable to return any overpayments to the MCHA.

The MCHA will enter into repayment agreements in accordance with the policies contained in this part as a means to recover overpayments.

When an owner or participant refuses to repay monies owed to the MCHA, the MCHA will utilize other available collection alternatives including, but not limited to, the following:

- Collection agencies
- Small claims court
- Civil law suit
- State income tax set-off program

### **16-IV.B. REPAYMENT POLICY**

#### **Owner Debts to the PHA**

#### **MCHA Policy**

Any amount due to the MCHA by an owner must be repaid by the owner within 30 days of the MCHA determination of the debt.

If the owner fails to repay the debt within the required time frame and is entitled to future HAP payments, the MCHA will reduce the future HAP payments by the amount owed until the debt is paid in full.

If the owner is not entitled to future HAP payments the PHA may, in its sole discretion, offer to enter into a repayment agreement on terms prescribed by the PHA.

If the owner refuses to repay the debt, enter into a repayment agreement, or breaches a repayment agreement, the MCHA will ban the owner from future participation in the program and pursue other modes of collection.

## **Family Debts to the PHA**

### MCHA Policy

Any amount owed to the MCHA by an HCV family must be repaid by the family. If the family is unable to repay the debt within 30 days, the MCHA will offer to enter into a repayment agreement in accordance with the policies below.

If the family refuses to repay the debt, does not enter into a repayment agreement, or breaches a repayment agreement, the MCHA will terminate assistance in accordance with policies in Chapter 12 and pursue other modes of collection.

## **Repayment Agreement [24 CFR 792.103]**

The term *repayment agreement* refers to a formal written document signed by a tenant or owner and provided to the PHA in which a tenant or owner acknowledges a debt in a specific amount and agrees to repay the amount due at specific time periods.

## **Repayment Agreements**

### MHA Policy

- The family will be given the opportunity to meet with MCHA staff to discuss the debt and be given the opportunity to grieve the MCHA decision. The family will be given the opportunity to enter into a repayment agreement with the MCHA unless the debt is due to Fraud and exceeds the federal or state threshold for criminal prosecution.
- Should the family fail to request a grievance hearing or not attend a scheduled hearing, the opportunity to contest the debt is forfeited and the debt assessed against the family. The debt will have an affect on the family's ability to relocate
- Payment agreements will be executed between the MCHA and the head of household and spouse.
- If the family already has a payment agreement in place and incurs an additional debt, the family will be terminated for violation of family obligations. The MCHA will not enter into more than one payment agreement with the family.
- Should the family leave the Section 8 program either voluntarily or involuntarily, the MCHA will mail a collection letter to the last known address of the family. If, after 30 days the debt still exists, a second letter will be mailed. If the debt has not been paid in 30 days from the date of the second letter, it will be reported to the County Attorney or HUD as a bad debt.

## ***Payment Thresholds***

Notice PIH 2010-19 recommends that the total amount that a family must pay each month—the family's monthly share of rent plus the monthly debt repayment amount—should not exceed 40 percent of the family's monthly adjusted income. However, a family may already be paying 40 per cent or more of its monthly adjusted income in rent. Moreover, Notice PIH 2010-19 acknowledges that PHAs have the discretion to establish "thresholds and policies" for repayment agreements with families [24 CFR 982.552(c)(1)(vii)].

## MCHA Policy

MCHA will establish the amount that the family must pay as the difference between 40% of the family's monthly adjusted income and 30% of the family's monthly adjusted income. When the family is already paying 40% or more its monthly adjusted income in rent, MCHA may establish a reasonable repayment amount and time period for repayment.

If a family can provide evidence satisfactory to the MCHA that that the family's debt would impose an undue hardship, the PHA may, in its sole discretion, determine that a lower monthly payment amount is reasonable. In making its determination, the PHA will consider all relevant information, including the following:

- The amount owed by the family to the PHA
- The reason for the debt, including whether the debt was the result of family action/inaction or circumstances beyond the family's control
- The family's current and potential income and expenses
- The family's current family share, as calculated under 24 CFR 982.515
- The family's history of meeting its financial responsibilities

### ***Due Dates***

#### MCHA Policy

All payments are due by the close of business on the 15<sup>th</sup> day of the month. If the 15<sup>th</sup> does not fall on a business day, the due date is the close of business on the first business day after the 15<sup>th</sup>.

### ***Late or Missed Payments***

#### MCHA Policy

If a payment is not received by the end of the business day on the date due, and prior approval for the missed payment has not been given by the PHA, the PHA will send the family a delinquency notice giving the family until the next monthly due date to make the late payment along with currently payment. If the payment is not received by the due date of the delinquency notice, it will be considered a breach of the agreement and the PHA will terminate assistance in accordance with the policies in Chapter 12.

### ***No Offer of Repayment Agreement***

#### MCHA Policy

The MCHA generally will not enter into a repayment agreement with a family if there is already a repayment agreement in place with the family or if the amount owed by the is due to deliberate fraud.

### **Repayment Agreements Involving Improper Payments**

Notice PIH 2010-19 requires certain provisions to be included in any repayment agreement involving amounts owed by a family because it underreported or failed to report income:

- A reference to the items in the family briefing packet that state the family's obligation to provide true and complete information at every reexamination and the grounds on which the PHA may terminate assistance because of a family's action or failure to act
- A statement clarifying that each month the family not only must pay to the PHA the monthly payment amount specified in the agreement but must also pay to the owner the family's monthly share of the rent to owner

- A statement that the terms of the repayment agreement may be renegotiated if the family's income decreases or increases
- A statement that late or missed payments constitute default of the repayment agreement and may result in termination of assistance

## **PART V: MANAGEMENT ASSESSMENT (SEMAP)**

### **16-V.A. OVERVIEW**

The Section 8 Management Assessment Program (SEMAP) is a tool that allows HUD to measure PHA performance in key areas to ensure program integrity and accountability. SEMAP scores translate into a rating for each PHA as high performing, standard, or troubled. Scores on individual SEMAP indicators, as well as overall SEMAP ratings, can affect the PHA in several ways.

- High-performing PHAs can be given a competitive advantage under notices of funding availability [24 CFR 985.103].
- PHAs with deficiencies on one or more indicators are required to correct the deficiencies and report to HUD [24 CFR 985.106].
- PHAs with an overall rating of "troubled" are subject to additional HUD oversight, including on-site reviews by HUD staff, a requirement to develop a corrective action plan, and monitoring to ensure the successful implementation of the corrective action plan. In addition, PHAs that are designated "troubled" may not use any part of the administrative fee reserve for other housing purposes [24 CFR 985.107].
- HUD may determine that a PHA's failure to correct identified SEMAP deficiencies or to prepare and implement a corrective action plan required by HUD constitutes a default under the ACC [24 CFR 985.109].

### **16-V.B. SEMAP CERTIFICATION [24 CFR 985.101]**

1. PHAs must submit the HUD-required SEMAP certification form within 60 calendar days after the end of its fiscal year. The certification must be approved by PHA board resolution and signed by the PHA Executive Director. If the PHA is a unit of local government or a state, a resolution approving the certification is not required, and the certification must be executed by the Section 8 program Director.
2. PHAs with less than 250 voucher units are only required to be assessed every other PHA fiscal year. HUD will assess such PHAs annually if the PHA elects to have its performance assessed on an annual basis; or is designated as "troubled" [24 CFR 985.105].
3. Failure of a PHA to submit its SEMAP certification within the required time frame will result in an overall performance rating of "troubled."
4. A PHA's SEMAP certification is subject to HUD verification by an on-site confirmatory review at any time.
5. Upon receipt of the PHA's SEMAP certification, HUD will rate the PHA's performance under each SEMAP indicator in accordance with program requirements.

### **HUD Verification Method**

Several of the SEMAP indicators are scored based on a review of a quality control sample selected for this purpose. The PHA or the Independent Auditor must select an unbiased sample that provides an adequate representation of the types of information to be assessed, in accordance with SEMAP requirements [24 CFR 985.2].

If the HUD verification method for the indicator relies on data in the Form-50058 module (formerly known as MTCS) in the PIH Information Center (PIC), and HUD determines that those data are insufficient to verify the PHA's certification on the indicator due to the PHA's failure to adequately report family data, HUD will assign a zero rating for the indicator [24 CFR 985.3].

## 16-V.C. SEMAP INDICATORS [24 CFR 985.3 and form HUD-52648]

The table below lists each of the SEMAP indicators, contains a description of each indicator, and explains the basis for points awarded under each indicator.

A PHA that expends less than \$300,000 in Federal awards and whose Section 8 programs are not audited by an independent auditor, is not be rated under SEMAP indicators 1-7.

## **PART VI: RECORD KEEPING**

### **16-VI.A. OVERVIEW**

The PHA must maintain complete and accurate accounts and other records for the program in accordance with HUD requirements, in a manner that permits a speedy and effective audit. All such records must be made available to HUD or the Comptroller General of the United States upon request.

In addition, the PHA must ensure that all applicant and participant files are maintained in a way that protects an individual's privacy rights.

### **16-VI.B. RECORD RETENTION [24 CFR 982.158]**

During the term of each assisted lease, and for at least three years thereafter, the PHA must keep:

- A copy of the executed lease;
- The HAP contract; and
- The application from the family.

In addition, the PHA must keep the following records for at least three years:

- Records that provide income, racial, ethnic, gender, and disability status data on program applicants and participants;
- An application from each ineligible family and notice that the applicant is not eligible;
- HUD-required reports;
- Unit inspection reports;
- Lead-based paint records as required by 24 CFR 35, Subpart B.
- Accounts and other records supporting PHA budget and financial statements for the program;
- Records to document the basis for PHA determination that rent to owner is a reasonable rent (initially and during the term of a HAP contract); and
- Other records specified by HUD.

If an informal hearing to establish a family's citizenship status is held, longer retention requirements apply for some types of documents. For specific requirements, see Section 16-III.D., Retention of Documents.

### **16-VI.C. RECORDS MANAGEMENT**

PHAs must maintain applicant and participant files and information in accordance with the regulatory requirements described below.

#### **MCHA Policy**

All applicant and participant information will be kept in a secure location and access will be limited to authorized MCHA staff.

MCHA staff will not discuss personal family information unless there is a business reason to do so. Inappropriate discussion of family information or improper disclosure of family information by staff will result in disciplinary action.

### **Privacy Act Requirements [24 CFR 5.212 and Form-9886]**

The collection, maintenance, use, and dissemination of social security numbers (SSN), employer identification numbers (EIN), any information derived from these numbers, and income information of applicants and participants must be conducted, to the extent applicable, in compliance with the Privacy Act of 1974, and all other provisions of Federal, State, and local law.

Applicants and participants, including all adults in the household, are required to sign a consent form, HUD-9886, Authorization for Release of Information. This form incorporates the Federal Privacy Act Statement and describes how the information collected using the form may be used, and under what conditions HUD or the PHA may release the information collected.

### **Upfront Income Verification (UIV) Records**

PHAs that access UIV data through HUD's Enterprise Income Verification (EIV) System are required to adopt and follow specific security procedures to ensure that all EIV data is protected in accordance with Federal laws, regardless of the media on which the data is recorded (e.g. electronic, paper). These requirements are contained in the HUD issued document, *Enterprise Income Verification (EIV) System, Security Procedures for Upfront Income Verification data*.

### MCHA Policy

Prior to utilizing HUD's EIV system, the PHA will adopt and implement EIV security procedures required by HUD.

### **Criminal Records**

The PHA may only disclose the criminal conviction records which the PHA receives from a law enforcement agency to officers or employees of the PHA, or to authorized representatives of the PHA who have a job-related need to have access to the information [24 CFR 5.903(e)].

The PHA must establish and implement a system of records management that ensures that any criminal record received by the PHA from a law enforcement agency is maintained confidentially, not misused or improperly disseminated, and destroyed, once the purpose for which the record was requested has been accomplished, including expiration of the period for filing a challenge to the PHA action without institution of a challenge or final disposition of any such litigation [24 CFR 5.903(g)].

The PHA must establish and implement a system of records management that ensures that any sex offender registration information received by the PHA from a State or local agency is maintained confidentially, not misused or improperly disseminated, and destroyed, once the purpose for which the record was requested has been accomplished, including expiration of the period for filing a challenge to the PHA action without institution of a challenge or final disposition of any such litigation. This requirement does not apply to information that is public information, or is obtained by a PHA other than under 24 CFR 5.905.

### **Medical/Disability Records**

PHAs are not permitted to inquire about the nature or extent of a person's disability. The PHA may not inquire about a person's diagnosis or details of treatment for a disability or medical condition. If the PHA receives a verification document that provides such information, the PHA should not place this information in the tenant file. The PHA should destroy the document.

## **PART VII: REPORTING AND RECORD KEEPING FOR CHILDREN WITH ENVIRONMENTAL INTERVENTION BLOOD LEAD LEVEL**

### **16-VII.A. OVERVIEW**

The PHA has certain responsibilities relative to children with environmental intervention blood lead levels that are receiving HCV assistance. The notification, verification, and hazard reduction requirements are discussed in Chapter 8. This part deals with the reporting requirements, and data collection and record keeping responsibilities that the PHA is subject to.

### **16-VII.B. REPORTING REQUIREMENT [24 CFR 35.1225(e)]**

The PHA must report the name and address of a child identified as having an environmental intervention blood lead level to the public health department within 5 business days of being so notified by any other medical health care professional.

#### **MCHA Policy**

The MCHA will provide the public health department written notice of the name and address of any child identified as having an environmental intervention blood lead level.

### **16-VII.C. DATA COLLECTION AND RECORD KEEPING [24 CFR 35.1225(f)]**

At least quarterly, the PHA must attempt to obtain from the public health department(s) with a similar area of jurisdiction, the names and/or addresses of children less than 6 years old with an identified environmental intervention blood lead level.

If the PHA obtains names and addresses of environmental intervention blood lead level children from the public health department(s), the PHA must match this information with the names and addresses of families receiving HCV assistance, unless the public health department performs such a procedure. If a match occurs, the PHA must carry out the notification, verification, and hazard reduction requirements discussed in Chapter 8, and the reporting requirement discussed above.

At least quarterly, the PHA must also report an updated list of the addresses of units receiving assistance under the HCV program to the same public health department(s), unless the public health department(s) states that it does not wish to receive such a report.

#### **MCHA Policy**

The public health department(s) has stated they **do not** wish to receive a report of an updated list of the addresses of units receiving assistance under the HCV program, on a quarterly basis. Therefore, the PHA is not providing such a report.

### **16-VIII.A. OVERVIEW**

The HCV regulations allow PHAs to deny families permission to move and to terminate Housing Assistance Payments (HAP) contracts if funding under the consolidated ACC is insufficient to support continued assistance [24 CFR 982.314(e)(1) and 982.454]. Insufficient funding may also impact the PHA's ability to issue vouchers to families on the waiting list. This part discusses the methodology the PHA will use to determine whether or not the PHA has sufficient funding to issue vouchers, approve moves, and to continue subsidizing all families currently under a HAP contract.

## 16-VIII.B. METHODOLOGY

### MCHA Policy

The MCHA will determine whether there is adequate funding to issue vouchers, approve moves to higher cost units and areas, and continue subsidizing all current participants by comparing the MCHA's annual budget authority to the annual total HAP needs on a monthly basis. The total HAP needs for the calendar year will be projected by establishing the actual HAP costs year to date. To that figure, the MCHA will add anticipated HAP expenditures for the remainder of the calendar year. Projected HAP expenditures will be calculated by multiplying the projected number of units leased per remaining months by the most current month's average HAP. The projected number of units leased per month will take into account the average monthly turnover of participant families. If the total annual HAP needs equal or exceed the annual budget authority, or if the MCHA cannot support the cost of the proposed subsidy commitment (voucher issuance or move) based on the funding analysis, the MCHA will be considered to have insufficient funding.

### **PART IX: NOTIFICATION REGARDING APPLICABLE PROVISIONS OF THE VIOLENCE AGAINST WOMEN REAUTHORIZATION ACT OF 2013 (VAWA)**

The Violence against Women Reauthorization Act of 2013 (VAWA) requires PHAs to provide notice when a person is denied assistance, when a person is admitted, and when a tenant is terminated from assistance. VAWA also requires PHAs to inform owners and managers of their obligations under this law [24 CFR 5.2007(3)].

This part describes the steps that the PHA will take to ensure that all actual and potential beneficiaries of its housing choice voucher program are notified about their rights and that owners and managers are notified of their obligations under VAWA.

### MCHA Policy

The MCHA will make the information readily available to anyone who requests it.

- A summary of the rights and protections provided by VAWA to housing choice voucher program when a person is denied assistance, when a person is admitted, and when a tenant is terminated from assistance. (see sample notices in Exhibits 16-1 and 16-2)
- The definitions of *domestic violence*, *dating violence*, *sexual assault* and *stalking* provided in VAWA (included in Exhibits 16-1 and 16-2)
- An explanation of the documentation that the MCHA may require from an individual who claims the protections provided by VAWA (included in Exhibits 16-1 and 16-2)
- A copy of form HUD 5382, Certification of Domestic Violence, Dating Violence, Sexual Assault or Stalking
- A statement of the PHA's obligation to keep confidential any information that it receives from a victim unless (a) the PHA has the victim's written permission to release the information, (b) it needs to use the information in an eviction proceeding, or (c) it is compelled by law to release the information (included in Exhibits 16-1 and 16-2)
- The National Domestic Violence Hot Line: 1-800-799-SAFE (7233) or 1-800-787-3224 (TTY) (included in Exhibits 16-1 and 16-2)
- Contact information for local victim advocacy groups or service providers
-

## **16-IX.A. NOTIFICATION TO PARTICIPANTS [24 CFR 5.2007(3)(i)]**

VAWA requires PHAs to notify HCV program participants of their rights under this law, including their right to confidentiality and the limits thereof.

### MCHA Policy

The MCHA will provide notification when a person is denied assistance, when a person is admitted, and when a tenant is terminated from assistance. In addition, all participants with notification of their protections and rights under VAWA at the time of annual reexamination.

The notice will explain the protections afforded under the law, inform the participant of MCHA confidentiality requirements, and provide contact information for local victim advocacy groups or service providers.

The MCHA will also include in all assistance termination notices a statement explaining assistance termination protection provided by VAWA (see Section 12-II.E).

MCHA will also include a copy of form HUD 5382, Certification of Domestic Violence, Dating Violence, Sexual Assault or Stalking

## **16-IX.B. NOTIFICATION TO OWNERS AND MANAGERS [24 CFR 5.2007(3)(ii)]**

VAWA requires PHAs to notify owners and managers of their rights and responsibilities under this law.

### MCHA Policy

MCHA will inform property owners and managers of their screening and termination responsibilities related to VAWA by providing a copy of the landlord notice with a copy of HUD 5382. The MCHA may utilize any or all of the following means to notify owners of their VAWA responsibilities:

- As appropriate in day to day interactions with owners and managers.
- Inserts in HAP payments, 1099s, owner workshops, classes, orientations, and/or newsletters.
- Signs in the PHA lobby and/or mass mailings which include model VAWA notification forms

<b>EXHIBIT 16-1: SAMPLE NOTICE TO HOUSING CHOICE VOUCHER TENANTS REGARDING THE VIOLENCE AGAINST WOMEN ACT (VAWA)</b>
--

The Violence against Women Reauthorization Act of 2013 is federal law. It protects individuals who are victims of domestic violence, dating violence, sexual assault and stalking. This notice explains your rights under VAWA.

### **Protections for Victims**

If you are eligible for a Section 8 voucher, the housing authority cannot deny your rental assistance solely because you, or an affiliated individual to you, are a victim of domestic violence, dating violence, sexual assault or stalking, Affiliated Individual is defined as a spouse, parent, brother, sister or child of yours or any individual that you stand in loco parentis (in the place of a parent), or any tenant or lawful occupant of the household.

If you, or an affiliated individual, are the victim of domestic violence, dating violence, sexual assault or stalking, you cannot be terminated from the Section 8 program or evicted based on acts or threats of violence committed against you. Also, criminal acts directly related to the domestic violence, dating violence, sexual assault, or stalking that are caused by a member of your household or a guest can't be the reason for evicting you or terminating your rental assistance if you were the victim of the abuse.

## **Reasons You Can Be Evicted**

You can be evicted and your rental assistance can be terminated if the housing authority or your landlord can show there is an *actual* and *imminent* (immediate) threat to other tenants or employees at the property if you remain in your housing. Also, you can be evicted and your rental assistance can be terminated for serious or repeated lease violations that are not related to the domestic violence, dating violence, sexual assault or stalking committed against you. The housing authority and your landlord cannot hold you to a more demanding set of rules than it applies to tenants who are not victims.

## **Removing the Abuser from the Household**

Your landlord may split the lease to evict a tenant who has committed criminal acts of violence against family members or others, while allowing the victim and other household members to stay in the assisted unit. Also, the housing authority can terminate the abuser's Section 8 rental assistance while allowing you to continue to receive assistance. If the landlord or housing authority chooses to remove the abuser, it may not take away the remaining tenants' rights to the unit or otherwise punish the remaining tenants. In removing the abuser from the household, your landlord must follow federal, state, and local eviction procedures.

## **Moving to Protect Your Safety**

The housing authority may permit you to move and still keep your rental assistance, even if your current lease has not yet expired. The housing authority may require that you be current on your rent or other obligations in the housing choice voucher program. The housing authority may ask you to provide proof that you are moving because of incidences of abuse.

## **Proving that You or an Affiliated Member of your Household Are a Victim of Domestic Violence, Dating Violence, Sexual Assault or Stalking**

The housing authority and your landlord can ask you to prove or "certify" that you are a victim of domestic violence, dating violence, sexual assault or stalking. The housing authority you're your landlord must give you at least 14 business days (i.e. Saturdays, Sundays, and holidays do not count) to provide this proof. The housing authority and your landlord are free to extend the deadline. There are three ways you can prove that you are a victim:

- Complete the certification form given to you by the housing authority or your landlord. The form will ask for your name, the name of the perpetrator-only if the name of perpetrator is safe to provide and is known to you, the relationship to you-if safe to provide and is known to you, the date, time, and location of the incident and a description of the incident.
- Provide a statement from a victim service provider, attorney, mental health provider, or medical professional who has helped you address incidents of domestic violence, dating violence, sexual assault or stalking. The professional must state that he or she believes that the incidents of abuse are real. Both you and the professional must sign the statement, and both of you must state that you are signing "under penalty of perjury."
- Provide a police or court record, such as a protective order. If you fail to provide one of these documents within the required time, the landlord may evict you, and the housing authority may terminate your rental assistance.

## **Confidentiality**

The housing authority and your landlord must keep confidential any information you provide about the incident, unless:

- You give written permission to the housing authority or your landlord to release the information.

- Your landlord needs to use the information in an eviction proceeding, such as to evict your abuser.
- A law requires the housing authority or your landlord to release the information. If release of the information would put your safety at risk, you should inform the housing authority and your landlord.

## **VAWA and Other Laws**

VAWA does not limit the housing authority's or your landlord's duty to honor court orders about access to or control of the property. This includes orders issued to protect a victim and orders dividing property among household members in cases where a family breaks up.

VAWA does not replace any federal, state, or local law that provides greater protection for victims of domestic violence, dating violence, sexual assault or stalking.

## **For Additional Information**

If you have any questions regarding VAWA, please contact Community Legal Services at 681-1177.

For help and advice on escaping an abusive relationship, call the National Domestic Violence Hotline at 1-800-799-SAFE (7233) or 1-800-787-3224 (TTY).

## **Definitions**

For purposes of determining whether a tenant may be covered by VAWA, the following list of definitions applies:

As used in VAWA:

- The term *affiliated individual* means, with respect to an individual:
  - a spouse, parent, brother, sister, or child of that individual, or a person to whom that individual stands in the place of a parent or guardian (for example, the affiliated individual is a person in the care, custody, or control of that individual): or
  - any individual, tenant, or lawful occupant living in the household of that individual.
- The term *bifurcate* means, with respect to a public housing or a Section 8 lease, to divide a lease as a matter of law such that certain tenants or lawful occupants can be evicted or removed while the remaining family members' lease and occupancy rights are allowed to remain intact.
- The term *dating violence* means violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim; and where the existence of such a relationship shall be determined based on a consideration of the following factors:
  - The length of the relationship
  - The type of relationship
  - The frequency of interaction between the persons involved in the relationship

The term *domestic violence* includes felony or misdemeanor crimes of violence committed by a current or former spouse or intimate partner of the victim, by a person with whom the victim shares a child in common, by a person who is cohabitating with or has cohabitated with the victim as a spouse or intimate partner, by a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction receiving grant monies, or by any other person against an adult or youth victim who is protected from that person's acts under the domestic or family violence laws of the jurisdiction

- The term *sexual assault* means any nonconsensual sexual act proscribed by Federal, tribal, or State law, including when the victim lacks capacity to consent.

- The term *spouse or intimate partner* of the victim includes a person who is or has been in a social relationship of a romantic or intimate nature with the victim, as determined by the length of the relations, the type of relationship, and the frequency of interaction between the persons involved in the relationship.
- The term *stalking* means engaging in a course of conduct directed at a specific person that would cause a reasonable person to:
  - Fear for the person’s individual safety or the safety of others; or
  - Suffer substantial emotional distress.

**EXHIBIT 16-2: SAMPLE NOTICE TO HOUSING CHOICE VOUCHER OWNERS AND MANAGERS REGARDING THE VIOLENCE AGAINST WOMEN ACT (VAWA)**

*This sample notice was adapted from a notice prepared by the National Housing Law Project.*

A federal law that went into effect in 2013 protects individuals who are victims of domestic violence, dating violence, sexual assault and stalking. The name of the law is the Violence against Women Act, or “VAWA.” This notice explains your obligations under VAWA.

**Protections for Victims**

You cannot refuse to rent to an applicant solely because he or she is a victim of domestic violence, dating violence, sexual assault or stalking.

You cannot evict a tenant who is the victim of domestic violence, dating violence, sexual assault or stalking based on acts or threats of violence committed against the victim. Also, criminal acts directly related to the domestic violence, dating violence, sexual assault or stalking that are caused by a household member or guest cannot be cause for evicting the victim of the abuse.

**Permissible Evictions**

You can evict a victim of domestic violence, dating violence, sexual assault or stalking if you can demonstrate that there is an actual or imminent (immediate) threat to other tenants or employees at the property if the victim is not evicted. Also, you may evict a victim for serious or repeated lease violations that are not related to the domestic violence, dating violence, sexual assault or stalking. You cannot hold a victim of domestic violence, dating violence, sexual assault or stalking to a more demanding standard than tenants who are not victims.

**Removing the Abuser from the Household**

You may split the lease to evict a tenant who has committed criminal acts of violence against family members or others, while allowing the victim and other household members to stay in the unit. If you choose to remove the abuser, you may not take away the remaining tenants’ rights to the unit or otherwise punish the remaining tenants. In removing the abuser from the household, you must follow federal, state, and local eviction procedures.

**Certification of Domestic Violence, Dating Violence, Sexual Assault or Stalking**

If a tenant asserts VAWA’s protections, you can ask the tenant to certify that he or she is a victim of domestic violence, dating violence, sexual assault or stalking. You are not required to demand official documentation and may rely upon the victim’s statement alone. If you choose to request certification, you must do so in writing and give the tenant at least 14 business days to provide documentation. You are free to extend this deadline. A tenant can certify that he or she is a victim by providing any one of the following three documents:

- By completing a HUD-approved certification form. The most recent form is HUD-5382. This form is available at the housing authority, or online at <http://www.hud.gov/offices/adm/hudclips/>.

- By providing a statement from a victim service provider, attorney, or medical professional who has helped the victim address incidents of domestic violence, dating violence, *sexual assault* or stalking. The professional must state that he or she believes that the incidents of abuse are real. Both the victim and the professional must sign the statement under penalty of perjury.
- By providing a police or court record, such as a protective order.

If the tenant fails to provide one of these documents within 14 business days, you may evict the tenant if authorized by otherwise applicable law and lease provisions.

### **Confidentiality**

You must keep confidential any information a tenant provides to certify that he or she is a victim of domestic violence, dating violence, sexual assault or stalking. You cannot enter the information into a shared database or reveal it to outside entities unless:

- The tenant provides written permission releasing the information.
- The information is required for use in an eviction proceeding, such as to evict the abuser.
- Release of the information is otherwise required by law.

The victim should inform you if the release of the information would put his or her safety at risk.

### **VAWA and Other Laws**

VAWA does not limit your obligation to honor court orders regarding access to or control of the property. This includes orders issued to protect the victim and orders dividing property among household members in cases where a family breaks up.

VAWA does not replace any federal, state, or local law that provides greater protection for victims of domestic violence, dating violence, sexual assault or stalking.

### **Additional Information**

- If you have any questions regarding VAWA, please contact Community Legal Services at 681-1177.
- HUD Notice PIH 2006-42 contains detailed information regarding VAWA's certification requirements. The notice is available at <http://www.hud.gov/offices/adm/hudclips/>.

### **Definitions**

For purposes of determining whether a tenant may be covered by VAWA, the following list of definitions applies:

- The term *affiliated individual* means, with respect to an individual:
  - a spouse, parent, brother, sister, or child of that individual, or a person to whom that individual stands in the place of a parent or guardian (for example, the affiliated individual is a person in the care, custody, or control of that individual): or
  - any individual, tenant, or lawful occupant living in the household of that individual.
- The term *bifurcate* means, with respect to a public housing or a Section 8 lease, to divide a lease as a matter of law such that certain tenants or lawful occupants can be evicted or removed while the remaining family members' lease and occupancy rights are allowed to remain intact.
- The term *dating violence* as violence committed by a person (1) who is or has been in a social relationship of a romantic or intimate nature with the victim AND (2) where the existence of such a relationship shall be determined based on a consideration of the following factors:

- The length of the relationship
- The type of relationship
- The frequency of interaction between the persons involved in the relationship
- The term *domestic violence* includes felony or misdemeanor crimes of violence committed by a current or former spouse or intimate partner of the victim, by a person with whom the victim shares a child in common, by a person who is cohabitating with or has cohabitated with the victim as a spouse or intimate partner, by a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction receiving grant monies, or by any other person against an adult or youth victim who is protected from that person's acts under the domestic or family violence laws of the jurisdiction.
- The term *sexual assault* means nonconsensual sexual act proscribed by Federal, tribal, or State law, including when the victim lacks capacity to consent.
- The term *spouse or intimate partner* of the victim includes a person who is or has been in a social relationship of a romantic or intimate nature with the victim, as determined by the length of the relations, the type of relationship, and the frequency of interaction between the persons involved in the relationships.
- The term *stalking* means engaging in a course of conduct directed at a specific person that would cause a reasonable person to:
  - Fear for the person's individual safety or the safety of others; or
  - Suffer substantial emotional distress.

### **CONDUCTING BUSINESS IN ACCORDANCE WITH ETHICAL VALUES**

The Section 8 Administrative Plan incorporates the following Mohave County Policies and Procedures:

- Mohave County Personnel Policies and Procedures Merit System Section D-Code of Ethics, 4.5, Employee Conduct and 4.51, Prohibited Conduct.
- Mohave County Personnel Policies and Procedures Merit System 4.6, Discipline Process, Section 4.61, Pre-Disciplinary Meeting, Section 4.62, Types of Discipline, and 4.7, No Fault Separation.
- Mohave County Housing Authority's (MCHA)/Mohave County Community Services Department (MCCSD) Conflict of Interest Policy. This policy includes the conflict of interest requirements of the HCV program cited in 24 CFR 982.161 and the prohibition of the acceptance of gifts or gratuities. The policy incorporates Mohave County Personnel Policies and Procedures Merit System Section D-Code of Ethics, 4.5, Employee Conduct, 4.51, Prohibited Conduct and the Arizona Revised Statutes (A.R.S. §38-503)

Employees of MCHA are employees of Mohave County and are subject to the above Mohave County Personnel Policies Merit System and the Conflict-of-Interest Policy. Violation of the MCHA's/MCCD Conflict of Interest and or Mohave County Personnel Policies and Procedures Merit System shall result in disciplinary action up to and including termination of employment.

**Chapter 18**  
**VASH PROGRAM**  
**(Veterans Administration Supportive Housing Program)**

The MCHA administers vouchers awarded specifically for the VASH program to assist homeless veterans. Listed below are applicable exceptions to HUD's regulatory requirements for the HCVP. Unless noted as an exception below or as directed by HUD, VASH participants abide by the same program requirements as other HCVP participants.

### **18.1 WAITING LIST**

The MCHA does not maintain a waiting list for VASH applicants. Potential participants are referred to the MCHA by the Veterans Administration Medical Center (VAMC) in Prescott, Arizona.

### **18.2 APPLICANT SCREENING**

The only screening performed by the MCHA for VASH applicants is to ensure they are not registered sex offenders and that they are not already receiving Section 8 rental assistance. VASH applicants are not required to submit fingerprint cards. However, as with regular participants, the MCHA will conduct a court records search for VASH participants at annual certification and may be terminated from the HCVP based on criminal activity.

### **18.3 INCOME**

Compensated Work Therapy (CWT) is a Veterans Health Administration (VHA) treatment program that consists of two major clinical models: transitional work and supported employment. Both are integrated into treatment, and provided under medical orders of VHA physicians. CWT is not considered temporary employment program by VHA, and there are no regulations establishing a time limit on participation. Participation is based on the treatment needs of the individual veteran, and judgment of the treatment team. Therefore, the number of hours per week/month, the length of participation, and the number of times the veteran participates in such programs varies widely among veterans.

The MCHA cannot make a general determination that such income should be excluded as temporary, nonrecurring or sporadic income because in the case of CWT and Incentive Therapy (IT), the factors for making such a determination are case specific, not program specific. Circumstances vary considerably depending on the situation of each veteran and local VA administrative policies.

The MCHA will verify the projected length of time for participation and determine if the income is temporary on case-by-case basis. Generally, participation of 6 months or less in either program will be considered temporary the first time the veteran participates in the program. After the first time, the veteran's wages will be considered income if the veteran will be in the program for more than three months.

### **18.4 HOUSING AND LEASE TERM**

VASH participants may live on the grounds of a VAMC in units owned by the Veterans Administration.

Initial leases may be less than 12 months.

### **18.5 PORTABILITY**

The MCHA will obtain approval from the VAMC before approving a VASH participant to port to another housing authority's jurisdiction. (The VAMC must first ensure there is a VAMC in the area with a case manager to meet the needs of the participant.)

## **18.6 TERMINATION OF ASSISTANCE**

When the VAMC terminates a participant from the program for failing to adhere to case management or other VAMC requirements, the MCHA will terminate the rental assistance as provided in HUD regulations.

Before terminating a VASH participant for HCV program violations, the MCHA will discuss the proposed termination with VAMC staff. Terminations will be decided on a case-by-case basis.

## **18.7 VOUCHER REISSUANCE**

When a VASH participant no longer requires case management services, the participant will continue in the HCVP using the VASH voucher. The MCHA will not issue a regular voucher to replace the VASH voucher. Vouchers issued under this program remain VASH vouchers upon turnover.

## **Chapter 19**

### **PROJECT-BASED VOUCHERS**

#### **INTRODUCTION**

This chapter describes HUD regulations and PHA policies related to the project-based voucher (PBV) program in nine parts:

Part I: General Requirements. This part describes general provisions of the PBV program including maximum budget authority requirements, relocation requirements, and equal opportunity requirements.

Part II: PBV Owner Proposals. This part includes policies related to the submission and selection of owner proposals for PBV assistance. It describes the factors the PHA will consider when selecting proposals, the type of housing that is eligible to receive PBV assistance, the cap on assistance at projects receiving PBV assistance, subsidy layering requirements, site selection standards, and environmental review requirements.

Part III: Dwelling Units. This part describes requirements related to NSPIRE, the type and frequency of inspections, and housing accessibility for persons with disabilities.

Part IV: Rehabilitated and Newly Constructed Units. This part describes requirements and policies related to the development and completion of rehabilitated and newly constructed housing units that will be receiving PBV assistance.

Part V: Housing Assistance Payments Contract. This part discusses HAP contract requirements and policies including the execution, term, and termination of the HAP contract. In addition, it describes how the HAP contract may be amended and identifies provisions that may be added to the HAP contract at the PHA's discretion.

Part VI: Selection of PBV Program Participants. This part describes the requirements and policies governing how the PHA and the owner will select a family to receive PBV assistance.

Part VII: Occupancy. This part discusses occupancy requirements related to the lease, and describes under what conditions families are allowed or required to move. In addition, exceptions to the occupancy cap (which limits PBV assistance to 25 percent of the units in any project) are also discussed.

Part VIII: Determining Rent to Owner. This part describes how the initial rent to owner is determined, and how rent will be redetermined throughout the life of the HAP contract. Rent reasonableness requirements are also discussed.

Part IX: Payments to Owner. This part describes the types of payments owners may receive under this program.

## **PART I: GENERAL REQUIREMENTS**

### **19-I.A. OVERVIEW [24 CFR 983.5]**

The project-based voucher (PBV) program allows PHAs that already administer a tenant-based voucher program under an annual contributions contract (ACC) with HUD to take up to 20 percent of its vouchers under its Annual Contributions Contract and attach the funding to specific units rather than using it for tenant-based assistance. Additionally, under HOTMA a PHA may project-base an additional 10 percent of its ACC authorized units above the 20 percent program limit, provided the additional units fall into one of the eligible exception categories. [24 CFR 983.6, Housing Modernization Act (HOTMA) of 2016, PIH 2017-21]. PHAs may only operate a PBV program if doing so is consistent with the PHA's Annual Plan and 5 Year Plan and the goal of deconcentrating poverty and expanding housing and economic opportunities [42 U.S.C. 1437f(o)(13)].

#### **MCHA Policy**

The MCHA plans to operate a project-based voucher program using up to 20 percent of its VASH vouchers under its ACC authority for project-based assistance. In addition MCHA may also project base an additional 10 percent of its VASH vouchers under the HOTMA exception.

PBV assistance may be attached to existing housing or newly constructed or rehabilitated housing [24 CFR 983.52]. If PBV units are already selected for project-based assistance either under an agreement to enter into HAP Contract (Agreement) or a HAP contract, the PHA is not required to reduce the number of these units if the amount of budget authority is subsequently reduced. However, the PHA is responsible for determining the amount of budget authority that is available for project-based vouchers and ensuring that the amount of assistance that is attached to units is within the amounts available under the ACC [24 CFR 983.6].

### **19-I.B. TENANT-BASED VS. PROJECT-BASED VOUCHER ASSISTANCE [24 CFR 983.2]**

Much of the tenant-based voucher program regulations also apply to the PBV program. Consequently, many of the PHA policies related to tenant-based assistance also apply to PBV assistance. The provisions of the tenant-based voucher regulations that do not apply to the PBV program are listed at 24 CFR 983.2.

#### **MCHA Policy**

Except as otherwise noted in this chapter, or unless specifically prohibited by PBV program regulations, the PHA policies for the tenant-based voucher program contained in this administrative plan also apply to the PBV program and its participants.

### **19-I.C. RELOCATION REQUIREMENTS [24 CFR 983.7]**

Any persons displaced as a result of implementation of the PBV program must be provided relocation assistance in accordance with the requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (URA)[42 U.S.C. 4201-4655] and implementing regulations at 49 CFR part 24.

The cost of required relocation assistance may be paid with funds provided by the owner, local public funds, or funds available from other sources. PHAs may not use voucher program funds to cover relocation costs, except that PHAs may use their administrative fee reserve to pay for relocation expenses after all other program administrative expenses are satisfied, and provided that payment of the relocation benefits is consistent with state and local law. Use of the administrative fee for these purposes must also be consistent with other legal and regulatory requirements, including the requirement in 24 CFR 982.155 and other official HUD issuances.

The acquisition of real property for a PBV project is subject to the URA and 49 CFR part 24, subpart B. It is the responsibility of the PHA to ensure the owner complies with these requirements.

## **19-I.D. EQUAL OPPORTUNITY REQUIREMENTS [24 CFR 983.8]**

The PHA must comply with all equal opportunity requirements under federal law and regulations in its implementation of the PBV program. This includes the requirements and authorities cited at 24 CFR 5.105(a). In addition, the PHA must comply with the PHA Plan certification on civil rights and affirmatively furthering fair housing, submitted in accordance with 24 CFR 903.7(o).

## **PART II: PBV OWNER PROPOSALS**

### **19-II.A. OVERVIEW**

The PHA must describe the procedures for owner submission of PBV proposals and for PHA selection of PBV proposals [24 CFR 983.51]. Before selecting a PBV proposal, the PHA must determine that the PBV proposal complies with HUD program regulations and requirements, including a determination that the property is eligible housing [24 CFR 983.53 and 983.54], complies with the cap on the number of PBV units per project [24 CFR 983.56, HOTMA and PIH-2017-21], and meets the site selection standards [24 CFR 983.57].

### **19-II.B. OWNER PROPOSAL SELECTION PROCEDURES [24 CFR 983.51]**

The PHA must select PBV proposals in accordance with the selection procedures in the PHA administrative plan. The PHA must select PBV proposals by either of the following two methods.

- PHA request for PBV Proposals. The PHA may solicit proposals by using a request for proposals to select proposals on a competitive basis in response to the PHA request. The PHA may not limit proposals to a single site or impose restrictions that explicitly or practically preclude owner submission of proposals for PBV housing on different sites.
- The PHA may select proposal that were previously selected based on a competition. This may include selection of a proposal for housing assisted under a federal, state, or local government housing assistance program that was subject to a competition in accordance with the requirements of the applicable program, community development program, or supportive services program that requires competitive selection of proposals (e.g., HOME, and units for which competitively awarded LIHTCs have been provided), where the proposal has been selected in accordance with such program's competitive selection requirements within three years of the PBV proposal selection date, and the earlier competitive selection proposal did not involve any consideration that the project would receive PBV assistance.

### **Solicitation and Selection of PBV Proposals [24 CFR 983.51(b) and (c)]**

PHA procedures for selecting PBV proposals must be designed and actually operated to provide broad public notice of the opportunity to offer PBV proposals for consideration by the PHA. The public notice procedures may include publication of the public notice in a local newspaper of general circulation and other means designed and actually operated to provide broad public notice. The public notice of the PHA request for PBV proposals must specify the submission deadline. Detailed application and selection information must be provided at the request of interested parties.

#### **MCHA Policy**

##### **PHA Request for Proposals for Rehabilitated and Newly Constructed Units**

- MCHA will work with Mohave County Procurement Department in advertising request for proposals in compliance with federal and state law and Mohave County's Procurement Code.
- In order for the proposal to be considered, the owner must submit the proposal to the PHA by the published deadline date, and the proposal must respond to all requirements as outlined in the RFP.
- MCHA will rate and rank proposals for rehabilitated and newly constructed housing using at minimum the following criteria:
- Owner experience and capability to build or rehabilitate housing as identified in the RFP;

- Experience as an owner in the tenant-based voucher program and owner compliance with the owner's obligations under the tenant-based program
- Extent to which the project furthers the PHA goal of deconcentrating poverty and expanding housing and economic opportunities;
- The density of the project and amenities – less dense will receive more points as will those projects with additional amenities on site.
- If applicable, the extent to which services for special populations are provided on site or in the immediate area for occupants of the property; and
- Projects with less than 25 percent of the units assisted will be rated higher than projects with 25 percent of the units assisted. In the case of projects for occupancy by the elderly, persons with disabilities or families needing other services, the PHA will rate partially assisted projects on the percent of units assisted. Projects with the lowest percent of assisted units will receive the highest score.

MCHA may add additional rating and ranking criteria.

#### PHA Requests for Proposals for Existing Housing Units

MCHA will work with Mohave County Procurement Department in advertising request for proposals in compliance with federal and state law and Mohave County's Procurement Code.

In order for the proposal to be considered, the owner must submit the proposal to the PHA by the published deadline date, and the proposal must respond to all requirements as outlined in the RFP. Incomplete proposals will not be reviewed.

Proposals will be evaluated on the following minimum criteria:

- Experience as an owner in the tenant-based voucher program and owner compliance with the owner's obligations under the tenant-based program;
- Extent to which the project furthers the PHA goal of deconcentrating poverty and expanding housing and economic opportunities;
- The density of the project and amenities included – less dense will receive more points as will those projects with additional amenities on site.
- If applicable, extent to which services for special populations are provided on site or in the immediate area for occupants of the property; and
- Extent to which units are occupied by families that are eligible to participate in the PBV program.

MCHA may add additional rating and ranking criteria.

#### PHA Selection of Proposals Subject to a Previous Competition under a Federal, State, or Local Housing Assistance Program

The PHA will accept proposals for PBV assistance from owners that were competitively selected under another federal, state or local housing assistance program, including projects that were competitively awarded Low-Income Housing Tax Credits on an ongoing basis.

The PHA may periodically advertise that it is accepting proposals.

In addition to, or in place of advertising, the PHA may also directly contact specific owners that have already been selected for Federal, state, or local housing assistance based on a previously held competition, to inform them of available PBV assistance.

Proposals will be reviewed on a first-come first-served basis. The PHA will evaluate each proposal on its merits using the following factors:

- Experience as an owner in the tenant-based voucher program and owner compliance with the owner's obligations under the tenant-based program;
- Extent to which the project furthers the PHA goal of deconcentrating poverty and expanding housing and economic opportunities; and

- Extent to which the proposal complements other local activities such as the redevelopment of a public housing site under the HOPE VI program, the HOME program, CDBG activities, other development activities in a HUD-designated Enterprise Zone, Economic Community, or Renewal Community.

### **PHA-owned Units [24 CFR 983.51(e) and 983.59]**

A PHA-owned unit may be assisted under the PBV program only if the HUD field office or HUD-approved independent entity reviews the selection process and determines that the PHA-owned units were appropriately selected based on the selection procedures specified in the PHA administrative plan. If the PHA selects a proposal for housing that is owned or controlled by the PHA, the PHA must identify the entity that will review the PHA proposal selection process and perform specific functions with respect to rent determinations and inspections.

In the case of PHA-owned units, the initial contract rent must be approved by an independent entity based on an appraisal by a licensed, state-certified appraiser. In addition, NSPIRE inspections must be conducted by an independent entity.

The independent entity that performs these program services may be the unit of general local government for the PHA jurisdiction (unless the PHA is itself the unit of general local government or an agency of such government) or another HUD-approved public or private independent entity.

#### MCHA Policy

MCHA will not project base any units at MCHA owned properties.

The PHA may only compensate the independent entity and appraiser from PHA ongoing administrative fee income (including amounts credited to the administrative fee reserve). The PHA may not use other program receipts to compensate the independent entity and appraiser for their services. The PHA, independent entity, and appraiser may not charge the family any fee for the appraisal or the services provided by the independent entity.

### **PHA Notice of Owner Selection [24 CFR 983.51(d)]**

The PHA must give prompt written notice to the party that submitted a selected proposal and must also give prompt public notice of such selection. Public notice procedures may include publication of public notice in a local newspaper of general circulation and other means designed and actually operated to provide broad public notice.

#### MCHA Policy

MCHA will work with Mohave County Procurement Department in advertising request for proposals and in notification requirements in compliance with federal and state law and Mohave County's Procurement Code.

The PHA will make available to any interested party its rating and ranking sheets and documents that identify the PHA basis for selecting the proposal. These documents will be available for review by the public and other interested parties for one month after publication of the notice of owner selection. The PHA will not make available sensitive owner information that is privileged, such as financial statements and similar information about the owner.

The PHA will make these documents available for review at the PHA during normal business hours. The cost for reproduction of allowable documents will be \$.25 per page.

### **19-II.C. HOUSING TYPE [24 CFR 983.52]**

The PHA may attach PBV assistance for units in existing housing or for newly constructed or rehabilitated housing developed under and in accordance with an agreement to enter into a housing assistance payments contract that was executed prior to the start of construction. A housing unit is considered an existing unit for purposes of the PBV program, if, at the time of notice of PHA selection, the units substantially comply with NSPIRE. Units for which new construction or rehabilitation was started in accordance with PBV program requirements do not qualify as existing housing.

The PHA must decide what housing type, new construction, rehabilitation, or existing housing, will be used to develop project-based housing. The PHA choice of housing type must be reflected in its solicitation for proposals.

#### **19-II.D. PROHIBITION OF ASSISTANCE FOR CERTAIN UNITS**

##### **Ineligible Housing Types [24 CFR 983.53]**

The PHA may not attach or pay PBV assistance to shared housing units; units on the grounds of a penal reformatory, medical, mental, or similar public or private institution; nursing homes or facilities providing continuous psychiatric, medical, nursing services, board and care, or intermediate care (except that assistance may be provided in assisted living facilities); units that are owned or controlled by an educational institution or its affiliate and are designated for occupancy by students; manufactured homes; and transitional housing. In addition, the PHA may not attach or pay PBV assistance for a unit occupied by an owner and the PHA may not select or enter into an agreement to enter into a HAP contract or HAP contract for a unit occupied by a family ineligible for participation in the PBV program.

##### **Subsidized Housing [24 CFR 983.54]**

A PHA may not attach or pay PBV assistance to units in any of the following types of subsidized housing:

- A public housing unit;
- A unit subsidized with any other form of Section 8 assistance;
- A unit subsidized with any governmental rent subsidy;
- A unit subsidized with any governmental subsidy that covers all or any part of the operating costs of the housing;
- A unit subsidized with Section 236 rental assistance payments (except that a PHA may attach assistance to a unit subsidized with Section 236 interest reduction payments);
- A Section 202 project for non-elderly with disabilities;
- Section 811 project-based supportive housing for persons with disabilities;
- Section 202 supportive housing for the elderly;
- A Section 101 rent supplement project;
- A unit subsidized with any form of tenant-based rental assistance;
- A unit with any other duplicative federal, state, or local housing subsidy, as determined by HUD or the PHA in accordance with HUD requirements.

#### **19-II.E. SUBSIDY LAYERING REQUIREMENTS [24 CFR 983.55, FR Notice 09/26/14]**

The PHA may provide PBV assistance only in accordance with HUD subsidy layering regulations [24 CFR 4.13] and other requirements.

The subsidy layering review is intended to prevent excessive public assistance by combining (layering) housing assistance payment subsidy under the PBV program with other governmental housing assistance from federal, state, or local agencies, including assistance such as tax concessions or tax credits.

The PHA must submit the necessary documentation to HUD for a subsidy layering review. Except in cases of HAP contracts for existing structures, or if such reviews have been conducted by the applicable state and local agencies (defined by HUD as qualified housing credit agencies, or HCAs), the PHA may not enter into an agreement to enter into a HAP contract or a HAP contract until HUD, or an independent entity approved by HUD, has conducted any required subsidy layering review and determined that the PBV assistance is in accordance with HUD subsidy layering requirements. However, in order to satisfy applicable requirements, HCAs must conduct subsidy layering reviews in compliance with the guidelines set forth in the *Federal Register* notice published September 26, 2014.

The HAP contract must contain the owner's certification that the project has not received and will not receive (before or during the term of the HAP contract) any public assistance for acquisition, development, or operation of the housing other than assistance disclosed in the subsidy layering review in accordance with HUD requirements.

## **19-II.F. CAP ON NUMBER OF PBV UNITS IN EACH PROJECT**

### **25 Percent per Project Cap [24 CFR 983.56(a), HOTMA and PIH 2017-21]**

HOTMA amends the income-mixing requirement for an individual project (i.e., the project cap) so that the limitation on the number of PBVs in a project is now the greater of 25 units or 25 percent of the units in a project. Previously, the limitation was 25 percent of the units in a project.

HOTMA also makes changes to the exceptions to the project cap. The following units are excluded from the 25 percent or 25-unit project cap:

- Units exclusively serving elderly families.
- Units housing households eligible for supportive services available to all families receiving PBV assistance in the project.

Also, units in projects that are in a census tract with a poverty rate of 20 percent or less are subject to a higher (40%) cap.

Lastly, HOTMA provides that HUD may establish additional requirements for monitoring and oversight of projects in which more than 40 percent of the dwelling units are assisted under a PBV HAP contract.

The previous statutory definition of project for these purposes remains the same. That is, a project may be a single building, multiple contiguous buildings, or multiple buildings on contiguous parcels of land.

### **Exceptions to 25 Percent per Project Cap**

An exception to the project cap means that a particular category of units is excluded altogether from the 25 percent or 25-unit project cap. As of April 18, 2017, the exceptions to the project cap are:

- Units exclusively serving elderly families.
- Units housing households eligible for one or more supportive services available to all families receiving PBV assistance in the project.

A PHA is not limited with respect to the number of units in a project it can make available for an excepted category or categories. A PHA may designate 100 percent of the units in a project for occupancy by an excepted category (or categories).

Prior to HOTMA, dwelling units specifically made available for households comprised of elderly families, families with a household member with disabilities, and families receiving supportive services were excepted from the project cap. HOTMA retains the exception for elderly families. It modifies the exception for families receiving supportive services so that such families must simply be “eligible for” supportive services (see section (3)(b) of this attachment). HOTMA eliminates the exception for families with a household member with disabilities.

With respect to PBV units that were excepted from the income mixing requirement under the pre-HOTMA exception for families with a household member with disabilities, the PHA must generally continue to operate under the terms of that existing contract. In other words, the pre-HOTMA exception for families with a household member with disabilities continues to apply for those units and the PHA would refer families with a household member with disabilities to the owner to fill vacancies for units covered by this pre-HOTMA exception under the HAP contract. See section 6 of this attachment for information on the impact of the HOTMA changes on excepted units for existing contracts and how changes can be made to serve additional populations.

Qualifying families. With respect to units excepted from the income mixing requirement under the HOTMA exception categories, the PHA may refer only qualifying families for occupancy of excepted units under (a) and (b) below.

- A. Units for elderly families. Units that are exclusively made available to elderly families are excepted from the project cap. The term elderly family is defined in 24 CFR §5.403 as follows: “Elderly family means a family whose head (including co-head), spouse, or sole member is a person who is at least 62 years of age. It may include two or more persons who are at least 62 years of age living together, or one or more persons who are at least 62 years of age living with one or more live-in aides.”

It is not necessary that the entire project or buildings within the project be designated as elderly in order for the exception to apply. Under the PBV program, projects are not “designated” as elderly as is the case in other programs, such as the Public Housing or Section 202 Elderly Programs. The owner must identify under the HAP contract, however, the particular number of units that are exclusively made available for elderly families. As each unit turns over, the PHA may amend the HAP contract to transfer the exception status from one unit to another, provided it is possible to substitute a different unit for the formerly excepted unit in the project in accordance with 24 CFR §983.207(a).

As provided under 24 CFR §983.262(e), a PHA may allow a family that initially qualified for occupancy of an excepted unit based on elderly family status to continue to reside in a unit, where through circumstances beyond the control of the family (e.g., death or long-term or permanent hospitalization or nursing care of the elderly family member), the elderly family member no longer resides in the unit. In this case, the unit may continue to count as an excepted unit for as long as the family resides in that unit. Once the family vacates the unit, in order to continue as an excepted unit under the HAP contract, the unit must be made available to and occupied by a qualifying family, unless it is possible to transfer the exception status to another unit as described in the paragraph above.

- B. Units for households eligible for supportive services. Under HOTMA, dwelling units that are exclusively made available to “households eligible for supportive services that are made available to the assisted residents of the project, according to the standards for such services the Secretary may establish” are excepted from the project cap. Previously, the supportive services exception applied only if the family was receiving supportive services.

In order for the supportive services exception to apply to a unit, the project must make supportive services available to all assisted families in the project, and the family must be eligible for one or more of the services. The family may, but is not required to, participate in the services. A PHA may not require participation in supportive services as a condition of living in an excepted unit, which means that a PHA may not rely solely on a supportive services program that would require the family to engage in the services once enrolled, such as the Family Self-Sufficiency (FSS) program, for the unit to qualify for the supportive services exception.

The exception applies to any household eligible for the supportive services and is not limited to households with a family member with a disability. The supportive services do not need to be provided by the owner or on-site, but the services must be reasonably available to the families receiving PBV assistance in the project and designed to help the families in the project achieve self-sufficiency or live in the community as independently as possible.

A PHA must include in its Administrative Plan the type of services offered to families for the units to qualify under the exception and the extent to which such services will be provided.

HUD encourages PHAs to consider how the structure of their supportive services package may impact a family’s continued eligibility for the supportive services and the unit’s excepted status. The unit loses its excepted status if the family becomes ineligible for the supportive services during its tenancy, provided that: (i) the family becomes ineligible for all supportive services available to the family, and (ii) the family becomes

ineligible for reasons other than successfully completing the supportive services objective. A family that becomes ineligible for the supportive services during its tenancy cannot be terminated from the program or evicted from the unit. If the unit loses its excepted status, and the PHA does not want to reduce the number of excepted units in its project-based portfolio, the PHA may:

- (i) Substitute the excepted unit for a non-excepted unit if it is possible to do so in accordance with 24 CFR §983.207(a). A PHA may wish to consider whether adding units to the HAP contract is an appropriate strategy to allow for the substitution of units. For example, Bay View Project has a total of 100 units. 50 of those units are under a PBV HAP contract and are all excepted units. In this case, the PHA may add nonexcepted units to the contract (provided it is possible to do so under PBV requirements) to allow for the substitution of the excepted unit for the non-excepted unit. See section 6 of this attachment for more information on adding units to existing HAP contracts.
- (ii) Remove the unit from the PBV HAP contract and provide the family with tenant-based assistance. Once the family has moved from the unit, add the unit back to the contract in accordance with 24 CFR §983.207(b), as amended by HOTMA. Any family newly admitted to the unit must be eligible for supportive services in order for the unit to retain its excepted status. In the case of a family that chooses to participate in the supportive services, as described by the PHA in the Administrative Plan, and successfully completes the supportive services objective, as defined by the PHA in its Administrative Plan

#### MCHA Policy

- MCHA will provide PBV assistance for excepted units.
- MCHA will consider any of the following eligible support services:
  - Individual Person-Centered Planning
  - Case Management and Coordination of Services
  - Linkages with Medical, Mental Health, and Substance Abuse Treatment with Area Providers
  - Harm Reduction Strategies to Reduce the Consequences of Substance Abuse
  - Life Skills/Housing Retention Training
  - Self-Sufficiency Counseling
  - Job Training/Career Counseling
  - Money Management Counseling
  - Section 8 FSS Participation
  - Transportation for activities such as, (but not limited to) grocery shopping, job training, education, attending medical and dental appointments, etc
  - Treatment for drug addiction (for recovering and current users)
  - Treatment for alcohol addiction (for recovering and current users)
- At least one family member must be eligible to receive the above support services.

#### **Promoting Partially-Assisted Buildings [24 CFR 983.56(c)]**

A PHA may establish local requirements designed to promote PBV assistance in partially assisted buildings. A *partially assisted building* is a building in which there are fewer units covered by a HAP contract than residential units [24 CFR 983.3].

A PHA may establish a per-building cap on the number of units that will receive PBV assistance or other project-based assistance in a multifamily building containing excepted units or in a single-family building. A PHA may also determine not to provide PBV assistance for excepted units, or the PHA may establish a per-building cap of less than 25 percent.

#### MCHA Policy:

MCHA will not impose any further cap on the number of PBV units assisted per building.

## **19-II.G. SITE SELECTION STANDARDS**

### **Compliance with PBV Goals, Civil Rights Requirements, and NSPIRE Site Standards [24 CFR 983.57(b)]**

The PHA may not select a proposal for existing, newly constructed, or rehabilitated PBV housing on a site or enter into an agreement to enter into a HAP contract or HAP contract for units on the site, unless the PHA has determined that PBV assistance for housing at the selected site is consistent with the goal of deconcentrating poverty and expanding housing and economic opportunities. The standard for deconcentrating poverty and expanding housing and economic opportunities must be consistent with the PHA Plan under 24 CFR 903 and the PHA administrative plan.

In addition, prior to selecting a proposal, the PHA must determine that the site is suitable from the standpoint of facilitating and furthering full compliance with the applicable Civil Rights Laws, regulations, and Executive Orders, and that the site meets the NSPIRE site and neighborhood standards at 24 CFR 982.401(1).

#### MCHA Policy

It is the PHA goal to select sites for PBV housing that provide for deconcentrating poverty and expanding housing and economic opportunities. In complying with this goal the PHA will limit approval of sites for PBV housing in census tracts that have poverty concentrations of 20 percent or less.

However, the PHA will grant exceptions to the 20 percent standard where the PHA determines that the PBV assistance will complement other local redevelopment activities designed to deconcentrate poverty and expand housing and economic opportunities in census tracts with poverty concentrations greater than 20 percent, such as sites in:

- A census tract in which the proposed PBV development will be located in a HUD-designated Enterprise Zone, Economic Community, or Renewal Community;
- A census tract where the concentration of assisted units will be or has decreased as a result of public housing demolition and HOPE VI redevelopment;
- A census tract in which the proposed PBV development will be located is undergoing significant revitalization as a result of state, local, or federal dollars invested in the area;
- A census tract where new market rate units are being developed where such market rate units will positively impact the poverty rate in the area;
- A census tract where there has been an overall decline in the poverty rate within the past five years;
- or
- A census tract where there are meaningful opportunities for educational and economic advancement.

### **Existing and Rehabilitated Housing Site and Neighborhood Standards [24 CFR 983.57(d)]**

The PHA may not enter into an agreement to enter into a HAP contract nor enter into a HAP contract for existing or rehabilitated housing until it has determined that the site complies with the HUD required site and neighborhood standards. The site must:

- Be adequate in size, exposure, and contour to accommodate the number and type of units proposed;
- Have adequate utilities and streets available to service the site;
- Promote a greater choice of housing opportunities and avoid undue concentration of assisted persons in areas containing a high proportion of low-income persons;
- Be accessible to social, recreational, educational, commercial, and health facilities and services and other municipal facilities and services equivalent to those found in neighborhoods consisting largely of unassisted similar units; and
- Be located so that travel time and cost via public transportation or private automobile from the neighborhood to places of employment is not excessive.

## **New Construction Site and Neighborhood Standards [24 CFR 983.57(e)]**

In order to be selected for PBV assistance, a site for newly constructed housing must meet the following HUD required site and neighborhood standards:

- The site must be adequate in size, exposure, and contour to accommodate the number and type of units proposed;
- The site must have adequate utilities and streets available to service the site;
- The site must not be located in an area of minority concentration unless the PHA determines that sufficient, comparable opportunities exist for housing for minority families in the income range to be served by the proposed project outside areas of minority concentration or that the project is necessary to meet overriding housing needs that cannot be met in that housing market area;
- The site must not be located in a racially mixed area if the project will cause a significant increase in the proportion of minority to non-minority residents in the area.
- The site must promote a greater choice of housing opportunities and avoid undue concentration of assisted persons in areas containing a high proportion of low-income persons;
- The neighborhood must not be one that is seriously detrimental to family life or in which substandard dwellings or other undesirable conditions predominate;
- The housing must be accessible to social, recreational, educational, commercial, and health facilities and services and other municipal facilities and services equivalent to those found in neighborhoods consisting largely of unassisted similar units; and
- Except for housing designed for elderly persons, the housing must be located so that travel time and cost via public transportation or private automobile from the neighborhood to places of employment is not excessive.

## **19-II.H. ENVIRONMENTAL REVIEW [24 CFR 983.58]**

The PHA activities under the PBV program are subject to HUD environmental regulations in 24 CFR parts 50 and 58. The *responsible entity* is responsible for performing the federal environmental review under the National Environmental Policy Act of 1969 (42 U.S.C. 4321 et seq.). The PHA may not enter into an agreement to enter into a HAP contract nor enter into a HAP contract until it has complied with the environmental review requirements.

In the case of existing housing, the responsible entity that is responsible for the environmental review under 24 CFR part 58 must determine whether or not PBV assistance is categorically excluded from review under the National Environmental Policy Act and whether or not the assistance is subject to review under the laws and authorities listed in 24 CFR 58.5.

The PHA may not enter into an agreement to enter into a HAP contract or a HAP contract with an owner, and the PHA, the owner, and its contractors may not acquire, rehabilitate, convert, lease, repair, dispose of, demolish, or construct real property or commit or expend program or local funds for PBV activities under this part, until the environmental review is completed.

The PHA must supply all available, relevant information necessary for the responsible entity to perform any required environmental review for any site. The PHA must require the owner to carry out mitigating measures required by the responsible entity (or HUD, if applicable) as a result of the environmental review.

## **PART III: DWELLING UNITS**

### **19-III.A. OVERVIEW**

This part identifies the special NSPIRE that apply to the PBV program, housing accessibility for persons with disabilities, and special procedures for conducting NSPIRE inspections.

### **19-III.B. NSPIRE [24 CFR 983.101]**

The NSPIRE (NSPIRE) for the tenant-based program, including those for special housing types, generally apply to the PBV program. NSPIRE requirements for shared housing, manufactured home space rental, and the homeownership option do not apply because these housing types are not assisted under the PBV program.

The physical condition standards at 24 CFR 5.703 do not apply to the PBV program.

### **Lead-based Paint [24 CFR 983.101(c)]**

The lead-based paint requirements for the tenant-based voucher program do not apply to the PBV program. Instead, The Lead-based Paint Poisoning Prevention Act (42 U.S.C. 4821-4846), the Residential Lead-based Paint Hazard Reduction Act of 1992 (42 U.S.C. 4851-4856), and implementing regulations at 24 CFR part 35, subparts A, B, H, and R, apply to the PBV program.

### **19-III.C. HOUSING ACCESSIBILITY FOR PERSONS WITH DISABILITIES**

The housing must comply with program accessibility requirements of section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794) and implementing regulations at 24 CFR part 8. The PHA must ensure that the percentage of accessible dwelling units complies with the requirements of section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794), as implemented by HUD's regulations at 24 CFR 8, subpart C.

Housing first occupied after March 13, 1991, must comply with design and construction requirements of the Fair Housing Amendments Act of 1988 and implementing regulations at 24 CFR 100.205, as applicable. (24 CFR 983.102)

### **19-III.D. INSPECTING UNITS**

#### **Pre-selection Inspection [24 CFR 983.103(a)]**

The PHA must examine the proposed site before the proposal selection date. If the units to be assisted already exist, the PHA must inspect all the units before the proposal selection date, and must determine whether the units substantially comply with NSPIRE. To qualify as existing housing, units must substantially comply with NSPIRE on the proposal selection date. However, the PHA may not execute the HAP contract until the units fully comply with NSPIRE.

#### **Pre-HAP Contract Inspections [24 CFR 983.103(b)]**

The PHA must inspect each contract unit before execution of the HAP contract. The PHA may not enter into a HAP contract covering a unit until the unit fully complies with NSPIRE.

#### **Turnover Inspections [24 CFR 983.103(c)]**

Before providing assistance to a new family in a contract unit, the PHA must inspect the unit. The PHA may not provide assistance on behalf of the family until the unit fully complies with NSPIRE.

#### **Bi-Annual Inspections [24 CFR 983.103(d)]**

At least bi-annually during the term of the HAP contract, the PHA must inspect a random sample, consisting of at least 20 percent of the contract units in each building to determine if the contract units and the premises are maintained in accordance with NSPIRE. Turnover inspections are not counted toward meeting this annual inspection requirement.

If more than 20 percent of the annual sample of inspected contract units in a building fails the initial inspection, the PHA must reinspect 100 percent of the contract units in the building.

#### **Other Inspections [24 CFR 983.103(e)]**

The PHA must inspect contract units whenever needed to determine that the contract units comply with NSPIRE and that the owner is providing maintenance, utilities, and other services in accordance with the HAP contract.

The PHA must take into account complaints and any other information coming to its attention in scheduling inspections.

The PHA must conduct follow-up inspections needed to determine if the owner (or, if applicable, the family) has corrected an NSPIRE violation, and must conduct inspections to determine the basis for exercise of contractual and other remedies for owner or family violation of NSPIRE.

In conducting PHA supervisory quality control NSPIRE inspections, the PHA should include a representative sample of both tenant-based and project-based units.

#### **Inspecting PHA-owned Units [24 CFR 983.103(f)]**

In the case of PHA-owned units, the inspections must be performed by an independent agency designated by the PHA and approved by HUD. The independent entity must furnish a copy of each inspection report to the PHA and to the HUD field office where the project is located. The PHA must take all necessary actions in response to inspection reports from the independent agency, including exercise of contractual remedies for violation of the HAP contract by the PHA-owner.

### **PART IV: REHABILITATED AND NEWLY CONSTRUCTED UNITS**

#### **19-IV.A. OVERVIEW [24 CFR 983.151]**

There are specific requirements that apply to PBV assistance for newly constructed or rehabilitated housing that do not apply to PBV assistance in existing housing. This part describes the requirements unique to this type of assistance.

Housing selected for this type of assistance may not at a later date be selected for PBV assistance as existing housing.

#### **19-IV.B. AGREEMENT TO ENTER INTO HAP CONTRACT**

In order to offer PBV assistance in rehabilitated or newly constructed units, the PHA must enter into an agreement to enter into HAP contract (Agreement) with the owner of the property. The Agreement must be in the form required by HUD [24 CFR 983.152(a)].

In the Agreement the owner agrees to develop the PBV contract units to comply with NSPIRE, and the PHA agrees that upon timely completion of such development in accordance with the terms of the Agreement, the PHA will enter into a HAP contract with the owner for the contract units [24 CFR 983.152(b)].

#### **Content of the Agreement [24 CFR 983.152(c)]**

At a minimum, the Agreement must describe the following features of the housing to be developed and assisted under the PBV program:

- Site and the location of the contract units;
- Number of contract units by area (size) and number of bedrooms and bathrooms;
- Services, maintenance, or equipment to be supplied by the owner without charges in addition to the rent;
- Utilities available to the contract units, including a specification of utility services to be paid by the owner and utility services to be paid by the tenant;
- An indication of whether or not the design and construction requirements of the Fair Housing Act and section 504 of the Rehabilitation Act of 1973 apply to units under the Agreement. If applicable, any required work item resulting from these requirements must be included in the description of work to be performed under the Agreement;
- Estimated initial rents to owner for the contract units;
- Any additional requirements for quality, architecture, or design over and above NSPIRE.

- Description of the work to be performed under the Agreement. For rehabilitated units, the description must include the rehabilitation work write up and, where determined necessary by the PHA, specifications and plans. For new construction units, the description must include the working drawings and specifications.

### **Execution of the Agreement [24 CFR 983.153, FR Notice 11/24/08]**

The Agreement must be executed promptly after PHA notice of proposal selection to the selected owner. Generally, the PHA may not enter into the Agreement with the owner until the subsidy layering review is completed. Likewise, the PHA may not enter into the Agreement until the environmental review is completed and the PHA has received environmental approval. However, the PHA does not need to conduct a subsidy layering review in the case of a HAP contract for an existing structure or if the applicable state or local agency has conducted such a review. Similarly, environmental reviews are not required for existing structures unless otherwise required by law or regulation.

#### MCHA Policy

MCHA will enter into the Agreement with the owner within 10 business days of receiving both environmental approval and notice that subsidy layering requirements have been met, and before construction or rehabilitation work is started.

### **19-IV.C. CONDUCT OF DEVELOPMENT WORK**

#### **Labor Standards [24 CFR 983.154(b)]**

If an Agreement covers the development of nine or more contract units (whether or not completed in stages), the owner and the owner's contractors and subcontractors must pay Davis-Bacon wages to laborers and mechanics employed in the development of housing. The HUD-prescribed form of the Agreement will include the labor standards clauses required by HUD, such as those involving Davis-Bacon wage rates.

The owner, contractors, and subcontractors must also comply with the Contract Work Hours and Safety Standards Act, Department of Labor regulations in 29 CFR part 5, and other applicable federal labor relations laws and regulations. The PHA must monitor compliance with labor standards.

#### **Equal Opportunity [24 CFR 983.154(c)]**

The owner must comply with Section 3 of the Housing and Urban Development Act of 1968 and the implementing regulations at 24 CFR part 135. The owner must also comply with federal equal employment opportunity requirements.

#### **Owner Disclosure [24 CFR 983.154(d) and (e)]**

The Agreement and HAP contract must include a certification by the owner that the owner and other project principals are not on the U.S. General Services Administration list of parties excluded from federal procurement and non-procurement programs.

The owner must also disclose any possible conflict of interest that would be a violation of the Agreement, the HAP contract, or HUD regulations.

### **19-IV.D. COMPLETION OF HOUSING**

The Agreement must specify the deadlines for completion of the housing, and the owner must develop and complete the housing in accordance with these deadlines. The Agreement must also specify the deadline for submission by the owner of the required evidence of completion.

#### **Evidence of Completion [24 CFR 983.155(b)]**

At a minimum, the owner must submit the following evidence of completion to the PHA in the form and manner required by the PHA:

- Owner certification that the work has been completed in accordance with NSPIRE and all requirements of the Agreement; and

- Owner certification that the owner has complied with labor standards and equal opportunity requirements in development of the housing.

At the PHA's discretion, the Agreement may specify additional documentation that must be submitted by the owner as evidence of housing completion.

#### MCHA Policy

MCHA will determine the need for the owner to submit additional documentation as evidence of housing completion on a case-by-case basis depending on the nature of the PBV project. MCHA will specify any additional documentation requirements in the Agreement to enter into HAP contract.

#### **PHA Acceptance of Completed Units [24 CFR 983.156]**

Upon notice from the owner that the housing is completed, the PHA must inspect to determine if the housing has been completed in accordance with the Agreement, including compliance with NSPIRE and any additional requirements imposed under the Agreement. The PHA must also determine if the owner has submitted all required evidence of completion.

If the work has not been completed in accordance with the Agreement, the PHA must not enter into the HAP contract.

If the PHA determines the work has been completed in accordance with the Agreement and that the owner has submitted all required evidence of completion, the PHA must submit the HAP contract for execution by the owner and must then execute the HAP contract.

### **PART V: HOUSING ASSISTANCE PAYMENTS CONTRACT (HAP)**

#### **19-V.A. OVERVIEW**

The PHA must enter into a HAP contract with an owner for units that are receiving PBV assistance. The purpose of the HAP contract is to provide housing assistance payments for eligible families. Housing assistance is paid for contract units leased and occupied by eligible families during the HAP contract term. The HAP contract must be in the form required by HUD [24 CFR 983.202].

#### **19-V.B. HAP CONTRACT REQUIREMENTS**

##### **Contract Information [24 CFR 983.203, HOTMA, PIH 2017-21]**

The HAP contract must specify the following information:

- The total number of contract units by number of bedrooms;
- The project's name, street address, city or county, state and zip code, block and lot number (if known), and any other information necessary to clearly identify the site and the building;
- The number of contract units in each building, the location of each contract unit, the area of each contract unit, and the number of bedrooms and bathrooms in each contract unit;
- Services, maintenance, and equipment to be supplied by the owner and included in the rent to owner;
- Utilities available to the contract units, including a specification of utility services to be paid by the owner (included in rent) and utility services to be paid by the tenant;
- Features provided to comply with program accessibility requirements of Section 504 of the Rehabilitation Act of 1973 and implementing regulations at 24 CFR part 8;
- The HAP contract term;
- The number of units in any project that will exceed the 25 percent per project cap, which will be set-aside for occupancy by qualifying families, if applicable; and
- The initial rent to owner for the first 12 months of the HAP contract term.

## **Execution of the HAP Contract [24 CFR 983.204; HOTMA, PIH 2017-21]**

The PHA may not enter into a HAP contract until each contract unit has been inspected and the PHA has determined that the unit complies with the NSPIRE (NSPIRE). For existing housing, the HAP contract must be executed promptly after the PHA selects the owner proposal and inspects the housing units. For newly constructed or rehabilitated housing the HAP contract must be executed after the PHA has inspected the completed units and has determined that the units have been completed in accordance with the agreement to enter into HAP, and the owner furnishes all required evidence of completion.

### MCHA Policy

For existing housing, the HAP contract will be executed within 10 business days of the PHA determining that all units pass NSPIRE.

For rehabilitated or newly constructed housing, the HAP contract will be executed within 10 business days of MCHA's determining that the units have been completed in accordance with the agreement to enter into HAP, all units meet NSPIRE, and the owner has submitted all required evidence of completion.

## **Term of HAP Contract**

The PHA may enter into a HAP contract with an owner for an initial term of no less than one year and no more than 20 years.

### MCHA Policy

The term of all PBV HAP contracts will be negotiated with the owner on a case-by-case basis.

At any time before expiration of the HAP contract, the PHA may extend the term of the contract for an additional term of up to 20 years if the PHA determines an extension is appropriate to continue providing affordable housing for low-income families or to expand housing opportunities. Subsequent extensions are subject to the same limitations. All extensions must be on the form and subject to the conditions prescribed by HUD at the time of the extension.

### MCHA Policy

When determining whether or not to extend an expiring PBV contract, MCHA will consider several factors including, but not limited to:

- The cost of extending the contract and the amount of available budget authority;
- The condition of the contract units;
- The owner's record of compliance with obligations under the HAP contract and lease(s);
- Whether the location of the units continues to support the goals of deconcentrating poverty and expanding housing opportunities; and
- Whether the funding could be used more appropriately for tenant-based assistance.

## ***Termination by PHA [24 CFR 983.205(c)]***

The HAP contract must provide that the term of the PHA's contractual commitment is subject to the availability of sufficient appropriated funding as determined by HUD or by the PHA in accordance with HUD instructions. For these purposes, sufficient funding means the availability of appropriations, and of funding under the ACC from such appropriations, to make full payment of housing assistance payments payable to the owner for any contract year in accordance with the terms of the HAP contract.

If it is determined that there may not be sufficient funding to continue housing assistance payments for all contract units and for the full term of the HAP contract, the PHA may terminate the HAP contract by notice to the owner. The termination must be implemented in accordance with HUD instructions.

### ***Termination by Owner [24 CFR 983.205(d) 983.206, & PIH 2017-21]***

If in accordance with program requirements the amount of rent to an owner for any contract unit is reduced below the amount of the rent to owner at the beginning of the HAP contract term, the owner may terminate the HAP contract by giving notice to the PHA. In this case, families living in the contract units must be offered tenant-based assistance.

At their discretion PHAs may specify in the HAP contract that the maximum rent on a unit will not be less than the initial rent.

With respect to a PBV HAP contract, HOTMA requires the contract to specify that, upon termination or expiration of the contract without extension, an assisted family may elect to remain in its unit and use the assistance previously provided under the contract, as long as the unit meets HUD's NSPIRE and the rent for the unit is reasonable. In such a circumstance, the family may choose to move or to remain in the unit. If the family remains, it will pay its required share of the rent in addition to the amount, if any, by which the gross rent exceeds the applicable payment standard. HOTMA also authorizes HUD to establish additional contract conditions.

Per the statutory notice requirements at Sec. 8(c)(8) and 24 CFR §983.206, not less than 1 year prior to the termination or expiration without extension of a HAP contract, an owner must provide notice to both the PHA and affected tenants. An owner who fails to provide such notice must permit tenants to remain in their units for the required notice period with no increase in the tenant portion of the rent. During this time period, an owner may not evict a tenant as a result of the owner's inability to collect an increased tenant portion of rent. With PHA agreement, an owner may renew the terminating contract for a period of time sufficient to give tenants 1 year's advance notice. For families who wish to remain at the property, the HCV assistance does not commence until the end of the owner's required notice period.

An owner may not terminate the tenancy of a family that exercises its right to remain except for in response to serious or repeated lease violations, or other good cause.

### **NSPIRE**

In order for the family to remain at the project with tenant-based HCV assistance, the unit must meet the NSPIRE requirements of the HCV tenant based program, including initial inspection requirements. HOTMA made a number of changes related to the initial inspection requirements. (See Notice PIH 2017–20, issued October 27, 2017.)

Effective date of HCV HAP and family leases. The transition from PBV HAP units to HCV HAP units will require the PHA and owner to plan to assure continued payments for families under lease and continued payments to the owner of units under HAP. The following requirements apply:

- 1) A PHA may execute an HCV HAP contract before the PBV HAP contract terminates, but the HCV HAP contract may not be effective prior to the PBV contract termination or expiration date.
- 2) A PHA may not commence the tenant-based HCV housing assistance payment to an owner until the HCV tenant-based HAP contract has been executed.
- 3) The HCV HAP contract may not be executed before the PHA approves the assisted tenancy in accordance with 982.305. An HCV HAP contract for a family must be executed no later than 60 calendar days from the start of the family's lease. PHAs are encouraged to approve the assisted tenancy and execute the HCV HAP contract without need for the 60-day grace period. If this is not possible, then, as long as the HCV HAP contract is executed during the 60-day grace period, once it has been executed, the PHA may pay the owner retroactively to the start date of the family's lease term.
- 4) If the HCV HAP contract has a different rent than did the PBV HAP contract, and the new rent is determined by the PHA to be reasonable, then the PHA will use the new gross rent to calculate the family's HCV HAP going forward. The family will be responsible for paying the new family rent to owner starting from the effective date of the HCV HAP contract.

## **Remedies for NSPIRE Violations [24 CFR 983.207(b)]**

The PHA may not make any HAP payment to the owner for a contract unit during any period in which the unit does not comply with NSPIRE. If the PHA determines that a contract does not comply with NSPIRE, the PHA may exercise any of its remedies under the HAP contract, for any or all of the contract units. Available remedies include termination of housing assistance payments, abatement or reduction of housing assistance payments, reduction of contract units, and termination of the HAP contract.

### MCHA Policy

MCHA will abate and terminate PBV HAP contracts for non-compliance with NSPIRE in accordance with the policies used in the tenant-based voucher program. These policies are contained in Section 8-II.G., Enforcing Owner Compliance.

## **19-V.C. AMENDMENTS TO THE HAP CONTRACT**

### **Substitution of Contract Units [24 CFR 983.206(a)]**

At the PHA's discretion and subject to all PBV requirements, the HAP contract may be amended to substitute a different unit with the same number of bedrooms in the same building for a previously covered contract unit. Before any such substitution can take place, the PHA must inspect the proposed unit and determine the reasonable rent for the unit.

### **Addition of Contract Units [24 CFR 983.206(b)]**

At the PHA's discretion and subject to the restrictions on the number of dwelling units that can receive PBV assistance per building and on the overall size of the PHA's PBV program, a HAP contract may be amended during the three-year period following the execution date of the HAP contract to add additional PBV units in the same building. This type of amendment is subject to all PBV program requirements except that a new PBV proposal is not required.

### MCHA Policy

MCHA will consider adding contract units to the HAP contract when the PHA determines that additional housing is needed to serve eligible low-income families. Circumstances may include, but are not limited to:

The local housing inventory is reduced due to a disaster (either due to loss of housing units, or an influx of displaced families); and Voucher holders are having difficulty finding units that meet program requirements.

## **19-V.D. HAP CONTRACT YEAR, ANNIVERSARY AND EXPIRATION DATES [24 CFR 983.206(c) and 983.302(e)]**

The HAP contract year is the period of 12 calendar months preceding each annual anniversary of the HAP contract during the HAP contract term. The initial contract year is calculated from the first day of the first calendar month of the HAP contract term.

The annual anniversary of the HAP contract is the first day of the first calendar month after the end of the preceding contract year.

There is a single annual anniversary and expiration date for all units under a particular HAP contract, even in cases where contract units are placed under the HAP contract in stages (on different dates) or units are added by amendment. The anniversary and expiration dates for all units coincide with the dates for the contract units that were originally placed under contract.

### **19-V.E. OWNER RESPONSIBILITIES UNDER THE HAP [24 CFR 983.209]**

When the owner executes the HAP contract s/he certifies that at such execution and at all times during the term of the HAP contract:

- All contract units are in good condition and the owner is maintaining the premises and contract units in accordance with NSPIRE;
- The owner is providing all services, maintenance, equipment and utilities as agreed to under the HAP contract and the leases;
- Each contract unit for which the owner is receiving HAP, is leased to an eligible family referred by the PHA, and the lease is in accordance with the HAP contract and HUD requirements;
- To the best of the owner's knowledge the family resides in the contract unit for which the owner is receiving HAP, and the unit is the family's only residence;
- The owner (including a principal or other interested party) is not the spouse, parent, child, grandparent, grandchild, sister, or brother of any member of a family residing in a contract unit;
- The amount of the HAP the owner is receiving is correct under the HAP contract;
- The rent for contract units does not exceed rents charged by the owner for comparable unassisted units;
- Except for HAP and tenant rent, the owner has not received and will not receive any other payment or consideration for rental of the contract unit; and
- The family does not own or have any interest in the contract unit.

### **19-V.F. ADDITIONAL HAP REQUIREMENTS**

#### **Housing Quality and Design Requirements [24 CFR 983.101(e) and 983.207(a)]**

The owner is required to maintain and operate the contract units and premises in accordance with NSPIRE, including performance of ordinary and extraordinary maintenance. The owner must provide all the services, maintenance, equipment, and utilities specified in the HAP contract with the PHA and in the lease with each assisted family. In addition, maintenance, replacement, and redecoration must be in accordance with the standard practice for the building as established by the owner.

The PHA may elect to establish additional requirements for quality, architecture, or design of PBV housing. Any such additional requirements must be specified in the Agreement to enter into a HAP contract and the HAP contract. These requirements must be in addition to, not in place of, compliance with NSPIRE.

#### MCHA Policy

MCHA will identify the need for any special features on a case-by-case basis depending on the intended occupancy of the PBV project. The PHA will specify any special design standards or additional requirements in the invitation for PBV proposals, the agreement to enter into HAP contract, and the HAP contract.

#### **Vacancy Payments [24 CFR 983.352(b)]**

At the discretion of the PHA, the HAP contract may provide for vacancy payments to the owner for a PHA-determined period of vacancy extending from the beginning of the first calendar month after the move-out month for a period not exceeding two full months following the move-out month. The amount of the vacancy payment will be determined by the PHA and cannot exceed the monthly rent to owner under the assisted lease, minus any portion of the rental payment received by the owner (including amounts available from the tenant's security deposit).

#### MCHA Policy

MCHA will decide on a case-by-case basis if the PHA will provide vacancy payments to the owner. The HAP contract with the owner will contain any such agreement, including the amount of the vacancy payment and the period for which the owner will qualify for these payments.

## **PART VI: SELECTION OF PBV PROGRAM PARTICIPANTS**

### **19-VI.A. OVERVIEW**

Many of the provisions of the tenant-based voucher regulations [24 CFR 982] also apply to the PBV program. This includes requirements related to determining eligibility and selecting applicants from the waiting list. Even with these similarities, there are requirements that are unique to the PBV program. This part describes the requirements and policies related to eligibility and admission to the PBV program.

### **19-VI.B. ELIGIBILITY FOR PBV ASSISTANCE [24 CFR 983.251(a) and (b)]**

The PHA may select families for the PBV program from those who are participants in the PHA's tenant-based voucher program and from those who have applied for admission to the voucher program. For voucher participants, eligibility was determined at original admission to the voucher program and does not need to be redetermined at the commencement of PBV assistance. For all others, eligibility for admission must be determined at the commencement of PBV assistance.

Applicants for PBV assistance must meet the same eligibility requirements as applicants for the tenant-based voucher program. Applicants must qualify as a family as defined by HUD and the PHA, have income at or below HUD-specified income limits, and qualify on the basis of citizenship or the eligible immigration status of family members [24 CFR 982.201(a) and 24 CFR 983.2(a)]. In addition, an applicant family must provide social security information for family members [24 CFR 5.216 and 5.218] and consent to the PHA's collection and use of family information regarding income, expenses, and family composition [24 CFR 5.230]. An applicant family must also meet HUD requirements related to current or past criminal activity.

#### MCHA Policy

MCHA will determine eligibility for a VASH applicant families for the PBV program in accordance with the policies in Chapter 3 and 17.

### **In-Place Families [24 CFR 983.251(b)]**

An eligible family residing in a proposed PBV contract unit on the date the proposal is selected by the PHA is considered an "in-place family." These families are afforded protection from displacement under the PBV rule. If a unit to be placed under contract (either an existing unit or a unit requiring rehabilitation) is occupied by an eligible family on the date the proposal is selected, the in-place family must be placed on the PHA's waiting list. Once the family's continued eligibility is determined (the PHA may deny assistance to an in-place family for the grounds specified in 24 CFR 982.552 and 982.553), the family must be given an absolute selection preference and the PHA must refer these families to the project owner for an appropriately sized PBV unit in the project. Admission of eligible in-place families is not subject to income targeting requirements.

This regulatory protection from displacement does not apply to families that are not eligible to participate in the program on the proposal selection date.

### **19-VI.C. ORGANIZATION OF THE WAITING LIST [24 CFR 983.251(c)]**

The PHA may establish a separate waiting list for PBV units or it may use the same waiting list for both tenant-based and PBV assistance. The PHA may also merge the PBV waiting list with a waiting list for other assisted housing programs offered by the PHA. If the PHA chooses to offer a separate waiting list for PBV assistance, the PHA must offer to place applicants who are listed on the tenant-based waiting list on the waiting list for PBV assistance.

If a PHA decides to establish a separate PBV waiting list, the PHA may use a single waiting list for the PHA's whole PBV program, or it may establish separate waiting lists for PBV units in particular projects or buildings or for sets of such units.

## MCHA Policy

MCHA will utilize the VASH Waiting List for PBV assistance.

### **19-VI.D. SELECTION FROM THE WAITING LIST [24 CFR 983.251(c)]**

Applicants who will occupy units with PBV assistance must be selected from the PHA's waiting list. The PHA may establish selection criteria or preferences for occupancy of particular PBV units. The PHA may place families referred by the PBV owner on its PBV waiting list.

#### **Income Targeting [24 CFR 983.251(c)(6)]**

With the exception of the VASH program, at least 75 percent of the families admitted to the PHA's tenant-based and project-based voucher programs during the PHA fiscal year from the waiting list must be extremely low income families. The income targeting requirement applies to the total of admissions to both programs.

#### **Units with Accessibility Features [24 CFR 983.251(c)(7)]**

When selecting families to occupy PBV units that have special accessibility features for persons with disabilities, the PHA must first refer families who require such features to the owner.

#### **Preferences [24 CFR 983.251(d), HOTMA, PIH 2017-21]**

The PHA may use the same selection preferences that are used for the tenant-based voucher program, establish selection criteria or preferences for the PBV program as a whole, or for occupancy of particular PBV developments or units. The PHA must provide an absolute selection preference for eligible in-place families as described in Section 19-VI.B. above.

Although the PHA is prohibited from granting preferences to persons with a specific disability, the PHA may give preference to disabled families who need services offered at a particular project or site if the preference is limited to families (including individuals):

- Who, without appropriate supportive services, will not be able to obtain or maintain themselves in housing; and
- For whom such services cannot be provided in a non-segregated setting.

In advertising such a project, the owner may advertise the project as offering services for a particular type of disability; however, the project must be open to all otherwise eligible disabled persons who may benefit from services provided in the project. In these projects, disabled residents may not be required to accept the particular services offered as a condition of occupancy.

If the PHA has projects with more than 25 percent of the units receiving project-based assistance because those projects include "excepted units" (units specifically made available for elderly or families receiving supportive services), the PHA must give preference to such families when referring families to these units [24 CFR 983.261(b)].

## MCHA Policy

MCHA will provide a selection preference when required by the regulation (e.g., eligible in-place families, qualifying families for "excepted units"). The PHA may offer any additional preferences for the PBV program or for particular PBV projects or units, such as an elderly VASH participant.

### **19-VI.E. OFFER OF PBV ASSISTANCE**

#### **Refusal of Offer [24 CFR 983.251(e)(3)]**

The PHA is prohibited from taking any of the following actions against a family who has applied for, received, or refused an offer of PBV assistance:

- Refuse to list the applicant on the waiting list for tenant-based voucher assistance;
- Deny any admission preference for which the applicant qualifies;

- Change the applicant's place on the waiting list based on preference, date, and time of application, or other factors affecting selection under the PHA's selection policy;
- Remove the applicant from the tenant-based voucher waiting list.

### **Disapproval by Landlord [24 CFR 983.251(e)(2)]**

If a PBV owner rejects a family for admission to the owner's units, such rejection may not affect the family's position on the tenant-based voucher waiting list.

### **Acceptance of Offer [24 CFR 983.252]**

#### ***Family Briefing***

When a family accepts an offer for PBV assistance, the PHA must give the family an oral briefing. The briefing must include information on how the program works and the responsibilities of the family and owner. In addition to the oral briefing, the PHA must provide a briefing packet that explains how the PHA determines the total tenant payment for a family, the family obligations under the program, and applicable fair housing information.

#### ***Persons with Disabilities***

If an applicant family's head or spouse is disabled, the PHA must assure effective communication, in accordance with 24 CFR 8.6, in conducting the oral briefing and in providing the written information packet. This may include making alternative formats available (see Chapter 2). In addition, the PHA must have a mechanism for referring a family that includes a member with a mobility impairment to an appropriate accessible PBV unit.

#### ***Persons with Limited English Proficiency***

The PHA should take reasonable steps to assure meaningful access by persons with limited English proficiency in accordance with Title VI of the Civil Rights Act of 1964 and Executive Order 13166 (see Chapter 2).

## **19-VI.F. OWNER SELECTION OF TENANTS**

The owner is responsible for developing written tenant selection procedures that are consistent with the purpose of improving housing opportunities for very low-income families and reasonably related to program eligibility and an applicant's ability to fulfill their obligations under the lease. An owner must promptly notify in writing any rejected applicant of the grounds for any rejection [24 CFR 983.253(b)].

### **Leasing [24 CFR 983.253(a)]**

During the term of the HAP contract, the owner must lease contract units to eligible families that are selected and referred by the PHA from the PHA's waiting list. The contract unit leased to the family must be the appropriate size unit for the size of the family, based on the PHA's subsidy standards.

### **Filling Vacancies [24 CFR 983.254(a)]**

The owner must promptly notify the PHA of any vacancy or expected vacancy in a contract unit. After receiving such notice, the PHA must make every reasonable effort to promptly refer a sufficient number of families for the owner to fill such vacancies. The PHA and the owner must make reasonable efforts to minimize the likelihood and length of any vacancy.

#### **MCHA Policy**

The owner must notify the PHA in writing (mail, fax, or e-mail) within 5 business days of learning about any vacancy or expected vacancy.

The PHA will make every reasonable effort to refer families to the owner within 10 business days of receiving such notice from the owner.

## **Reduction in HAP Contract Units Due to Vacancies [24 CFR 983.254(b)]**

If any contract units have been vacant for 120 or more days since owner notice of the vacancy, the PHA may give notice to the owner amending the HAP contract to reduce the number of contract units by subtracting the number of contract units (according to the bedroom size) that have been vacant for this period.

### MCHA Policy

If any contract units have been vacant for 120 days, MCHA will give notice to the owner that the HAP contract will be amended to reduce the number of contract units that have been vacant for this period. The PHA will provide the notice to the owner within 10 business days of the 120<sup>th</sup> day of the vacancy. The amendment to the HAP contract will be effective the 1<sup>st</sup> day of the month following the date of the PHA's notice.

## **19-VI.G. TENANT SCREENING [24 CFR 983.255]**

### **PHA Responsibility**

The PHA is not responsible or liable to the owner or any other person for the family's behavior or suitability for tenancy. However, the PHA may opt to screen applicants for family behavior or suitability for tenancy and may deny applicants based on such screening.

### MCHA Policy

The PHA will not conduct screening to determine a PBV applicant family's suitability for tenancy.

The PHA must provide the owner with an applicant family's current and prior address (as shown in PHA records) and the name and address (if known by the PHA) of the family's current landlord and any prior landlords.

In addition, the PHA may offer the owner other information the PHA may have about a family, including information about the tenancy history of family members or about drug trafficking and criminal activity by family members. The PHA must provide applicant families a description of the PHA policy on providing information to owners, and the PHA must give the same types of information to all owners.

### MCHA Policy

The PHA will inform owners of their responsibility to screen prospective tenants, and will provide owners with the required known name and address information, at the time of the turnover NSPIRE inspection or before. The PHA will not provide any additional information to the owner, such as tenancy history, criminal history, etc.

### **Owner Responsibility**

The owner is responsible for screening and selection of the family to occupy the owner's unit. When screening families the owner may consider a family's background with respect to the following factors:

- Payment of rent and utility bills;
- Caring for a unit and premises;
- Respecting the rights of other residents to the peaceful enjoyment of their housing;
- Drug-related criminal activity or other criminal activity that is a threat to the health, safety, or property of others; and
- Compliance with other essential conditions of tenancy.

## **PART VII: OCCUPANCY**

### **19-VII.A. OVERVIEW**

After an applicant has been selected from the waiting list, determined eligible by the PHA, referred to an owner and determined suitable by the owner, the family will sign the lease and occupancy of the unit will begin.

### **19-VII.B. LEASE [24 CFR 983.256]**

The tenant must have legal capacity to enter a lease under state and local law. *Legal capacity* means that the tenant is bound by the terms of the lease and may enforce the terms of the lease against the owner.

#### **Form of Lease [24 CFR 983.256(b)]**

The tenant and the owner must enter into a written lease agreement that is signed by both parties. If an owner uses a standard lease form for rental units to unassisted tenants in the locality or premises, the same lease must be used for assisted tenants, except that the lease must include a HUD-required tenancy addendum. The tenancy addendum must include, word-for-word, all provisions required by HUD.

If the owner does not use a standard lease form for rental to unassisted tenants, the owner may use another form of lease, such as a PHA model lease.

The PHA may review the owner's lease form to determine if the lease complies with state and local law. If the PHA determines that the lease does not comply with state or local law, the PHA may decline to approve the tenancy.

#### MCHA Policy

MCHA will not review the owner's lease for compliance with state or local law.

#### **Lease Requirements [24 CFR 983.256(c)]**

The lease for a PBV unit must specify all of the following information:

- The names of the owner and the tenant;
- The unit rented (address, apartment number, if any, and any other information needed to identify the leased contract unit);
- The term of the lease (initial term and any provision for renewal);
- The amount of the tenant rent to owner, which is subject to change during the term of the lease in accordance with HUD requirements;
- A specification of the services, maintenance, equipment, and utilities that will be provide by the owner; and
- The amount of any charges for food, furniture, or supportive services.

#### **Tenancy Addendum [24 CFR 983.256(d)]**

The tenancy addendum in the lease must state:

- The program tenancy requirements;
- The composition of the household as approved by the PHA (the names of family members and any PHA-approved live-in aide);
- All provisions in the HUD-required tenancy addendum must be included in the lease. The terms of the tenancy addendum prevail over other provisions of the lease.

#### **Initial Term and Lease Renewal [24 CFR 983.256(f) and 983.257(b)]**

The initial lease term must be for at least one year. Upon expiration of the lease, an owner may renew the lease, refuse to renew the lease for "good cause," or refuse to renew the lease without good cause. If the owner refuses

to renew the lease without good cause, the PHA must provide the family with a tenant-based voucher and remove the unit from the PBV HAP contract.

### **Changes in the Lease [24 CFR 983.256(e)]**

If the tenant and owner agree to any change in the lease, the change must be in writing, and the owner must immediately give the PHA a copy of all changes.

The owner must notify the PHA in advance of any proposed change in the lease regarding the allocation of tenant and owner responsibilities for utilities. Such changes may only be made if approved by the PHA and in accordance with the terms of the lease relating to its amendment. The PHA must redetermine reasonable rent, in accordance with program requirements, based on any change in the allocation of the responsibility for utilities between the owner and the tenant. The redetermined reasonable rent will be used in calculation of the rent to owner from the effective date of the change.

### **Owner Termination of Tenancy [24 CFR 983.257]**

With two exceptions, the owner of a PBV unit may terminate tenancy for the same reasons an owner may in the tenant-based voucher program (see Section 12-III.B. and 24 CFR 982.310). In the PBV program, terminating tenancy for “good cause” does not include doing so for a business or economic reason, or a desire to use the unit for personal or family use or other non-residential purpose.

### ***Tenant Absence from the Unit [24 CFR 983.256(g) and 982.312(a)]***

The owner may specify in the lease a maximum period of tenant absence from the unit that is shorter than the maximum period permitted by PHA policy. According to program requirements, the family’s assistance must be terminated if they are absent from the unit for more than 180 consecutive days.

### **Security Deposits [24 CFR 983.258]**

The owner may collect a security deposit from the tenant. The PHA may prohibit security deposits in excess of private market practice, or in excess of amounts charged by the owner to unassisted tenants.

#### MCHA Policy

MCHA will allow the owner to collect a security deposit amount the owner determines is appropriate.

When the tenant moves out of a contract unit, the owner, subject to state and local law, may use the security deposit, including any interest on the deposit, in accordance with the lease, as reimbursement for any unpaid tenant rent, damages to the unit, or other amounts owed by the tenant under the lease.

The owner must give the tenant a written list of all items charged against the security deposit and the amount of each item. After deducting the amount used to reimburse the owner, the owner must promptly refund the full amount of the balance to the tenant.

If the security deposit does not cover the amount owed by the tenant under the lease, the owner may seek to collect the balance from the tenant. The PHA has no liability or responsibility for payment of any amount owed by the family to the owner.

## **19-VII.C. MOVES**

### **Overcrowded, Under-Occupied, and Accessible Units [24 CFR 983.259]**

If the PHA determines that a family is occupying a wrong size unit, based on the PHA’s subsidy standards, or a unit with accessibility features that the family does not require, and the unit is needed by a family that does require the features, the PHA must promptly notify the family and the owner of this determination, and the PHA must offer the family the opportunity to receive continued housing assistance in another unit.

## MCHA Policy

MCHA will notify the family and the owner of the family's need to move based on the occupancy of a wrong-size or accessible unit within 10 business days of the PHA's determination. The PHA will offer the family the following types of continued assistance in the following order, based on the availability of assistance:

- PBV assistance in the same building or project;
- PBV assistance in another project; and
- Tenant-based voucher assistance.

If the PHA offers the family a tenant-based voucher, the PHA must terminate the housing assistance payments for a wrong-sized or accessible unit at expiration of the term of the family's voucher (including any extension granted by the PHA).

If the PHA offers the family another form of assistance that is not a tenant-based voucher, and the family does not accept the offer, does not move out of the PBV unit within a reasonable time as determined by the PHA, or both, the PHA must terminate the housing assistance payments for the unit at the expiration of a reasonable period as determined by the PHA.

## MCHA Policy

When MCHA offers a family another form of assistance that is not a tenant-based voucher, the family will be given 30 days from the date of the offer to accept the offer and move out of the PBV unit. If the family does not move out within this 30-day time frame, the PHA will terminate the housing assistance payments at the expiration of this 30-day period.

MCHA may make exceptions to this 30-day period if needed for reasons beyond the family's control such as death, serious illness, or other medical emergency of a family member.

### **Family Right to Move [24 CFR 983.260]**

The family may terminate the lease at any time after the first year of occupancy. The family must give advance written notice to the owner in accordance with the lease and provide a copy of such notice to the PHA. If the family wishes to move with continued tenant-based assistance, the family must contact the PHA to request the rental assistance prior to providing notice to terminate the lease.

If the family terminates the lease in accordance with these requirements, the PHA is required to offer the family the opportunity for continued tenant-based assistance, in the form of a voucher or other comparable tenant-based rental assistance. If voucher or other comparable tenant-based assistance is not immediately available upon termination of the family's lease in the PBV unit, the PHA must give the family priority to receive the next available opportunity for continued tenant-based assistance.

If the family terminates the assisted lease before the end of the first year, the family relinquishes the opportunity for continued tenant-based assistance.

### **19-VII.D. EXCEPTIONS TO THE OCCUPANCY CAP [24 CFR 983.261, HOTMA, PIH 2017-21]**

The PHA may not pay housing assistance under a PBV HAP contract for more than 25 percent of the number of dwelling units in a project unless the units are [24 CFR 983.56]:

- In a single-family building;
- Specifically made available for elderly families; or
- Specifically made available for families receiving supportive services as defined by the PHA. At least one member must be receiving at least one qualifying supportive service.

If a family at the time of initial tenancy is receiving and while the resident of an excepted unit has received Family Self-Sufficiency (FSS) supportive services or any other service as defined as defined by the PHA and

successfully completes the FSS contract of participation or the supportive services requirement, the unit continues to count as an excepted unit for as long as the family resides in the unit.

HUD encourages PHAs to consider how the structure of their supportive services package may impact a family's continued eligibility for the supportive services and the unit's excepted status. The unit loses its excepted status if the family becomes ineligible for the supportive services during its tenancy, provided that: (i) the family becomes ineligible for all supportive services available to the family, and (ii) the family becomes ineligible for reasons other than successfully completing the supportive services objective. A family that becomes ineligible for the supportive services during its tenancy cannot be terminated from the program or evicted from the unit. If the unit loses its excepted status, and the PHA does not want to reduce the number of excepted units in its project-based portfolio, the PHA may:

Substitute the excepted unit for a non-excepted unit if it is possible to do so in accordance with 24 CFR §983.207(a). A PHA may wish to consider whether adding units to the HAP contract is an appropriate strategy to allow for the substitution of units. For example, Bay View Project has a total of 100 units. 50 of those units are under a PBV HAP contract and are all excepted units. In this case, the PHA may add nonexcepted units to the contract (provided

#### **19-VII.D. EXCEPTIONS TO THE OCCUPANCY CAP [24 CFR 983.261, HOTMA, PIH 2017-21]**

The PHA may not pay housing assistance under a PBV HAP contract for more than 25 percent of the number of dwelling units in a project unless the units are [24 CFR 983.56]:

- In a single-family building;
- Specifically made available for elderly families; or
- Specifically made available for families receiving supportive services as defined by the PHA. At least one member must be receiving at least one qualifying supportive service.

If a family at the time of initial tenancy is receiving and while the resident of an excepted unit has received Family Self-Sufficiency (FSS) supportive services or any other service as defined as defined by the PHA and successfully completes the FSS contract of participation or the supportive services requirement, the unit continues to count as an excepted unit for as long as the family resides in the unit.

HUD encourages PHAs to consider how the structure of their supportive services package may impact a family's continued eligibility for the supportive services and the unit's excepted status. The unit loses its excepted status if the family becomes ineligible for the supportive services during its tenancy, provided that: (i) the family becomes ineligible for all supportive services available to the family, and (ii) the family becomes ineligible for reasons other than successfully completing the supportive services objective. A family that becomes ineligible for the supportive services during its tenancy cannot be terminated from the program or evicted from the unit. If the unit loses its excepted status, and the PHA does not want to reduce the number of excepted units in its project-based portfolio, the PHA may:

- (i) Substitute the excepted unit for a non-excepted unit if it is possible to do so in accordance with 24 CFR §983.207(a). A PHA may wish to consider whether adding units to the HAP contract is an appropriate strategy to allow for the substitution of units. For example, Bay View Project has a total of 100 units. 50 of those units are under a PBV HAP contract and are all excepted units. In this case, the PHA may add nonexcepted units to the contract (provided it is possible to do so under PBV requirements) to allow for the substitution of the excepted unit for the non-excepted unit.
- (ii) Remove the unit from the PBV HAP contract, and provide the family with tenant-based assistance. Once the family has moved from the unit, add the unit back to the contract in accordance with 24 CFR §983.207(b), as amended by HOTMA. Any family newly admitted to the unit must be eligible for supportive services in order for the unit to retain its excepted status.

In the case of a family that chooses to participate in the supportive services, as described by the PHA in the Administrative Plan, and successfully completes the supportive services objective, as defined by the PHA in its Administrative Plan.

If the family fails to vacate the unit within the established time, the unit must be removed from the HAP contract unless the project is partially assisted, and it is possible for the HAP contract to be amended to substitute a different unit in the building in accordance with program requirements; or the owner terminates the lease and evicts the family.

### MCHA Policy

MCHA will provide PBV assistance for excepted units

## **PART VIII: DETERMINING RENT TO OWNER**

### **19-VIII.A. OVERVIEW**

The amount of the initial rent to an owner of units receiving PBV assistance is established at the beginning of the HAP contract term. Although for rehabilitated or newly constructed housing, the agreement to enter into HAP Contract (Agreement) states the estimated amount of the initial rent to owner, the actual amount of the initial rent to owner is established at the beginning of the HAP contract term.

During the term of the HAP contract, the rent to owner is redetermined at the owner's request in accordance with program requirements, and at such time that there is a five percent or greater decrease in the published FMR.

### **19-VIII.B. RENT LIMITS [24 CFR 983.301]**

Except for certain tax credit units (discussed below), the rent to owner must not exceed the lowest of the following amounts:

- An amount determined by the PHA, not to exceed 110 percent of the applicable fair market rent (or any HUD-approved exception payment standard) for the unit bedroom size minus any utility allowance;
- The reasonable rent; or
- The rent requested by the owner.

### **Certain Tax Credit Units [24 CFR 983.301(c), FR Notice 11/24/08]**

For certain tax credit units, the rent limits are determined differently than for other PBV units. These different limits apply to contract units that meet all of the following criteria:

- The contract unit receives a low-income housing tax credit under the Internal Revenue Code of 1986;
- The contract unit is not located in a qualified census tract;
- There are comparable tax credit units of the same bedroom size as the contract unit in the same building, and the comparable tax credit units do not have any form of rental assistance other than the tax credit; and
- The tax credit rent exceeds a PHA-determined amount (not to exceed 110 percent of the fair market rent or any approved exception payment standard);

For contract units that meet all of these criteria, the rent to owner must not exceed the lowest of:

- The tax credit rent minus any utility allowance;
- The reasonable rent; or
- The rent requested by the owner.

However, PHAs are permitted to use the higher Section 8 rent for a tax credit unit if the tax credit rent is less than the amount that would be permitted under Section 8. In these cases, Section 8 rent reasonableness requirements must continue to be met.

## ***Definitions***

A *qualified census tract* is any census tract (or equivalent geographic area defined by the Bureau of the Census) in which at least 50 percent of households have an income of less than 60 percent of Area Median Gross Income (AMGI), or where the poverty rate is at least 25 percent and where the census tract is designated as a qualified census tract by HUD.

*Tax credit rent* is the rent charged for comparable units of the same bedroom size in the building that also receive the low-income housing tax credit but do not have any additional rental assistance (e.g., tenant-based voucher assistance).

## **Use of FMRs, Exception Payment Standards, and Utility Allowances [24 CFR 983.301(f)]**

When determining the initial rent to owner, the PHA must use the most recently published FMR in effect and the utility allowance schedule in effect at execution of the HAP contract. When redetermining the rent to owner, the PHA must use the most recently published FMR and the utility allowance schedule in effect at the time of redetermination. At its discretion, the PHA may for initial rent, use the amounts in effect at any time during the 30-day period immediately before the beginning date of the HAP contract, or for redeterminations of rent, the 30-day period immediately before the redetermination date.

Any HUD-approved exception payment standard amount under the tenant-based voucher program also applies to the project-based voucher program. HUD will not approve a different exception payment stand amount for use in the PBV program.

Likewise, the PHA may not establish or apply different utility allowance amounts for the PBV program. The same utility allowance schedule applies to both the tenant-based and project-based voucher programs.

### MCHA Policy

Upon written request by the owner, the MCHA will consider using the FMR or utility allowances in effect during the 30-day period before the start date of the HAP, or redetermination of rent. The owner must explain the need to use the previous FMRs or utility allowances and include documentation in support of the request. The PHA will review and make a decision based on the circumstances and merit of each request.

In addition to considering a written request from an owner, the MCHA may decide to use the FMR or utility allowances in effect during the 30-day period before the start date of the HAP, or redetermination of rent, if MCHA determines it is necessary due to PHA budgetary constraints.

## **Redetermination of Rent [24 CFR 983.302, FR Notice 11/24/08]**

The PHA must redetermine the rent to owner upon the owner's request or when there is a five percent or greater decrease in the published FMR.

## ***Rent Increase***

If an owner wishes to request an increase in the rent to owner from the PHA, it must be requested at the annual anniversary of the HAP contract (see Section 19-V.D.). The request must be in writing and in the form and manner required by the PHA. The PHA may only make rent increases in accordance with the rent limits described previously. There are no provisions in the PBV program for special adjustments (e.g., adjustments that reflect increases in the actual and necessary expenses of owning and maintaining the units which have resulted from substantial general increases in real property taxes, utility rates, or similar costs).

### MCHA Policy

An owner's request for a rent increase must be submitted MCHA 60 days prior to the anniversary date of the HAP contract, and must include the new rent amount the owner is proposing.

The PHA may not approve and the owner may not receive any increase of rent to owner until and unless the owner has complied with requirements of the HAP contract, including compliance with NSPIRE. The owner may not receive any retroactive increase of rent for any period of noncompliance.

### ***Rent Decrease***

If there is a decrease in the rent to owner, as established in accordance with program requirements such as a change in the FMR or exception payment standard, or reasonable rent amount, the rent to owner must be decreased regardless of whether the owner requested a rent adjustment. However, the PHA may stipulate in the HAP contract that the maximum rent on a unit will not be less than the initial rent.

### ***Notice of Rent Change***

The rent to owner is redetermined by written notice by the PHA to the owner specifying the amount of the redetermined rent. The PHA notice of rent adjustment constitutes an amendment of the rent to owner specified in the HAP contract. The adjusted amount of rent to owner applies for the period of 12 calendar months from the annual anniversary of the HAP contract.

#### **MCHA Policy**

The PHA will provide the owner with at least 30 days written notice of any change in the amount of rent to owner.

### **PHA-owned Units [24 CFR 983.301(g)]**

For PHA-owned PBV units, the initial rent to owner and the annual redetermination of rent at the anniversary of the HAP contract are determined by the independent entity approved by HUD. The PHA must use the rent to owner established by the independent entity.

### **19-VIII.C. REASONABLE RENT [24 CFR 983.303]**

At the time the initial rent is established and all times during the term of the HAP contract, the rent to owner for a contract unit may not exceed the reasonable rent for the unit as determined by the PHA.

#### **When Rent Reasonable Determinations are Required**

The PHA must redetermine the reasonable rent for a unit receiving PBV assistance whenever any of the following occur:

- There is a five percent or greater decrease in the published FMR in effect 60 days before the contract anniversary (for the unit sizes specified in the HAP contract) as compared with the FMR that was in effect one year before the contract anniversary date;
- The PHA approves a change in the allocation of responsibility for utilities between the owner and the tenant;
- The HAP contract is amended to substitute a different contract unit in the same building; or
- There is any other change that may substantially affect the reasonable rent.

#### **How to Determine Reasonable Rent**

The reasonable rent of a unit receiving PBV assistance must be determined by comparison to rent for other comparable unassisted units. When making this determination, the PHA must consider factors that affect market rent. Such factors include the location, quality, size, type and age of the unit, as well as the amenities, housing services maintenance, and utilities to be provided by the owner.

#### ***Comparability Analysis***

For each unit, the comparability analysis must use at least three comparable units in the private unassisted market. This may include units in the premises or project that is receiving project-based assistance. The analysis must show how the reasonable rent was determined, including major differences between the contract units and comparable unassisted units, and must be retained by the PHA. The comparability analysis may be performed by

PHA staff or by another qualified person or entity. Those who conduct these analyses or are involved in determining the housing assistance payment based on the analyses may not have any direct or indirect interest in the property.

### **PHA-owned Units**

For PHA-owned units, the amount of the reasonable rent must be determined by an independent agency approved by HUD in accordance with PBV program requirements. The independent entity must provide a copy of the determination of reasonable rent for PHA-owned units to the PHA and to the HUD field office where the project is located.

### **Owner Certification of Reasonable Rent**

By accepting each monthly housing assistance payment, the owner certifies that the rent to owner is not more than rent charged by the owner for other comparable unassisted units in the premises. At any time, the PHA may require the owner to submit information on rents charged by the owner for other units in the premises or elsewhere.

### **19-VIII.D. EFFECT OF OTHER SUBSIDY AND RENT CONTROL**

In addition to the rent limits discussed in Section 19-VIII.B above, other restrictions may limit the amount of rent to owner in a PBV unit. In addition, certain types of subsidized housing are not even eligible to receive PBV assistance (see Section 19-II.D).

#### **Other Subsidy [24 CFR 983.304]**

At its discretion, a PHA may reduce the initial rent to owner because of other governmental subsidies, including grants and other subsidized financing.

For units receiving assistance under the HOME program, rents may not exceed rent limits as required by that program.

For units in any of the following types of federally subsidized projects, the rent to owner may not exceed the subsidized rent (basic rent) or tax credit rent as determined in accordance with requirements for the applicable federal program:

- An insured or non-insured Section 236 project;
- A formerly insured or non-insured Section 236 project that continues to receive Interest Reduction Payment following a decoupling action;
- A Section 221(d)(3) below market interest rate (BMIR) project;
- A Section 515 project of the Rural Housing Service;
- Any other type of federally subsidized project specified by HUD.

#### ***Combining Subsidy***

Rent to owner may not exceed any limitation required to comply with HUD subsidy layering requirements.

#### **Rent Control [24 CFR 983.305]**

In addition to the rent limits set by PBV program regulations, the amount of rent to owner may also be subject to rent control or other limits under local, state, or federal law.

## **PART IX: PAYMENTS TO OWNER**

### **19-IX.A. HOUSING ASSISTANCE PAYMENTS [24 CFR 983.351]**

During the term of the HAP contract, the PHA must make housing assistance payments to the owner in accordance with the terms of the HAP contract. During the term of the HAP contract, payments must be made for each month that a contract unit complies with NSPIRE and is leased to and occupied by an eligible family.

The housing assistance payment must be paid to the owner on or about the first day of the month for which payment is due, unless the owner and the PHA agree on a later date.

Except for discretionary vacancy payments, the PHA may not make any housing assistance payment to the owner for any month after the month when the family moves out of the unit (even if household goods or property are left in the unit).

The amount of the housing assistance payment by the PHA is the rent to owner minus the tenant rent (total tenant payment minus the utility allowance).

In order to receive housing assistance payments, the owner must comply with all provisions of the HAP contract. Unless the owner complies with all provisions of the HAP contract, the owner does not have a right to receive housing assistance payments.

### **19-IX.B. VACANCY PAYMENTS [24 CFR 983.352]**

If an assisted family moves out of the unit, the owner may keep the housing assistance payment for the calendar month when the family moves out. However, the owner may not keep the payment if the PHA determines that the vacancy is the owner's fault.

#### MCHA Policy

If MCHA determines that the owner is responsible for a vacancy and, as a result, is not entitled to the keep the housing assistance payment, MCHA will notify the landlord of the amount of housing assistance payment that the owner must repay. MCH will require the owner to repay the amount owed in accordance with the policies in Section 16-IV.B.

At the discretion of the PHA, the HAP contract may provide for vacancy payments to the owner. The PHA may only make vacancy payments if:

- The owner gives the PHA prompt, written notice certifying that the family has vacated the unit and identifies the date when the family moved out (to the best of the owner's knowledge);
- The owner certifies that the vacancy is not the fault of the owner and that the unit was vacant during the period for which payment is claimed;
- The owner certifies that it has taken every reasonable action to minimize the likelihood and length of vacancy; and
- The owner provides any additional information required and requested by the PHA to verify that the owner is entitled to the vacancy payment.

The owner must submit a request for vacancy payments in the form and manner required by the PHA and must provide any information or substantiation required by the PHA to determine the amount of any vacancy payment.

#### MCHA Policy

If an owner's HAP contract calls for vacancy payments to be made, and the owner wishes to receive vacancy payments, the owner must have properly notified the MCHA of the vacancy in accordance with the policy in Section 19-VI.F. regarding filling vacancies.

In order for a vacancy payment request to be considered, it must be made within 10 business days of the end of the period for which the owner is requesting the vacancy payment.

The request must include the required owner certifications and MCHA may require the owner to provide documentation to support the request. If the owner does not provide the information requested by the PHA within 10 business days of the MCHA's request, no vacancy payments will be made.

### **19-IX.C. TENANT RENT TO OWNER [24 CFR 983.353]**

The tenant rent is the portion of the rent to owner paid by the family. The amount of tenant rent is determined by the PHA in accordance with HUD requirements. Any changes in the amount of tenant rent will be effective on the date stated in the PHA notice to the family and owner.

The family is responsible for paying the tenant rent (total tenant payment minus the utility allowance). The amount of the tenant rent determined by the PHA is the maximum amount the owner may charge the family for rental of a contract unit. The tenant rent covers all housing services, maintenance, equipment, and utilities to be provided by the owner. The owner may not demand or accept any rent payment from the tenant in excess of the tenant rent as determined by the PHA. The owner must immediately return any excess payment to the tenant.

#### **Tenant and PHA Responsibilities**

The family is not responsible for the portion of rent to owner that is covered by the housing assistance payment and the owner may not terminate the tenancy of an assisted family for nonpayment by the PHA.

Likewise, the PHA is responsible only for making the housing assistance payment to the owner in accordance with the HAP contract. The PHA is not responsible for paying tenant rent, or any other claim by the owner, including damage to the unit. The PHA may not use housing assistance payments or other program funds (including administrative fee reserves) to pay any part of the tenant rent or other claim by the owner.

#### **Utility Reimbursements**

If the amount of the utility allowance exceeds the total tenant payment, the PHA must pay the amount of such excess to the tenant as a reimbursement for tenant-paid utilities, and the tenant rent to the owner must be zero.

The PHA may pay the utility reimbursement directly to the family or to the utility supplier on behalf of the family. If the PHA chooses to pay the utility supplier directly, the PHA must notify the family of the amount paid to the utility supplier.

#### MCHA Policy

The MCHA will make utility reimbursements to the family.

### **19-IX.D. OTHER FEES AND CHARGES [24 CFR 983.354]**

#### **Meals and Supportive Services**

With the exception of PBV assistance in assisted living developments, the owner may not require the tenant to pay charges for meals or supportive services.

## **Chapter 20**

## Chapter 21

### EMERGENCY HOUSING VOUCHER PROGRAM

#### INTRODUCTION

The U.S. Department of Housing and Urban Development issued Notice PIH 2021-15 (HA) on May 5, 2021, which described the allotment of Emergency Housing Vouchers to assist individuals and families who are experiencing homelessness; at risk of experiencing homelessness; fleeing, or attempting to flee, domestic violence, dating violence, sexual assault, stalking or human trafficking; or were recently homeless and for whom providing rental assistance will prevent the family's homelessness or having high risk of housing instability. The notice also set forth the operating requirements for the EHVs and specified criteria for changes to the Administrative Plan as listed below.

#### 21.1 SERVICE FEES

One-time service fees were allocated to support MCHA's efforts in implementing and operating an effective EHV services program that will best address the needs of EHV eligible individuals and families in its jurisdiction. Listed below are the eligible uses that MCHA will utilize in order to prevent and respond to coronavirus to facilitate the leasing of the EHVs:

1. Security Deposit/Utility Deposit/Rental Application/Holding Fee Uses
  - a. Application fees/non-refundable administrative or processing fees/refundable application deposit assistance.
  - b. Holding Fees
  - c. Security deposit assistance
  - d. Utility deposit assistance/utility arrears
2. Owner-related uses
  - a. Owner incentive and/or retention payments
3. Other eligible uses
  - a. Renter's insurance if required by the lease
  - b. Essential household items (e.g., tableware, bedding, etc.)

#### 21.2 PERMISSIVE PROHIBITIONS

Permissive prohibitions were allowed through PIH 2021-15 (HA) outside of the mandatory prohibitions.

Mandatory Prohibitions:

1. The PHA must apply the standards established under § 982.553(a)(1)(ii)(C) that prohibit admission if any household member has ever been convicted of drug-related criminal activity for manufacture or production of methamphetamine on the premises of federally assisted housing to EHV applicants.
2. The PHA must apply the standards it established under § 982.553(a)(2)(i) that prohibit admission to the program if any member of the household is subject to a lifetime registration requirement under a State sex offender registration program to EHV applicants.

Permission Prohibitions:

1. If the PHA determines that any household member is currently engaged in, or has engaged within with the previous 12 months:
  - a. Violent criminal activity
  - b. Other criminal activity which may threaten the health, safety or right to peaceful enjoyment of the premises by other residents or persons residing in the immediate vicinity.
2. If any member of the family has committed fraud, bribery or any other corrupt or criminal act in connection with any Federal housing program within the previous 12 months.
3. If the family engaged in or threatened abusive or violent behavior toward PHA personnel within the previous 12 months.

### MCHA Policy

MCHA will only utilize the mandatory prohibitions for the Emergency Housing Voucher program. MCHA will still deny admission to the program if any member of the family fails to sign and submit consent forms for obtaining information in accordance with 24 CFR part 5 as required by § 982.552(b)(3).

### **21.3 WAIVERS ADOPTED**

The U.S. Department of Housing and Urban Development issued Notice PIH 2021-15 (HA), on May 5, 2021. Pursuant to the authority provided under the American Rescue Plan of 2021, “the ARP” (Public Law 117-2), HUD waived and established alternative requirements for numerous statutory and regulatory requirements for the Housing Choice Voucher (HCV) program, as well as other related programs. These waivers were to provide administrative flexibilities and relief to public housing agencies (PHAs) and use of these waivers were at the discretion of the PHA and HUD encouraged PHAs to utilize any and all waivers and alternative requirements as necessary to keep HCV and public housing programs operational to the extent practicable. The following waivers were adopted by MCHA in an effort to provide continued services and operations during the Coronavirus Pandemic:

Any informally adopted revisions under this waiver authority must be formally adopted no later December 31, 2021.

**MCHA Policy**

MCHA will present the waivers to the Board to be formally adopted on or before December 31, 2021. When the adopted waiver availability periods end (as shown on the preceding table), those waivers will no longer be applicable and MCHA will revert back to its previous approved Administrative Plan policies and procedures unless further extensions are offered and accepted by MCHA.
